Starting in January 2025, you may notice a small fee associated with certain programs in the Downers Grove Township Senior Programs Newsletter. This fee is intended to help cover the costs of programs that are more expensive for the Township, including supplies for craft classes, special events, and speaker fees. Please note that fees will not apply to programs sponsored by other organizations or to those that are donated to the Township.

Introducing these fees is also expected to enhance attendance and decrease the number of participants who register but do not show up.

We understand that this represents a significant change from our previous practices, but it will not impact every program. The programs affected as of January 2025 will include arts and crafts classes, non-sponsored speakers and special events, and non-sponsored exercise programs.

To learn more about these changes and the new payment and registration process, we invite you to attend the "MSC Updates and Registration Changes" class this December. There will be three sessions available for you to choose from.
