## AGENDA MEMO City Council Meeting Date: April 3, 2017

## **Issue Statement**

Consideration of a motion to grant a waiver of the raffle license bond requirement for the Darien Rotary Club.

## **BACKUP**

## **Background/History**

The Darien Rotary Club has applied for a raffle license for a raffle to be held on April 25, 2017. They have also requested waiver of the bond requirement. The City regularly waives the bond requirement for qualified charitable organizations and has waived this requirement for the Darien Rotary Club in the past.

## **Staff/Committee Recommendation**

It is recommended that the raffle license bond requirement for the Darien Rotary Club raffle be waived.

## **Alternate Consideration**

Not approve waiver.

## **Decision Mode**

This item will be placed on the April 3, 2017 City Council Agenda for formal consideration.

MEMO

Darien City Council 1702 Plainfield Road Darien, IL 60561

To Whom It May Concern:

Attached please find an <u>APPLICATION FOR RAFFLE LICENSE</u> from the Rotary Club of Darien. Our annual fundraiser, **Taste of Route 66**, will be held this year on Tuesday, April 25<sup>th</sup> at Carriage Greens Country Club.

Since our inception, the Rotary Club of Darien has aided hundreds of individuals, families and organizations. Our signature community project is **Food for Kids**, where we provide supplemental food every school weekend to approximately 195 underserved elementary school children from School Districts 61, 63, 66, and 180.

Other local projects of significant note are:

- Our **Grants-in-Aid** program has provided over \$300,000 to local residents for skills training, education and medical needs.
- Our **Dictionary Project** distributes dictionaries to all third graders in the Darien area; over 700 dictionaries were distributed to 7 schools in October.
- Sponsoring local high school students for a weekend of leadership training through the **Rotary Youth** Leadership Awards (RYLA) seminar, held every year at Williams Bay, Wisconsin.

To name just a few of our national and international projects:

- · Supported water and sanitation efforts in Mexico and India.
- Shipped medical and dental equipment to Romania, Honduras, Ecuador, Jamaica and Ghana.
- Helped to fund and to construct a senior citizens/recreation center in Long Beach, Mississippi, following the devastation of Hurricane Katrina.

The Rotary Club of Darien hereby requests waiver of the raffle license bond.

If you have any questions, please contact me (630) 968-7505 or by email at <u>bcarlo@darien61.org</u>. Thank you for consideration to help support the needs of our projects that make **DARIEN A NICE PLACE TO LIVE**!

Sincerely,

Mark Robert Carlo

# **RESOLUTION**

### BACKGROUND

The proposed FY 2017-18 Budget includes preliminary funding for the following neighborhood drainage projects:

#### **Base Bid:**

- Crest Road Plainfield Road to Janet Avenue
- \* **Brookhaven Avenue** Warwick Avenue to Warwick
- **Tennessee Avenue** 67<sup>th</sup> Street to Chestnut Lane
- \* Bentley Avenue 6500 Bentley to Chestnut Lane

The following neighborhood drainage projects are Alternates and will be reviewed for the FY 2017-18 Budget:

**Sawmill Creek** – 74<sup>th</sup> Street to Janet Avenue **Clarendon Hills Road** – 67<sup>th</sup> Street to Plainfield Road

Residents adjacent to these projects have requested that the City address standing water in the ditches fronting their residences. The scope of work under the proposed contract would include the removal and replacement of culverts, removal and installation of inlets as required, ditch regrading, and bank stabilization and preparation for landscape restoration. All materials and outsourcing for landscaping, bituminous surface, concrete, testing, trucking and tipping and transfer fees are under separate agenda memos.

2017 Roadside Ditch Maintenance – Regrading Program April 3, 2017 Page 2

Below is a narrative of the projects:

**Crest Road – Plainfield Road to Janet Avenue** is related to the deficient storm water ditch conveyance on Crest Road from Plainfield Road to Janet Avenue. The existing conditions on Crest Road within the eastern and western right of way do not allow the conveyance of storm water from the summit to Plainfield Road and/or Janet Avenue ditches. The proposed project would include the removal and replacement of deteriorated culverts, installation of inlets as required, the enclosure of ditches as necessary, and approximately 2,100 lineal feet of ditch regrading. The project goal is to allow storm water to flow at the optimal level.

**Brookhaven Avenue-Warwick Avenue to Warwick Avenue** is related to the deficient storm water ditch conveyance on Brookhaven Avenue-Warwick Avenue to Warwick Avenue. The existing conditions on Brookhaven Avenue within the eastern and western right of way do not allow the conveyance of storm water to flow from towards Warwick Avenue. The proposed project would include the removal and replacement of deteriorated culverts, installation of inlets as required, the enclosure of ditches as necessary, and approximately 2,500 lineal feet of ditch regrading. The project goal is to allow storm water to flow at the optimal level.

**Tennessee Avenue-67<sup>th</sup> Street to Chestnut** is related to the deficient storm water ditch conveyance on Tennessee Avenue -67<sup>th</sup> Street to Chestnut Lane. The existing conditions on Tennessee Avenue within the eastern and western right of way do not allow the conveyance of storm water to flow from the respective summits towards 67<sup>th</sup> Street or Chestnut Lane. The proposed project would include the removal and replacement of deteriorated culverts, installation of inlets as required, the enclosure of ditches as necessary, and approximately 2,500 lineal feet of ditch regrading. The project goal is to allow storm water to flow at the optimal level.

**Bentley Avenue-6500 Bentley Ave to Chestnut Lane** is related to the deficient storm water ditch conveyance on Bentley Avenue-6500 Bentley Ave to Chestnut Lane. The existing conditions on Bentley Avenue within the eastern and western right of way do not allow the conveyance of storm water to flow from the respective summits towards 67<sup>th</sup> Street or Chestnut Lane. The proposed project would include the removal and replacement of deteriorated culverts, installation of inlets as required, the enclosure of ditches as necessary, and approximately 3,500 lineal feet of ditch regrading. The project goal is to allow storm water to flow at the optimal level.

**Sawmill Creek-74<sup>th</sup> Street to Janet Ave** is related to the deficient storm water ditch conveyance within the Sawmill Creek tributary. The existing conditions within the creek bed do not allow for the conveyance of storm water to flow from the respective summits towards inlets. The proposed project would include the removal and replacement of a deteriorated 15 inch metal underdrain, installation of inlets as required, and approximately 3,000 lineal feet of ditch regrading. The project goal is to allow storm water to flow at the optimal level. The access to the creek bed shall be at intersecting roadways and side yard easements where available. The depth of the underdrain shall range from 3-7 feet to bottom of pipe.

# \*The proposed project is an Alternate and is being considered for the FY 17-18 Budget should funding be available.

**Clarendon Hills Road- 67<sup>th</sup> Street to Plainfield Road** is related to the deficient storm water ditch conveyance within the Clarendon Hills Road corridor, 67<sup>th</sup> Street to Plainfield. The existing conditions on Clarendon Hills Road within the eastern and western right of way do not allow the conveyance of storm water to flow from the respective various summits. The proposed project would include the removal and replacement of deteriorated culverts, installation of inlets as required, the enclosure of ditches as necessary, and approximately 5,000 lineal feet of ditch regrading. The project goal is to allow storm water

to flow at the optimal level.

# \*The proposed project is an Alternate and is being considered for the FY 17-18 Budget should funding be available.

The Ditch Maintenance Specifications was advertised on the City of Darien's website. In addition, staff emailed four (4) vendors on file that previously bid on the Ditch Maintenance Programs. Staff had received only one (1) sealed bid on December 19, 2016. See <u>Attachment A</u>. As a follow up, staff contacted the solicited vendors that did not submit bids for the project (See <u>Attachment B</u>). Additionally, one (1) bid was submitted after the posted closing date/time (See <u>Attachment C</u>). The bid tabulation includes one (4) base bids and two (2) alternatives. Scorpio Construction was the sole bidder, and staff recommends awarding the 2017 Roadside Ditch Maintenance – Regrading Contract to Scorpio Construction. The final projects will be determined by the City Council upon Budget Hearings.

Attachment D summarizes the total cost for each project and includes materials, additional services and the proposed bid costs for the 2017 Neighborhood Drainage Program.

The proposed contract with Scorpio Construction Corp includes the following:

- A. Field Layout
- B. Removal and Placement of Deteriorated Pipes
- C. Removal and Placement of Inlets, Catch Basins and Grates
- D. Ditch Regrading

Scorpio Construction has provided services for the ditching program in 2008, 2010 through 2016 with very satisfactory results.

The proposed expenditure would be spent from the following account:

ACCOUNT NUMBER	ACCOUNT DESCRIPTION	FY 17/18 PROPOSED BUDGET	PROPOSED EXPENDITURE TO SCORPIO	TOTAL PROJECT COST	
25-35-4376	DITCH PROJECTS	\$1,266,600.00	384,880.00	\$1,266,600.00	

### **STAFF RECOMMENDATION**

Municipal Service Committee recommends approval of the proposed contract with Scorpio Construction Corp. for the Base Bid Projects – Crest Road, Brookhaven Avenue, Tennessee Avenue and Bentley Avenue. *All proposed projects are pending Budget approval*.

Municipal Service Committee recommends the following alternatives should funding be available: Sawmill Creek and Clarendon Hills Road.

### ALTERNATE CONSIDERATION

As directed by City Council.

### **DECISION MODE**

This item will be placed on the April 3, 2017 City Council agenda for formal approval.

Dear Lisa: We have been extremely busy with design build projects this last year. [ Predominately drainage related work ]

Due to the fact that our company staffs PE's and LA's we like to do projects which we control all phases of the construction process.

Please keep us on your list for future projects.

Thank you,

To be honest with you, it just fell off of our radar. Things were pretty busy at the end of the year and it just slipped through the cracks on us. I apologize for missing this. Please keep us in mind for future projects.

Thanks for thinking of PCE.

Thank You,

There are no legal issues. The failure of Legion's bid submission by the time due – regardless of circumstances – disqualifies their bid. This is a risk a bidder takes by waiting until the last minute to submit.

Subject: 2017 Ditch Program Bid

As a follow up to our telephone conversation yesterday, regarding the 2017 Roadside Ditch bid opening for December 19, 2016 at 10:00 am the following concern had arisen:

Legion Services-Bidder- forwarded an e-mail on Saturday, October 17, 2016 indicating that they are bidding on the above project and Fed Ex was to have the bid dropped off by 8:30 am, City Hall Hours 8:30 am to 5:00 pm Legion Services acknowledged that Fed Ex attempted to deliver the package at 819 am and were attempting to have Fed Ex deliver the documents by 10:00 am December 19, 2016 10:00 am, bid opening was conducted with only one bid present from Scorpio Construction The bids were opened at 10:05 and the bid opening was closed at 10:10 am December 19, 2016, 4:50 pm Fed Ex delivered bid and Staff had rejected the package

The bid tally was reviewed against Staff's estimates and determined that Scorpio Construction was very competitive with his pricing in respect to our estimate The bid was advertised from Nov 11 to Dec 19. The bid contained a Base Bid and an Alternative Bid Base Bid was:

Scorpio Cor	struction Corp
Base Bid	
Crest Road	\$53,230.00
Brookhaven Ave	\$112,130.00
Tennessee Ave	\$87,480.00
Bentley Ave	\$132,040.00
Total Base Bid	\$384,880.00

Alternate Bid	
Sawmill Creek	\$124,080.00
Clarendon Hills Rd	\$192,950.00
Total Alternate Bid	\$317,030.00

Total Bid \$701,910.00

In the past several years Staff has received 3-4 competitive bids and Scorpio Construction has been the awarded vendor for the last several years. Staff will be reaching out to the previous vendors to inquire as to why they did not bid.

Staff is comfortable providing a recommendation to the City Council to award a contract to Scorpio. Please review the above and provide a concurrence or additional opinion to Staff's summary.

Addendum No. \_\_\_\_\_

Addendum No.

All provisions of the Contract Documents and the addenda have been included in the Proposal submitted by the undersigned. The undersigned has carefully examined all of the Contract Documents and the project site and submits the following Proposal:

- 1. Proposal of (Vendor's Name) <u>Scorpic Const. Coop</u> for the improvement of the above sections for the maintenance construction of the 2017 Various Roadside Ditch Project.
- 2. The specifications referred to herein are those prepared by the Department of Transportation and designated as "Standard Specifications for Road and Bridge Construction" and the Supplemental Specifications: there to, adopted and in effect on the date of invitation for bids.
- 3. The undersigned agrees to accept, as part of the contract, the applicable instructions contained in this proposal.
- 4. The undersigned agrees to complete the Work by August 14, 2017 unless additional time is granted in accordance with the specifications.
- 5. Each pay item shall have a unit price and a total price.

The unit price shall govern if no total price is shown or if there is a discrepancy between the products of the unit price multiplied by the quantity.

If a unit price is omitted, the total price will be divided by the quantity in order to establish a unit price.

A bid will be declared unacceptable if neither a unit price nor a total price is shown.

The undersigned firm certifies that is has not been convicted of bribery or attempting to bribe an officer or employee of the State of Illinois, nor has the firm made an omission of guilt such conduct which is a matter of record, nor has an official, agent or employee of the firm committed bribery or attempted bribery on behalf of the firm and pursuant to the direction or authorization of a responsible official of the firm. The undersigned firm further certifies that it is not barred from contracting with any unit of State or local government as a result of a violation of the State laws prohibiting bid-rigging or bid-rotating.

Below are the proposed projects:

# THIS PAGE HAS BEEN REVISED AS ADDENDUM 1

**Crest Road - Janet Avenue to Elm Street** 

The proposed **Project Crest Road – Plainfield Road to Janet Avenue** is related to the deficient storm water ditch conveyance on Crest Road from Plainfield Road to Janet Ave Janet Avenue. The existing conditions on Crest Road within the eastern and western right of way do not allow the conveyance of storm water from the summit to Plainfield Road and /or Janet Ave ditches. The proposed project would include the removal and replacement of deteriorated culverts, installation of inlets as required, the enclosure of ditches as necessary, and approximately 2,100 lineal feet of ditch regrading. The project goal is to allow storm water to flow at the optimal level.

# AGENDA MEMO City Council April 3, 2017

## **ISSUE STATEMENT**

Approval of a resolution for the 2017 Sidewalk, Apron and Curb and Gutter Removal and Replacement Program Contract with Schroeder and Schroeder, Inc. in an amount not to exceed \$550,895.00 and to waive the residential \$75.00 permit fee application for concrete work.

### **RESOLUTION**

# BACKGROUND/HISTORY

The Sidewalk and Curb and Gutter Removal and Replacement Program calls for the removal and replacement of deficient rated sidewalk and curb and gutter. The rating system assigns to sidewalks a numerical rating of 1-5, with 5 being defined as an extreme hazard. The FY 17-18 Budget allocates for the removal and replacement of all the identified sidewalks with current ratings of 4 and 5, deficient curb and gutter as it relates to the proposed road resurfacing project and quantities for the repair of concrete following main break restoration and street department repairs. The program also allows for resident call-ins when deficient sidewalks and curb and gutter are identified. See attached Program Quantities labeled as <u>Attachment A</u>.

The contract also offers residents, at a pass through cost, the opportunity to remove and replace their deficient concrete driveways, aprons, and the curb and gutter fronting their apron. This will allow the City to remove and replace deficient sidewalk slabs fronting a deficient apron and would allow a resident to participate in the concrete replacement program to correct the apron deficiency. Staff is further requesting that the \$75.00 permit fee application be waived to residents that participate in the concrete program with the proposed vendor since the staff will be on site and inspecting the work.

Attached and labeled as <u>Attachment B</u>, please find the prices received at the bid opening held on December 5, 2016. Staff received six (6) bids with the lowest bidder being Schroeder and Schroeder, Inc.

# **STAFF RECOMMENDATION**

Municipal Service Committee recommends approval of the contract from Schroeder and Schroeder, Inc. in an amount not to exceed \$550,895.00 for the 2017 Sidewalk, Apron and Curb and Gutter Removal Replacement Program and Curb and Gutter Placement and to waive the residential \$75.00 permit fee application for concrete work. *Subject to Budget 2017-18 Approval*.

# **ALTERNATE CONSIDERATION**

As directed by City Council.

# **DECISION MODE**

This item will be placed on the April 3, 2017 City Council agenda for formal approval.

## AGENDA MEMO City Council April 3, 2017

## **Issue Statement**

Approval for the following:

- 1. A motion authorizing the 2017 Emerald Ash Borer Treatment Plan (Phase 3)
- 2. Approval of a resolution authorizing the Mayor and City Clerk to execute a contract for the 2017 Emerald Ash Borer Treatment Plan with Tru Green LP in an amount not to exceed \$125,000.
- 3. A contingency in the amount of \$2,500 for EAB Treatment related items.

## **RESOLUTION**

## BACKGROUND/HISTORY

The City Council has periodically discussed and reviewed the Emerald Ash Borer treatments since 2010. The first treatment was completed in 2013, followed by a second treatment in 2015. The overall program consists of 3 cycles, for a period of 6 years and the proposed cycle will be the last one. Each Cycle application consist of injecting a product called Treeage and is effective for up to two years.

Prior to the commencement of the 1<sup>st</sup> Cycle the staff had inventoried and identified 2,613 Ash trees of which 706 trees have been removed. The inventory has been reduced to 1,907 Ash trees, or approximately 27% less. Of the 1,907 trees 20 are on a "Watch List" and will be evaluated in spring of 2017 for treatment or removal.

The process for the Treeage application is completed by drilling a required amount of small holes(s), pending the size of the tree, into the trunk. Once the holes are drilled, the insecticide, Treeage-Emamectin Benzoate, is injected with the recommended dosage, and plugs are used to seal the holes. The use of the product has been proven beneficial through research to date.

The 2013 program utilized the City's Arborist to purchase the Treeage product, supplies and equipment to treat the Ash Trees located within the City's parkways. The 2<sup>nd</sup> treatment was outsourced to Tru Green and the proposed third cycle would be awarded to the lowest responsive vendor, Tru Green.

Prior to the treatment, each tree will be evaluated for mortality and a flyer will be forwarded to all residents with Ash trees labeled and attached as <u>Attachment A</u>. The Ash tree shall have a minimal healthy canopy coverage of 60% to be considered for treatment. Each affected resident shall receive a flyer informing them that the tree has been slated for treatment or removal.

Sealed bids were requested for supplying the Treeage Product and labor to treat all the parkway Ash trees. Staff had received five (5) competitive bids on October 26, 2016 and are attached and labeled as <u>Attachment B</u>. The lowest competitive bid is Tru Green LP and the company has provided various fertilizing services to the City in the past with very satisfactory results.

2017 Emerald Ash Tree Treatment Program Cycle 3 April 3, 2017 Page 2

The proposed 2017 Emerald Ash Borer Treatment Program Cycle 3 would be funded, pending budget approval, from the following FY 17-18 Budget:

ACCOUNT NUMBER	ACCOUNT DESCRIPTION	FY 17-18 BUDGET	PROPOSED EXPENDITURE
25-35-4390	Emerald Ash Borer Cycle 3	\$ 125,000	\$ 125,000
20 00 1000	Contingency Emerald Ash	\$ 123,000	¢ 123,000
25-35-4390	Borer Cycle 3	\$ 2,500	\$ 2,500
	TOTAL	\$ 127,500	\$ 127,500

## **COMMITTEE RECOMMENDATION**

Municipal Service Committee recommends:

- 1. Approval of the Emerald Ash Borer treatment-Cycle 3 of Ash trees located within the City parkways.
- 2. Approval of a resolution authorizing the Mayor and City Clerk to execute a contract for the 2017 Emerald Ash Borer Treatment Plan with Tru Green LP in an amount not to exceed \$125,000.
- 3. A contingency in the amount of \$2,500 for EAB Treatment related items.

Subject to Budget 2017-18 Approval.

## **ALTERNATE CONSIDERATION**

As directed by City Council.

## **DECISION MODE**

This item will be placed on the April 3, 2017 City Council agenda for formal approval.

Dear Resident:

The City has identified an Ash Tree in the parkway fronting your residence. On **Date-TBD**, the City Council approved a treatment program for the Emerald Ash Borer that affects only Ash Trees. The trees will be treated by the City Arborist. Below, please find frequently asked questions and answers.

## Will the City inspect privately owned trees?

The City of Darien has recently requested courtesy quotes for Darien residents with Ash trees. The recommended vendor is TruGreen, LP and the contact person for Tree and Turf Professionals is Marco Jurkovic.

Telephone No: 1-708-430-5550

E-mail Address: marko.jurkovic@trugreenmail.com

If a resident thinks that a private property tree may be infested with EAB, they should contact Tree and Turf Professional. Additional information and pricing may be found on the City's website at <a href="http://www.darien.il.us/City-Services/Municipal-Services/Emerald-Ash-Borer.html">http://www.darien.il.us/City-Services/Municipal-Services/Emerald-Ash-Borer.html</a>

## Does the insect harm any other trees? Humans?

No, EAB infests ONLY ash trees (Fraxinus spp.). It does not affect any other type of trees or plants. The insect does not pose any harm to humans and it is actually very unusual to even see adult beetles.

## Treatment

## What are the treatment options?

There are three common EAB treatment methods: trunk injection, soil drench/injection, and bark spray. The City is recommending the trunk injection treatment of emamectin benzoate (TREE-age®) because it has been proven the most effective treatment in University trials. This treatment lasts two years. Treatments can begin in the spring, so timing is everything. It is important to know that treatments are NOT a one-time thing; they may have to be repeated for the life of the tree. Additional information about all treatment types can be found at <u>www.emeraldashborer.info</u>

## The parkway ash tree looks healthy, how do you know if it is infested?

There are several signs and symptoms infested trees begin to show after they are first infested. They are:

- 1. D-shaped exit holes -1/8" inch holes left after adults exit the tree
- 2. Bark splits vertical splits in the bark
- 3. S-shaped feeding galleries can only be seen when bark is scraped or in bark splits
- 4. Woodpecker damage missing or discolored bark beginning at the top of the tree
- 5. Crown Dieback foliage at the top of the tree may thin or discolor
- 6. Epicormic sprouting shoots of leaves growing from the trunk

The problem is that it may take as many as five years after the initial infestation for the tree to begin showing these signs and symptoms. Heavily infested trees may appear healthy. Once a tree begins to show outward signs of infestation, it may only be a short time before it dies.

## Removals

## Why does an infested ash tree have to be removed; can we wait until the tree is dead?

Once a parkway ash tree is found to be over 60% dead, the City will remove it promptly. It is important for the Department to promptly remove the infested ash trees. Additionally, when ash trees are dead, they become brittle and easily drop limbs, posing a major safety concern.

## If you identify an infested ash tree on my parkway, will you remove all of the ash trees on my parkway?

Only infested ash trees that do not have at least a 60% healthy crown growth will be removed along with the stump. Locator markings will be sprayed before stump removal in the area to locate underground utilities. The parkway will be restored with topsoil and seed.

## Will the City contact me before removing my parkway tree(s)?

When a tree is identified to be removed, a colored dot is sprayed on the tree and an informational door hanger is placed on the resident's front door. This is done as a courtesy to notify residents of the status of the parkway tree in front of their property. The door hangers have the contact information of the Municipal Services Department. Trees slated for removal are usually marked a few weeks before they are actually removed in order to permit residents time to call if they have any questions. Residents will be notified before a tree is removed.

## **Replacements**

## Will the City replace the trees that are removed from the parkway?

It is currently the City's policy to replace parkway trees on a one-for-one basis as space allows. The replacement tree is planted at no cost to the homeowner. A certified arborist will decide if there is the appropriate amount of space (20 feet) available and an acceptable planting site is present. With the exponential spread of EAB, the substantial loss of trees, and current economic conditions, it is impossible to predict changes to the funding of the planting program. It is the City's goal to maintain a diverse parkway tree population by replanting where possible.

## How long do I have to wait for a replacement tree?

The City's current program and budget allows for tree planting. Again unforeseen changes to the tree planting program cannot be predicted. When a tree is removed, the address is put on the bottom of the planting list and will be replaced chronologically. Trees are usually planted in the spring and fall seasons.

## What will be the size of the replacement tree?

Replacement trees are usually 4 inches in diameter. The City has chosen to replant this size of tree based on transplanting, survivability, cost, and labor.

## Can I choose what type of tree will be replanted?

Residents will have the ability to select from an approved list of parkway trees. Available species are chosen based on stock availability, viability of species, appropriateness of parkway installation, diversity, and proven success.

## Why can't I choose the same tree as all of my neighbors?

Diversity is the key to creating an urban forest. As we learned with Dutch Elm Disease and are now learning with Emerald Ash Borer, planting a single species in mass numbers is a poor urban forestry practice that can have devastating effects.

## Can I plant my own parkway tree?

No. The City's planting program is in place to provide replacement trees to homeowners. Our City Arborist makes the educated final decision as to the type and quantity of trees that will be planted in the parkway. It is important that the appropriate tree is selected for each and every site in the City's parkways. City staff will work with homeowners as much as possible.

For more information or questions, please call the Municipal Services Department at 630-353-8105.

SECTION 2: SCOPE OF THE WORK AND PAYMENT: The CONTRACTOR agrees to provide labor, equipment and materials necessary to provide the services as described in the CONTRACT DOCUMENTS and further described below:

Unit Pricing for the 2017 Emerald Ash Borer Treatment Program

(Hereinafter referred to as the "WORK") and the CITY agrees to pay the CONTRACTOR

pursuant to the provisions of the Local Government Prompt Payment Act (50 ILCS 505/1 et seq.) the following amount for performance of the described unit prices.

SECTION 3: ASSIGNMENT: CONTRACTOR shall not assign the duties and obligations involved in the performance of the WORK which is the subject matter of this Contract without the written consent of the CITY.

SECTION 4: TERM OF THE CONTRACT: This Contract shall commence on the date of its execution. The WORK shall commence upon receipt of a Notice to Proceed and continue for the period specified. This Contract shall terminate upon completion of the WORK, but may be terminated by either of the PARTIES for default upon failure to curc after ten (10) days prior written notice of said default from the aggrieved PARTY. The CITY, for its convenience, may terminate this Contract with thirty (30) days prior written notice.

SECTION 5: INDEMNIFICATION AND INSURANCE: The CONTRACTOR shall

indemnify and hold harmless the CITY, its officials, officers, directors, agents, employees and representatives and assigns, from lawsuits, actions, costs (including attorneys' fees), claims or liability of any character, incurred due to the alleged negligence of the CONTRACTOR, brought because of any injuries or damages received or sustained by any person, persons or property on account of any act or omission, neglect or misconduct of said CONTRACTOR, its officers, agents and/or employees arising out of, or in performance of any of the provisions of the

CONTRACT DOCUMENTS, including any claims or amounts recovered for any infringements of patent, trademark or copyright; or from any claims or amounts arising or recovered under the "Worker's Compensation Act" or any other law, ordinance, order or decree. In connection with any such claims, lawsuits, actions or liabilities, the CITY, its officials, officers, directors, agents, employees, representatives and their assigns shall have the right to defense counsel of their choice. The CONTRACTOR shall be solely liable for all costs of such defense and for all expenses, fees, judgments, settlements and all other costs arising out of such claims, lawsuits, actions or liabilities. The Contractor shall not make any settlement or compromise of a lawsuit or claim, or fail to pursue any available avenue of appeal of any adverse judgment, without the approval of the City and any other indemnified party. The City or any other indemnified party, in its or their sole discretion, shall have the option of being represented by its or their own counsel. If this option is exercised, then the Contractor shall promptly reimburse the City or other indemnified party, upon written demand, for any expenses, including but not limited to court costs, reasonable attorneys' and witnesses' fees and other expenses of litigation incurred by the City or other indemnified party in connection therewith. Execution of this Contract by the CITY is contingent upon receipt of Insurance Certificates provided by the CONTRACTOR in compliance with the CONTRACT DOCUMENTS.

SECTION 6: COMPLIANCE WITH LAWS: The bidder shall at all times observe and comply with all laws, ordinances and regulations of the federal, state, local and City governments, which may in any manner affect the preparation of bids or the performance of the Contract. Bidder hereby agrees that it will comply with all requirements of the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq., including the provision dealing with sexual harassment and that if awarded the Contract will not engage in any prohibited form of discrimination in employment as defined in that Act and will require that its subcontractors agree to the same restrictions. The contractor shall maintain, and require that its subcontractors maintain, policies of equal employment opportunity which shall prohibit discrimination against any employee or applicant for employment on the basis of race, religion, color, sex, national origin, ancestry, citizenship status, age, marital status, physical or mental disability unrelated to the individual's ability to perform the essential functions of the job, association with a person with a disability, or unfavorable discharge from military service. Contractors and all subcontractors shall comply with all requirements of the Act and of the Rules of the Illinois Department of Human Rights

with regard to posting information on employees' rights under the Act. Contractors and all subcontractors shall place appropriate statements identifying their companies as equal

opportunity employers in all advertisements for workers to be employed in work to be performed. ## AGENDA MEMO City Council April 3, 2017

## **Issue Statement**

Approval of a resolution to extend a contract with Rag's Electric Company for the annual 2017/18 Street Light Maintenance Contract. The proposed contract extension would be the second extension, year 3, of a three (3) year contract.

## **RESOLUTION**

## **Background/History**

On March 12, 2015 staff had received three sealed bids for the 2015/16 street light maintenance contract. Attached please find the bid tabulation labeled as <u>Attachment A</u> for the costs to repair street lights, hourly rates for labor, equipment, and material costs. The attached tabulation also includes a pricing schedule for two additional option years.

Below, please find a summary of the items within the proposed contract and attached please find **<u>Attachment B</u>**-labeled as Repair Cost Estimates for 2017/18.

**Item 1A-Cost to Repair Street Light**-This item requires the vendor to repair the street light at a specified unit cost. The repair would include equipment labor and the led fixture.

**Item 1B-Cost to Repair Ballast**-This item requires the vendor to repair the ballast at a specified unit cost. The repair would include equipment labor and the ballast. **NOT APPLICABLE 2017** 

**Item 1C-Cost to Repair Fuse Kit**-This item requires the vendor to repair the fuse kit at a specified unit cost. The repair would include equipment labor and the fuse kit.

**Item 2-Hourly Rate for Labor and Equipment-** This item requires the vendor to provide unit costs on an hourly basis for labor and equipment. Such items would include a light pole knock down, identifying a ground fault or any other extraordinary mishaps.

**Items 3, 4 and 5-Lamp Charges** -This item requires the vendor to provide unit pricing for various lamps to relamp a light pole(s) to a requested wattage. These items would be utilized if it was determined that an increased or reduced wattage light bulb would better serve an intersection or residence. **NOT APPLICABLE 2017** 

## **Option 6-Aluminum Pole- Option 7-Concrete Pole-Option 8-Uni Duct**

Occasionally the City of Darien receives petitioned requests for the installation of aluminum and concrete street lights. The light pole installation will be subject to an additional cost for uni-duct wiring, (**Option 8**) at a per a lineal foot unit price installed.

## **Option 9-Straighten Concrete Poles**

Street Light Contract Extension April 3, 2017 Page 2

Occasionally concrete light poles require straightening. This item requires excavation at the base of the pole, straightening, and backfilling.

Street Light Contract Extension April 3, 2017 Page 3

The 2017/18 Budget calls out for the funding for the Street Light Maintenance Program from the following line items:

## AGENDA MEMO City Council April 3, 2017

## **ISSUE STATEMENT**

A resolution accepting the unit price proposal for analytical soil testing fees from Testing Services Corporation at the proposed unit prices for certain waste for a period of May 1, 2017 through April 30, 2018

## **RESOLUTION**

## BACKGROUND

During the year the department generates excavated materials from various Public Works projects, such as water main breaks, valve and hydrant replacements, landscape restorations and ditching projects. On July 30, 2011, Public Act 96-1416 Clean Construction or Demolition Debris (CCDD), became law. The law required the Illinois EPA to propose rules to establish technical requirements for CCDD facilities; set operating standards for uncontaminated soil fill operations; and develop standards for the maximum allowable concentrations of chemical constituents in uncontaminated soil generated during construction or demolition activities and used as fill material.

The law affects owners and operators of CCDD facilities and uncontaminated soil fill operations as well as governmental entities, road builders, landscapers, and other contractors and excavators that deliver CCDD or uncontaminated soil generated from construction or demolition activities to CCDD facilities and uncontaminated soil fill operations.

Staff requested competitive quotes for the required analytical testing services and received one competitive quote (see <u>Attachment A</u>) which was provided by Testing Services Incorporated. The pricing is to be held in place from May 1, 2017 to April 30, 2018.

The expenditure would come from the Water, Street and Capital accounts, depending on the specific project generating the waste. The total estimated costs for all maintenance and budgetary programs for this item are \$26,000.00.

## **STAFF RECOMMENDATION**

Municipal Service Committee recommends accepting the unit price proposal for analytical soil testing fees from Testing Services Corporation at the proposed unit prices. *Pending Budget Approval FYE 2017-2018* 

## ALTERNATE CONSIDERATION

As directed by City Council

## **DECISION MODE**

This item will be placed on the April 3, 2017 City Council agenda for formal approval.

## AGENDA MEMO City Council April 3, 2017

## **Issue Statement**

Approval of a resolution authorizing the Mayor to execute a two year Intergovernmental Agreement with the County of DuPage for mowing along County roads and rights of way.

## **RESOLUTION**

## **Background/History**

The Intergovernmental Agreement with the County of DuPage authorizes the City of Darien to perform the mowing of certain DuPage County rights of way and along certain DuPage County roads. The City of Darien is compensated by DuPage County for performing this mowing along specified DuPage County maintenance jurisdictions. The contract reimbursable amount increased from \$28,742 to \$41,060. The Agreement provides for five (5) cycles of mowing and up to an additional five (5) in the DuPage County maintenance jurisdictions. The proposed agreement is a two year agreement expiring November 15, 2018. The Village of Willowbrook is entering into an agreement with the County to maintain the turf area within their corporate limits on 75<sup>th</sup> Street between Sheridan Drive and Route 83 and will relieve the City from further maintenance on the abovementioned section. The County has also revisited the existing areas the City maintains and recalculated the acreage. The total acreage has been reduced from 93 acres to 41.06 acres. The staff has reviewed the measurements and is in agreement. The City of Darien furnishes all equipment, materials, labor and transportation necessary to perform the required mowing. The locations where the mowing is required are as follows and is included within the attached Intergovernmental Agreement:

Route Number	<u>Highway Name</u>	Locations
15	Cass Avenue	67 <sup>th</sup> Street to North Frontage Road
31	Plainfield Road	Lakeview Drive/Sawmill Drive to Illinois Route 83
33	75 <sup>th</sup> Street	Median and R.O.W. Lemont Road to 1 lot west of Sheridan Dr
Recently county	has increased their	payment

## **Staff Recommendation**

Municipal Service Committee recommends signing the Intergovernmental Agreement with DuPage County.

## A RESOLUTION AUTHORIZING THE MAYOR AND CITY CLERK TO EXECUTE AN INTERGOVERNMENTAL AGREEMENT BETWEEN THE CITY OF DARIEN AND THE COUNTY OF DUPAGE FOR MOWING ALONG COUNTY ROAD AND RIGHT OF WAYS

WHEREAS, under the Constitution and Statues of the State of Illinois, a municipality is authorized to participate in intergovernmental cooperation; and

**WHEREAS,** an Intergovernmental Agreement has been prepared between the City of Darien and the County of DuPage concerning said mowing along County roads and right of ways, a copy of which is attached hereto as "Exhibit A", and is incorporated herein; and

WHEREAS, The Corporate Authorities, for record keeping, desire to authorize the execution of the Intergovernmental Agreement by Resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DUPAGE COUNTY, as follows:

**SECTION 1:** That the Mayor and City Clerk are hereby authorized to execute an Intergovernmental Agreement for mowing of grass, weeds and other vegetation growing along the roads and right of ways, subject to the County of DuPage Intergovernmental Agreement paying for the equivalent of up to ten (10) mowings.

The obligations of the City of Darien shall be limited to those specifically stated within the terms of the Intergovernmental Agreement.

**SECTION 2:** This Resolution shall be in full force and effect from and after its passage and approval as provided by law.

## COUNTY MOWING:

and;

WHEREAS, the COUNTY and the CITY have determined that it is in the best interest of the citizens of DuPage County and the residents of the City of Darien for the CITY to provide mowing along the above listed County Highways subject to the following GENERAL CONDITIONS AND SPECIFICATIONS:

#### GENERAL CONDITIONS

- 1. The CITY shall visit the site of the proposed work, and shall investigate, examine and familiarize itself with the premises and conditions relating to the mowing to be done in order that it may understand the difficulties and restrictions required to complete the mowing to be done under this Agreement.
- 2. The CITY shall furnish all labor, materials, equipment and transportation necessary to complete five (5) mowing cycles and up to five (5) intermediate mowing(s) as necessary per year for two (2) years under the terms and conditions herein set forth. All materials and equipment shall be in strict compliance with the specifications hereinafter set forth; however, if no specifications are set forth for particular materials or equipment such material or equipment shall be of such specifications as are reasonably necessary and appropriate to carry out the terms and conditions of this Agreement. All labor and transportation shall be performed in accordance with the highest professional and technical standards in the field.
- 3. At the sole option of the COUNTY, the CITY shall furnish all labor, materials, equipment and transportation necessary to complete additional mowing cycles, on any portion or portions of said COUNTY MOWING, under the terms and conditions herein set forth. The COUNTY shall give written notice to the CITY of the portion or portions of roads and rights of way to be mowed not less than seven (7) days prior to the required starting date.
- 4. The safety of persons and property of the CITY, the COUNTY, and the general public is of primary concern, and shall take priority over all other terms and conditions of this Agreement.
- 5. All equipment and materials furnished by the CITY shall meet or exceed all safety standards for mowing prescribed by O.S.H.A. The CITY agrees, covenants, and understands that the CITY bears sole liability for any injury or damage caused by the CITY under this Agreement and that the COUNTY shall not accept any liability whatsoever from the CITY except where any injury or damage is caused by the COUNTY.
- 6. Indemnification
  - (a) The CITY shall indemnify, hold harmless and defend the COUNTY, its officials, officers, agents, and employees from and against all liability, claims, suits, demands, proceedings and actions, including costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the CITY's negligent or willful acts, errors or omissions or any

of the CITY contractor's or agent's negligent or willful acts in its performance under this Agreement. The indemnification set forth herein shall not extend to any injury or damage caused by the negligent or willful acts, errors or omissions of the COUNTY or its officers, agents and employees.

- Nothing contained herein shall be construed as (b) (b) prohibiting the COUNTY, its officials, directors, officers and employees, at their sole cost and expense, from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, proceedings and actions brought against them. Pursuant to Illinois law, any attorney representing the COUNTY, who is not already an Assistant State's Attorney, is to be appointed a Special Assistant State's Attorney, in accordance with the applicable law. The COUNTY's participation in its defense shall not remove the CITY's duty to indemnify, defend, and hold the COUNTY harmless, as set forth above provided, however, that the CITY shall have the authority to direct the defense and to settle any claim, suit, demand, proceeding or action against the COUNTY for which the CITY would be required to indemnify the COUNTY hereunder subject to the approval of the State's Attorney to settle all claims. The State's Attorney shall not unreasonably withhold such approval.
- (c) Any indemnity as provided in this Agreement shall not be limited by reason of the enumeration of any insurance coverage herein provided. The CITY's indemnification of the COUNTY shall survive the termination, or expiration, of this Agreement.
- (d) The COUNTY does not waive, by these indemnity requirements, any defenses or protections under the Local Governmental and Governmental Employees Tort Immunity Act (745 ILCS 10/1 et seq.) or otherwise available to it, or to the CITY, under the law."
- 7. At all times during the period of this Agreement, the CITY and, if applicable, their contractor shall maintain the following insurance coverage(s), or be self-insured to cover the following:
  - (a) Worker's Compensation Insurance in the statutory amounts.
  - (b) Employer's Liability Insurance in an amount not less than one million dollars (\$1,000,000.00) each accident/injury and one million dollars (\$1,000,000.00) each employee/disease.

- (c) Commercial (Comprehensive) General Liability Insurance with a limit of not less than three million dollars (\$3,000,000) total; including limits of not less than two million (\$2,000,000) dollars per occurrence and one million (\$1,000,000) dollars excess liability in the annual aggregate injury/property damage.
- (d) Commercial (Comprehensive) Automobile Liability Insurance with minimum limits of at least one million (\$1,000,000) dollars Combined Single Limit (Each Accident).
- (e) The coverage limits required under subparagraphs (c) and (d) above may be satisfied through a combination of primary and excess coverage. The CITY shall not allow any contractor to commence work until all the insurance coverage(s) required under this insurance section have been obtained. Satisfactory evidence of contractor's insurance including endorsements shall be provided by the CITY to the COUNTY immediately upon request. Additionally, the CITY shall include in all of its contracts a statement expressly declaring the COUNTY to be a third-party beneficiary of the insurance requirements provided for in this insurance section.
- The CITY shall require all approved contractors, (f) anyone directly or indirectly employed by them, or by anyone for whose acts any of them may be liable under this Agreement, to acquire and maintain the insurance as set forth in Paragraph 7. (a) to (d) of the Agreement. The COUNTY retains the right to obtain evidence of contractor's insurance coverage at any time. The CITY will ensure that its contractors and subcontractors name the COUNTY as an additional insured as set out in the paragraphs below. The CITY understands that it is to the CITY's benefit to diligently enforce this insurance requirement as the CITY shall indemnify the COUNTY, its officials, officers, agents, and employees from all liability, in its performance under this Agreement pursuant to the terms in Paragraph 6 herein."
- (g) The insurance required to be purchased and maintained by the CITY and if applicable, their contractor, shall be provided by an insurance company acceptable to the COUNTY, and licensed to do business in the State of Illinois; and shall include at least the specific coverage and be written for not less than the limits of the liability specified herein or required by law or regulation whichever is greater;

and shall be so endorsed that the coverage afforded will not be canceled or materially changed until at least sixty (60) days prior written notice has been given to the COUNTY except for cancellation due to non-payment of premium for which at least fifteen (15) days prior written notice (five days allowed for mailing time) has been given to the COUNTY. If the CITY is satisfying insurance required through a combination of primary and excess coverage, the CITY shall require that said excess/umbrella liability policy include in the "Who is Insured" pages of the excess/umbrella policy wording such as "Any other person or organization you have agreed in a written contract to provide additional insurance" or wording to that affect. The CITY shall provide a copy of said section of the excess/umbrella liability policy upon request by the COUNTY.

- It is the duty of the CITY to immediately notify the (h) COUNTY if any insurance required under this Agreement has been cancelled, materially changed, or renewal has been refused, and the CITY shall immediately suspend all work in progress and take the necessary steps to purchase, maintain and provide the required insurance coverage. If a suspension of work should occur due to insurance requirements, upon verification by the COUNTY of the required insurance coverage, the COUNTY shall notify the CITY that the CITY can proceed with the work that is a part of this Agreement. Failure to provide and maintain the required insurance coverage could result in the immediate cancellation of this Agreement, and the CITY shall accept and bear all costs that may result from the cancellation of this Agreement due to the CITY's or if applicable, their contractor's failure to provide and maintain the required insurance.
- The CITY's and if applicable, their contractor's (i) insurance as required by paragraphs (c) and (d) above shall name the COUNTY, its officers, and employees as additional insured parties. The Certificate of Insurance/endorsements shall state: "The County of DuPage, its officers, and employees are named as additional insured(s) as defined in the Commercial (Comprehensive) General Liability Insurance and Commercial (Comprehensive) Automobile Liability Insurance policies with respect to claims arising from the CITY's performance under this Agreement. The Endorsements must also be provided naming the County of DuPage c/o DuPage County Division of Transportation, 421 N. County Farm Road, Wheaton, IL 60187, as an additional insured. This additional

insured is to be on a primary and non-contributory basis."

- (j) If the CITY will be using their own forces for the work covered in this Agreement, the CITY shall inform the COUNTY in writing following execution of this Agreement. If, however, the CITY will be hiring a contractor for the work covered in this Agreement, the CITY shall inform the COUNTY in writing following execution of this Agreement and shall provide a copy of said contract to the COUNTY upon request.
- 8. The terms and conditions of this Agreement may be amended or supplemented by written statement of the parties to make such amendment or supplement. The parties agree that no oral change orders will be allowed and that no claim based upon any purported oral change order shall be made.
- 9. The terms and conditions of this Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.
- 10. All State and Federal Laws insofar as applicable to COUNTY contracts shall be hereby specifically made a part of this Agreement as set forth herein.
- 11. This Agreement shall be governed by the laws of the State of Illinois. The forum for resolving any disputes concerning the parties' respective performance, or failure to perform, under this Agreement, shall be the judicial circuit court for DuPage County.
- 12. In the event, any provisions of this Agreement is held to be unenforceable or invalid for any reason, the enforceability thereof shall not affect the remainder of the Agreement. The remainder of this Agreement shall be construed as if not containing the particular provision and shall continue in full force, effect, and enforceability, in accordance with its terms.
- 13. This Agreement may be terminated at any time by submission to the other party of written thirty (30) days advance notice served by certified or registered mail, return receipt requested, properly addressed with postage prepaid and said notice shall be effective upon receipt as verified by the United States Postal Service, to the following addresses:

FOR THE CITY: Bryon Vana City Administrator City of Darien 1702 Plainfield Road Darien, Illinois 60561

- 6 -

FOR THE COUNTY: Christopher C. Snyder, P.E. Director of Transportation/County Engineer DuPage County Division of Transportation 421 N. County Farm Road Wheaton, IL 60187

14. This Agreement shall remain in full force and effect after execution by the parties as set forth below until November 15, 2018, unless terminated by thirty (30) days written notice to the other party as referenced above.

#### SPECIFICATIONS

- All grassy areas heretofore set out in COUNTY MOWING shall be mowed from the edge of shoulder or back of curb to the right of way line. Median and island areas are also included as part of this Agreement (as referenced in table hereinabove) and shall be mowed back to back of curb.
- 2. Grass shall be mowed to the height of three (3) inches.
- 3. All mowing shall be performed in a manner to produce a finished appearance which is acceptable to the COUNTY. Such acceptability shall be based upon the reasonable application of professional standards in the mowing industry. The opinion of the DuPage County Division of Transportation Highway Operations Manager shall constitute prima facie evidence of a reasonable application of such professional standards.
- 4. Hand-cutting or cutting along fences and guardrails is included as part of the Agreement.
- 5. Hand-cutting around landscaping and other obstructions within the right of way shall be part of this contract. Grass cuttings shall not be allowed on roadways or curbs. Large grass clumps shall not remain on cut areas. Such cuttings or clumps shall be removed or blown clean.
- 6. Pick up of typical roadway trash (bottles, cans, paper, plastic bags, and miscellaneous small debris) will be the responsibility of the CITY and shall be included in the cost of mowing. Any areas where materials are encountered that would not be classified as "typical roadway trash" should be referred to the DuPage County Highway Operations Manager for removal.
- 7. Damage caused by the CITY to turf areas shall be repaired to the satisfaction of the DuPage County Highway Operations Manager prior to payment for the cycle in which damage occurred.

- 8. The CITY shall protect all work sites with proper traffic control as specified in the current "Manual of Uniform Traffic Control Devices" and applicable standards as included in these special provisions, and appropriate at any particular site. The safety of employees and the public shall be of primary concern.
- 9. Roadways shall be kept open to traffic in both directions at all times. The loading and unloading of materials and/or equipment shall be done in a protected area completely off the traveled roadway. If it is necessary for a slow moving piece of equipment to travel for a short distance along the roadway, this piece of equipment shall be accompanied by a properly equipped escort vehicle during the entire time that it occupies any portion of the traveled roadway. The escort vehicle shall be equipped with an amber-colored, rotating-type warning light mounted on or above the cab of the escort vehicle. The escort vehicle shall also be equipped with two (2) amber colored flashing lights mounted to the rear of the escort vehicle at a minimum height of six (6) feet.
- 10. No equipment or material shall be stored on the pavement or shoulders at any time.
- 11. The starting date for each year's mowing cycle shall be no later than the following:

First Mowing - May 1
Second Mowing - June 1
Third Mowing - July 1
Fourth Mowing - August 1
Fifth Mowing - September 15
Five (5) intermediate mowings are to be completed as weather and
grass conditions warrant.

- 12. The COUNTY shall pay the CITY \$4,106.00 within forty-five (45) days of receipt of invoice after the completion of each mowing cycle of 41.06 acres.
- 13. The CITY shall endeavor to submit a final invoice for all mowing no later than November 15<sup>th</sup> of each year for the term of this Agreement.
- 14. Additions or deductions to the mowing acres may be required during the mowing season and will be done at the sole discretion of the COUNTY. Additions or deductions will be made to the payment due for a mowing cycle at a unit price of One Hundred Dollars per acre (\$100.00 per acre). The DuPage County Division of Transportation will notify the CITY in writing, of any additions or deductions made in the mowing cycle acres.

WHEREAS, the parties hereto have read and reviewed the terms of this Agreement and by their signature as affixed below represent that the signing party has the authority to execute this Agreement and that the parties intend to be bound by the terms and conditions contained herein.

WHEREAS, this Agreement shall not be deemed or construed to create an employment, joint venture, partnership or other agency relationship between the parties.

WHEREAS, this Agreement may be executed in two or more counterparts, each of which shall be deemed an original and all of which shall be deemed one in the same instrument.

WHEREAS, this Agreement shall become effective on the day on which both parties hereto have executed this document.

IN WITNESS WHEREOF, the parties hereto have each caused this Agreement to be executed by their duly authorized officers and to be attested to and their corporate seals to be hereunder affixed.

#### AGENDA MEMO City Council April 3, 2017

Approval of a resolution to extend a contract with TruGeen, LP for five (5) various fertilizer applications in an amount not to exceed \$20,290.00 for the 2017 Landscape Fertilization Services at Roadside Rights of Way and Medians of 75<sup>th</sup> Street, and certain segments of Plainfield Road. Included also are City owned facilities such as the Water Plant grounds, the Public Works facility and the City Hall grounds. The proposed contract extension would be the first extension, year 2 of a three (3) year contract.

#### **RESOLUTION**

#### BACKGROUND/HISTORY

The City's fertilization program will allow the City to eradicate noxious weeds and provide uniform aesthetically pleasing turf throughout certain right of ways and City owned facilities. On December 22, 2015, staff received three (3) bids for the proposed 2016 fertilization services, (See <u>Attachment</u> <u>A</u>). The contract also called out for two optional extensions for 2017 and 2018. The proposed extension will be the 1<sup>st</sup> extension, year two of a three year contract.

The following areas would receive fertilizer applications throughout the year:

- Certain median areas and roadside right of ways on 75<sup>th</sup> Street from Route 83 (Kingery Highway) west to Lemont Road- 20.52 acres
- 2) Plainfield Road from Cass Avenue east to 75<sup>th</sup> Street- 2.00 acres

	Total Acres	22.52 acres
City Owned Facilities:		Acres
	City Hall 1702 Plainfield Rd	0.70
	Public Works 1041 S Frontage Rd	1.70
	Water Plant #2 1220 Plainfield Rd	.33
	Water Plant #3 1930 Manning Rd	.57
	Water Plant #4 1897 Manning Rd	.66
	Water Plant #5 8600 Lemont Rd	.83
	Water Stand Pipe 6709 Wilmette Av	re <u>.11</u>
	Total Acres	4.90

The contract also entertained fertilization services for the City maintained median trees along 75<sup>th</sup> Street. The scope of work would include fertilizing 240 trees along 75<sup>th</sup> Street from Clarendon Hills Road west to Lemont Road.

The contract specifications included up to six (6) various fertilizer applications throughout the year. Staff is requesting that Applications 1, 2, 3, 4, and 5 for a total of five (5) applications be implemented for the 2017 Program. (See <u>Attachment B</u>).

#### AGENDA MEMO City Council April 3, 2017

#### **ISSUE STATEMENT**

A resolution authorizing the purchase of two (2) new 2017 Ford Escape S, from Currie Motors Fleet in the amount of \$45,296.00 (\$22,648.00 each).

#### **RESOLUTION**

#### BACKGROUND/HISTORY

The proposed vehicles are to be utilized by the City Administrator, Unit A-1 and the second vehicle will be utilized by the Community Development Department, Unit A-3 (D28).

The proposed vehicle, Unit A-1, would be replacing a 2003, Ford Expedition, acquired through a police department seizure and was assigned to the City Administrator. The vehicle was recently rated at 80, see <u>Attachment A</u>. The vehicle continues to experience electrical and mechanical issues including body deterioration due to rust.

The proposed vehicle, Unit A-3 (D28) would be replacing a 2007 Crown Victoria, with a recent rating of 77, see <u>Attachment B</u>. The City mechanic in accordance with the Vehicle Replacement Policy recommends replacing the vehicle. Unit A-3 continues to experience problems with the transmission, brakes, struts, motor mounts and the body is deteriorating due to rust.

Currie Motors Fleet is the awarded vendor for the Suburban Purchasing Cooperative The bid specifications are for Ford to manufacture, install, and deliver the specified truck to the City. The FYE18 Budget included funding for the proposed vehicles.

#### AGENDA MEMO City Council April 3, 2017

#### **ISSUE STATEMENT**

A resolution authorizing the purchase of one new 2017, Ford F350 4x4, cab and chassis from Bob Ridings Inc. Fleet Sales Program in an amount not to exceed \$40,150.00.

#### **RESOLUTION**

#### **BACKGROUND/HISTORY**

The new truck is to be utilized primarily for material hauling, snow plowing, and de-icing operations for the street division. The truck would be replacing Unit 107 which is a 2006 GMC, Model 3500. The truck has approximately 97,000 miles with a rating of 84.28. The vehicle continues to have mechanical issues and the truck body is deteriorating due to rust. Unit 107 was budgeted for replacement and the vehicle rating report is attached and labeled as <u>Attachment A</u>.

The proposed cab and chassis is a 2017 Ford F350 4x4 and would be purchased through the State of Illinois Joint Purchase Program for fleet sales to municipalities. Attached and labeled as <u>Attachment B</u>, please find a detailed cost breakdown for the 2017, Ford F350 4x4, cab and chassis. The proposed vehicle will also have additional components and is referred to as the, The Equipment Package – consisting of a dump body, hoist, body options, lightning accessories, hydraulics, controls, snow and de-icing equipment and is covered under a separate agenda memo.

The proposed expenditure would be expended from the following line account:

ACCOUNT NUMBER	ACCOUNT DESCRIPTION	FY 17/18 BUDGET	PROPOSED EXPENDITURE	PROPOSED BALANCE
01-30-4815	CAPITAL PURCHASES TRUCK REPL UNIT 107	\$ 86,825	\$ 40,150	\$ 46,675
01-30-4815	CAPITAL PURCHASES TRUCK DECALS	N/A	\$ 1,000	\$ 45,675
01-30-4815	TOTAL	N/A	\$ 41,150	\$ 45,675

## **STAFF RECOMMENDATION**

Municipal Services Committee recommends approval of the resolution authorizing the purchase of one new Ford F350 4x4, cab and chassis from Bob Ridings Inc Fleet Sales Program in an amount not to exceed \$40,150.00. *Pending Budget Approval FYE 2017-2018*

# YOUR GUIDE to the 2016-17 State of Illinois Joint Purchase Contracts for Local Governments, come see how EASY it is to deal with Bob Ridings! Available to all Illinois Municipal Agencies!!

BOB RIDINGS again invites your agency to SAVE TIME AND MONEY with the annual State of Illinois Joint Prophase Program. NOTE that BOB RIDINGS is the ONE AND ONLY STATE CONTRACTOR for these models!!!

#### 2017 Ford F350 Trucks, Pickup and Chassis Models, Contract PSD # 4018301

 -We are one of Illinois' largest and most experienced suppliers of government vehicles!
 -We offer lots of options to tailor your vehicle to the job with the USER FRIENDLY ORDER FORMS ENCLOSED. We can also accept TRADE INS (see form below) and offer Ford Municipal Lease Purchase (Inquire)
 -We offer low cost delivery to your door and License and Title processing to further save you time and effort.

 HOW TO ORDER:
 -FILL OUT the vehicle order form attached, checking off your model, color & interior, and options, etc.
 -CALL ME to review your selection and to inquire about trades or financing and fax or email your form.
 -I WILL review your selections and prepare an itemized proposal letter with correct price for your approval If you must plan for May 1 or other fiscal year issues let me know, but ORDER EARLY!!
 Upon receipt of your purchase order we will order the truck and send a confirmation letter for your records. Please allow an estimated 90-120+ days minimum for delivery (more for truck bodies).
 -We will contact you when your order is almost ready and will send invoice at that time to help you prepare your check before delivery! Thank you for your business and we hope to see you soon!!

Sincerely, Todd Crews, Fleet Sales Manager

TRADE INFORMATION REQUEST Fill out and fax this page and we will assign a trade value for the vehicle.

# AGENDA MEMO City Council April 3, 2017

# **ISSUE STATEMENT**

Approval of a resolution for the 2017 Street Maintenance contract with Schroeder Asphalt Inc. as per the following schedule of pricing:

Base Bid -	\$1,376,033.75
Alternate 5 –	63,000.00
Total Cost	\$1,439,033.75

# The proposed contract is subject to the FY17-18 Budget approval.

# **RESOLUTION**

# BACKGROUND/HISTORY

The City's 2017 Street Maintenance Program proposed 4.87 miles. Typically the annual program averages approximately 5 miles per year. In anticipation of price increases, staff listed several roadways as alternates within the bid packet. Staff is proposing the following program for this year and includes **5.03** miles:

**Base Bid** - Includes the proposed schedule as listed above "2017 Road Resurfacing Program" \$1,376,033.75.
