# AGENDA MEMO CITY COUNCIL April 3, 2017

### **Issue Statement**

**Class A Liquor License Hours:** Approval of an ordinance amending Section 3-3-7-1 (B) to allow all Class A liquor licensees to start Sunday sales at 7:00 A.M. instead of 9:00 A.M.

## **ORDINANCE**

### **Overview/Discussion**

Brookhaven Marketplace, 7516 Cass Avenue, is requesting the City to amend their existing Class A liquor license. See their letter in <u>Attachment A</u> to this memo. They stated that their request is in consideration of lost sales to existing and potential retail competition in neighboring communities. See their chart in <u>Attachment B</u> showing sales hours for some other stores.

Attachment C is a chart prepared by staff showing sales hours allowed by code in surrounding municipalities in classes comparable to Darien Class A. In summary, Darien and Downers Grove allow a 9:00 start on Sundays, Woodridge a 6:00 start, Westmont a 7:00 start, and Willowbrook a 10:00 start. Attachment D is a list of current liquor licenses issued by Darien. None of the other 9 stores in Darien Class A have requested an earlier start time on Sundays.

#### **Recommendation**

Mayor Weaver is in support of this request. Staff recommends the following motion: A motion to approve an ordinance amending Section 3-3-7-1 (B) to allow all Class A liquor licensees to start Sunday sales at 7:00 A.M. instead of 9:00 A.M.

#### **Municipal Services Committee**

The Municipal Services Committee reviewed on March 27 and voted to recommend approval as presented.

Dear Mr. Manning,

We would like to respectfully request to amend the current Sunday restriction on the sale of alcoholic beverages at our grocery store. Over the years, this restriction has been revised or removed in many neighboring communities and we would like to keep our Darien location current and competitive. Last year we were awarded this exact request at our Burr Ridge/Willowbrook location for the same reason. Our business opens at 7am on Sunday and we ask that the restriction aligns with our opening hours. I have also provided a separate spreadsheet that highlights some of the regional restrictions in the area. Feel free to reach out to me with any questions or comments.

Sincerely,

John Peter Bertakis & John G. Manos

# AGENDA MEMO City Council April 3, 2017

## **ISSUE STATEMENT**

A resolution amending the Darien Pointe Plaza, Prohibited Use Agreement, to allow a Dentist Office.

#### **RESOLUTION**

# BACKGROUND/HISTORY

At the May 19, 2014, the City approved a Post-Closing Agreement between the Darien Pointe Developer and the City. The agreement contains a list of prohibited uses and is attached as <u>Attachment A</u>. Recently, the developer forwarded a request to amend the list of prohibited uses and to allow a Dentist Office. See attached developer correspondence, labeled as <u>Attachment B</u>.

The developer is requesting approval of the dentist office due to the concerns of parking congestion. This usage would soften future parking congestion. The traffic and sales for Starbucks and Nothing Bundt Cakes has exceeded the corporate and the developer's projections. Recently, Chiba Japanese Restaurant signed a 10 year lease agreement and will be occupying two spaces (3,000 sq. ft.) within the south building on the north end. The developer is concerned that the traffic and parking will be negatively impacted if any additional retailers locate in the plaza. The developer believes the use of a service oriented business would have minimal impact to the traffic and parking since dentist appointments are scheduled and have limited hours.

In order to approve this amendment the City Council would be required to amend the agreement. The Zoning Ordinance does allow the use of a Dentist Office within a B-2 district, and would not require any additional approvals.

Attached and labeled as <u>Attachment C</u> is an inventory of retail businesses that were approached for lease space at the Plaza by the broker, Edgemark Realty.

#### MAYOR/COMMITTEE COMMENT

The Mayor does not support the proposed Dentist Office. Further, should the Committee and City Council consider approval of the use the following conditions are recommended:

- 1. One Dentist Office shall be limited to 7533 Units D and E and per the attached **Exhibit 1**
- 2. Upon discontinued use of the Dentist Office the use shall be prohibited

**UPDATE:** The committee discussed this item at the March 27, 2017 meeting and recommended 3-0 approval of the Dentist Office.

#### POST-CLOSING DEVELOPMENT AGREEMENT

THIS POST-CLOSING DEVELOPMENT AGREEMENT ("Agreement") is dated this 29<sup>th</sup> day of August, 2014, by and between the City of Darien, DuPage County, Illinois ("City") and Darien Pointe, LLC, an Illinois limited liability company ("Developer").

#### RECITALS:

A. City and Developer are parties to a certain Purchase and Sale Agreement dated the 19th day of May, 2014 ("PSA").

B. Pursuant to the PSA, the City agreed to sell certain property described therein (the
 "Subject Property") to Developer for purposes of developing a retail shopping center thereon.

C. The PSA also called for the parties to enter into this Agreement upon closing of the transaction pursuant to which Developer took title to the Subject Property.

D. The parties have closed the transaction, Developer now holds title to the Subject Property.

E. In fulfillment of their agreement in the PSA, the parties now desire to enter into this Post-Closing Development Agreement in the manner set forth hereinbelow.

Accordingly, it is hereby agreed between the parties as follows:

Section 1. Definitions.

1.1 For purposes of this Agreement, "Closing Date" shall mean the date upon which the Developer's acquisition of the Subject Property from the City closed at the title company.

1.2 "Commence Construction" shall mean that Developer shall have obtained all permits and financing necessary to develop the "Project" (as defined herein) and shall have actually begin the physical demolition, earthwork, and related initial steps toward development of the Project.

1.3 "Project" shall mean the development of the Subject Property for a retail shopping center substantially in accordance with the following identified plans and drawings:

- (a) The Site Plan (as identified in Section 5.04 of the parties' Purchase and Sale Agreement).
- (b) Architectural renderings prepared by Shive Hattery, consisting of one (1) sheet identified as "Darien Heritage Plaza/Northeast corner of South Cass Avenue and Plainfield Road, Darien, Illinois," dated as of 5-13-14 (one (1) sheet) on file with the Seller's City Clerk.
- (c) Architectural plans prepared by Shive Hattery and revised as of 5-13-14.
- (d) Engineering plans prepared by Spaceco, Inc. and revised as of May 14, 2014.

1.4 "Substantial Completion" or "Substantially Completed" shall mean that the Project is completed to such an extent that it is suitable to receive at least a temporary Occupancy Permit from the City in accordance with applicable City codes and ordinances.

Section 2. Agreement to Construct Project: Commencement Date.

2.1 Developer agrees to proceed with due diligence to construct the Project.

2.2 Developer hereby agrees to Commence Construction of the Project within sixty

(60) days of Closing Date.

2.3 In the event Developer does not Commence Construction within sixty (60) days of the Closing Date, the City, at its option, may repurchase the Subject Property for the sum of ONE MILLION & 00/100 (\$1,000,000.00) DOLLARS. In the event the City exercises this option, the parties shall close on the City's repurchase within thirty (30) days after the date the City provides notice of its exercise of this right.

Section 3. Substantial Completion: Security,

3.1 Once Developer Commences Construction, Developer shall proceed with due diligence to complete construction of the Project.

3.2 Developer shall complete construction of the Project within one-hundred eighty(180) days from when Developer Commences Construction.

Developer shall not be considered in default of the obligations set forth herein if 3.3. Developer is delayed in or prevented from the performance of any act required to be performed by Developer including refusals of any of the tenants referred to in Article 6 of the PSA to vacate the Subject Property in violation of a previously-issued lease termination notice, Acts of God, strikes, lockouts, unavailability of materials (provided that same have been ordered in a timely manner and there is no alternative source of material that would conform with the approved plans or that is agreed upon between the parties), failure of power affecting the Subject Property, prohibitive governmental laws or regulations (not including failure of a party required to obtain permits to obtain such permits), riots, insurrections, acts of terrorism or war, the act or failure to act of the other party in accordance with the terms hereof, adverse weather conditions preventing the performance of work, failure of the performing party to secure permits for the performance of such work provided that such permits have been properly and timely applied for and provided that Developer is diligently proceeding with regard to obtaining such permits (in each case, an "Event"), then the time for performance of such act shall be extended for a period equivalent to the period of such delay. Upon completion of an Event such that work may be resumed, Developer shall provide the City with a revised completion schedule, the approval of which shall not be unreasonably denied or disputed by the City.

3.4 In order to secure this obligation, Developer shall post a bank Letter of Credit from an institution and in a form reasonably acceptable to the City guaranteeing such construction. Developer, from time to time, may request, and the City will approve, partial draw downs on the Letter of Credit provided that the Letter of Credit shall not be reduced to less than

TWENTY-FIVE (25%) PERCENT of Developer's construction costs. The Letter of Credit shall be in an amount equal to ONE HUNDRED TEN (110%) PERCENT of Developer's engineer's estimate of the cost of construction of the Project. Such estimate shall be subject to the reasonable approval of the City engineer.

Section 4. Improvement of Public Use Site; Supplemental Plan and Remediation; Cost Sharing; Conveyance to City.

4.1 The southwest corner of the Project, which is intended to be improved as a public use amenity to include a fountain and clock tower as described in the Site Plan attached to the PSA as Exhibit B, is hereinafter referred to as the "Public Use Site."

4.2 As part of the construction of the Project, Developer will improve the Public Use Site as a public use amenity in accordance with plans to be prepared and submitted to Developer by the City (the "Public Use Improvements").

4.3 Prior to the commencement of construction, Developer and City will agree upon an overall construction budget for the Public Use Improvements. The budget shall consist of cost of materials and actual labor and construction costs and shall not include any additional increment for overhead or profit to Developer or any affiliate of Developer.

4.4 The parties agree to share the cost of construction of the Public Use Improvements as follows:

(a) The parties will share the first \$100,000.00 of the Public Use Improvement costs on a 50%-50% basis.

(b) City will be responsible for one-hundred (100%) percent of Public Use Improvement construction costs in excess of \$100,000.00.

4.5 From time to time, Developer will invoice the City for the City's share of the Public Use Improvements construction costs, along with appropriate back-up documentation reasonably acceptable to the City. The City will reimburse Developer within fourteen (14) days of date of invoice.

4.6. Upon completion of the Project, Developer will convey merchantable title of the Public Use Site and Public Use Improvements to the City for the nominal sum of TEN & 00/100 (\$10.00) DOLLARS.

4.7 The Subject Property is subject to certain requirements set forth in the Environmental No Further Remediation Letter recorded with the DuPage County Recorder on January 30, 2014, as Document R2014-008686 (the "NFR"). The parties acknowledge and agree that, pursuant to the terms of the NFR, the excavation and construction activities related to the Project may require the implementation of a safety plan, modification of an engineered barrier or possible supplemental remediation of contaminated soils on the Subject Property (collectively, "Supplemental Plan and Remediation").

4.8 The parties agree to share the costs and expenses of any Supplemental Plan and Remediation as follows:

(a) City will pay the first \$10,000.00 of such costs and expenses.

(b) Developer will be responsible for one-hundred (100%) percent of any such cost and expenses in excess of \$10,000.00.

4.9 From time to time, Developer will invoice the City for the City's share of the costs and expenses for any Supplemental Plan and Remediation, along with appropriate back-up documentation reasonably acceptable to the City. The City will reimburse Developer within fourteen (14) days of date of invoice.

#### Section 5. Prohibited Uses; Additional Chase Restrictions.

5.1 Attached to this Agreement as Exhibit 1 is an enumeration of certain prohibited land uses (the "Prohibited Uses"). Notwithstanding anything to the contrary appearing in the City's zoning ordinance, no part of the Subject Property may be used for a Prohibited Use unless such use is specifically approved by the City's corporate authorities.

5.2 In addition to the Prohibited Use restrictions, Developer is aware and will abide by the Prohibited Use restrictions set forth in the Reciprocal Easement Agreement between the City and Chase Bank (Document No. R2012-109568).

Section 6. Removal of Existing Tenants.

6.1 Pursuant to the PSA, the City has terminated the month-to-month leases of all tenants occupying the Subject Property.

6.2 In the event eviction litigation against any of said tenants has been initiated by the City, and said action is still pending as of the date of this Agreement, Developer will substitute for the City as party plaintiff to any such action.

6.3 In the event the City has issued a lease termination notice as to any such tenant, the tenant has not vacated the leased premises as of the date of this Agreement, but the City has not initiated eviction litigation as of the date of this Agreement, Developer shall initiate such litigation.

6.4 In the event of any litigation brought pursuant to Sections 6.2 and 6.3 above, the City will reimburse Developer for all fees and costs incurred in connection with evicting such tenants including Developer's reasonable attorney's fees.

6.5 Notwithstanding the above, in the event Developer enters into an agreement with one or more of the tenants pursuant to which Developer permits such tenant(s) to hold over until

6

a particular date, the City shall have no obligation to reimburse Developer for attorney's fees incurred by Developer in the event any such tenant refuses to vacate a leased premises pursuant to its agreement with Developer.

#### Section 7. Remedies.

7.1 <u>Developer's Default</u>. If Developer defaults under the terms of this Agreement for any reason other than (i) termination hereof pursuant to a right granted to Developer to do so, or (ii) breach by City of its representations, warranties or agreements hereunder, then City, as City's sole remedy, City hereby waiving all other remedies, shall have the right to terminate this Agreement by giving Developer written notice thereof, in which event neither party hereto shall have any further rights, duties or obligations hereunder.

7.2 <u>Citv's Default</u>. If City defaults under the terms of this Agreement for any reason other than termination hereof pursuant to a right granted to City to do so, or if any of City's representations or warranties made hereunder should be false or misleading in any material respect, Developer may (a) terminate this Agreement by notifying City thereof, in which case City shall pay Developer its actual costs incurred in performing its due diligence under this Agreement, or (b) proceed to exercise any and all remedies available to it at law or at equity, including the right of specific performance of the obligations of City hereunder.

Section 8. Miscellaneous.

8.1 <u>Assigns</u>. This Agreement shall inure to the benefit of and be binding on the parties hereto and their respective heirs, legal representatives, successors and assigns.

8.2 <u>GOVERNING LAW</u>. THIS AGREEMENT SHALL BE GOVERNED AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF ILLINOIS AND THE OBLIGATIONS OF THE PARTIES HERETO ARE AND SHALL BE PERFORMABLE

IN THE COUNTY WHERE THE PROPERTY IS LOCATED. BY EXECUTING THIS AGREEMENT, EACH PARTY HERETO EXPRESSLY (i) CONSENTS AND SUBMITS TO PERSONAL JURISDICTION CONSISTENT WITH THE PREVIOUS SENTENCE, (ii) WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY CLAIM OR DEFENSE THAT SUCH VENUE IS NOT PROPER OR CONVENIENT, AND (iii) CONSENTS TO THE SERVICE OF PROCESS IN ANY MANNER AUTHORIZED BY ILLINOIS LAW. ANY FINAL JUDGMENT ENTERED IN AN ACTION BROUGHT HEREUNDER SHALL BE CONCLUSIVE AND BINDING UPON THE PARTIES HERETO.

**8.3** <u>Entire Agreement</u>. This Agreement and the PSA, taken together, represent the entire agreement between City and Developer concerning the sale of the Property and supersede any prior agreements relating thereto. No modification hereof or subsequent agreement relative to the subject matter hereof shall be binding on either party unless reduced to writing and signed by both parties to be bound.

8.4 <u>Survival</u>. Any of the provisions of this Agreement which expressly provide for their survival and any provisions pertaining to a period of time following Closing shall survive Closing and the delivery of the Deed and shall not be merged therein. All indemnity provisions in this Agreement and the Purchase and Sale Agreement shall survive the Closing or any termination of this Agreement.

8.5 <u>Counterparts</u>. This Agreement may be executed in any number of counterparts and each of such counterparts shall, for all purposes, be deemed to be an original, and all such counterparts shall together constitute but one and the same agreement.

8.6 <u>Severability</u>. If any provisions of this Agreement applicable to any party or circumstance shall be determined by any court of competent jurisdiction to be invalid and

unenforceable to any extent, the remainder of this Agreement or the application of such provision to such party or circumstance, other than those as to which it is determined invalid or unenforceable, shall not be affected thereby, and each remaining provision of this Agreement shall be valid and shall be enforced to the fullest extent permitted by law.

8.7 <u>Headings</u>. The captions in this Agreement are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope of this Agreement or the scope or content of any of its provisions.

**8.8** <u>Waiver of Conditions by Developer</u>. Notwithstanding any provision of this Agreement, Developer may, at its sole option, waive any provision that is a condition to its performance hereunder.

8.9 <u>Time is of the Essence</u>. Time is of the essence with respect to this Agreement.

8.10 <u>Attorneys' Fees</u>. In the event of litigation concerning the interpretation or enforcement of this Agreement, the prevailing party shall be entitled to recover from the losing party its reasonable attorneys' fees, court costs and expenses, whether at the trial or appellate level.

8.11 Notices. Any notice provided or permitted to be given under this Agreement must be in writing and may be served (i) by depositing the same in the United States mail or with a reputable nationwide delivery service, addressed to the party to be notified, postage prepaid, and overnight, registered or certified with return receipt requested, or (ii) by delivering the same in person to such party. Notice given in accordance with (i) above shall be effective when mailed. Notice given in accordance with (ii) above shall be effective upon receipt at the address of the addressee or upon refusal to accept delivery (such refusal being evidenced by advice from the courier company or individual used to make delivery). For purposes of notice, the addresses of the parties shall be as follows:

City:	City of Darien 1702 Plainfield Road Darien, Illinois 60561 Attn: City Administrator

With copies to:	Crowley Barrett & Karaba, Ltd. 20 South Clark Street. Suite 2310 Chicago, Illinois 60603 Atta: Tonya M. Parravano

Either party may change its address by notice to the other party.

8.12 <u>Business Days and Holidays</u>. Whenever any time limit or date provided herein falls on a Saturday, Sunday or holiday observed by national banking associations in the State of Illinois ("Bank Holiday"), then such date shall be extended to the next day which is not a Saturday, Sunday or Bank Holiday. The term "business day" means any weekday which is not a Bank Holiday.

87.13 <u>Rule of Construction</u>. The parties acknowledge that each party and its counsel have reviewed and revised this Agreement, and the parties agree that the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Agreement or any amendments or exhibits hereto.

8.14 <u>Exhibits</u>. All exhibits or addenda referred to in this Agreement are incorporated herein for all purposes.

Section 9. Waiver of Jury Trial.

DEVELOPER AND CITY HEREBY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR PERMISSIVE COUNTERCLAIM INVOLVING ANY MATTERS WHATSOEVER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS AGREEMENT.

<u>Section 10.</u> <u>Recordation.</u> The parties agree to cause a certified copy of this Agreement or a Memorandum thereof to be recorded in the Office of the DuPage County Recorder of Deeds against the Subject Property with the parties jointly sharing the expense of recording.

Attn: City Council

The sales for Starbucks and Nothing Bundt Cakes has been outperforming projections and on February 28, 2016, Darien Pointe LLC signed a lease with Chiba Japanese Restaurant . The concern is due to the overwhelming use of the development, the traffic generated is limited parking. Please recall, the parking calculation was in accordance with the zoning at the time of development plans. Viewing the site today, the generated traffic from the users is congested.

Darien Pointe LLC is asking City Council to waive the use of a Dental office from the Prohibited Use List. The traffic/parking impact would be softened by such a use.

#### A RESOLUTION APPROVING A SPECIFIC LAND USE <u>AT THE DARIEN POINTE DEVELOPMENT</u>

#### RECITALS

A. On August 29, 2014, the City of Darien and the developer of what is now known as the Darien Pointe Center at Plainfield and Cass entered into a Post-Closing Development Agreement ("Agreement").

B. Section 5.5.1 of the Agreement enumerated certain prohibited land uses (the "Prohibited Uses"), and provided that notwithstanding anything to the contrary appearing in the City's Zoning Ordinance, no part of the Subject Property may be used for a Prohibited Use unless such use is specifically approved by the City's corporate authorities.

C. Among the Prohibited Uses are business and professional offices. Dental offices fall within this category.

D. The developer of Darien Pointe has requested that in accordance with the Agreement, the City approve the location of a dentist office for the property with a common address of 7517 South Cass Avenue, Units D and E.

E. The City Council has determined that allowing this specific use is consistent with the overall development plan for Darien Pointe.

F. Because the Subject Property is zoned B-2 and because dental offices are allowable uses in the B-2 District, no additional Council approvals are required.

#### NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DUPAGE COUNTY, as follows:

**<u>SECTION 1:</u>** <u>Approval.</u> In accordance with Section 5.1 of the Agreement, the City Council hereby approves of the location of a dental office for that portion of Darien Pointe with a common address of 7517 South Cass Avenue, Units D and E.

#### **SECTION 2:** Conditions.

A. The improvement of the dental office shall be substantially in accordance with **Exhibit 1** attached to this Resolution.

B. The approval set forth in this Resolution is limited to this specific dental office currently being proposed. In the event of a discontinuation of the dental office at this property, any future such use shall require the specific approval of the Darien City Council in accordance with the Agreement.

RESOLUTION NO.

**SECTION 3:** Full Force and Effect. This Resolution shall be in full force and effect from and after its passage and approval as provided by law.

#### **Issue Statement**

**AMVETS Collection Center annual review:** Approval of an ordinance granting a one year extension to the minor amendment to an approved PUD for Darien Towne Center.

#### **ORDINANCE**

#### **Overview/Discussion**

In 2005, the City Council granted a minor amendment to the Darien Towne Centre PUD via Ordinance O-4-05 to allow an Illinois AMVETS Collection Center in the Walmart parking lot on the west edge subject to a review by the City Council on an annual basis as to the location and to address any operational issues. In 2015, the City Council approved a location change for the collection center to the northwest corner of the Walmart parking lot via Ordinance O-22-15. Since then, the City has granted one-year extensions.

Tim Foley, the local Illinois AMVETS representative, says this collection center has been very productive for them and they would like to continue operation including onsite staffing 10:00 A.M. to 6:00 P.M. during daylight savings time and 10:00 A.M. to 4:00 P.M. during winter. AMVETS staff also is instructed to keep site cleaned up. City staff has not observed any problems at this site.

#### **Recommendations**

#### Staff recommends the following motion:

A motion to recommend approval of an ordinance granting a one year extension to the minor amendment to the approved PUD for the Darien Towne Centre PUD for the AMVETS Collection Center.

#### **Municipal Services Committee**

The Municipal Services Committee reviewed on March 27 and voted 3-0 to recommend approval as presented.

#### **Issue Statement**

Petitioner seeks approval of an ordinance amending Section 3-3-7-4 (D) expanding the number of Class D liquor licenses from eight (8) to nine (9).

#### **ORDINANCE**

#### **Overview/Discussion**

Jing He, owner of Chiba Japanese Restaurant, has applied for a building permit and a liquor license to open a restaurant at the Darien Pointe Plaza, at 7517 Cass Avenue Units D and E. The restaurant includes table, booth and bar seating.

The license would allow alcohol to be served to patrons for consumption on the premises with no carryout sales. The petitioner has agreed to no video gaming and will sign the waiver agreement.

## TO: Mayor Weaver and City Council

**FROM:** Bryon D. Vana, City Administrator

**DATE:** March 20, 2017

## SUBJECT: 2017-18 Budget Message

It is my pleasure to submit the fiscal year 2017-18 budget for the City of Darien. In summary, the budget includes no increase to the City's property taxes or water rate.

A review of the City's three major funds (General, Capital Project, and Water) is as follows:

## **General Fund**

This year's General Fund and Capital Projects Fund budgets continue many popular programs introduced in recent years, including:

- Maintains a 3 month operating reserve.
- Continues all current core services provided by the city.
- Includes the replacement of 100 Trees within the City's rights-of-ways.
- Provides grounds maintenance assistance to the Darien Historical Society.
- Follows the *capital improvement guidelines* approved by the council in 2012
- Includes a road maintenance program of approximately 5 miles, and allows for additional road base repair as needed
- Includes approximately \$1,300,000 in various storm water drainage improvements
- Provides a \$500,000 reserve balance for emergencies or economic development incentives as directed by the council
- Projects revenues sufficient to continue capital projects over the three year budget period
- Continues concrete and road crack sealing maintenance
- Provides assistance for residential rear yard drainage improvements based on City policy
- Continues residential brush pickup 4 times during the fiscal year
- Continues our neighborhood Tree trimming schedule
- Completes the City's Emerald Ash Borer treatment program
- Provides for vehicle and equipment replacement as outlined in City's replacement policy

The City's General Fund is used to account for all revenues and expenditures except those required to be accounted for in another fund. This is the main operating fund in our budget and covers the City Council, Administration, Community Development, Municipal Services-Street Division and Police Departments. It is also the main source of revenue for the Capital Projects Fund. Any surplus above the General Fund 3 month reserve is transferred to the Capital Projects Fund. The various budget funds expenses are separated into 2 categories:

- 1. <u>Maintenance Budget-</u>The Maintenance Budget includes no new programs, no new employees and no new activities. It reflects only the anticipated cost to continue current essential activities and programs.
- 2. **Discretionary Budget-**Discretionary Budget expenditures relate to City services and employee items that are not essential or required; however, they are important in maintaining the level of citizen services and employee expenses that have been provided in previous years.

The General Fund expenses do not fluctuate greatly from year to year. Primary changes stem from vehicle and equipment replacements and employee expenses. The majority of the General Fund expenses come from the Police Department (67%) and the Municipal Services Department (22%). Transfers to the Capital Projects Fund over the 3 year budget period include FYE 18-\$3,600,000, FYE 19- \$2,700,000, and FYE 20-\$1,900,000.

## **Capital Projects Fund**

The Capital Projects Fund includes the items included in the City's Capital Improvement Plan (CIP). This is a multi-year plan identifying capital projects to be funded or identified during the 3-year planning period. These CIP guidelines identify each capital project to be undertaken, the year the improvement project will be started, the amount of funds expected to be expended in each year of the CIP, and the way the expenditure will be funded. The City's Capital Projects Fund is used to plan for the City's maintenance and construction of larger infrastructure, excluding the water system which is accounted for in the Water Fund. Primary expenditures include road maintenance, storm water maintenance, beautification projects, and larger rights-of-way maintenance projects. The City Council adopted a CAPITAL IMPROVEMENTS PLAN GUIDELINE that provides the City Council with guidelines when planning and funding capital projects. All the Guidelines have been met in accordance with the guidelines.

## Water Fund

Governmental water operations are established as enterprise funds. An enterprise fund is a fund established to account for operations that are financed and operated in a manner similar to private business enterprises. The intent of the governing body is that the costs (operating and capital improvement expenses, including depreciation) of providing water to the general public on a continuing basis be financed or recovered primarily through user charges. The definition of an enterprise fund implies that sufficient user fees should be established to ensure that the utility can operate on a self-sustaining basis. The major source of revenue for the water fund is user fees. Determining a *fair* user fee is a factor of two issues:

- analyzing our operating expenses, projecting system capital projects, determining sufficient cash reserves, and setting aside funds to replace portions of the system as needed
- analyzing the number of gallons of water billed to all customers in order to determine the rate that covers the expenses mentioned above

The staff conducts this determination every year when preparing the draft budget for City Council consideration. There is always a strong tendency to maintain the lowest possible water rate even if it is not sufficient to cover operating expenses, system capital projects, sufficient cash reserves, and funds to replace portions of the system as needed.

The water rate for Darien residents during FYE 17 is \$9.75/1000 with an additional fixed cost of \$10 per bill. There is no projected water rate increase for FYE 18. The City's projected water budget for FYE 19 and FYE 2020 shows the need to increase water rates in order to operate on a self-sustaining basis. Several significant water depreciation budget projects are included in the 3 year budget forecast. If these projects are approved some of the funds are projected to be included in a future bond. Approximately 70% of the water fund expenses are for the direct purchase of Lake Michigan water from the DuPage Water Commission (DWC).

A big thanks to all those involved in the budget development this year!

# GENERAL FUND

The General Fund accounts for all revenues and expenditures which are not accounted for in other funds. This is the largest fund of the City, providing for the majority of the City's revenues, expenditures and services. The General Fund is supported predominately with taxes, licenses and fees. It funds the operations of the City's Police Department, Municipal Services Department - Community Development and Streets Divisions, Mayor/City Council and Administration.

<u>MAYOR/CITY COUNCIL</u> - This Department includes support for the operations of the City Council and the Mayor's offices.

<u>ADMINISTRATION</u> - The Administration Department provides overall management and support for City operations, including the City Administrator's office, the finance division, the City Clerk's office, and the citizen service division.

<u>POLICE</u> - The Police Department is the largest Department in the City. The Department is the City's law enforcement agency, providing traffic control and enforcement, crime prevention services, patrol, investigation, records and short-term incarceration.

<u>MUNICIPAL SERVICES - COMMUNITY DEVELOPMENT DIVISION</u> - The Community Development division of the Municipal Services Department includes all functions related to the planning and development of the community, including building and development review, building inspection, code enforcement, comprehensive planning, and economic development.

<u>MUNICIPAL SERVICES - STREETS DIVISION</u> - The Street division is responsible for maintenance and repairs to the City's streets, storm sewers, catch basins and street lights; as well as plowing snow, mowing the rights-of-way, and maintaining and repairing the City's fleet of vehicles and equipment.

FYE 2018 BUDGET SUMMARY

Æ

# **CITY OF DARIEN**

# ENTERPRISE FUNDS BUDGET FISCAL YEAR May 1, 2017 – April 30, 2018

# WATER FUND REVENUE BUDGET WATER FUND BUDGET WATER DEPRECIATION FUND BUDGET

# ENTERPRISE FUNDS

Enterprise Funds are established to account for the financing of self-supporting municipal activities which render services generally on a user charge basis to the general public. The significant characteristic of an enterprise fund is that the accounting system makes it possible to determine whether that particular service area is operated at a profit or a loss in accordance with the generally accepted accounting principles followed by private business concerns. The only enterprise fund operated by the City is the Water Fund.

The Water Depreciation Fund is established to set aside funds from each year's budget to cover replacement of the assets of the fund. Like private businesses, the Water Fund's assets are depreciated as a cost of providing water service. When available, funds are transferred to the Water Depreciation from the Water Operations Fund and held to fund the replacement of water infrastructure.

# SPECIAL REVENUE FUNDS BUDGET FISCAL YEAR May 1, 2017 – April 30, 2018

MOTOR FUEL TAX FUND BUDGET SPECIAL SERVICE AREA #1 BUDGET STORM WATER MANAGEMENT FUND

# SPECIAL REVENUE FUNDS

Special Revenue Funds are used to account for revenues derived from specific taxes or other earmarked sources. They are required by state statute or local ordinances to finance specific functions or activities of the City. Seven funds are included in this portion of the budget.

<u>MOTOR FUEL TAX FUND</u> - The Motor Fuel Tax (MFT) Fund accounts for receipts and expenditures of MFT payments from the State. These funds can be used for limited specified purposes. The City's expenditures are for supplies (salt, pipe, signs, asphalt), tree maintenance, street lights (energy cost and new lights), sidewalk program, street sweeping, and to fund the City's annual street rehabilitation program. A list of streets included in this year's program is attached to the MFT budget.

<u>SPECIAL SERVICE AREA #1</u> - A special service area (SSA) is created to fund improvements which benefit an identifiable segment of the City, with a special property tax levied on the benefited properties. SSA #1 was created to handle maintenance of the wetlands in the Tara Hill development. The developer agreed to continue maintenance of the wetlands for five years while the SSA Fund built up some reserves.

<u>STORMWATER FUND-FEE IN LIEU OF PCBMP</u> – The Storm Water Ordinance requires Post-Construction Best Management Practices so storm water quality is not compromised by development. If it is not practical to install a PCBMP, the applicant may participate in a *Fee In Lieu Of Program*. The fees collected are to be used by the City as permitted by the Storm Water Ordinance.

#### AGENDA MEMO City Council April 3, 2017

#### **ISSUE STATEMENT**

Approval of a resolution authorizing a Private Property Development Storm Water Management Assistance Project for 1501-1505-1509 77<sup>th</sup> Street with Grade A Grading LLC in an amount not to exceed \$16,930.00.

#### **RESOLUTION**

#### **BACKGROUND**

Throughout the year, the City receives complaints regarding drainage issues within the rear lot lines/easements. The complaints are due to standing water that stems from active sump pumps, grading issues and mature landscaping. The areas further stay saturated throughout the season, thereby making it difficult to mow and maintain these areas and further creates conditions for mosquito breeding. The City's Private Property-Development Storm Water Management Assistance Policy or further referred to as the *Rear Yard Drainage Program* allows residents, multifamily, commercial property owners and the City to work together in resolving these nuisance ponding and drainage issues.

The proposed project is considered a Level 1 Program and the scope of work includes the following:

- Installation of 8 and 12-inch piping
- Drainage structures
- Landscape Restoration

The project would rid the area of the nuisance ponding, and allow for positive storm water conveyance within the rear yard easement. Costs for the project are estimated to be at approximately \$16,930.00 and the cost share would be as follows:

# AGENDA MEMO City Council April 3, 2017

#### **ISSUE STATEMENT**

Approval of a **resolution** authorizing a Private Property Development Storm Water Management Assistance Project for Project A 8664 Pearson Drive (between 8664 to 8640 Pearson Drive) and Project B 8623 Pearson Drive (8623, 8629, and 8617 Pearson Drive) with J&R Landscaping and Tree Services in an amount not to exceed \$35,035.00

#### **RESOLUTION**

#### **BACKGROUND**

Throughout the year, the City receives complaints regarding drainage issues within the rear lot lines/easements. The complaints are due to standing water that stems from active sump pumps, grading issues and mature landscaping. The areas further stay saturated throughout the season, thereby making it difficult to mow and maintain these areas and further creates conditions for mosquito breeding. The City's Private Property-Development Storm Water Management Assistance Policy or further referred to as the *Rear Yard Drainage Program* allows residents, multifamily, commercial property owners and the City to work together in resolving these nuisance ponding and drainage issues.

The proposed projects are considered a Level 1 Program and the scope of work includes the following:

- Installation of 8 and 12-inch piping
- Drainage structures
- Landscape Restoration

The projects would rid the area of the nuisance ponding, and allow for positive storm water conveyance within the rear yard easement. Costs for **Project A** are estimated to be at approximately \$15,500 and the cost share would be as follows:

City of Darien-\$ 9,750.00 1 Participants- \$ 5,750.00

#### \* PROJECT 2/3 – Summary attached and labeled as <u>Attachment A</u>

#### **STAFF RECOMMENDATION**

A resolution authorizing a Private Property Development Storm Water Management Assistance Project for Pearson Drive with J&R Landscaping and Tree Services in an amount not to exceed \$35,035.

Projects for the Private Property-Development Storm Water Management Assistance Program are not reviewed by the Committee and brought forth to the City Council for consideration. *Subject to Budget 2017-18 Approval.* 

#### **ALTERNATE CONSIDERATION**

As directed by the City Council.

#### **DECISION MODE**

This item will be on the April 3, 2017 City Council-New Business-agenda for formal consideration.

# AGENDA MEMO City Council April 3, 2017

# **ISSUE STATEMENT**

Approval of a resolution authorizing a Private Property Development Storm Water Management Assistance Project for 911, 913, 917 and 921 Cherokee Drive with Grade A Grading LLC in an amount not to exceed \$15,819.00.

# **RESOLUTION**

# BACKGROUND

Throughout the year, the City receives complaints regarding drainage issues within the rear lot lines/easements. The complaints are due to standing water that stems from active sump pumps, grading issues and mature landscaping. The areas further stay saturated throughout the season, thereby making it difficult to mow and maintain these areas and further creates conditions for mosquito breeding. The City's Private Property-Development Storm Water Management Assistance Policy or further referred to as the *Rear Yard Drainage Program* allows residents, multifamily, commercial property owners and the City to work together in resolving these nuisance ponding and drainage issues.

The proposed project is considered a Level 1 Program and the scope of work includes the following:

- Installation of 6 and 12-inch piping
- Drainage structures
- Landscape Restoration

The project would rid the area of the nuisance ponding, and allow for positive storm water conveyance within the rear yard easement. Costs for the project are estimated to be at approximately \$15,819.00 and the cost share would be as follows:

*Balance from ComEd Reimbursement -	\$ 1,552.00

\*The Com Ed contribution is a balance from the funds on file that was received from Com Ed due to fence damages that occurred during tree trimming and line maintenance adjacent to the subject homes.

The City of Darien would be responsible for administering the proposal, which includes material, outsourced labor, and restoration for the proposed project.

The proposed expenditure would be expended from the following line account:

## **STAFF RECOMMENDATION**

A resolution authorizing a Private Property Development Storm Water Management Assistance Project for 911, 913, 917 and 921 Cherokee Drive with Grade A Grading LLC in an amount not to exceed \$15,819.00.

Projects for the Private Property-Development Storm Water Management Assistance Program are not reviewed by the Committee and brought forth to the City Council for consideration.

## **ALTERNATE CONSIDERATION**

As directed by the City Council.

## **DECISION MODE**

This item will be on the April 3, 2017 City Council-New Business-agenda for formal consideration.

Mr. Christopher Wosachlo 911 Cherokee Drive Darien, IL 60561

RE: Final 911, 913, 917 and 921 Cherokee Drive Rear Yard Drainage Project

Dear Mr. Wosachlo:

This letter is an update to the recent e-mail correspondence dated March 3, 2017 regarding the ongoing drainage concerns within the rear yard easement of the abovementioned properties. City staff had recommended a joint project for the rear yard easement area and restoration of the affected areas for the following properties:

911, 913, 917 and 921 Cherokee Drive Rear Yard Drainage Project

The City has received the 2017 bid for the materials and services and the project cost estimate has been revised to an amount of \$15,819. The revised cost breakdown for each of the four property owners is an amount not to exceed \$788.00 and includes the Com Ed remainder reimbursement of \$1,552:

The City will contribute up to a maximum of \$11,114. All four participants have agreed to participate. The proposed project is scheduled to begin May 1, 2017. The start date is subject to City Council approval on April 3, 2017. Please note, additional grading work may be required outside of the easement, and is not included within this proposal. Grade A Grading LLC is the awarded vendor for the project and may be reached at 630-546-0459 for any additional private property work. The City of Darien would be responsible for administering the proposal, which includes labor, material and restoration for the proposed project. The scope of the project includes the following:

- 1. Removal of existing fences at 911, 913, and 921 Cherokee Drive
- 2. Selective tree removal
- 3. Rough Grading
- 4. Installation of a 6-inch socked corrugated perforated pipe. The pipe will be installed within the easement and the route will be marked with white paint.
- 5. The inlet boxes will be marked at strategic locations. Please note the inlet boxes may be moved or additional inlets may be requested.
- 6. All existing private under drains within 10-feet of the proposed main line will be tied into the inlets.
- 7. All restoration will be replaced with topsoil, fertilizer and straw matting. Sod will be placed in limited locations.

City of Darien 1702 Plainfield Road Darien, IL 60561

Drainage Concerns March 17, 2017 Page 2

- 8. The City/vendor will repair any irrigation supply lines that may be severed during the excavation at the project's expense.
- 9. Coordination of fence install with Cedar Mill Fence Company at 911 and 913 Cherokee Drive. Home Depot is donating a fence to 921 Cherokee Lane and installation efforts are to be coordinated by the property owner.

The placement of pipe and inlets may require field adjustments from the designated route (white paint) due to underground utilities. Participants that would like to bury or replace their existing sump pump lines and connect them to the proposed inlets should contact Grade A Landscaping at (630) 546-0459. You may also contact any other landscaper for this additional work if they are capable of installing under drains. This additional work would be at the owner's expense.

Upon completion of the project, all parties will be invoiced. Should you have any further questions regarding this matter, please feel free to contact me at (630) 353-8106 or via e-mail at dgombac@darienil.gov.

# RULES FOR COMPLIANCE WITH PUBLIC COMMENT REQUIREMENTS OF THE ILLINOIS OPEN MEETINGS ACT

#### I. PURPOSE OF RULES.

The purpose of these Rules is to comply with the requirement of Section 2.06 of the Illinois Open Meetings Act that a public comment section be provided at each meeting subject to the Open Meetings Act.

## II. DEFINITION OF "PUBLIC BODY" or "BODY."

For purposes of these Rules, the term "Public Body" or "Body" shall mean the City Council, any Committee of the City Council, and any Board and Commission established by the City Council.

## III. RULES GOVERNING PUBLIC COMMENT.

A. Unless otherwise allowed by a majority vote of the Body, the public comment periods shall be as follows:

1. For the City Council, as set forth on the attached **Agenda template**.

2. For Council committees and advisory committees, at the conclusion of the meeting immediately before adjournment. At the direction of the Body, the floor may be opened for public comment in conjunction with specific agenda items.

B. Individuals seeking to make public comment to the Body shall be formally recognized by the Chair.

C. Individuals addressing the Body shall identify themselves by name, but need not provide their home address.

D. Individuals addressing the Body shall do so by addressing their comments to the Body

itself and shall not turn to address the audience.

E. Public comment time shall be limited to three (3) minutes per person.

F. An individual will be allowed a second opportunity to address the Body only after all other interested persons have addressed the Body and only upon the majority vote of the Body.

G. In the case of a special meeting, public comment will be limited to subject matters germane to the agenda of the special meeting.

# IV. PUBLIC HEARING REQUIREMENTS.

Additional public comments periods will be allowed as required by law in the case of public hearing, subject to the same time constraints.

# Approved by a Motion on November 17, 2014
