ORDINANCE

BACKGROUND

In 2016 the City Council passed ordinance O-12-16 amending the liquor code by periodically auditing the number of licenses in several classes so that there are no (open) licenses available that are not assigned to a particular business. Currently, there is an open, unused Class K liquor license (Burrito Paradise – Brookhaven Shopping Center) that needs to be eliminated.

OVERVIEW/DISCUSSION

In 2020, the City of Darien adopted ordinances (O-19-20 & O-21-20) that regulate the raising/keeping of chickens. Per adoption of these ordinances, City Code Section 7-5-1 was created and has been included as an attachment to this memo. Pursuant to this code section, a party may obtain relief from one (1) or more of the requirements stipulated in the ordinance. Therefore, the petitioner has filed this request asking for relief to allow an existing chicken coop to remain at 6 feet from the rear lot line and 19.2 feet from the northern side lot line instead of the required 20 feet. The petition also seeks approval to allow an existing perimeter fence to remain “open” chain-link style at a height of 5 feet instead of the required “solid” style 6 feet by ordinance.

The criteria for approving this type of request is provided below. Note that the petitioner submitted an application, site plan, and survey, which are all attached to this memorandum. Aerial site images are also included as an attachment.

Relief Request – Approval Criteria:

A party may obtain relief from one (1) or more of the requirements of City Code Sections 7-5-1(B)(4), 7-5-1(B)(5), and 7-5-1(B)(8) if the City Council determines:

- a) That there are practical difficulties preventing the applicant from complying with such requirement(s). Additional expense associated with complying with Sections 7-5-1(B)(4) and (5) shall not be considered a practical difficulty justifying relief; and*
- b) Granting the relief will not interfere with nearby owners' use and enjoyment of their properties.*
- c) The owner would suffer substantial difficulty or hardship and not mere inconvenience or a decrease in financial gain if the relief is not granted.*
- d) There is a feature of the property such as slope or shape or change made to the property, which does not exist on neighboring properties, which makes it unreasonable for the owner to make the proposed improvement in compliance with this title.*
- e) The relief, if granted, will not cause a substantial difficulty, undue hardship, unreasonable burden, or loss of value to the neighboring properties.*
- f) The plight of the owner is due to unique circumstances.*

DECISION MODE

The Municipal Services Committee is requested to forward a recommendation on the relief request to City Council.

Zoning Text Amendment – Motor Vehicle Sales
 Special Use (8408 Wilmette Avenue, Units B & C)

ISSUE STATEMENT

Petitioner (Stephen O'Brien) requests the following:

- 1) Zoning Text Amendment to Section 5A-9-3-4 of the Zoning Ordinance listing “motor vehicle sales” as a special use within the Office, Research, and Light Industry (OR&I) Zoning District; and
- 2) Special use approval for motor vehicle sales within the Office, Research, and Light Industry (OR&I) Zoning District.

While the proposed text amendment applies to the zoning ordinance in general, the special use application applies to the subject property at 8408 Wilmette Avenue, Units B & C. The property is located within the Office, Research, and Light Industry (OR&I) District.

PLANNING OVERVIEW/DISCUSSION

The subject property is located off Wilmette Avenue. It is slightly less than one (1) acre in size and is zoned Office, Research, and Light Industry (OR&I). The property contains a longstanding industrial building housing multiple tenants. The petitioner would occupy two (2) of the existing tenant spaces totaling 4,000 square feet in floor area. The space is currently occupied by an auto repair/body shop, including a paint booth, which was authorized via a zoning text amendment and special use approved in 2016. A condition tied to these approvals requires all auto repair activity and vehicles to be within the building.

At this time the petitioner has proposed adding motor vehicle sales on site. While the sales activity would be limited in nature, the zoning ordinance does not permit any type of vehicle sales within the OR&I District. After being informed of this and having further discussion the petitioner decided to submit for a text amendment to allow motor vehicles sales and a special use within the OR&I District. The petition is similar to the aforementioned case in 2016 but pertains to vehicles sales instead of auto repair. The Committee is to consider the proposed text amendment and special use in tandem.

PZC MEETINGS – 08/16/2023 & 09/20/2023

The Planning and Zoning Commission heard this petition at its meeting on August 16, 2023. The case was continued by the Planning and Zoning Commission, meaning no recommendation was given. During the meeting the Planning and Zoning Commission directed staff to gather additional details pertaining to automobile sales and how the use is regulated by nearby communities. Staff researched multiple zoning codes of other communities and provided an overview of automobile sales and how the use is regulated per the table on the following page. It should be noted staff researched the use and how it is regulated by other communities within generally comparable districts.

This information was discussed by the Planning and Zoning Commission when the petition was heard again on September 20, 2023. Based on the community comparison table and research of zoning codes, staff advised that nearby jurisdictions allow automobile/motor vehicle sales within similar districts to the Office, Research, and Light Industry (OR&I) District in Darien. There is a consistent theme of requiring operations to be within a completely enclosed building and/or requiring robust screening of properties that have automotive sales. While there is not a “one size fits all” approach, staff does not see a detriment to allowing vehicle sales within the Office, Research, and Light Industry (OR&I) District, provided it is classified as a special use within the

ordinance. A special use classification triggers a public hearing process for each individual user and requires review by the Planning and Zoning Commission and approval by the City Council. Additionally, the Office, Research, and Light Industry (OR&I) District has existing conditions that prohibit outdoor storage and require all processing and display to be within enclosed buildings. This is consistent with many ordinances from other jurisdictions and is what staff found to be the case applied to automobile sales in Burr Ridge.

MUNICIPALITY	USE NAME	ALLOWANCE	DISTRICT(S)	CONDITIONS

BURR RIDGE	AUTOMOBILE SALES	SPECIAL USE	LIGHT INDUSTRIAL DISTRICT	INDOOR ONLY
WESTMONT	AUTOMOBILE SALES	SPECIAL USE	MANUFACTURING DISTRICT	SCREENING/ LANDSCAPE BUFFER
WILLOWBROOK	MOTOR VEHICLE SALES & RENTAL	SPECIAL USE	BUSINESS DISTRICT & LIGHT MANUFACTURING DISTRICT	SCREENING/ LANDSCAPE BUFFER

Site Plan Review & Findings of Fact

City staff has reviewed the submittal documents and staff does not have review comments pertaining to the site plan or floor plan. The project involves almost no physical site work and the existing character of the site would remain the same.

Note that the petitioner submitted a Justification Narrative detailing the request. The narrative is attached to this memo. Included on the next page are the standards for amendments and the special use criteria to be considered for recommending on the case.

Standards for Amendments:

The Plan Commission shall consider the following factors and other pertinent factors in developing a recommendation for the City Council:

- 1. Existing uses of property within the general area of the property in question, and the resulting character of the general area;*
- 2. The zoning classifications of property within the general area of the property in question;*
- 3. The suitability of the property in question to the uses permitted under the existing zoning classification including consideration of the length of time the property has been vacant as*

zoned;

4. *The trend of development, if any, in the general area of the property in question, including changes, if any, which have taken place in its present zoning classifications and the impact to surrounding property likely to result from the proposed use;*
5. *The reduction in value of the subject property resulting from the particular zoning restriction as compared to the gain to the public if the property remains restricted; and*
6. *The policies of all current official plans or plan elements of the City.*

Special Use Criteria:

No special use shall be recommended to the City Council by the Plan Commission, nor approved by the City Council, unless findings of fact have been made on those of the following factors which relate to the special use being sought:

1. *That the special use is deemed necessary for the public convenience at the location specified.*
2. *That the establishment, maintenance, or operation of the special use will not be detrimental to, or endanger the public health, safety, or general welfare.*
3. *That the special use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood.*
4. *That the establishment of the special use will not impede the normal and orderly development and improvement of the surrounding property for uses permitted in the district.*
5. *That the exterior architectural design, landscape treatment, and functional plan of any proposed structure will not be at variation with either the exterior architectural design, landscape treatment, and functional plan of the structures already constructed or in the course of construction in the immediate neighborhood or the character of the applicable district, as to cause a substantial depreciation in the property values within the neighborhood.*
6. *That adequate utilities, access roads, drainage, and/or necessary facilities have been or are being provided.*
7. *That adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets.*
8. *That the special use shall, in all other respects, conform to the applicable regulations of the district in which it is located, except as such regulations may, in each instance, be modified by the City Council pursuant to the recommendations of the Plan Commission and Planning and Development Committee.*

Based on testimony and discussion at the public hearings, the Planning and Zoning Commission made separate motions to forward each case with a favorable recommendation to the Municipal Services Committee. The motions passed by a vote of 5-0, each having a recommended condition/stipulation noted below:

- 1) **Zoning Text Amendment to Section 5A-9-3-4 of the Zoning Ordinance listing “motor vehicle sales” as a special use within the Office, Research, and Light Industry (OR&I) Zoning District; and**

RECOMMENDED BY PZC: *Motor vehicle sales only added as a special use in the OR&I District if done in conjunction with a garage for auto repair and body shop.*

RE: Integrity Auto Group Text Addition Request and Special use permit for property located at; 8408 Wilmette Ave, Unit C, Darien IL.

As far as Integrity Auto business model is concerned, the day-to-day operations are as follows:

- We purchase insurance company total loss vehicles from the insurance company auction and repair them in our body shop in the unit next to ours.
- We then list the vehicles for sale on eBay and other internet sites such as auto trader and cars.com.
- Before the vehicles are sold, a potential buyer comes to inspect the vehicle inside our facility.
- After vehicles are sold, the paperwork is completed, and the vehicles are picked up by the customer.
- These vehicles are mainly between 1-3 years old with low mileage.
- The vehicles are stored inside our unit to keep them clean, dry and out of the weather.

We are anticipating selling between 4-6 vehicles per month. We will have signage with the business name and phone number on the building unit glass (window glass size approx. 3X5). Also, we will have posted hours of operation (10AM-5PM M-F), (9AM-noon Saturdays) and closed on Sunday, this will be posted on the entrance door glass, which is (approx. 2X3).

No vehicles will be displayed outside, all business will be conducted within all Illinois State Laws and guidelines, also Darien City Laws and guidelines, with Community and neighbors in mind. It is of paramount importance we do not impact the City of Darien in a negative way.

It is our commitment to maintain a clean and safe exterior and parking area as well as the office and showroom inside the building.

Thank you for considering the opportunity for me to start and grow this new business.

Sincerely,

Steve O'Brien

Mr. Jordan Yanke, City Planner reported that the subject property is located off Wilmette Avenue, and it is less than one acre in size and is zoned Office, Research, and Light Industry (OR&I). He reported that the property contains a longstanding industrial building housing multiple tenants and that the petitioner would occupy two of the existing tenant spaces totaling 4,000 square feet in floor area.

Mr. Yanke reported that the space is currently occupied by an auto repair/body shop, including a paint booth, which was authorized via a zoning text amendment and special use approved in 2016. He reported that a condition tied to these approvals requires all auto repair activity and vehicles to be within the building. He further reported that the petitioner has proposed adding motor vehicle sales as part of the overall business operation on site.

Mr. Yanke reported that while the sales activity would be limited in nature, the zoning ordinance does not permit any type of vehicle sales within the OR&I District. He reported that this will require a text amendment to allow motor vehicles sales and a special use within the OR&I District.

The petitioner, Mr. Stephen O'Brien stated that his business model is to purchase insurance company total loss vehicles and repair and put in show room for sale. He stated that he advertises on Ebay and the internet and that he hopes to sell 4 cars a month. He further stated that the State of Illinois requirements are noted on page 20 of the packet.

Mr. O'Brien stated that the two building owners were present and that there will be two different businesses with three different licenses which are a repairer license, rebuilders license, used car sales license. Cars are new vehicles.

Chairperson Lou Mallers questioned if there will a lot of build out needed.

The petitioner stated that he would be doing some painting.

Commissioner Julie Kasprowicz questioned the purpose of not having sales.

Mr. Yanke reported that the 2016 ORI was always meant for an office/light industry District. He reported that giving the existing building and the use that the City was more comfortable with reviewing every petition to the City.

Commissioner Kasprowicz asked how many cars the area can fit and if he will be changing signage.

The petitioner stated that they plan on having 5 cars but could have up to 7. He stated that he will have signage on the windows and if the purchaser choses to test drive they can.

Commissioner Jackson questioned if buyers know about the sales via the internet and if it is by appointment only.

The petitioner stated that he advertises through Ebay, Autotrader.com, Cars.com. He stated that a warranty can also be purchased.

Mr. James Akerns, Willowbrook, building owner stated that the previous business did the same thing except for sales and that there were never any issues.

Commissioner Jackson questioned if there are any environmental issues.

The petitioner stated that there are no environmental issues and that the building is set up for this type of business. He stated that the building is has been sprinklered since it was built.

Commissioner Kasprowicz questioned how many tenants are in the building?

The petitioner stated that there is presently one tenant and that he occupies the other half for his business. He stated that the one tenant does not have any objection to the new business.

Mr. Yanke reported that he researched and found that the Burr Ridge district is similar to the total operation and they have strict restrictions and what the City's OR&I has in place.

Commissioner Jackson questioned if motor vehicle sales are allowed in Darien.

Mr. Yanke reported that it is allowed in B-2 and B-3.

Upon voice vote, the MOTION carried unanimously 6-0.

b. Public Hearing – PZC2023-06 Mixed-Use District Text Amendment Petition from the City of Darien to amend the Zoning Ordinance (i.e., Text Amendment) to create a Mixed-Use Zoning District.

Mr. Jordan Yanke, City Planner reported that the City Council held its annual goal-setting session and that some of the meeting focused on the City's zoning ordinance and its current list of permitted/special uses in the business, office, and industrial districts. He reported that during the focus session the City Council pointed to the fact the zoning ordinance does not include a mixed-use district.

Mr. Yanke reported that the City Council directed staff to review the list of uses and create a mixed-use zoning district.

Mr. Yanke reported that staff developed the recommended ordinance revisions creating a mixed-use district to recommend the ordinance revisions to the Planning and Zoning Commission for a public hearing. He further reported that the Planning and Zoning Commission is to review and recommend on the mixed-use district ordinance provided per this agenda memo.

There was some discussion on how to go about reviewing. It was agreed that the PZC review the recommendations and report back to staff who will coordinate the comments for a future meeting.

ISSUE STATEMENT

Approval of a [resolution](#) to enter into a contract agreement with Compass Minerals America, Inc. for the purchase of rock salt in an amount not to exceed \$54,817.00.

AND

Approval of a [resolution](#) for the required balance purchase of the 2022-2023 rock salt contract agreement with Morton Salt, Inc., in an amount not to exceed \$58,807.00.

BACKGROUND/HISTORY

The rock salt is utilized by the Municipal Services Department for street de-icing operations during the snow season. The City continues to partner with the County of DuPage for the purchase of rock salt. Recently, the County has opened sealed bids and the lowest competitive unit price was Compass Minerals for the amount of \$78.31 per ton. See [Attachment A](#). The price per ton last year was \$75.88 is approximately 3.20% more than last year's cost per ton.

As part of the joint contract, the City committed to receive up to 700 tons of sodium chloride salt. Pending winter conditions the department has the ability to take an additional 300 tons. The Darien Park District and Center Cass School District #66 will be purchasing up to 40 and 8 tons respectively of rock salt not to exceed \$3,132.40 and \$626.48 through the respective Intergovernmental Agreements.

Please note last year's salt contract called for the City to accept 3,000 tons. Due to the mild weather conditions and additional de-icing enhancements the City did not meet the minimal delivery for salt. The City is required to purchase an additional 775 tons at \$75.88, (2022-23 contract pricing) per ton for a total cost not to exceed \$58,807, see [Attachment B](#). Currently the salt storage facility is full and the remainder will be taken by January 1, 2024.

The proposed expenditure would be expended from the following account:

ACCOUNT NUMBER	ACCOUNT DESCRIPTION	FY 23-24 BUDGET	PROPOSED EXPENDITURE	PROPOSED BALANCE
03-60-4249	700 tons Compass @ \$78.31/ton	\$256,500.00	\$54,817.00	N/A
03-60-4249	775 tons Morton Salt, Inc. @ \$75.88/ton		\$58,807.00	N/A
03-60-4249	300 tons bulk treated salt Compass @ \$98.31/ton		\$29,493.00	N/A
	Subtotal City Expense	\$256,500.00	\$143,117.00	\$113,383.00
01-30-4249	Darien Park District reimbursable 40 tons	N/A	\$3,132.40	N/A
01-30-4249	Center Cass School District 66 reimbursable 8 tons	N/A	\$626.48	N/A
TOTAL COSTS			\$146,875.88	N/A

STAFF RECOMMENDATION

Approval of a resolution to enter into a contract agreement with Compass Minerals America, Inc. for the purchase of rock salt in an amount not to exceed \$54,817.00.

Approval of a resolution for the required balance purchase of the 2022-2023 rock salt contract agreement with Morton Salt, Inc., in an amount not to exceed \$58,807.00.

Good afternoon Kris,

We will honor the price of \$75.88 for the remainder of the 775 tons needed to purchase to meet the minimum. Pricing for the upcoming winter season would be different if you decided to go with us as your road salt vendor. Since we were not the low bidder for the DuPage County Co-Op contract, we would have to send you a separate quote. We are currently working on pricing for quotes so I can not tell you what that will be at this time but should have something within the next week or 2.

Let me know if you have any other questions.

Andrew,

Sorry for the delay in getting back to you but we had some vacation and were finally just able to sit down to discuss this. As we are trying to get this to agenda quickly we are in agreement for the remainder of the 80% minimum to complete last seasons contract. Not sure if you just wanted to round up to the 775 so we make sure to meet the minimum but we will leave that as your call.

As far as this upcoming season's contract is Morton Salt in a position to honor the \$75.88/ton price from last year for the City of Darien's upcoming season? We are in the process of figuring out contract amounts but we are looking for a combination of treated and untreated salt. Not 100% on the amounts as we are still trying to dial that in. Please advise at your earliest convenience.

Thanks,

Kris Throm

Good afternoon,

Morton Salt will agree to the 774 tons that will be delivered at a later date. Morton Salt is able to provide a prepaid invoice (to be paid within 30 days) and the City of Darien will accept delivery at a later date. Delivery needs to be taken by 12/31/2023, but if a weather event does not take place before then, Morton will work with the City that satisfies both parties. Invoice will be for \$56,910.00 (750 tons @ \$75.88 per ton; we prefer to have orders to be in 25-ton increments).

In regard to the treated salt, Morton Salt has an enhanced salt treated with calcium chloride available in your region. Please provide your estimate of what you plan to purchase for the season, and I can get you a quote. Quotes will go out end of summer/early fall.

Please let me know if you have any questions.

Hello Ayanna,

As discussed just a little bit ago, we are trying to figure out salt needs for the 23-24 season for City of Darien. I had called late April or early May looking for direction on the remainder of the contract was to be handled and was told a decision had not been made yet but was expected soon. Having lost track of time we are now needing to make a decision for next season and are in need of a response rather quickly (hopefully by the end of this week) as to how The City of Darien's contract will be handled.

There also appears a little bit of confusion as to the amounts committed to for the contract. I have attached our Agenda Memo from last season for reference. A signed copy would have been mailed out within a week of the Agenda Memo being approved by our City Council on 8/1/2022. We typically put down a placeholder number with DuPage County for bid tally purposes of 3,000 tons expecting to at least reach our minimum seasonal required order. Unfortunately that did not happen and we needed to take over 600 tons from the previous (21-22) Season's contract to meet the 80% minimum. When we approved the purchase of salt from Morton the amount we were authorizing from Morton per the Agenda Memo was 2,200 tons. Per my conversation with you this morning the City of Darien took delivery of 986 tons of salt during the 22-23 season. We are under the impression that this would leave us with 774 tons left to take to meet the 80% requirement of the contract. If the adjustment was not made we would be left with 1,414 tons left to take based on the 3,000 tons. So we obviously need that to be straightened out as well. This will allow us to make sure we are securing contracts for the needed amount.

Unfortunately, The City of Darien does not currently have any room to store the remaining salt to satisfy this contract. We have no problem fulfilling the remainder of the contract as soon as space opens up in our shed but that will require winter weather events. I can order as we use salt to try and minimize hold time but I honestly don't know how long it would take us to fulfil this.

There are also two follow ups for this.

1. Is Morton Salt in a position to extend the bid pricing from the 22-23 Season to the City of Darien for the 23-24 upcoming season? We would be figuring out exact tonnage needs shortly. Some of that will depend on what is determined above.
2. Does Morton Salt offer a treated Road Salt product that would potentially be available to us for ordering as well? If so can you provide information on the product and a bid price per ton?

I appreciate all of your time and assistance this morning!

Thanks,

Kris Throm

Companies interested in doing business with the County can register and maintain their registration via the Internet at www.DemandStar.com. Registration is not required but if you choose to register you will receive automatic initial notification from DemandStar of relevant opportunities with the County of DuPage.

The County is not responsible for errors and omissions occurring in the transmission or downloading of any specifications from this website. In the event of any discrepancy between information on this website and the hard copy specifications, the terms of the hard copy specification will control.

2) **ON-LINE PROVIDER DISCLAIMER:** DemandStar.com has no affiliation with the County of DuPage other than as a service that facilitates communication between the County and its vendors. DemandStar.com is an independent entity and is not an agent or representative of the County. Communications to DemandStar.com do not constitute communications to the County.

3) **COMMUNICATIONS:** To create a more competitive and unbiased procurement process, the County desires to establish a single point of contact throughout the procurement process. From the issue date of this Bid, until a Successful Bidder is selected, all requests for clarification or additional information regarding this BID, or contacts with the County personnel concerning this BID or the evaluation process must be solely to the contact person listed on the cover page of this BID.

A violation of this provision is cause for the County to reject the Bidder's Bid. If it is later discovered that a violation has occurred, the County may reject any Bid or terminate any contract awarded pursuant to this BID. No contact regarding this document with other County employees is permitted.

4) **BID INFORMATION AND QUESTIONS:** Each Bid that is timely received will be evaluated on its merit and completeness of all requested information. In preparing Bids, Bidders are advised to rely only upon the contents of this Bid and accompanying documents and any written clarifications or addenda issued by the County. If a Bidder finds a discrepancy, error, or omission in the Bid package, or requires any written addendum thereto, the Bidder is requested to notify the Purchasing Contact noted on the cover of this Bid, so that written clarification may be sent to all prospective Bidders. The County is not responsible for oral representations. All questions must be submitted in writing to the Procurement Services Contact only before the Question Deadline indicated on the front of this document. All answers will be issued in the form of a written addendum.

5) **BID SUBMISSION:** To be considered, the Bid must be prepared in the manner and detail specified in this Bid. Bids must be submitted before the date and time indicated as the deadline. It is each Bidder's responsibility to ensure that the submittal is received and time-stamped prior to the deadline. This responsibility rests entirely with the Bidder, regardless of delays resulting from postal handling or for any other reasons. Bids will be accepted at any time during the normal course of business only, said hours being 8:00 a.m. to 4:00 p.m. local time, Monday through Friday, except for legal holidays to DuPage County Procurement Services Division 421 North County Farm Road, Room 3-400 Wheaton, IL 60187.

Bids received after the above deadline may not be accepted and may be returned to the Bidder unopened. The Procurement Services Division's timestamp shall be the official time.

The opening of a Bid does not constitute the County's acceptance of the Bidder as a responsive and responsible Bidder.

Bidders must sign, in ink, the Bid form where indicated. Unsigned Bids will not be considered. An authorized official must sign the Bid. Each signature represents binding commitment upon the Bidder to provide the goods and/or services offered to the County if the Bidder is determined to be the most responsive and responsible Bidder.

Bids must be enclosed in a sealed envelope, box, or package, and clearly marked on the outside with the attached label secured to the lower left-hand corner.

- a) Submission of a Bid establishes a conclusive presumption that the Bidder is thoroughly familiar with the BID and specifications and terms of the Form of Contract, and the County's Procurement Ordinance and that the Bidder understands and agrees to propose by each, and all of the stipulations and requirements contained therein.
 - b) All prices and notations must be typed or printed in ink. No erasures are permitted. Mistakes may be crossed out and the person(s) signing the Bid must initial corrections in ink.
 - c) All costs incurred in the preparation and presentations of the Bid, as well as, any resulting contract, are the Bidder's sole responsibility; no such costs will be reimbursed to any Bidder. All documentation submitted with the Bid will become the property of the County.
 - d) Bids are subject to public disclosure after the deadline for opening in accordance with state law under the Freedom of Information Act (FOIA).
- 6) **CONTRACT AWARD:** The County reserves the right to withdraw the Bid, to award to one Bidder, to any combination of Bidders, by item, group of items, or total Bid. The County may waive informalities if it is in the County's interest. The Bidder(s) to whom the award is made will be notified as soon as possible. Tentative acceptance of the Bid, intent to recommend award of a contract and actual award of the contract will be provided by written notice sent to the Bidder at the address designated in the Bid. All Bids must be for a firm fixed price unless modified. If, for any reason, a contract is not executed with the selected Bidder within 14 days after notice of recommended award, then the County may recommend the next most responsive and responsible Bidder. Award of this Bid is contingent upon the availability of funds for this project, within the sole discretion of the County. Acceptance of the Bidder's Bid does not constitute a binding contract. There is no contract until the County's policies have been fulfilled. The County is not liable for performance costs until the successful Bidder has been given a fully executed contract. Failure to accept the terms and conditions of the County's Standard Contract may deem the Bidder non-responsive.

The successful Bidder will be asked to sign a contract agreement (sample attached).

7) **WITHDRAWAL:**

- a) By the Bidder: Bids may only be withdrawn by written notice prior to the deadline date set for the opening of Bid. No Bid may be withdrawn after the deadline for submission.
 - b) By the County: The County may withdraw Bids at any time, for any reason, prior to execution of the Contract.
- 8) **ALTERNATE/EQUAL BIDS:** The specifications cannot cover precisely, all minute details of the equipment required. Therefore, for purposes of establishing a standard of quality, the items listed in the specification may state brand names, manufacturer's models, numbers, et cetera. The County of DuPage, for cost effective measures, standardizes on specific items; those bids will contain the language "No Substitutions," and any alternative will not be considered. A generic or alternate brand product of equal specifications may be proposed as an alternative for the item identified unless "No Substitutions" is indicated. However, in bidding the alternate item, the bidder must also attach manufacturer's printed specifications and literature.

Bidders are encouraged to submit cost-saving/value-added alternate bid pricing suggestions, such as rebates, creative lease agreements, extended warranty periods, trade-in allowances, or the availability of discounts for floor model or demonstrator units at significant savings. Any alternate pricing should be noted as a separate line that may be subtracted from the bid pricing as specified, allowing for clear evaluation and value-analysis by the County.

The County recognizes the expertise provided by many bidders and encourages creativity in bidding. Alternates may be considered if the bid submitted clearly indicates what will be furnished and how it will benefit the County. Alternates will be compared to the lowest responsive, responsible bid as specified.

9) **DEVIATIONS:** The County of DuPage reserves the right to approve any material the Bidder proposes to furnish which contains deviations from specification requirements, but which may substantially comply. If there is any deviation in the pack, source, quality, etc., of any item id, from that prescribed in the specifications, Bidder must rule out the appropriate line in the specifications and clearly indicate the correction. Prices will be converted by the County to accommodate accepted deviations.

10) **REJECTION:** The County reserves the right to reject any or all Bids, or to accept or reject any Bid in part, and to waive any minor informality or irregularity in Bids received, if it is determined by the Procurement Officer or designee that the best interest of the County will be served by doing so. The County may reject any Bid from any person, firm or corporation in arrears or in default to the County on any contract, debt, or other obligation, or if the Bidder is debarred by the County from consideration for a contract award, or if Bidder has committed a violation of the ethics or anti-kickback provisions of the County's Procurement Ordinance which resulted in a termination of a contract or other material sanction within the two (2) years immediately preceding the date of issuance of this document.

11) **PROCUREMENT POLICY:** Procurement for the County will be handled in a manner providing fair opportunity to all businesses. This will be accomplished without abrogation or sacrifice of quality and as determined to be in the best interest of the County. The Procurement Officer has the vested authority to execute all County contracts, subject to Committee and County Board approval where required.

12) **PROPRIETARY INFORMATION:** Under the Illinois Freedom of Information Act, all records in the possession of DuPage County are presumed to be open to inspection or copying, unless a specific exception applies. 5 ILCS 140/1.2 One exemption is "trade secrets and commercial or financial information obtained from a person or business where the trade secrets or commercial or financial information are furnished under a claim that they are proprietary, privileged or confidential, and that disclosure of the trade secrets or commercial or financial information would cause competitive harm to the person or business, and only insofar as the claim directly applies to the records requested." 5 ILCS 140/7(1)(g). The county will assume that all information provided to us in a bid or proposal is open to inspection or copying by the public unless clearly marked with the appropriate exception that applies under the Freedom of Information Act. Additionally, if providing documents that you believe fall under an exception to the Freedom of Information Act, please submit both an unredacted copy along with a redacted copy which has all portions redacted that you deem to fall under a Freedom of Information Act exception

13) **NON-DISCRIMINATION:** DuPage County will not contract with any person or firm that discriminates against employees or applicants for employment because of any factor not related to job performance. The Bidder must comply with all federal, state and local laws and policies that prohibit discrimination in employment contracts.

LIQUIDATED DAMAGES

From December 1 through April 30, if the Contractor is unable to make delivery within seven (7) business days from the date of order, DuPage County shall have the right to retain \$.20 per ton, per calendar day as liquidated damages on the undelivered portion of the order. An order placed prior to 12:00 p.m. on any business day (Monday through Friday, except holidays) would be considered as the first business day of the seven (7) day delivery period. For orders placed after 12:00 p.m. on a given day, the following day would be considered the first business day of the seven (7) day delivery period. If after seven (7) days of liquidated damage assessment, the Contractor has failed to deliver as required, DuPage County shall reserve the right to take action to remedy the failure of Contractor performance without prior notification of such failure. This may include termination of the order and purchase of salt from other sources, or to take action consistent with public safety as needed to continue business. Any or all additional costs may be collected from the Contractor, in addition to any liquidated damage. Business days are defined as Monday through Friday, excluding holidays.

ORDERING

Group 1 - DuPage County will place a minimum of 500 tons at a given time. Individual releases will be placed with the terminal.

Group 2 - 500 ton minimum shall be waived. Individual releases will be placed with the terminal.

ISSUE STATEMENT

A [resolution](#) authorizing Public Works Project FYE24-24376REGE for the storm water improvements for the Regency Drive Project total in an amount not to exceed \$371,000.

AND

Approval of a [resolution](#) authorizing the Mayor to enter into a contract with J. Congdon Sewer and Water for the installation of storm sewer pipe and related structures for the Regency Grove Project, inclusive of the total project cost, at the submitted unit prices in an amount of \$96,750 pending final field quantities.

AND

A motion authorizing a contingency, inclusive of the total project cost, in the amount of \$25,000 for unidentified infrastructure conflicts, residential side yard landscaping treatment and engineering.

BACKGROUND

Existing conditions during significant rain events causes roadway flooding to portions of Regency Grove Drive and more specifically at Adams, thus hampering the ability for motorists to safely drive through. The scope of the work includes limited storm sewer removal and adding storm sewer infrastructure to significantly to reduce flooding within the roadways. While there has been no reports of private property structure damage, a residual amount of debris does deposit onto properties and Municipal Services has been engaged with miscellaneous debris cleanup. The roadway flooding typically lasts from 15 to 45 minutes pending the rain event. An evaluation was completed by Christopher B. Burke Engineering for ponding concerns during intense rain events and is referred to as the Regency Grove Drive Project, see attached memo labeled as [Attachment A](#).

The storm sewer system drains land from the west half of the subdivision, as well as both Adams Street and Pine Parkway north to Plainfield Road. This is an area of approximately 15 acres, and the off-site areas may not have been considered in the original storm sewer design of the subdivision. To assist in alleviating the concern an additional storm sewer would be constructed along Regency Grove Drive easterly, then through a side yard where there is a Public Utility and Drainage Easement to the existing detention basin.

The estimated project cost is \$371,000, see sheet labeled as [Attachment B](#), Cost Summary. The scope of work includes:

Installation of an 18-inch Storm sewer pipe within the roadway-see aerial sheet labeled as [Attachment C](#)

Purchase and installation of curb inlets and manholes

Removal and replacement of curb and gutter and sidewalk
Retaining Wall-Extent of work to be determined upon final grade within the rear yard easement of
7833-7837 Regency Grove Drive
Fence Restoration
Pavement Restoration
Landscape Restoration
Engineering As-Built Drawings-Field review(s)

Due to the scope of the pipe installation, Staff had solicited for sealed bids to install the storm sewer pipe and required structures. On September 13, 2023, Staff had read aloud four (4) bids. Please note a mathematical error was identified on the lowest bidder's submission. See Regency Drive Bid Tally labeled as [Attachment D](#). The lowest responsive bidder was J. Congdon Sewer and Water. References were verified with positive responses.

The work will also include services and materials from City Council FY23-24 awarded vendors. Staff has further included a \$25,000 contingency for the following
Unidentified underground infrastructure conflicts
Retaining wall, bush/tree replacement at side yard s of 7833-7837 Regency Grove Drive
Engineering-Plans/As Builts to satisfy DuPage County Grant requirements

All pricing for the project has been estimated through the attached cost summary. See [Attachment B](#).

Please note the City of Darien was a recipient of the American Rescue Plan Act Grant, administrated through the County of DuPage, through an Intergovernmental Agreement. See attached memo labeled as [Attachment E](#). The grant match amount is for 50% of the final project cost or a maximum \$190,000 based on the original project cost of \$380,000.

The proposed expenditure would be expended from the following line account:

ACCOUNT NUMBER	ACCOUNT DESCRIPTION	FY 23/24 BUDGET	PROPOSED EXPENDITURE REIMBURSEMENT	BALANCE
25-35-4376	*CAPITAL STORM WATER PROJECTS FYE24-24376REGE	\$ 384,000	\$ 371,000	\$ 13,000
	*IGA DPC REIMBURSEMENT BASED ON 50%		\$ 185,500	\$ 198,500

***Pending Final Quantities**

STAFF RECOMMENDATION

Staff recommends approval of the following:

A resolution authorizing Public Works Project FYE24-24376REGE for the storm water improvements for the Regency Drive Project total in an amount not to exceed \$371,000

Attention: Dan Gombac

Subject: Regency Grove Drainage
(CBBEL Project No. 950323.H239)

Dear Dan:

As requested, we have evaluated the street ponding which occurs during heavy rain at the intersection of Regency Grove and Adams. As you know, this area is located in the Regency Grove subdivision which was recorded in 1978. The storm sewer system drains land from the west half of the subdivision, as well as both Adams Street and Pine Parkway north to Plainfield Road. This is an area of approximately 15 acres, and the off-site areas may not have been considered in the original storm sewer design of the subdivision. Based on the topography of the subdivision, it is our opinion that it is not practical to establish an overland flow route from this intersection to the detention basin, which is at the east end of the subdivision adjacent to Cass Avenue. Therefore, an additional storm sewer constructed along Regency Grove Drive easterly, then through a side yard where there is a Public Utility and Drainage Easement to the detention basin is the only practical means to convey excess stormwater out of the subject intersection. This is a length of approximately 1000 feet. Our preliminary opinion of cost for final engineering and to construct an 18 inch storm sewer, as described above, is approximately \$330,000 to \$350,000.

If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Daniel L. Lynch".

Project Narrative

The proposed City of Darien Regency Grove Drainage Improvement Project consists of installing new storm sewer from the intersection Regency Grove Drive and Adams Street approximately 1000 feet east to the subdivision detention basin. The purpose of the project is to relieve surface flooding in the intersection and adjacent yards. Current street and yard flooding interrupts residents from leaving or arriving at their homes and inundates their yards. There is also the potential to impede the movement of emergencies from serving the neighborhood.

Project Budget

The proposed City of Darien Regency Grove Storm Sewer Project is estimated to cost approximately \$380,000 for completion of the project. The project includes approximately 1000 feet of new storm sewer to convey excess storm water from the intersection of Regency Grove Drive and Adams Street to the subdivision detention basin to the east.

ISSUE STATEMENT

Approval of a resolution authorizing the Mayor to enter into an Intergovernmental Agreement with the County of DuPage for the Regency Grove Flood Mitigation Project.

RESOLUTION

BACKGROUND

Recently by DuPage County informed the City it was a recipient of the American Rescue Plan Act grant for \$190,000 for the Regency Grove Drainage Project see **Attachment A**. Existing conditions during significant rain events causes roadway flooding to portions of Regency Grove Drive and Adams, thus hampering the ability for motorists to safely drive through. The scope of the work includes limited storm sewer removal and adding storm sewer infrastructure to significantly to reduce flooding within the roadways, see attached labeled as **Attachment B**. The project estimated cost is \$380,000. The grant is specific to shovel ready projects that demonstrate flood protection and resilient measures.

As part of the arrangement, the City is required to enter into an Intergovernmental Agreement. See **Exhibit A**. The City will be required to submit an engineering design plan to the County. The overall cost for the plans will be under \$5,000 and will be prepared by Christopher B. Burke Engineering LTD. The proposed project will be introduced to FY23/24 Budget.

3.0 FUNDING.

- 3.1 The total construction related PROJECT costs are estimated to be three hundred eighty thousand dollars (\$380,000). The COUNTY's maximum reimbursement amount is \$190,000 or 50% of the project cost, whichever is less. The anticipated cost share is as follows, unless otherwise agreed to in writing as provided in Paragraph 3.2 below:

CITY OF DARIEN	50%	\$190,000
COUNTY OF DUPAGE	50%	\$190,000
TOTAL	100.0%	\$380,000

- 3.2 The CITY shall be responsible for bearing any cost overruns or expenses in excess of the funding listed in Paragraph 3.1, regardless of the cause, unless the CITY and COUNTY agree to apportion such extra costs (through an amendment consistent with Paragraph 8.1) before they are incurred.
- 3.3 This AGREEMENT shall in no way obligate the CITY to undertake this PROJECT if the CITY in its sole discretion determines that it is no longer in the CITY's best interest to proceed with this PROJECT. However, in the event the PROJECT is not substantially completed (i.e., fit for its intended use) by October 31, 2024, the CITY shall promptly reimburse the COUNTY any monies paid by the COUNTY to the CITY pursuant to this AGREEMENT. The CITY's right to retain the COUNTY'S reimbursement of PROJECT costs is expressly conditioned upon the CITY'S timely and satisfactory completion of the PROJECT.
- 3.4 The CITY may only seek COUNTY reimbursement for allowable PROJECT construction expenses incurred prior to October 31, 2024. Allowable PROJECT expenses incurred and paid by the CITY in relation to the PROJECT shall include third-party professional services related to the construction of the PROJECT, but does not include construction management, bid advertising, etc. Notwithstanding

the foregoing, allowable expenses shall not include the CITY'S administrative costs, overhead, payroll, land acquisition, legal or accounting services.

- 3.3 As this Agreement utilizes ARPA funds, the CITY is aware that time is of the essence in notifications as to whether the CITY will proceed with this project to substantial completion not later than October 31, 2024. If the CITY fails to communicate that the CITY is not proceeding with this project or if the CITY fails to substantially complete this project by October 31, 2024, the COUNTY may recoup any expended funds and withhold any unexpended funds to be used for other permissible purposes in advance of the December 31, 2026 federal recapture deadline.

4.0 CITY'S RESPONSIBILITIES.

- 4.1 The CITY shall be responsible for the preparation of the plans, specifications, and bid documents for the PROJECT, together with the advertisement and award of all PROJECT-related public bids. The CITY shall select, and contract with, all vendors providing professional services for the PROJECT.
- 4.2 The CITY shall be responsible for successful completion of all phases of the PROJECT, from design and construction through maintenance.
- 4.3 The CITY shall be responsible for securing all local, county, state, and federal permits necessary for completion of the PROJECT.
- 4.4 The CITY shall be responsible for submitting copies of all permit applications and related correspondence to the COUNTY in a timely manner to ensure sufficient review by the COUNTY. The purpose of the COUNTY'S review shall be for the sole purpose of documenting whether PROJECT work components qualify as allowable expenses.
- 4.5 The CITY shall be responsible for obtaining all required land and occupancy rights necessary for the completion of the PROJECT.
- 4.6 The CITY shall not be reimbursed by the COUNTY for work undertaken prior to the signing of this AGREEMENT.
- 4.7 The CITY may enter into additional agreements to secure its portion of the local PROJECT costs.
- 4.8 The CITY shall submit no more than one invoice per month to the COUNTY during the construction and maintenance phases of the PROJECT. Under no circumstances should the COUNTY be invoiced more than fifty percent (50%) of total incurred PROJECT construction costs during any phase of the project, up to the limits as established in Paragraph 3.1. The invoice shall show the quantities,

cost per item, date of work incurred, proof of payment (copy of check), final waivers from the primary contractor, and a brief summary of work completed on the PROJECT.

- 4.9 The CITY shall make direct payments, or cause to have payments made, to all parties providing services related to this PROJECT. This requirement will not affect the COUNTY'S obligation to reimburse the CITY in the amounts herein agreed upon, nor shall this provision affect the CITY'S obligation to repay the COUNTY in the event the PROJECT is not undertaken or completed, as established in Paragraph 3.3.
- 4.10 The CITY shall make any data collected from the PROJECT available to the COUNTY upon reasonable request by the COUNTY. The COUNTY shall be allowed unlimited, but reasonable, access to the PROJECT area to observe and review PROJECT work and all work documents (i.e., plans, change orders, field orders, construction manager diaries, etc.). The COUNTY shall provide the CITY reasonable advanced notice of when the COUNTY requires such access.
- 4.11 The COUNTY shall not be responsible for or have control over the design, construction, means, methods, techniques, or procedures with respect to any work performed for the PROJECT. The CITY and CITY'S contractors shall be solely responsible for the safety of all individuals performing work on the PROJECT. The CITY shall take such measures as are necessary to ensure that its contractors maintain the PROJECT areas in a safe condition and install appropriate barricades and warning signs, and the CITY shall strictly enforce or cause to have strictly enforced all applicable safety rules and regulations. This provision is not intended to create any new burden or liability for the CITY beyond the usual burdens and liabilities for a municipality in the construction of public improvements. This section is intended merely to relieve the COUNTY from such liabilities in this PROJECT. COUNTY'S role in conducting any review or granting any consent or approval relates solely to the PROJECT'S eligibility under the COUNTY'S ARPA funding.
- 4.12 The CITY must acknowledge the COUNTY using logo(s) and wording provided by the COUNTY in permanent onsite signage (if applicable and other promotion of the PROJECT including, but not limited to, printed materials, press releases and presentations.

5.0 COUNTY'S RESPONSIBILITIES.

- 5.1 The COUNTY shall reserve the right to review the PROJECT plans and specifications, prior to the CITY's advertisement for contract services, together with any subsequent change orders, addendums, or revisions thereto ("CONTRACT DOCUMENTS"), for the purpose of verifying that PROJECT

components qualify for reimbursement through the COUNTY'S ARPA Grant. The COUNTY shall promptly provide the CITY with any recommended changes to the CONTRACT DOCUMENTS for PROJECT components to qualify for reimbursement.

- 5.2 The COUNTY shall cost share in the PROJECT as follows:
 - 5.2.1 The COUNTY shall reimburse the CITY for approved costs associated with the PROJECT at a fixed proportion of fifty percent (50%) of the PROJECT costs, or a maximum of \$190,000 which have been incurred and paid for by the CITY, as specified in Paragraph 3.1.
 - 5.2.2 The total reimbursement amount paid by the COUNTY shall not exceed one hundred ninety thousand dollars (\$190,000).
 - 5.2.3 In the event PROJECT costs total less than three hundred eighty thousand dollars (\$380,000), the COUNTY'S total reimbursement amount shall be not more than (50%) of the actual total PROJECT costs. Any amounts overpaid by the COUNTY shall be promptly refunded by the CITY.
 - 5.2.4 The COUNTY shall not be obligated to pay invoices received after December 30, 2024, regardless of when the work was completed and notwithstanding that the COUNTY'S contribution limit has not been reached.
 - 5.2.5 The COUNTY shall not reimburse for any work completed before entering into the IGA, nor shall pay for any work completed after October 31, 2024.
 - 5.2.6 The County shall pay all invoices conforming to the terms of this Agreement pursuant to 50 ILCS 505, Illinois' "Local Government Prompt Payment Act".
- 5.3 The COUNTY shall be allowed unlimited, reasonable, access to the PROJECT area to observe and review PROJECT work and work documents (i.e., plans, change orders, field orders, manager diaries, etc.) for the limited purpose of determining eligibility for COUNTY reimbursement, and the use of all data collected as part of the PROJECT.
- 5.4 No term outlined herein shall be construed as guarantee that any portion of the PROJECT qualifies for ARPA funds. The COUNTY does not, and shall not warrant, and makes no representations that the project meets the qualifications and requirements for the expenditure of ARPA funds.

6.0 GOVERNMENT REGULATIONS.

- 6.1 The CITY shall comply with all local, county, state and federal requirements now in force, or which may hereafter be in force, pertaining to the PROJECT.
- 6.2 The CITY understands and agrees that ARPA funds are subject to audit and potential recoupment by the Federal Government of the United States of America. The CITY agrees to timely assist the COUNTY in responding to any audits of the ARPA funds used for the project.

7.0 INDEMNIFICATION.

- 7.1 The CITY shall indemnify, hold harmless and defend the COUNTY or any of its officials, officers, employees, and agents from and against all liability, claims, suits, demands, liens, proceedings and actions, including reasonable costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the CITY'S performance under this AGREEMENT to the fullest extent the CITY is so authorized under the law; provided, however, that the CITY shall not be obligated to indemnify, hold harmless and defend the COUNTY for any negligent or intentional wrongful misconduct or omissions by COUNTY officials, employees, agents, contractors or personnel.
- 7.2 The CITY shall specifically indemnify, hold harmless and defend the COUNTY or any of its officials, officers, employees, and agents from and against all liability, claims, suits, demands, liens, proceedings and actions, including reasonable costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with the use of ARPA funds for this project, including, but not limited to audits, recoupment of the ARPA funds used for this project, or fines and penalties assessed related to using ARPA funds for this project.
- 7.3 The CITY shall require each consultant and contractor responsible for the construction, maintenance, or monitoring of the PROJECT to name the CITY and COUNTY as an additional insured party on said vendor's liability insurance policy. Further, the CITY shall require that its consultants and contractors indemnify, defend and hold harmless the CITY and COUNTY, its officers, employees and elected officials from and against any claims, liability or judgments resulting from, or caused by, the negligence or willful conduct of such consultant and, or contractor.

- 7.4 Nothing contained herein shall be construed as prohibiting the COUNTY, its officials, directors, officers, agents and employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, liens, proceedings and actions brought against them. Pursuant to Illinois law, any attorney representing the COUNTY, under this paragraph or paragraphs 7.1, 7.2 or 7.3 is to be the State's Attorney, in accord with the applicable law. The COUNTY'S participation in its defense shall not remove CITY'S duty to indemnify, defend, and hold the COUNTY harmless, as set forth above. Moreover, indemnity as provided in this AGREEMENT shall not be limited by reason of any insurance coverage maintained by the CITY or its consultants, contractors or agents. The CITY'S indemnification of the COUNTY shall survive the termination, or expiration, of this AGREEMENT.

8.0 AMENDMENT OR MODIFICATION OF THIS AGREEMENT.

- 8.1 The parties may modify or amend terms of this AGREEMENT only by a written document duly approved and executed by both parties, excluding term extensions as provided for in the following provision.

11.0 SEVERABILITY.

All Equipment, Products, or Services under this Contract will be priced at or below the price stated in Supplier's Proposal.

When providing pricing quotes to Participating Entities, all pricing quoted must reflect a Participating Entity's total cost of acquisition. This means that the quoted cost is for delivered Equipment, Products, and Services that are operational for their intended purpose, and includes all costs to the Participating Entity's requested delivery location.

Regardless of the payment method chosen by the Participating Entity, the total cost associated with any purchase option of the Equipment, Products, or Services must always be disclosed in the pricing quote to the applicable Participating Entity at the time of purchase.

A. **SHIPPING AND SHIPPING COSTS.** All delivered Equipment and Products must be properly packaged. Damaged Equipment and Products may be rejected. If the damage is not readily apparent at the time of delivery, Supplier must permit the Equipment and Products to be

returned within a reasonable time at no cost to Sourcewell or its Participating Entities. Participating Entities reserve the right to inspect the Equipment and Products at a reasonable time after delivery where circumstances or conditions prevent effective inspection of the Equipment and Products at the time of delivery. In the event of the delivery of nonconforming Equipment and Products, the Participating Entity will notify the Supplier as soon as possible and the Supplier will replace nonconforming Equipment and Products with conforming Equipment and Products that are acceptable to the Participating Entity.

Supplier must arrange for and pay for the return shipment on Equipment and Products that arrive in a defective or inoperable condition.

Sourcewell may declare the Supplier in breach of this Contract if the Supplier intentionally delivers substandard or inferior Equipment or Products.

B. SALES TAX. Each Participating Entity is responsible for supplying the Supplier with valid tax-exemption certification(s). When ordering, a Participating Entity must indicate if it is a tax-exempt entity.

C. HOT LIST PRICING. At any time during this Contract, Supplier may offer a specific selection of Equipment, Products, or Services at discounts greater than those listed in the Contract. When Supplier determines it will offer Hot List Pricing, it must be submitted electronically to Sourcewell in a line-item format. Equipment, Products, or Services may be added or removed from the Hot List at any time through a Sourcewell Price and Product Change Form as defined in Article 4 below.

Hot List program and pricing may also be used to discount and liquidate close-out and discontinued Equipment and Products as long as those close-out and discontinued items are clearly identified as such. Current ordering process and administrative fees apply. Hot List Pricing must be published and made available to all Participating Entities.

4. PRODUCT AND PRICING CHANGE REQUESTS

Supplier may request Equipment, Product, or Service changes, additions, or deletions at any time. All requests must be made in writing by submitting a signed Sourcewell Price and Product Change Request Form to the assigned Sourcewell Supplier Development Administrator. This approved form is available from the assigned Sourcewell Supplier Development Administrator. At a minimum, the request must:

- Identify the applicable Sourcewell contract number;
- Clearly specify the requested change;
- Provide sufficient detail to justify the requested change;

- Individually list all Equipment, Products, or Services affected by the requested change, along with the requested change (e.g., addition, deletion, price change); and
- Include a complete restatement of pricing documentation in Microsoft Excel with the effective date of the modified pricing, or product addition or deletion. The new pricing restatement must include all Equipment, Products, and Services offered, even for those items where pricing remains unchanged.

A fully executed Sourcewell Price and Product Request Form will become an amendment to this Contract and will be incorporated by reference.

5. PARTICIPATION, CONTRACT ACCESS, AND PARTICIPATING ENTITY REQUIREMENTS

A. PARTICIPATION. Sourcewell's cooperative contracts are available and open to public and nonprofit entities across the United States and Canada; such as federal, state/province, municipal, K-12 and higher education, tribal government, and other public entities.

The benefits of this Contract should be available to all Participating Entities that can legally access the Equipment, Products, or Services under this Contract. A Participating Entity's authority to access this Contract is determined through its cooperative purchasing, interlocal, or joint powers laws. Any entity accessing benefits of this Contract will be considered a Service Member of Sourcewell during such time of access. Supplier understands that a Participating Entity's use of this Contract is at the Participating Entity's sole convenience and Participating Entities reserve the right to obtain like Equipment, Products, or Services from any other source.

Supplier is responsible for familiarizing its sales and service forces with Sourcewell contract use eligibility requirements and documentation and will encourage potential participating entities to join Sourcewell. Sourcewell reserves the right to add and remove Participating Entities to its roster during the term of this Contract.

B. PUBLIC FACILITIES. Supplier's employees may be required to perform work at government-owned facilities, including schools. Supplier's employees and agents must conduct themselves in a professional manner while on the premises, and in accordance with Participating Entity policies and procedures, and all applicable laws.

6. PARTICIPATING ENTITY USE AND PURCHASING

A. ORDERS AND PAYMENT. To access the contracted Equipment, Products, or Services under this Contract, a Participating Entity must clearly indicate to Supplier that it intends to access this Contract; however, order flow and procedure will be developed jointly between Sourcewell and Supplier. Typically, a Participating Entity will issue an order directly to Supplier or its authorized subsidiary, distributor, dealer, or reseller. If a Participating Entity issues a purchase order, it may use its own forms, but the purchase order should clearly note the applicable Sourcewell

ISSUE STATEMENT

Approval of a [resolution](#) authorizing the Mayor to execute an Intergovernmental Agreement between the County of DuPage and the City of Darien for limited traffic signal maintenance costs on Lemont Road-eastern leg of 83rd Street and the 87th Street-western leg.

BACKGROUND/HISTORY

The County of DuPage and the City has been reviewing and discussing the upcoming improvements for Lemont Road from 83rd Street to 87th Street. The improvements will include drainage, intersection signalization improvements, curb and gutter removal and replacement and street resurfacing.

The City owns and maintains the roadways at the following legs:

87th Street - East of Lemont Road

83rd Street - West of Lemont Road

Since these intersections are within the City's boundaries and are signalized, the County's policy is that the municipality is obligated to participate in up to 25% for the maintenance of the signals. The County will be responsible for energy costs and will be the lead agency to inspect and repair any deficiencies including emergency responses. Staff anticipates annual maintenance cost to be approximately \$250 to \$500 per year.

The IGA further states that in the future if it is determined by the County that the traffic signals require modernization or reconstruction due to age, condition, etc. or if the County improves Lemont Road 83rd Street or at 87th Street, the parties hereby agree to share the cost of the improvement to the traffic signals, including engineering, construction, construction engineering and/or land acquisition, in proportion to the number of approaches to the intersection maintained by the respective parties at the time of future improvements.

Attached is a copy of the Intergovernmental Agreement (IGA) with DuPage County labeled as [Exhibit A](#).

ISSUE STATEMENT

A [resolution](#) approving the extension of a proposal from Shreve Services, Inc., for topsoil at the specified unit prices for various public works projects for a period of May 1, 2024 through April 30, 2025.

BACKGROUND

During the year the department requires the use of topsoil for landscape restoration for various Public Works projects, such as water main breaks, storm sewer replacements and ditching projects.

Competitive quotes were requested for the topsoil on November 10, 2021, and staff received three (3) competitive quotes. See [Attachment A](#). The lowest competitive quote was Shreve Services, Inc. The proposal allows the City to pick up topsoil from the dirt field or delivery of the product for larger projects. The proposed extension would be the second extension, year three (3) of a three (3) year proposal. The extension was confirmed on September 12, 2023. See [Attachment B](#).

The expenditure would come from the Street and Capital accounts, depending on the specific project requiring the restoration. The total estimated costs for all maintenance and budgetary programs for the topsoil are estimated at approximately \$75,000.00.

STAFF RECOMMENDATION

Staff recommends approving a resolution for an extension of a proposal from Shreve Services, Inc., for topsoil at the specified unit prices for various public works projects for a period of May 1, 2024 through April 30, 2025.

ALTERNATE CONSIDERATION

As directed by the Committee.

ISSUE STATEMENT

A [resolution](#) approving the extension of a proposal from XBE, LLC to provide trucking services relating to hauling waste generated from excavations for a period of May 1, 2024 through April 30, 2025.

BACKGROUND

Throughout the year the department generates waste from various Public Works projects, such as water main breaks, valve and hydrant replacements, landscape restorations and drainage projects. The waste is temporarily stored at the Public Works facility and requires removal. The trucks are then scheduled, filled by City loaders and the waste is hauled to a local landfill.

Competitive quotes were requested November 2022 for hauling services and staff received one (1) competitive quote. The sole bidder was XBE, LLC. See [Attachment A](#). The proposal stipulates that pricing be held in place from May 1, 2024 through April 30, 2025. The extension was confirmed on September 12, 2023. See [Attachment B](#). Please note a provision for a fuel surcharge is include within the hourly proposal. The fuel surcharge will be monitored on a quarterly basis. XBE, LLC continues to provide optimal services.

The expenditure would come from the Water, Street and Capital accounts, depending on the specific project generating the waste. The total estimated costs for all maintenance and budgetary programs for hauling are estimated to be approximately \$100,000.00 pending Capital Project budget approval.

STAFF RECOMMENDATION

Staff recommends approving the resolution.

BACKGROUND

During the year the department removes and replaces various storm sewers and culvert pipes across driveway aprons and roadways for various Public Works projects. Restoration includes establishing uniform cuts, and the placement of binder and surface bituminous products.

Competitive quotes were requested for unit prices for binder and surface asphalt, and staff received four (4) competitive quotes on November 10, 2022. See [Attachment A](#). The request for quotes included two optional extensions for 2024 and 2025. The awarded bidder for 2023-24 did not submit pricing for subsequent years. Staff reached out to the next lowest bidder and secured pricing. See [Attachment B](#).

The expenditure would come from the Water, Street and Capital accounts, depending on the specific project. The total estimated costs for all maintenance and budgetary programs for the bituminous products are estimated at approximately \$45,000.00.

BACKGROUND

During the year the department requires the services of a landscaper to complete larger restoration projects from various Public Works projects, such as water main breaks, storm sewer and ditching projects. The City would provide topsoil to the proposed vendor, and the vendor would be required to grade the topsoil based on the cubic yards provided and would be required to purchase the sod, fertilizer and placement of the sod.

The lowest competitive quote for 2024-25 was received from Landworks, Ltd. The pricing was confirmed on September 15, 2023. See [Attachment B](#).

The expenditure would come from the Water, Street and Capital accounts, depending on the specific project requiring landscape services. The total estimated costs for all maintenance and budgetary programs for landscaping are estimated at approximately \$175,000.00 pending Capital Project budget approval.

ISSUE STATEMENT

Approval of a [resolution](#) authorizing the purchase of one (1) new 2024 Peterbilt Model 548 cab and chassis, to replace unit 103, from JX Truck Center, an amount not to exceed \$130,730.23

AND

Approval of a [resolution](#) accepting a proposal from Monroe Truck Equipment for the purchase of a dump body, snow plow equipment package, lighting accessories, and hydraulic controls, for the 2024 Peterbilt Model 548, in an amount not to exceed \$172,911.00.

BACKGROUND/HISTORY

The new Peterbilt was approved for replacement April 18, 2022, see [Attachment A](#). The inventory continues to lag behind demand and again production is not estimated to return to capacity for the foreseeable future. Staff also received notification recently that pricing will be increasing due to labor costs and EPA related equipment mandates. The vehicle up for replacement is a 2015 International MaxxForce that received a 54.74 rating with approximately 23,720 miles, along with additional idling time and continues to experience issues with the diesel particulate filter, EGR cooler and multiple turbo issues. The unit has continued to have mechanical issues and costly repairs and requires replacement. The department has discontinued utilizing the International truck line and reverting to the Peterbilt line for the last four years. The Peterbilt continues provide very reliable performance.

The Peterbilt cab and chassis will be purchased from JX Truck Center, delivered to Monroe Truck Equipment for the dump body, pneumatic and hydraulic controls, snowplow equipment package and safety lighting. Both the cab & chassis as well as the body and snowplow equipment would be purchased through the Sourcewell Purchasing Cooperative, under Contract No 060920-PMC.

While the FY22/23 Budget includes funding for the vehicle and equipment, there will be a shortfall in the amount of \$15, 641. Staff does not plan on taking delivery of the vehicle at the earliest, until May 2024. Funds will be carried over and adjusted for the FYE 24/25 Budget. The proposed funds are currently budgeted and would be expended from the following account in the event the vehicle is delivered prior to May 1, 2024.

ACCOUNT NUMBER	ACCOUNT DESCRIPTION	FY22/23 BUDGET-CARRYOVER	EXPENDITURE	BALANCE

IMPORTANT BUYER INFORMATION

1. AS IS SALE. Any warranties from a Manufacturer or other supplier, including warranties on any Dealer-installed Non-Manufacturer accessories, are direct from such Manufacturer or supplier, not Dealers, and only such Manufacturer or other supplier will be liable for performance under those warranties. All goods, services and Vehicles sold by Dealer are sold "AS IS." SEE TERMS AND CONDITIONS SECTION 10 ON REVERSE SIDE.
2. TERMS AND CONDITIONS. The terms and conditions for this purchase and sale are attached.
3. NO ORAL AGREEMENTS. There are no oral agreements regarding the Vehicle(s). Employees, salespersons and managers are not authorized to make any oral representations, agreements or promises about the Vehicle that are not in writing. Any oral representation, agreement or promise not in writing is not a part of this Order and is not binding on Dealer.
4. NON-CANCELLABLE. This transaction is non-cancellable after the Dealer and Buyer sign this Order except as otherwise provided herein. I have read all terms printed on the front and back of this Order, and I understand and agree to them as part of this Order. I understand that the front and back of this Order, including the Terms and Conditions, comprise the entire agreement for this purchase, and no other agreement or understanding of any nature concerning the same has been made or entered into, or will be recognized. I also certify that there are no unwritten agreements or understandings and that no credit has been extended by Dealer nor arranged by Dealer for the cash down payment unless it appears in writing on the face of this Order. There are no blanks on this Order. I certify that I am at least 18 years old and acknowledge receipt of a copy of this Order. TERMS AND CONDITIONS OF SALE

The Order on the reverse side hereof includes, and is subject to, the following terms and conditions: 1. DEFINITIONS AND RELATIONSHIP: As used in this Order, the terms (a) "Dealer" means the dealership that owns or has a right to sell the Vehicle being sold; (b) "Buyer" means the party(ies) named on the reverse side as Buyer; (c) "Manufacturer" means the company that manufactured the Vehicle or chassis; and (d) "Vehicle(s)" shall mean the vehicle(s) being purchased by Buyer listed on the reverse side of this Order. Dealer is not the agent of Manufacturer. Dealer and Buyer are the only parties to this Order. Reference to Manufacturer is for the purpose of explaining generally the contractual relationships between Dealer and Manufacturer regarding new vehicles.

2. PRICE CHANGES; MANUFACTURER, BODY-BUILDER OR UPFITTER FEES, COSTS OR SURCHARGES: Manufacturer, and certain body-builders and upfitters, have reserved the right to change the price to Dealer of new vehicles and or to impose fees, costs or surcharges, without notice. In the event the price to Dealer of the Vehicle(s) is increased by Manufacturer, or a body-builder or upfitter, if applicable, prior to delivery of the Vehicle(s) ordered by Buyer, or Manufacturer, a body-builder or upfitter imposes fees, costs or surcharges, Dealer reserves the right to change the total delivered price of the Vehicle(s) to Buyer to pass thru such fees, costs or surcharges, accordingly, but without markup, overhead or profit to Dealer. Dealer will use reasonable efforts to promptly notify Buyer on receipt of notice of such increase, or imposition of fees costs or surcharges. Any such increase, or imposition of fees, costs or surcharges will not give rise to any right to cancel the Order, provided, however, that as a courtesy, and not as a matter of contractual obligation, Dealer may work with Buyer, and the applicable Manufacturer, bodybuilder or upfitter, regarding any available opportunity to cancel the Order.

3. TRADE-IN REAPPRAISAL: If a trade-in for the Vehicle(s) ordered by Buyer is not delivered to Dealer until delivery to Buyer of the ordered Vehicle(s), the trade-in will be reappraised at that time, and such reappraised value will determine the allowance made for the trade-in. If the reappraised value is lower than the original trade-in allowance shown on the front of this Order, Buyer may, if dissatisfied, cancel this Order, provided, however, that the right to cancel must be exercised prior to both the delivery to Buyer of the Vehicle(s) ordered and the surrender of the trade-in Vehicle to Dealer.

4. EVIDENCE OF TITLE FOR TRADE-IN; REQUIREMENTS FOR TRADE: Buyer agrees to deliver to Dealer evidence of unrestricted title to any trade-in as a part of the down payment for the Vehicle(s) ordered. Buyer warrants and represents any trade-in to be Buyer's property free and clear of all liens and encumbrances, except as expressly noted on the front of this Order. Buyer warrants and represents that the trade-in was not in a prior accident or has not incurred any frame damage nor is it a municipal, salvage, damaged, rebuilt or flood vehicle, nor has it been the subject of any "lemon" claim. The Buyer further warrants and represents that the odometer of the trade-in was not altered or tampered with prior to its transfer to the Dealer. Additionally, the buyer certifies that all emissions including, but not limited to, the diesel particulate filter, EGR valves, and EGR coolers function properly and will pass industry tests and inspections. When equipped, model year 2008 and newer trade-ins must have a fully functional particulate filter capable of regeneration at normal factory intervals.

5. TRADE-IN ALLOWANCE. The trade-in allowance shown on the reverse side may not represent the actual cash value of the Buyer's trade-in(s). Buyer acknowledges that such allowance may be an over allowance for said trade-in(s) in lieu of an additional discount on the purchase price of the Vehicle(s). In the event of any dispute between Buyer and Dealer as it may relate to any trade-in(s) or return of any trade-in or rescission of this Order, Dealer's only obligation as to the trade-in(s) shall be the actual amount received from the sale of the trade-in, less a selling commission of 15% and any expenses incurred in storing, insuring, conditioning or advertising the trade-in for sale, will be returned to Buyer.

6. TRADE IN PAYOFF. Dealer has relied on information from Buyer and/or the lien holder of Buyer's trade-in(s) to determine the "Est. Lien Payoff" shown. Buyer understands that the such payoff is only an estimate and may not be the actual amount owed. Buyer directs Dealer to pay off the lien on the trade-in as soon as practical after closing on this transaction. If the payoff balance on the trade-in is greater than the estimated payoff shown, Buyer agrees upon demand to promptly pay the difference to Dealer. If the payoff balance is less than the estimated payoff shown, Dealer shall promptly pay the difference, in Dealer's sole discretion, to either Buyer's lender or Buyer. Buyer acknowledges and agrees that as of the date of this Order that Buyer is or will be transferring title to and ownership of the trade-in(s) to Dealer but that Buyer, and not Dealer, will remain responsible for amounts due to Buyer's lender or lien holder for the trade-in(s) until paid in full, which may be after the date of this Order. Buyer will indemnify and hold Dealer, and any of its shareholders, directors, officers, members, managers, employees, agents, representatives, attorneys, insurers, affiliates, parents, successors and assigns, from any and all claims arising out of, or relating to, amounts that are or become due to Buyer's trade-in lender or lien holder after the date of this Order and prior to the lender or lienholder being paid in full.

7. BUYER INDEMNITY. Buyer agrees to indemnify and hold Dealer, its directors, officers, agents, and employees harmless from any and all claims of liability and expenses, including but not limited to, injury to person or property, loss of profit, and reasonable attorney fees, arising out of or in connection with any breach of this Order, or of the Buyer's warranties, representations, and agreements contained in this Order, including but not limited to the representations concerning any trade-ins.

8. BUYER DEFAULT: Unless this Order is canceled by Buyer as allowed by these Terms and Conditions, Dealer has the right, upon failure or refusal of Buyer to accept delivery of the Vehicle(s) ordered and to comply with the terms of this Order, to retain, as liquidated damages, any cash deposit made by Buyer and, may sell any trade-in and reimburse itself from the proceeds of such sale for the expenses specified in Paragraph 2 above, and for such other expenses and losses as Dealer may incur or suffer as a result of such default by Buyer, including lost profits.

9. DESIGN CHANGES: Manufacturer has reserved the right to change the design of any new Vehicle, chassis, accessory, or part at any time without notice, without the obligation to make the same or any similar change upon any Vehicle, chassis, accessory, or part previously purchased by or shipped to Dealer or being manufactured or sold in accordance with Dealer's orders. In the event of any such change by Manufacturer, Dealer has no obligation to Buyer to make the same or any similar change in any Vehicle, chassis, accessory, or part covered by this Order, either before or after delivery to Buyer.

10. DELIVERY LIABILITY LIMITATION: Dealer will not be liable for failure to deliver or delay in delivering the Vehicle(s) where such failure or delay is due, in whole or in part, to any cause beyond the control or without the fault or negligence of Dealer. Buyer agrees that Buyer is not entitled to recover from Dealer any consequential damages, damages to property, damages for the loss of use of the Vehicle(s), loss of time, loss of profits or income, or any other incidental damages which may result from failure to deliver or delay in delivery of the Vehicle(s) where such failure or delay is due, in whole or in part, to any cause beyond the control or without the fault or negligence of Dealer, including, but not limited to, Manufacturer's failure to produce or deliver the Vehicle(s).

11. TAXES: The total taxable price for the Vehicle(s) ordered does not include sales, use, excise, or other taxes (Federal, State or local). Buyer assumes and agrees to pay, unless prohibited by law, any such taxes imposed on or applicable to the transaction covered by this Order, regardless of which party may have primary tax liability.

12. WARRANTY DISCLAIMER: A. IN THE EVENT A VEHICLE IS EITHER A NEW VEHICLE, DEMONSTRATOR, OR A USED VEHICLE STILL SUBJECT TO A MANUFACTURER'S WARRANTY, DEALER EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS AND IMPLIED (INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE) ON SUCH VEHICLE. FURTHER, DEALER NEITHER MAKES NOR AUTHORIZES ANY OTHER PERSON TO MAKE ON DEALER'S BEHALF, ANY WARRANTY IN CONJUNCTION WITH THE SALE OF ANY VEHICLE. AS TO ANY MANUFACTURER'S WARRANTY WHICH MAY BE EXTENDED TO BUYER BY MANUFACTURER, DEALER SPECIFICALLY DISCLAIMS ANY LIABILITY THEREUNDER, SUCH MANUFACTURER'S WARRANTY BEING BETWEEN BUYER AND MANUFACTURER ONLY. B. UNLESS A SEPARATE WRITTEN INSTRUMENT SHOWING THE TERMS OF ANY DEALER WARRANTY OR SERVICE CONTRACT IS FURNISHED BY DEALER TO BUYER, ALL VEHICLES ARE SOLD "AS IS," AND THE DEALER DISCLAIMS ALL WARRANTIES,

EITHER EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. C. IN THE EVENT A VEHICLE IS A USED VEHICLE SUBJECT TO FEDERAL TRADE COMMISSION RULES REQUIRING THE POSTING OF A "BUYER'S GUIDE" THE INFORMATION ON THE WINDOW FORM FOR THIS VEHICLE IS PART OF THIS CONTRACT, INFORMATION ON THE WINDOW FORM OVERRIDES ANY CONTRARY PROVISIONS IN THIS ORDER. D. Buyer has selected the Vehicle(s) and any configuration or options, and has not relied on the Dealer for such selection. E. Dealer is not part of any aftermarket or third-party service contract or warranty which may be sold by Dealer. Buyer will look only to the third-party seller of any such aftermarket service contract or warranty, and not to Dealer, for any remedy or recourse.

13. **DAMAGE DISCLOSURE:** A. **NEW VEHICLE. DEMONSTRATOR. EXECUTIVE OR MANUFACTURER'S VEHICLE OR PROGRAM VEHICLE:** Damage to a new Vehicle (including to all mechanical components, electrical components, sheet metal, paint, trim or other appearance items) may occur either at the factory during assembly, while the Vehicle is being transported to Dealer, or while in Dealer's possession awaiting sale. Normally, any damage which occurs during assembly is detected and corrected at the factory during the inspection process. Damage which has been repaired by the Manufacturer prior to delivery to Dealer, since generally unknown to Dealer, will not be disclosed. B. **USED VEHICLES:** Since a used Vehicle has been subject to use and possibly to body and mechanical damages, the Vehicle may have been subject to repairs for mechanical reasons or to enhance appearance for sale. Such repairs may include body work and painting of the Vehicle. Since (i) Buyer has the right to inspect the Vehicle, (ii) Dealer generally lacks knowledge of all prior repairs, and (iii) there is uncertainty as to what may be deemed material to Buyer. Dealer makes no representations as to former damage or as to whether the Vehicle was in a prior accident, bad frame damage or incurred any other damage that would affect the condition of the vehicle or its value.

14. **ODOMETER DISCLAIMER:** The mileage shown on the odometer of the Vehicle(s) sold or leased is believed by Dealer to be the actual mileage of the Vehicle(s) unless otherwise disclosed. However, Dealer makes no warranties or representations as to the actual mileage that the Vehicle has been driven, and expressly disclaims any liability for damages which may be asserted by Buyer, or Buyer's transferees or assigns, in the event the mileage shown is incorrect. Should the vehicle subject to this Agreement be subject to the Federal Odometer Statute, the Odometer Statement provided by the Dealer shall control.

15. **COLOR OR EQUIPMENT CHANGE:** If the Vehicle(s) ordered is received by Dealer with a different color or equipment, Buyer will be notified. If Dealer and Buyer reach an agreement as to purchase of the Vehicle(s), a new Order shall be completed by Dealer and Buyer covering the Vehicle(s) received; and the new Order will take the place of this Order and this Order will be null and void.

16. **OTHER DOCUMENTS:** The Buyer, before or at the time of delivery of the Vehicle, will sign such other documents as may be required by the terms and conditions of payment indicated on the front of this Order.

17. **SAVINGS CLAUSE. GOVERNING LAW AND VENUE:** Any provisions of this Order prohibited by State or Federal Law will be ineffective to the extent of such prohibition, but shall not invalidate the remaining provisions of this Order. This Order shall be governed by the laws of the State in which it is written, and Buyer agrees that the state court of the county in which the Dealer is located shall be the court of exclusive jurisdiction and venue with respect to any disputes arising from or related to this Order.

18. **ARBITRATION:** Any dispute arising out of or relating to this Order shall be resolved by binding arbitration before a single arbitrator pursuant to the Arbitration Rules of Resolute Systems, Inc. in effect on the date of this Order. Buyer acknowledges that in partial consideration for the agreements, covenants and representations of the parties hereto that he/she/it has or shall upon signing this Order or thereafter upon presentment by Dealer sign a separate arbitration agreement with Dealer, the terms and conditions of which are incorporated in this Order and made a part hereof.

19. **FINANCING.** Dealer intends to assign to a third-party lender any retail installment contract executed by Buyer for the purchase of the Vehicle(s). Buyer understands and agrees that Dealer SHALL NOT BE OBLIGATED TO SELL the Vehicle(s) to him/her/it unless a third-party lender accepts the assignment of the retail installment contract signed by the Buyer. The Order and retail installment contract may be cancelled at any time by Dealer, if Dealer determines in its sole discretion that it cannot obtain third party lender approval and may be cancelled by either party within twenty-one (21) days hereafter if such approval is not obtained on the agreed terms within such time. Additional terms may apply as set out in the retail installment contract and/or a finance rider. Buyer agrees to provide Dealer with a true, correct and complete credit application and cooperates fully in obtaining financing, including providing supporting documentation and Buyer acknowledges that Dealer is solely relying on the accuracy of such information. In the event the Order is terminated as provided herein, Dealer shall return any monetary deposit made by Buyer to Dealer and Buyer agrees to return the Vehicle(s) to Dealer upon demand. In the event that Buyer does not return the Vehicle(s) as required herein, the Dealer may repossess the Vehicle(s) and Buyer shall be liable for all costs, expenses and reasonable attorneys' fees incurred by Dealer related to such repossession and any damages to the Vehicle(s).

20. **FAILURE TO DELIVER TRADE-IN VEHICLE OR TITLE.** If Buyer fails to deliver any trade-in or good title to such Vehicle(s) on or before the time of delivery of the Vehicle(s) to Buyer, this Order shall remain in full force and effect unless cancelled by the Dealer, except that at the election of the Dealer, there shall be immediately due and payable from the Buyer to Dealer the amount of the gross-trade in allowance plus all applicable taxes.

21. **SECURITY INTEREST IN TRADE-IN.** By signing this Order, Buyer grants to Dealer a security interest in the trade-in Vehicle(s) to secure Buyer's obligations under this Order and the other documents executed herewith. In the event of a breach of the Order by the Buyer, Dealer may exercise all rights of a secured party under the Uniform Commercial Code with respect to the trade-in. Buyer agrees to execute any and all documents reasonably required by Dealer to perfect Dealer's security interest granted herein.

22. **PROMISSORY NOTE/ADDITIONAL CHARGES.** Any additional sums due pursuant to the terms of this transaction may be evidenced by a promissory note executed by Buyer in favor of Dealer. In the event any payment made by Buyer to Dealer is in the form of a check which is dishonored for any reason, Buyer shall pay a service charge to Dealer in the amount of \$100.00 plus any and all other compensatory and any other credit related costs under applicable law.

23. **SUCCESSION.** This Order is binding and shall inure to the benefit of the parties hereto and their respective heirs, executors, personal representatives, successors, and assigns, except that Buyer may not assign this Order or any interest therein, in whole or in part, without the prior written consent of Dealer.

24. **REBATE.** If a rebate from the Manufacturer is reflected on the reverse side of this Order, Buyer understands that such rebate is being subtracted from the total amount due as a courtesy to the Buyer. If Buyer does not qualify for the Manufacturer's rebate indicated on this Order, Buyer agrees to pay the amount of the rebate plus applicable taxes to Dealer within three (3) days after demand by Dealer.

25. **OTHER DOCUMENTS; CORRECTION.** The Buyer shall at any time upon demand by Dealer, even if such demand is after the date of this Order, execute such forms, agreements, or other documents as may be reasonably required to complete the transaction contemplated by this Order, or to evidence correction of mathematical or scrivener's errors.

26. **REPOSSESSION.** In addition to any other remedies that may be available to Dealer, in the event Buyer is unable to secure financing to purchase the Vehicle(s), Buyer's down payment check(s) do not clear or are not honored, or Buyer is otherwise in default of this Order or other written agreement related hereto, prior to full payment to dealer, and Buyer refuses to return the Vehicle(s) as required herein, Buyer authorizes Dealer to repossess the Vehicle(s) with or without legal process pursuant to applicable law.

27. **RIGHT TO INSPECT-FINAL ACCEPTANCE OF VEHICLE.** The Buyer acknowledges that he/she/it has been given an opportunity to thoroughly inspect the Vehicle(s) prior to taking delivery and that by taking delivery the Buyer accepts the Vehicle(s) in the condition on the date of this Order with all defects or non-conformities. For pre-owned Vehicle(s), except as otherwise required by law, Buyer accepts the Vehicle(s) in an "AS IS" condition. Receipt of delivery of the Vehicle(s) hereunder constitutes the Buyer's acknowledgment that the Vehicle(s) conforms to this Order and constitutes the Buyer's unqualified acceptance of the Vehicle(s), including pursuant to Section 2-606 of the Uniform Commercial Code.

28. **LIMITATIONS ON TIME PERIOD IN WHICH BUYER CAN FILE A LAWSUIT OR ARBITRATION CLAIM (AS APPLICABLE) AGAINST THE DEALER:** Buyer agrees that any arbitration claim (if applicable) or lawsuit arising out of or related to the purchase or lease of the Vehicle(s) described herein against the Dealer must be filed no more than 365 days after the date of the delivery of the Vehicle. While Buyer understands that the statute of limitations for claims arising out of the purchase of the Vehicle(s) may be longer than 365 days, Buyer agrees to be bound by the 365 day period of limitations as set forth herein, and **BUYER WAIVES ANY STATUTE OF LIMITATIONS TO THE CONTRARY.** This provision shall not apply to any action to enforce any retail installment contract, if any, executed in connection herewith.

29. **NOTICE TO DEALER OF DEFECTS OR CLAIM.** Buyer agrees to give Dealer prompt written notice, but in no event more than twenty-one (21) days after discovery, of any alleged defect or nonconformity related to the Vehicle(s) and afford Dealer, in its sole discretion, the reasonable opportunity to correct or repair such defect or nonconformity.

30. **TITLE.** The parties hereto agree that the title to the Vehicle(s) shall not pass to the Buyer until such time as Buyer has fully performed all of his/hers/its obligations contained herein.

31. **VEHICLE EMISSION LAW.** Dealer makes no representations or warranty that the Vehicle(s) sold hereunder passed, or will pass, any inspection required by any state vehicle emission inspection law. Compliance is the responsibility of the Buyer.

32. **CONSEQUENTIAL DAMAGES.** Buyer shall not be entitled to recover from Dealer any consequential or incidental damages for loss of use, loss of time, loss of profit or income, or any other incidental damages including, without limitations, any damages arising from liability on breach of warranty, contract, tort, strict liability or any other statutory or common law theory of liability or punitive damages.

33. **ATTORNEYS FEES.** In the event of any breach of this Order or default by Buyer, Dealer shall be entitled to collect all costs and expenses incurred by Dealer, including, but not limited to, reasonable attorneys' fees from Buyer, in addition to any other damages permitted by law, related to the enforcement of this Order.

34. **SEVERABILITY.** Buyer and Dealer agree that if any portion of this Order is deemed unenforceable or contrary to the law, only that portion of the Order shall fail, the remainder of the Order shall remain in force.

35. **WAIVER OF CLASS ACTION.** TO THE EXTENT PERMITTED BY LAW, BUYER AGREES NOT TO BRING, JOIN, OR PARTICIPATE IN ANY CLASS ACTION AS TO ANY CLAIM, DISPUTE, OR CONTROVERSY AGAINST DEALER, ITS EMPLOYEES, OFFICERS, DIRECTORS, AND ASSIGNS. BUYER AGREES TO THE ENTRY OF INJUNCTIVE RELIEF BARRING ANY SUCH ACTION AND TO PAY ALL OF DEALER'S ATTORNEYS' FEES AND COURT COSTS INCURRED IN SEEKING SUCH RELIEF. THIS PROVISION DOES NOT CONSTITUTE A WAIVER OF BUYER'S RIGHTS AND REMEDIES TO PURSUE A CLAIM INDIVIDUALLY AS OTHERWISE AGREED TO BETWEEN THE PARTIES.

36. **WAIVER OF JURY TRIAL.** THE PARTIES WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS UNDER THIS ORDER OR RELATED, DIRECTLY OR INDIRECTLY, TRANSACTION HEREUNDER AND AGREES THAT ANY ACTION OR PROCEEDING SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.

IMPORTANT BUYER INFORMATION

1. AS IS SALE. Any warranties from a Manufacturer or other supplier, including warranties on any Dealer-installed Non-Manufacturer accessories, are direct from such Manufacturer or supplier, not Dealers, and only such Manufacturer or other supplier will be liable for performance under those warranties. All goods, services and Vehicles sold by Dealer are sold "AS IS." SEE TERMS AND CONDITIONS SECTION 10 ON REVERSE SIDE.
2. TERMS AND CONDITIONS. The terms and conditions for this purchase and sale are attached.
3. NO ORAL AGREEMENTS. There are no oral agreements regarding the Vehicle(s). Employees, salespersons and managers are not authorized to make any oral representations, agreements or promises about the Vehicle that are not in writing. Any oral representation, agreement or promise not in writing is not a part of this Order and is not binding on Dealer.
4. NON-CANCELLABLE. This transaction is non-cancellable after the Dealer and Buyer sign this Order except as otherwise provided herein. I have read all terms printed on the front and back of this Order, and I understand and agree to them as part of this Order. I also certify that there are no unwritten agreements or understandings and that no credit has been extended by Dealer nor arranged by Dealer for the cash down payment unless it appears in writing on the face of this Order. There are no blanks on this Order. I certify that I am at least 18 years old and acknowledge receipt of a copy of this Order. TERMS AND CONDITIONS OF SALE

The Order on the reverse side hereof includes, and is subject to, the following terms and conditions: 1. DEFINITIONS AND RELATIONSHIP: As used in this Order, the terms (a) "Dealer" means the dealership that owns or has a right to sell the Vehicle being sold; (b) "Buyer" means the party(ies) named on the reverse side as Buyer; (c) "Manufacturer" means the company that manufactured the Vehicle or chassis; and (d) "Vehicle(s)" shall mean the vehicle(s) being purchased by Buyer listed on the reverse side of this Order. Dealer is not the agent of Manufacturer. Dealer and Buyer are the only parties to this Order. Reference to Manufacturer is for the purpose of explaining generally the contractual relationships between Dealer and Manufacturer regarding new vehicles.

2. PRICE CHANGES; MANUFACTURER, BODY-BUILDER OR UPFITTER FEES, COSTS OR SURCHARGES: Manufacturer, and certain body-builders and upfitters, have reserved the right to change the price to Dealer of new vehicles and or to impose fees, costs or surcharges, without notice. In the event the price to Dealer of the Vehicle(s) is increased by Manufacturer, or a body-builder or upfitter, if applicable, prior to delivery of the Vehicle(s) ordered by Buyer, or Manufacturer, a body-builder or upfitter imposes fees, costs or surcharges, Dealer reserves the right to change the total delivered price of the Vehicle(s) to Buyer to pass thru such fees, costs or surcharges, accordingly, but without markup, overhead or profit to Dealer. Dealer will use reasonable efforts to promptly notify Buyer on receipt of notice of such increase, or imposition of fees costs or surcharges. Any such increase, or imposition of fees, costs or surcharges will not give rise to any right to cancel the Order, provided, however, that as a courtesy, and not as a matter of contractual obligation, Dealer may work with Buyer, and the applicable Manufacturer, bodybuilder or upfitter, regarding any available opportunity to cancel the Order.

3. TRADE-IN REAPPRAISAL: If a trade-in for the Vehicle(s) ordered by Buyer is not delivered to Dealer until delivery to Buyer of the ordered Vehicle(s), the trade-in will be reappraised at that time, and such reappraised value will determine the allowance made for the trade-in. If the reappraised value is lower than the original trade-in allowance shown on the front of this Order, Buyer may, if dissatisfied, cancel this Order, provided, however, that the right to cancel must be exercised prior to both the delivery to Buyer of the Vehicle(s) ordered and the surrender of the trade-in Vehicle to Dealer.

4. EVIDENCE OF TITLE FOR TRADE-IN; REQUIREMENTS FOR TRADE: Buyer agrees to deliver to Dealer evidence of unrestricted title to any trade-in as a part of the down payment for the Vehicle(s) ordered. Buyer warrants and represents any trade-in to be Buyer's property free and clear of all liens and encumbrances, except as expressly noted on the front of this Order. Buyer warrants and represents that the trade-in was not in a prior accident or has not incurred any frame damage nor is it a municipal, salvage, damaged, rebuilt or flood vehicle, nor has it been the subject of any "lemon" claim. The Buyer further warrants and represents that the odometer of the trade-in was not altered or tampered with prior to its transfer to the Dealer. Additionally, the buyer certifies that all emissions including, but not limited to, the diesel particulate filter, EGR valves, and EGR coolers function properly and will pass industry tests and inspections. When equipped, model year 2008 and newer trade-ins must have a fully functional particulate filter capable of regeneration at normal factory intervals.

5. TRADE-IN ALLOWANCE. The trade-in allowance shown on the reverse side may not represent the actual cash value of the Buyer's trade-in(s). Buyer acknowledges that such allowance may be an over allowance for said trade-in(s) in lieu of an additional discount on the purchase price of the Vehicle(s). In the event of any dispute between Buyer and Dealer as it may relate to any trade-in(s) or return of any trade-in or rescission of this Order, Dealer's only obligation as to the trade-in(s) shall be the actual amount received from the sale of the trade-in, less a selling commission of 15% and any expenses incurred in storing, insuring, conditioning or advertising the trade-in for sale, will be returned to Buyer.

6. TRADE IN PAYOFF. Dealer has relied on information from Buyer and/or the lien holder of Buyer's trade-in(s) to determine the "Est. Lien Payoff" shown. Buyer understands that the such payoff is only an estimate and may not be the actual amount owed. Buyer directs Dealer to pay off the lien on the trade-in as soon as practical after closing on this transaction. If the payoff balance on the trade-in is greater than the estimated payoff shown, Buyer agrees upon demand to promptly pay the difference to Dealer. If the payoff balance is less than the estimated payoff shown, Dealer shall promptly pay the difference, in Dealer's sole discretion, to either Buyer's lender or Buyer. Buyer acknowledges and agrees that as of the date of this Order that Buyer is or will be transferring title to and ownership of the trade-in(s) to Dealer but that Buyer, and not Dealer, will remain responsible for amounts due to Buyer's lender or lien holder for the trade-in(s) until paid in full, which may be after the date of this Order. Buyer will indemnify and hold Dealer, and any of its shareholders, directors, officers, members, managers, employees, agents, representatives, attorneys, insurers, affiliates, parents, successors and assigns, from any and all claims arising out of, or relating to, amounts that are or become due to Buyer's trade-in lender or lien holder after the date of this Order and prior to the lender or lienholder being paid in full.

7. BUYER INDEMNITY. Buyer agrees to indemnify and hold Dealer, its directors, officers, agents, and employees harmless from any and all claims of liability and expenses, including but not limited to, injury to person or property, loss of profit, and reasonable attorney fees, arising out of or in connection with any breach of this Order, or of the Buyer's warranties, representations, and agreements contained in this Order, including but not limited to the representations concerning any trade-ins.

8. BUYER DEFAULT: Unless this Order is canceled by Buyer as allowed by these Terms and Conditions, Dealer has the right, upon failure or refusal of Buyer to accept delivery of the Vehicle(s) ordered and to comply with the terms of this Order, to retain, as liquidated damages, any cash deposit made by Buyer and, may sell any trade-in and reimburse itself from the proceeds of such sale for the expenses specified in Paragraph 2 above, and for such other expenses and losses as Dealer may incur or suffer as a result of such default by Buyer, including lost profits.

9. DESIGN CHANGES: Manufacturer has reserved the right to change the design of any new Vehicle, chassis, accessory, or part at any time without notice, without the obligation to make the same or any similar change upon any Vehicle, chassis, accessory, or part previously purchased by or shipped to Dealer or being manufactured or sold in accordance with Dealer's orders. In the event of any such change by Manufacturer, Dealer has no obligation to Buyer to make the same or any similar change in any Vehicle, chassis, accessory, or part covered by this Order, either before or after delivery to Buyer.

10. DELIVERY LIABILITY LIMITATION: Dealer will not be liable for failure to deliver or delay in delivering the Vehicle(s) where such failure or delay is due, in whole or in part, to any cause beyond the control or without the fault or negligence of Dealer. Buyer agrees that Buyer is not entitled to recover from Dealer any consequential damages, damages to property, damages for the loss of use of the Vehicle(s), loss of time, loss of profits or income, or any other incidental damages which may result from failure to deliver or delay in delivery of the Vehicle(s) where such failure or delay is due, in whole or in part, to any cause beyond the control or without the fault or negligence of Dealer, including, but not limited to, Manufacturer's failure to produce or deliver the Vehicle(s).

11. TAXES: The total taxable price for the Vehicle(s) ordered does not include sales, use, excise, or other taxes (Federal, State or local). Buyer assumes and agrees to pay, unless prohibited by law, any such taxes imposed on or applicable to the transaction covered by this Order, regardless of which party may have primary tax liability.

12. WARRANTY DISCLAIMER: A. IN THE EVENT A VEHICLE IS EITHER A NEW VEHICLE, DEMONSTRATOR, OR A USED VEHICLE STILL SUBJECT TO A MANUFACTURER'S WARRANTY, DEALER EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS AND IMPLIED (INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE) ON SUCH VEHICLE. FURTHER, DEALER NEITHER MAKES NOR AUTHORIZES ANY OTHER PERSON TO MAKE ON DEALER'S BEHALF, ANY WARRANTY IN CONJUNCTION WITH THE SALE OF ANY VEHICLE. AS TO ANY MANUFACTURER'S WARRANTY WHICH MAY BE EXTENDED TO BUYER BY MANUFACTURER, DEALER SPECIFICALLY DISCLAIMS ANY LIABILITY THEREUNDER, SUCH MANUFACTURER'S WARRANTY BEING BETWEEN BUYER AND MANUFACTURER ONLY. B. UNLESS A SEPARATE WRITTEN INSTRUMENT SHOWING THE TERMS OF ANY DEALER WARRANTY OR SERVICE CONTRACT IS FURNISHED BY DEALER TO BUYER, ALL VEHICLES ARE SOLD "AS IS," AND THE DEALER DISCLAIMS ALL WARRANTIES,

EITHER EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. C. IN THE EVENT A USED VEHICLE IS A USED VEHICLE SUBJECT TO FEDERAL TRADE COMMISSION RULES REQUIRING THE POSTING OF A "BUYER'S GUIDE" THE INFORMATION ON THE WINDOW FORM FOR THIS VEHICLE IS PART OF THIS CONTRACT, INFORMATION ON THE WINDOW FORM OVERRIDES ANY CONTRARY PROVISIONS IN THIS ORDER. D. Buyer has selected the Vehicle(s) and any configuration or options, and has not relied on the Dealer for such selection. E. Dealer is not part of any aftermarket or third-party service contract or warranty which may be sold by Dealer. Buyer will look only to the third-party seller of any such aftermarket service contract or warranty, and not to Dealer, for any remedy or recourse.

13. **DAMAGE DISCLOSURE:** A. **NEW VEHICLE. DEMONSTRATOR. EXECUTIVE OR MANUFACTURER'S VEHICLE OR PROGRAM VEHICLE:** Damage to a new Vehicle (including to all mechanical components, electrical components, sheet metal, paint, trim or other appearance items) may occur either at the factory during assembly, while the Vehicle is being transported to Dealer, or while in Dealer's possession awaiting sale. Normally, any damage which occurs during assembly is detected and corrected at the factory during the inspection process. Damage which has been repaired by the Manufacturer prior to delivery to Dealer, since generally unknown to Dealer, will not be disclosed. B. **USED VEHICLES:** Since a used Vehicle has been subject to use and possibly to body and mechanical damages, the Vehicle may have been subject to repairs for mechanical reasons or to enhance appearance for sale. Such repairs may include body work and painting of the Vehicle. Since (i) Buyer has the right to inspect the Vehicle, (ii) Dealer generally lacks knowledge of all prior repairs, and (iii) there is uncertainty as to what may be deemed material to Buyer. Dealer makes no representations as to former damage or as to whether the Vehicle was in a prior accident, bad frame damage or incurred any other damage that would affect the condition of the vehicle or its value.

14. **ODOMETER DISCLAIMER:** The mileage shown on the odometer of the Vehicle(s) sold or leased is believed by Dealer to be the actual mileage of the Vehicle(s) unless otherwise disclosed. However, Dealer makes no warranties or representations as to the actual mileage that the Vehicle has been driven, and expressly disclaims any liability for damages which may be asserted by Buyer, or Buyer's transferees or assigns, in the event the mileage shown is incorrect. Should the vehicle subject to this Agreement be subject to the Federal Odometer Statute, the Odometer Statement provided by the Dealer shall control.

15. **COLOR OR EQUIPMENT CHANGE:** If the Vehicle(s) ordered is received by Dealer with a different color or equipment, Buyer will be notified. If Dealer and Buyer reach an agreement as to purchase of the Vehicle(s), a new Order shall be completed by Dealer and Buyer covering the Vehicle(s) received; and the new Order will take the place of this Order and this Order will be null and void.

16. **OTHER DOCUMENTS:** The Buyer, before or at the time of delivery of the Vehicle, will sign such other documents as may be required by the terms and conditions of payment indicated on the front of this Order.

17. **SAVINGS CLAUSE. GOVERNING LAW AND VENUE:** Any provisions of this Order prohibited by State or Federal Law will be ineffective to the extent of such prohibition, but shall not invalidate the remaining provisions of this Order. This Order shall be governed by the laws of the State in which it is written, and Buyer agrees that the state court of the county in which the Dealer is located shall be the court of exclusive jurisdiction and venue with respect to any disputes arising from or related to this Order.

18. **ARBITRATION:** Any dispute arising out of or relating to this Order shall be resolved by binding arbitration before a single arbitrator pursuant to the Arbitration Rules of Resolute Systems, Inc. in effect on the date of this Order. Buyer acknowledges that in partial consideration for the agreements, covenants and representations of the parties hereto that he/she/it has or shall upon signing this Order or thereafter upon presentment by Dealer sign a separate arbitration agreement with Dealer, the terms and conditions of which are incorporated in this Order and made a part hereof.

19. **FINANCING.** Dealer intends to assign to a third-party lender any retail installment contract executed by Buyer for the purchase of the Vehicle(s). Buyer understands and agrees that Dealer SHALL NOT BE OBLIGATED TO SELL the Vehicle(s) to him/her/it unless a third-party lender accepts the assignment of the retail installment contract signed by the Buyer. The Order and retail installment contract may be cancelled at any time by Dealer, if Dealer determines in its sole discretion that it cannot obtain third party lender approval and may be cancelled by either party within twenty-one (21) days hereafter if such approval is not obtained on the agreed terms within such time. Additional terms may apply as set out in the retail installment contract and/or a finance rider. Buyer agrees to provide Dealer with a true, correct and complete credit application and cooperates fully in obtaining financing, including providing supporting documentation and Buyer acknowledges that Dealer is solely relying on the accuracy of such information. In the event the Order is terminated as provided herein, Dealer shall return any monetary deposit made by Buyer to Dealer and Buyer agrees to return the Vehicle(s) to Dealer upon demand. In the event that Buyer does not return the Vehicle(s) as required herein, the Dealer may repossess the Vehicle(s) and Buyer shall be liable for all costs, expenses and reasonable attorneys' fees incurred by Dealer related to such repossession and any damages to the Vehicle(s).

20. **FAILURE TO DELIVER TRADE-IN VEHICLE OR TITLE.** If Buyer fails to deliver any trade-in or good title to such Vehicle(s) on or before the time of delivery of the Vehicle(s) to Buyer, this Order shall remain in full force and effect unless cancelled by the Dealer, except that at the election of the Dealer, there shall be immediately due and payable from the Buyer to Dealer the amount of the gross-trade in allowance plus all applicable taxes.

21. **SECURITY INTEREST IN TRADE-IN.** By signing this Order, Buyer grants to Dealer a security interest in the trade-in Vehicle(s) to secure Buyer's obligations under this Order and the other documents executed herewith. In the event of a breach of the Order by the Buyer, Dealer may exercise all rights of a secured party under the Uniform Commercial Code with respect to the trade-in. Buyer agrees to execute any and all documents reasonably required by Dealer to perfect Dealer's security interest granted herein.

22. **PROMISSORY NOTE/ADDITIONAL CHARGES.** Any additional sums due pursuant to the terms of this transaction may be evidenced by a promissory note executed by Buyer in favor of Dealer. In the event any payment made by Buyer to Dealer is in the form of a check which is dishonored for any reason, Buyer shall pay a service charge to Dealer in the amount of \$100.00 plus any and all other compensatory and any other credit related costs under applicable law.

23. **SUCCESSION.** This Order is binding and shall inure to the benefit of the parties hereto and their respective heirs, executors, personal representatives, successors, and assigns, except that Buyer may not assign this Order or any interest therein, in whole or in part, without the prior written consent of Dealer.

24. **REBATE.** If a rebate from the Manufacturer is reflected on the reverse side of this Order, Buyer understands that such rebate is being subtracted from the total amount due as a courtesy to the Buyer. Due to the change in production, Change Order No. 1 was presented to City Council and approved at the August 21, 2023 meeting. See [Attachment A](#).

Monroe recently informed the City of Darien that they can no longer sustain the pricing of 2 years ago and have increased costs by \$6,321. See attached [Exhibit A](#).

Subject: update on truck pricing
Date: Monday, July 24, 2023 1:19:43 PM

Kris,

The truck I can build you this year would be an order for a previous PO you have. As of pricing it out quickly (before reviewing the spec with you), the sourcewell price is coming out around \$125,000.00 (single axle chassis). I will have a full quote for you once my boss approves everything.

Below is a timeline of Peterbilt increases on pricing. Please feel free to ask any questions and I will gladly come sit with you to review everything as well:

- Mid- 2021 - Supply chain disruptions impact production capacity & component costs leading to the first of several surcharges which apply to existing production orders. (approx \$1500 increase)
- October 2021 - Letter from Peterbilt is distributed to explain continued disruptions, force majeure events, and increases which continues through today.
- Fall 2021 -
 - Peterbilt announces transition of medium-duty chassis lineup to 5-series (new medium duty). Some 348 orders are converted to the new 548.
 - Peterbilt implements additional surcharges on existing production orders. (approx \$2K increase)
 - Sourcewell/Peterbilt publish contract revision with language addressing inclusion of commodity surcharges
- December 2021 - 548 supply chain ramp-up is slower than anticipated -- Peterbilt extends production of 348 chassis on a limited basis to continue to satisfy as much demand as possible.
- January 2022 -
 - Some orders are converted back to 348, the rest become order reservations (waiting list).
 - Surcharges become part of the next model-year price increase. (approx 10K increase)
- Mid-2022 - Peterbilt releases revised/increased pricing for 2nd half 2022 builds (approx \$10K increase)
- September 2022 - Sourcewell & Peterbilt publish contract revision to encompass the new prevailing price levels for municipal/gov't use.
- Late 2022 - Peterbilt releases revised/increased pricing for 1st half 2023 builds (approx \$10K increase)
- Mid 2023 - Peterbilt releases revised/increased pricing for 2nd half of 2023 builds (approx \$5K increase)
-

A look ahead:

- As of 7/2023, medium duty chassis lead time is likely into 2026.
- Late 2023 (upcoming) - expect pricing for 1st half 2024 builds to be released.
- Mid 2024 (upcoming) - expect pricing for 2nd half 2024 builds to be released.

-and onward - new pricing for model-year (yearly at minimum)
- 2027 - significant emissions changes - EPA mandated. Early estimates are \$15K-\$20K add'l. Significantly more if IL adopts CARB emissions.

ISSUE STATEMENT

Approval of a [resolution](#) authorizing the purchase of one (1) new 2024 Peterbilt Model 548 cab and chassis, to replace unit 110, from JX Truck Center, an amount not to exceed \$130,744.23.

AND

Approval of a [resolution](#) accepting a proposal from Monroe Truck Equipment for the purchase of a dump body, snow plow equipment package, lighting accessories, and hydraulic controls, for the 2024 Peterbilt Model 548, in an amount not to exceed \$190,201.00

BACKGROUND/HISTORY

The new Peterbilt was approved for replacement April 18, 2022, see [Attachment A](#). Staff also received notification recently that pricing will be increasing due to labor costs and EPA related equipment mandates. The vehicle up for replacement is a 2011 International MaxxForce that received a 71.93 rating with approximately 34,662 miles, and continues to have maintenance issues with the diesel particulate filter, EGR cooler and multiple turbo issues. The unit has had mechanical issues and costly repairs and requires replacement.

The cab and chassis will be purchased from JX Truck Center, delivered to Monroe Truck Equipment for the dump body, pneumatic and hydraulic controls, snowplow equipment package and safety lighting. Both the cab & chassis as well as the body and snowplow equipment would be purchased through the Sourcewell Purchasing Cooperative, under Contract No 060920-PMC.

While the FY22/23 Budget includes funding for the vehicle and equipment, there will be a shortfall in the amount of \$16,745. Staff does not plan on taking delivery of the vehicle until the first half of 2024. Funds will be carried over and adjusted for the FYE 24/25 Budget. The proposed funds are currently budgeted and would be expended from the following account in the event the vehicle is delivered prior to May 1, 2024.

ACCOUNT NUMBER	ACCOUNT DESCRIPTION	FY 22/23 BUDGET-CARRYOVER	EXPENDITURE	BALANCE
01-30-4815	Capital Purchases Truck Replace Unit 110 Cab & Chassis	\$ 306,200.00	\$ 130,744.23	\$ 175,455.77

IMPORTANT BUYER INFORMATION

1. AS IS SALE. Any warranties from a Manufacturer or other supplier, including warranties on any Dealer-installed Non-Manufacturer accessories, are direct from such Manufacturer or supplier, not Dealers, and only such Manufacturer or other supplier will be liable for performance under those warranties. All goods, services and Vehicles sold by Dealer are sold "AS IS." SEE TERMS AND CONDITIONS SECTION 10 ON REVERSE SIDE.
2. TERMS AND CONDITIONS. The terms and conditions for this purchase and sale are attached.
3. NO ORAL AGREEMENTS. There are no oral agreements regarding the Vehicle(s). Employees, salespersons and managers are not authorized to make any oral representations, agreements or promises about the Vehicle that are not in writing. Any oral representation, agreement or promise not in writing is not a part of this Order and is not binding on Dealer.
4. NON-CANCELLABLE. This transaction is non-cancellable after the Dealer and Buyer sign this Order except as otherwise provided herein. I have read all terms printed on the front and back of this Order, and I understand and agree to them as part of this Order. I understand that the front and back of this Order, including the Terms and Conditions, comprise the entire agreement for this purchase, and no other agreement or understanding of any nature concerning the same has been made or entered into, or will be recognized. I also certify that there are no unwritten agreements or understandings and that no credit has been extended by Dealer nor arranged by Dealer for the cash down payment unless it appears in writing on the face of this Order. There are no blanks on this Order. I certify that I am at least 18 years old and acknowledge receipt of a copy of this Order. By signing below, I authorize outside parties to release financial information to the Dealer that includes, but is not limited to, information regarding lien amounts and details regarding the financing of the equipment listed on the face of this Order.

TERMS AND CONDITIONS OF SALE

The Order on the reverse side hereof includes, and is subject to, the following terms and conditions: 1. **DEFINITIONS AND RELATIONSHIP:** As used in this Order, the terms (a) "Dealer" means the dealership that owns or has a right to sell the Vehicle being sold; (b) "Buyer" means the party(ies) named on the reverse side as Buyer; (c) "Manufacturer" means the company that manufactured the Vehicle or chassis; and (d) "Vehicle(s)" shall mean the vehicle(s) being purchased by Buyer listed on the reverse side of this Order. Dealer is not the agent of Manufacturer. Dealer and Buyer are the only parties to this Order. Reference to Manufacturer is for the purpose of explaining generally the contractual relationships between Dealer and Manufacturer regarding new vehicles.

2. **PRICE CHANGES; MANUFACTURER, BODY-BUILDER OR UPFITTER FEES, COSTS OR SURCHARGES:** Manufacturer, and certain body-builders and upfitters, have reserved the right to change the price to Dealer of new vehicles and or to impose fees, costs or surcharges, without notice. In the event the price to Dealer of the Vehicle(s) is increased by Manufacturer, or a body-builder or upfitter, if applicable, prior to delivery of the Vehicle(s) ordered by Buyer, or Manufacturer, a body-builder or upfitter imposes fees, costs or surcharges, Dealer reserves the right to change the total delivered price of the Vehicle(s) to Buyer to pass thru such fees, costs or surcharges, accordingly, but without markup, overhead or profit to Dealer. Dealer will use reasonable efforts to promptly notify Buyer on receipt of notice of such increase, or imposition of fees costs or surcharges. Any such increase, or imposition of fees, costs or surcharges will not give rise to any right to cancel the Order, provided, however, that as a courtesy, and not as a matter of contractual obligation, Dealer may work with Buyer, and the applicable Manufacturer, bodybuilder or upfitter, regarding any available opportunity to cancel the Order.

3. **TRADE-IN REAPPRAISAL:** If a trade-in for the Vehicle(s) ordered by Buyer is not delivered to Dealer until delivery to Buyer of the ordered Vehicle(s), the trade-in will be reappraised at that time, and such reappraised value will determine the allowance made for the trade-in. If the reappraised value is lower than the original trade-in allowance shown on the front of this Order, Buyer may, if dissatisfied, cancel this Order, provided, however, that the right to cancel must be exercised prior to both the delivery to Buyer of the Vehicle(s) ordered and the surrender of the trade-in Vehicle to Dealer.

4. **EVIDENCE OF TITLE FOR TRADE-IN; REQUIREMENTS FOR TRADE:** Buyer agrees to deliver to Dealer evidence of unrestricted title to any trade-in as a part of the down payment for the Vehicle(s) ordered. Buyer warrants and represents any trade-in to be Buyer's property free and clear of all liens and encumbrances, except as expressly noted on the front of this Order. Buyer warrants and represents that the trade-in was not in a prior accident or has not incurred any frame damage nor is it a municipal, salvage, damaged, rebuilt or flood vehicle, nor has it been the subject of any "lemon" claim. The Buyer further warrants and represents that the odometer of the trade-in was not altered or tampered with prior to its transfer to the Dealer. Additionally, the buyer certifies that all emissions including, but not limited to, the diesel particulate filter, EGR valves, and EGR coolers function properly and will pass industry tests and inspections. When equipped, model year 2008 and newer trade-ins must have a fully functional particulate filter capable of regeneration at normal factory intervals.

5. **TRADE-IN ALLOWANCE.** The trade-in allowance shown on the reverse side may not represent the actual cash value of the Buyer's trade-in(s). Buyer acknowledges that such allowance may be an over allowance for said trade-in(s) in lieu of an additional discount on the purchase price of the Vehicle(s). In the event of any dispute between Buyer and Dealer as it may relate to any trade-in(s) or return of any trade-in or rescission of this Order, Dealer's only obligation as to the trade-in(s) shall be the actual amount received from the sale of the trade-in, less a selling commission of 15% and any expenses incurred in storing, insuring, conditioning or advertising the trade-in for sale, will be returned to Buyer.

6. **TRADE IN PAYOFF.** Dealer has relied on information from Buyer and/or the lien holder of Buyer's trade-in(s) to determine the "Est. Lien Payoff" shown. Buyer understands that the such payoff is only an estimate and may not be the actual amount owed. Buyer directs Dealer to pay off the lien on the trade-in as soon as practical after closing on this transaction. If the payoff balance on the trade-in is greater than the estimated payoff shown, Buyer agrees upon demand to promptly pay the difference to Dealer. If the payoff balance is less than the estimated payoff shown, Dealer shall promptly pay the difference, in Dealer's sole discretion, to either Buyer's lender or Buyer. Buyer acknowledges and agrees that as of the date of this Order that Buyer is or will be transferring title to and ownership of the trade-in(s) to Dealer but that Buyer, and not Dealer, will remain responsible for amounts due to Buyer's lender or lien holder for the trade-in(s) until paid in full, which may be after the date of this Order. Buyer will indemnify and hold Dealer, and any of its shareholders, directors, officers, members, managers, employees, agents, representatives, attorneys, insurers, affiliates, parents, successors and assigns, from any and all claims arising out of, or relating to, amounts that are or become due to Buyer's trade-in lender or lien holder after the date of this Order and prior to the lender or lienholder being paid in full.

7. **BUYER INDEMNITY.** Buyer agrees to indemnify and hold Dealer, its directors, officers, agents, and employees harmless from any and all claims of liability and expenses, including but not limited to, injury to person or property, loss of profit, and reasonable attorney fees, arising out of or in connection with any breach of this Order, or of the Buyer's warranties, representations, and agreements contained in this Order, including but not limited to the representations concerning any trade-ins.

8. **BUYER DEFAULT:** Unless this Order is canceled by Buyer as allowed by these Terms and Conditions, Dealer has the right, upon failure or refusal of Buyer to accept delivery of the Vehicle(s) ordered and to comply with the terms of this Order, to retain, as liquidated damages, any cash deposit made by Buyer and, may sell any trade-in and reimburse itself from the proceeds of such sale for the expenses specified in Paragraph 2 above, and for such other expenses and losses as Dealer may incur or suffer as a result of such default by Buyer, including lost profits.

9. **DESIGN CHANGES:** Manufacturer has reserved the right to change the design of any new Vehicle, chassis, accessory, or part at any time without notice, without the obligation to make the same or any similar change upon any Vehicle, chassis, accessory, or part previously purchased by or shipped to Dealer or being manufactured or sold in accordance with Dealer's orders. In the event of any such change by Manufacturer, Dealer has no obligation to Buyer to make the same or any similar change in any Vehicle, chassis, accessory, or part covered by this Order, either before or after delivery to Buyer.

10. **DELIVERY LIABILITY LIMITATION:** Dealer will not be liable for failure to deliver or delay in delivering the Vehicle(s) where such failure or delay is due, in whole or in part, to any cause beyond the control or without the fault or negligence of Dealer. Buyer agrees that Buyer is not entitled to recover from Dealer any consequential damages, damages to property, damages for the loss of use of the Vehicle(s), loss of time, loss of profits or income, or any other incidental damages which may result from failure to deliver or delay in delivery of the Vehicle(s) where such failure or delay is due, in whole or in part, to any cause beyond the control or without the fault or negligence of Dealer, including, but not limited to, Manufacturer's failure to produce or deliver the Vehicle(s).

11. **TAXES:** The total taxable price for the Vehicle(s) ordered does not include sales, use, excise, or other taxes (Federal, State or local). Buyer assumes and agrees to pay, unless prohibited by law, any such taxes imposed on or applicable to the transaction covered by this Order, regardless of which party may have primary tax liability.

12. **WARRANTY DISCLAIMER:** A. IN THE EVENT A VEHICLE IS EITHER A NEW VEHICLE, DEMONSTRATOR, OR A USED VEHICLE STILL SUBJECT TO A MANUFACTURER'S WARRANTY, DEALER EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS AND IMPLIED (INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE) ON SUCH VEHICLE. FURTHER, DEALER NEITHER MAKES NOR AUTHORIZES ANY OTHER PERSON TO MAKE ON DEALER'S BEHALF, ANY WARRANTY IN CONJUNCTION WITH THE SALE OF ANY VEHICLE. AS TO ANY MANUFACTURER'S WARRANTY WHICH MAY BE EXTENDED TO BUYER BY MANUFACTURER, DEALER SPECIFICALLY DISCLAIMS ANY LIABILITY THEREUNDER, SUCH MANUFACTURER'S WARRANTY BEING BETWEEN BUYER AND MANUFACTURER ONLY. B. UNLESS A SEPARATE WRITTEN INSTRUMENT SHOWING THE TERMS OF ANY DEALER WARRANTY OR SERVICE CONTRACT IS FURNISHED BY DEALER TO BUYER, ALL VEHICLES ARE SOLD "AS IS," AND THE DEALER DISCLAIMS ALL WARRANTIES,

EITHER EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. C. IN THE EVENT A VEHICLE IS A USED VEHICLE SUBJECT TO FEDERAL TRADE COMMISSION RULES REQUIRING THE POSTING OF A "BUYER'S GUIDE" THE INFORMATION ON THE WINDOW FORM FOR THIS VEHICLE IS PART OF THIS CONTRACT, INFORMATION ON THE WINDOW FORM OVERRIDES ANY CONTRARY PROVISIONS IN THIS ORDER. D. Buyer has selected the Vehicle(s) and any configuration or options, and has not relied on the Dealer for such selection. E. Dealer is not part of any aftermarket or third-party service contract or warranty which may be sold by Dealer. Buyer will look only to the third-party seller of any such aftermarket service contract or warranty, and not to Dealer, for any remedy or recourse.

13. DAMAGE DISCLOSURE: A. NEW VEHICLE. DEMONSTRATOR. EXECUTIVE OR MANUFACTURER'S VEHICLE OR PROGRAM VEHICLE: Damage to a new Vehicle (including to all mechanical components, electrical components, sheet metal, paint, trim or other appearance items) may occur either at the factory during assembly, while the Vehicle is being transported to Dealer, or while in Dealer's possession awaiting sale. Normally, any damage which occurs during assembly is detected and corrected at the factory during the inspection process. Damage which has been repaired by the Manufacturer prior to delivery to Dealer, since generally unknown to Dealer, will not be disclosed. **B. USED VEHICLES:** Since a used Vehicle has been subject to use and possibly to body and mechanical damages, the Vehicle may have been subject to repairs for mechanical reasons or to enhance appearance for sale. Such repairs may include body work and painting of the Vehicle. Since (i) Buyer has the right to inspect the Vehicle, (ii) Dealer generally lacks knowledge of all prior repairs, and (iii) there is uncertainty as to what may be deemed material to Buyer. Dealer makes no representations as to former damage or as to whether the Vehicle was in a prior accident, bad frame damage or incurred any other damage that would affect the condition of the vehicle or its value.

14. ODOMETER DISCLAIMER: The mileage shown on the odometer of the Vehicle(s) sold or leased is believed by Dealer to be the actual mileage of the Vehicle(s) unless otherwise disclosed. However, Dealer makes no warranties or representations as to the actual mileage that the Vehicle has been driven, and expressly disclaims any liability for damages which may be asserted by Buyer, or Buyer's transferees or assigns, in the event the mileage shown is incorrect. Should the vehicle subject to this Agreement be subject to the Federal Odometer Statute, the Odometer Statement provided by the Dealer shall control.

15. COLOR OR EQUIPMENT CHANGE: If the Vehicle(s) ordered is received by Dealer with a different color or equipment, Buyer will be notified. If Dealer and Buyer reach an agreement as to purchase of the Vehicle(s), a new Order shall be completed by Dealer and Buyer covering the Vehicle(s) received; and the new Order will take the place of this Order and this Order will be null and void.

16. OTHER DOCUMENTS: The Buyer, before or at the time of delivery of the Vehicle, will sign such other documents as may be required by the terms and conditions of payment indicated on the front of this Order.

17. SAVINGS CLAUSE. GOVERNING LAW AND VENUE: Any provisions of this Order prohibited by State or Federal Law will be ineffective to the extent of such prohibition, but shall not invalidate the remaining provisions of this Order. This Order shall be governed by the laws of the State in which it is written, and Buyer agrees that the state court of the county in which the Dealer is located shall be the court of exclusive jurisdiction and venue with respect to any disputes arising from or related to this Order.

18. ARBITRATION: Any dispute arising out of or relating to this Order shall be resolved by binding arbitration before a single arbitrator pursuant to the Arbitration Rules of Resolute Systems, Inc. in effect on the date of this Order. Buyer acknowledges that in partial consideration for the agreements, covenants and representations of the parties hereto that he/she/it has or shall upon signing this Order or thereafter upon presentment by Dealer sign a separate arbitration agreement with Dealer, the terms and conditions of which are incorporated in this Order and made a part hereof.

19. FINANCING. Dealer intends to assign to a third-party lender any retail installment contract executed by Buyer for the purchase of the Vehicle(s). Buyer understands and agrees that Dealer SHALL NOT BE OBLIGATED TO SELL the Vehicle(s) to him/her/it unless a third-party lender accepts the assignment of the retail installment contract signed by the Buyer. The Order and retail installment contract may be cancelled at any time by Dealer, if Dealer determines in its sole discretion that it cannot obtain third party lender approval and may be cancelled by either party within twenty-one (21) days hereafter if such approval is not obtained on the agreed terms within such time. Additional terms may apply as set out in the retail installment contract and/or a finance rider. Buyer agrees to provide Dealer with a true, correct and complete credit application and cooperates fully in obtaining financing, including providing supporting documentation and Buyer acknowledges that Dealer is solely relying on the accuracy of such information. In the event the Order is terminated as provided herein, Dealer shall return any monetary deposit made by Buyer to Dealer and Buyer agrees to return the Vehicle(s) to Dealer upon demand. In the event that Buyer does not return the Vehicle(s) as required herein, the Dealer may repossess the Vehicle(s) and Buyer shall be liable for all costs, expenses and reasonable attorneys' fees incurred by Dealer related to such repossession and any damages to the Vehicle(s).

20. FAILURE TO DELIVER TRADE-IN VEHICLE OR TITLE. If Buyer fails to deliver any trade-in or good title to such Vehicle(s) on or before the time of delivery of the Vehicle(s) to Buyer, this Order shall remain in full force and effect unless cancelled by the Dealer, except that at the election of the Dealer, there shall be immediately due and payable from the Buyer to Dealer the amount of the gross-trade in allowance plus all applicable taxes.

21. SECURITY INTEREST IN TRADE-IN. By signing this Order, Buyer grants to Dealer a security interest in the trade-in Vehicle(s) to secure Buyer's obligations under this Order and the other documents executed herewith. In the event of a breach of the Order by the Buyer, Dealer may exercise all rights of a secured party under the Uniform Commercial Code with respect to the trade-in. Buyer agrees to execute any and all documents reasonably required by Dealer to perfect Dealer's security interest granted herein.

22. PROMISSORY NOTE/ADDITIONAL CHARGES. Any additional sums due pursuant to the terms of this transaction may be evidenced by a promissory note executed by Buyer in favor of Dealer. In the event any payment made by Buyer to Dealer is in the form of a check which is dishonored for any reason, Buyer shall pay a service charge to Dealer in the amount of \$100.00 plus any and all other compensatory and any other credit related costs under applicable law.

23. SUCCESSION. This Order is binding and shall inure to the benefit of the parties hereto and their respective heirs, executors, personal representatives, successors, and assigns, except that Buyer may not assign this Order or any interest therein, in whole or in part, without the prior written consent of Dealer.

24. REBATE. If a rebate from the Manufacturer is reflected on the reverse side of this Order, Buyer understands that such rebate is being subtracted from the total amount due as a courtesy to the Buyer. If Buyer does not qualify for the Manufacturer's rebate indicated on this Order, Buyer agrees to pay the amount of the rebate plus applicable taxes to Dealer within three (3) days after demand by Dealer.

25. OTHER DOCUMENTS; CORRECTION. The Buyer shall at any time upon demand by Dealer, even if such demand is after the date of this Order, execute such forms, agreements, or other documents as may be reasonably required to complete the transaction contemplated by this Order, or to evidence correction of mathematical or scrivener's errors.

26. REPOSSESSION. In addition to any other remedies that may be available to Dealer, in the event Buyer is unable to secure financing to purchase the Vehicle(s), Buyer's down payment check(s) do not clear or are not honored, or Buyer is otherwise in default of this Order or other written agreement related hereto, prior to full payment to dealer, and Buyer refuses to return the Vehicle(s) as required herein, Buyer authorizes Dealer to repossess the Vehicle(s) with or without legal process pursuant to applicable law.

27. **RIGHT TO INSPECT-FINAL ACCEPTANCE OF VEHICLE.** The Buyer acknowledges that he/she/it has been given an opportunity to thoroughly inspect the Vehicle(s) prior to taking delivery and that by taking delivery the Buyer accepts the Vehicle(s) in the condition on the date of this Order with all defects or non-conformities. For pre-owned Vehicle(s), except as otherwise required by law, Buyer accepts the Vehicle(s) in an "AS IS" condition. Receipt of delivery of the Vehicle(s) hereunder constitutes the Buyer's acknowledgment that the Vehicle(s) conforms to this Order and constitutes the Buyer's unqualified acceptance of the Vehicle(s), including pursuant to Section 2-806 of the Uniform Commercial Code.

28. **LIMITATIONS ON TIME PERIOD IN WHICH BUYER CAN FILE A LAWSUIT OR ARBITRATION CLAIM (AS APPLICABLE) AGAINST THE DEALER:** Buyer agrees that any arbitration claim (if applicable) or lawsuit arising out of or related to the purchase or lease of the Vehicle(s) described herein against the Dealer must be filed no more than 365 days after the date of the delivery of the Vehicle. While Buyer understands that the statute of limitations for claims arising out of the purchase of the Vehicle(s) may be longer than 365 days, Buyer agrees to be bound by the 365 day period of limitations as set forth herein, and **BUYER WAIVES ANY STATUTE OF LIMITATIONS TO THE CONTRARY.** This provision shall not apply to any action to enforce any retail installment contract, if any, executed in connection herewith.

29. **NOTICE TO DEALER OF DEFECTS OR CLAIM.** Buyer agrees to give Dealer prompt written notice, but in no event more than twenty-one (21) days after discovery, of any alleged defect or nonconformity related to the Vehicle(s) and afford Dealer, in its sole discretion, the reasonable opportunity to correct or repair such defect or nonconformity.

30. **TITLE.** The parties hereto agree that the title to the Vehicle(s) shall not pass to the Buyer until such time as Buyer has fully performed all of his/hers/its obligations contained herein.

31. **VEHICLE EMISSION LAW.** Dealer makes no representations or warranty that the Vehicle(s) sold hereunder passed, or will pass, any inspection required by any state vehicle emission inspection law. Compliance is the responsibility of the Buyer.

32. **CONSEQUENTIAL DAMAGES.** Buyer shall not be entitled to recover from Dealer any consequential or incidental damages for loss of use, loss of time, loss of profit or income, or any other incidental damages including, without limitations, any damages arising from liability on breach of warranty, contract, tort, strict liability or any other statutory or common law theory of liability or punitive damages.

33. **ATTORNEYS FEES.** In the event of any breach of this Order or default by Buyer, Dealer shall be entitled to collect all costs and expenses incurred by Dealer, including, but not limited to, reasonable attorneys' fees from Buyer, in addition to any other damages permitted by law, related to the enforcement of this Order.

34. **SEVERABILITY.** Buyer and Dealer agree that if any portion of this Order is deemed unenforceable or contrary to the law, only that portion of the Order shall fail, the remainder of the Order shall remain in force.

35. **WAIVER OF CLASS ACTION. TO THE EXTENT PERMITTED BY LAW, BUYER AGREES NOT TO BRING, JOIN, OR PARTICIPATE IN ANY CLASS ACTION AS TO ANY CLAIM, DISPUTE, OR CONTROVERSY AGAINST DEALER, ITS EMPLOYEES, OFFICERS, DIRECTORS, AND ASSIGNS. IMPORTANT BUYER INFORMATION

1. AS IS SALE. Any warranties from a Manufacturer or other supplier, including warranties on any Dealer-installed Non-Manufacturer accessories, are direct from such Manufacturer or supplier, not Dealers, and only such Manufacturer or other supplier will be liable for performance under those warranties. All goods, services and Vehicles sold by Dealer are sold "AS IS." SEE TERMS AND CONDITIONS SECTION 10 ON REVERSE SIDE.
2. TERMS AND CONDITIONS. The terms and conditions for this purchase and sale are attached.
3. NO ORAL AGREEMENTS. There are no oral agreements regarding the Vehicle(s). TERMS AND CONDITIONS OF SALE

The Order on the reverse side hereof includes, and is subject to, the following terms and conditions: 1. **DEFINITIONS AND RELATIONSHIP:** As used in this Order, the terms (a) "Dealer" means the dealership that owns or has a right to sell the Vehicle being sold; (b) "Buyer" means the party(ies) named on the reverse side as Buyer; (c) "Manufacturer" means the company that manufactured the Vehicle or chassis; and (d) "Vehicle(s)" shall mean the vehicle(s) being purchased by Buyer listed on the reverse side of this Order. Dealer is not the agent of Manufacturer. Dealer and Buyer are the only parties to this Order. Reference to Manufacturer is for the purpose of explaining generally the contractual relationships between Dealer and Manufacturer regarding new vehicles.

2. **PRICE CHANGES; MANUFACTURER, BODY-BUILDER OR UPFITTER FEES, COSTS OR SURCHARGES:** Manufacturer, and certain body-builders and upfitters, have reserved the right to change the price to Dealer of new vehicles and or to impose fees, costs or surcharges, without notice. In the event the price to Dealer of the Vehicle(s) is increased by Manufacturer, or a body-builder or upfitter, if applicable, prior to delivery of the Vehicle(s) ordered by Buyer, or Manufacturer, a body-builder or upfitter imposes fees, costs or surcharges, Dealer reserves the right to change the total delivered price of the Vehicle(s) to Buyer to pass thru such fees, costs or surcharges, accordingly, but without markup, overhead or profit to Dealer. Dealer will use reasonable efforts to promptly notify Buyer on receipt of notice of such increase, or imposition of fees costs or surcharges. Any such increase, or imposition of fees, costs or surcharges will not give rise to any right to cancel the Order, provided, however, that as a courtesy, and not as a matter of contractual obligation, Dealer may work with Buyer, and the applicable Manufacturer, bodybuilder or upfitter, regarding any available opportunity to cancel the Order.

3. **TRADE-IN REAPPRAISAL:** If a trade-in for the Vehicle(s) ordered by Buyer is not delivered to Dealer until delivery to Buyer of the ordered Vehicle(s), the trade-in will be reappraised at that time, and such reappraised value will determine the allowance made for the trade-in. If the reappraised value is lower than the original trade-in allowance shown on the front of this Order, Buyer may, if dissatisfied, cancel this Order, provided, however, that the right to cancel must be exercised prior to both the delivery to Buyer of the Vehicle(s) ordered and the surrender of the trade-in Vehicle to Dealer.

4. **EVIDENCE OF TITLE FOR TRADE-IN; REQUIREMENTS FOR TRADE:** Buyer agrees to deliver to Dealer evidence of unrestricted title to any trade-in as a part of the down payment for the Vehicle(s) ordered. Buyer warrants and represents any trade-in to be Buyer's property free and clear of all liens and encumbrances, except as expressly noted on the front of this Order. Buyer warrants and represents that the trade-in was not in a prior accident or has not incurred any frame damage nor is it a municipal, salvage, damaged, rebuilt or flood vehicle, nor has it been the subject of any "lemon" claim. The Buyer further warrants and represents that the odometer of the trade-in was not altered or tampered with prior to its transfer to the Dealer. Additionally, the buyer certifies that all emissions including, but not limited to, the diesel particulate filter, EGR valves, and EGR coolers function properly and will pass industry tests and inspections. When equipped, model year 2008 and newer trade-ins must have a fully functional particulate filter capable of regeneration at normal factory intervals.

5. **TRADE-IN ALLOWANCE.** The trade-in allowance shown on the reverse side may not represent the actual cash value of the Buyer's trade-in(s). Buyer acknowledges that such allowance may be an over allowance for said trade-in(s) in lieu of an additional discount on the purchase price of the Vehicle(s). In the event of any dispute between Buyer and Dealer as it may relate to any trade-in(s) or return of any trade-in or rescission of this Order, Dealer's only obligation as to the trade-in(s) shall be the actual amount received from the sale of the trade-in, less a selling commission of 15% and any expenses incurred in storing, insuring, conditioning or advertising the trade-in for sale, will be returned to Buyer.

6. **TRADE IN PAYOFF.** Dealer has relied on information from Buyer and/or the lien holder of Buyer's trade-in(s) to determine the "Est. Lien Payoff" shown. Buyer understands that the such payoff is only an estimate and may not be the actual amount owed. Buyer directs Dealer to pay off the lien on the trade-in as soon as practical after closing on this transaction. If the payoff balance on the trade-in is greater than the estimated payoff shown, Buyer agrees upon demand to promptly pay the difference to Dealer. If the payoff balance is less than the estimated payoff shown, Dealer shall promptly pay the difference, in Dealer's sole discretion, to either Buyer's lender or Buyer. Buyer acknowledges and agrees that as of the date of this Order that Buyer is or will be transferring title to and ownership of the trade-in(s) to Dealer but that Buyer, and not Dealer, will remain responsible for amounts due to Buyer's lender or lien holder for the trade-in(s) until paid in full, which may be after the date of this Order. Buyer will indemnify and hold Dealer, and any of its shareholders, directors, officers, members, managers, employees, agents, representatives, attorneys, insurers, affiliates, parents, successors and assigns, from any and all claims arising out of, or relating to, amounts that are or become due to Buyer's trade-in lender or lien holder after the date of this Order and prior to the lender or lienholder being paid in full.

7. **BUYER INDEMNITY.** Buyer agrees to indemnify and hold Dealer, its directors, officers, agents, and employees harmless from any and all claims of liability and expenses, including but not limited to, injury to person or property, loss of profit, and reasonable attorney fees, arising out of or in connection with any breach of this Order, or of the Buyer's warranties, representations, and agreements contained in this Order, including but not limited to the representations concerning any trade-ins.

8. **BUYER DEFAULT:** Unless this Order is canceled by Buyer as allowed by these Terms and Conditions, Dealer has the right, upon failure or refusal of Buyer to accept delivery of the Vehicle(s) ordered and to comply with the terms of this Order, to retain, as liquidated damages, any cash deposit made by Buyer and, may sell any trade-in and reimburse itself from the proceeds of such sale for the expenses specified in Paragraph 2 above, and for such other expenses and losses as Dealer may incur or suffer as a result of such default by Buyer, including lost profits.

9. **DESIGN CHANGES:** Manufacturer has reserved the right to change the design of any new Vehicle, chassis, accessory, or part at any time without notice, without the obligation to make the same or any similar change upon any Vehicle, chassis, accessory, or part previously purchased by or shipped to Dealer or being manufactured or sold in accordance with Dealer's orders. In the event of any such change by Manufacturer, Dealer has no obligation to Buyer to make the same or any similar change in any Vehicle, chassis, accessory, or part covered by this Order, either before or after delivery to Buyer.

10. **DELIVERY LIABILITY LIMITATION:** Dealer will not be liable for failure to deliver or delay in delivering the Vehicle(s) where such failure or delay is due, in whole or in part, to any cause beyond the control or without the fault or negligence of Dealer. Buyer agrees that Buyer is not entitled to recover from Dealer any consequential damages, damages to property, damages for the loss of use of the Vehicle(s), loss of time, loss of profits or income, or any other incidental damages which may result from failure to deliver or delay in delivery of the Vehicle(s) where such failure or delay is due, in whole or in part, to any cause beyond the control or without the fault or negligence of Dealer, including, but not limited to, Manufacturer's failure to produce or deliver the Vehicle(s).

11. **TAXES:** The total taxable price for the Vehicle(s) ordered does not include sales, use, excise, or other taxes (Federal, State or local). Buyer assumes and agrees to pay, unless prohibited by law, any such taxes imposed on or applicable to the transaction covered by this Order, regardless of which party may have primary tax liability.

12. **WARRANTY DISCLAIMER:** A. IN THE EVENT A VEHICLE IS EITHER A NEW VEHICLE, DEMONSTRATOR, OR A USED VEHICLE STILL SUBJECT TO A MANUFACTURER'S WARRANTY, DEALER EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS AND IMPLIED (INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE) ON SUCH VEHICLE. FURTHER, DEALER NEITHER MAKES NOR AUTHORIZES ANY OTHER PERSON TO MAKE ON DEALER'S BEHALF, ANY WARRANTY IN CONJUNCTION WITH THE SALE OF ANY VEHICLE. AS TO ANY MANUFACTURER'S WARRANTY WHICH MAY BE EXTENDED TO BUYER BY MANUFACTURER, DEALER SPECIFICALLY DISCLAIMS ANY LIABILITY THEREUNDER, SUCH MANUFACTURER'S WARRANTY BEING BETWEEN BUYER AND MANUFACTURER ONLY. B. UNLESS A SEPARATE WRITTEN INSTRUMENT SHOWING THE TERMS OF ANY DEALER WARRANTY OR SERVICE CONTRACT IS FURNISHED BY DEALER TO BUYER, ALL VEHICLES ARE SOLD "AS IS," AND THE DEALER DISCLAIMS ALL WARRANTIES,

EITHER EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. C. IN THE EVENT A VEHICLE IS A USED VEHICLE SUBJECT TO FEDERAL TRADE COMMISSION RULES REQUIRING THE POSTING OF A "BUYER'S GUIDE" THE INFORMATION ON THE WINDOW FORM FOR THIS VEHICLE IS PART OF THIS CONTRACT, INFORMATION ON THE WINDOW FORM OVERRIDES ANY CONTRARY PROVISIONS IN THIS ORDER. D. Buyer has selected the Vehicle(s) and any configuration or options, and has not relied on the Dealer for such selection. E. Dealer is not part of any aftermarket or third-party service contract or warranty which may be sold by Dealer. Buyer will look only to the third-party seller of any such aftermarket service contract or warranty, and not to Dealer, for any remedy or recourse.

13. DAMAGE DISCLOSURE: A. NEW VEHICLE. DEMONSTRATOR. EXECUTIVE OR MANUFACTURER'S VEHICLE OR PROGRAM VEHICLE: Damage to a new Vehicle (including to all mechanical components, electrical components, sheet metal, paint, trim or other appearance items) may occur either at the factory during assembly, while the Vehicle is being transported to Dealer, or while in Dealer's possession awaiting sale. Normally, any damage which occurs during assembly is detected and corrected at the factory during the inspection process. Damage which has been repaired by the Manufacturer prior to delivery to Dealer, since generally unknown to Dealer, will not be disclosed. **B. USED VEHICLES:** Since a used Vehicle has been subject to use and possibly to body and mechanical damages, the Vehicle may have been subject to repairs for mechanical reasons or to enhance appearance for sale. Such repairs may include body work and painting of the Vehicle. Since (i) Buyer has the right to inspect the Vehicle, (ii) Dealer generally lacks knowledge of all prior repairs, and (iii) there is uncertainty as to what may be deemed material to Buyer. Dealer makes no representations as to former damage or as to whether the Vehicle was in a prior accident, bad frame damage or incurred any other damage that would affect the condition of the vehicle or its value.

14. ODOMETER DISCLAIMER: The mileage shown on the odometer of the Vehicle(s) sold or leased is believed by Dealer to be the actual mileage of the Vehicle(s) unless otherwise disclosed. However, Dealer makes no warranties or representations as to the actual mileage that the Vehicle has been driven, and expressly disclaims any liability for damages which may be asserted by Buyer, or Buyer's transferees or assigns, in the event the mileage shown is incorrect. Should the vehicle subject to this Agreement be subject to the Federal Odometer Statute, the Odometer Statement provided by the Dealer shall control.

15. COLOR OR EQUIPMENT CHANGE: If the Vehicle(s) ordered is received by Dealer with a different color or equipment, Buyer will be notified. If Dealer and Buyer reach an agreement as to purchase of the Vehicle(s), a new Order shall be completed by Dealer and Buyer covering the Vehicle(s) received; and the new Order will take the place of this Order and this Order will be null and void.

16. OTHER DOCUMENTS: The Buyer, before or at the time of delivery of the Vehicle, will sign such other documents as may be required by the terms and conditions of payment indicated on the front of this Order.

17. SAVINGS CLAUSE. GOVERNING LAW AND VENUE: Any provisions of this Order prohibited by State or Federal Law will be ineffective to the extent of such prohibition, but shall not invalidate the remaining provisions of this Order. This Order shall be governed by the laws of the State in which it is written, and Buyer agrees that the state court of the county in which the Dealer is located shall be the court of exclusive jurisdiction and venue with respect to any disputes arising from or related to this Order.

18. ARBITRATION: Any dispute arising out of or relating to this Order shall be resolved by binding arbitration before a single arbitrator pursuant to the Arbitration Rules of Resolute Systems, Inc. in effect on the date of this Order. Buyer acknowledges that in partial consideration for the agreements, covenants and representations of the parties hereto that he/she/it has or shall upon signing this Order or thereafter upon presentment by Dealer sign a separate arbitration agreement with Dealer, the terms and conditions of which are incorporated in this Order and made a part hereof.

19. FINANCING. Dealer intends to assign to a third-party lender any retail installment contract executed by Buyer for the purchase of the Vehicle(s). Buyer understands and agrees that Dealer SHALL NOT BE OBLIGATED TO SELL the Vehicle(s) to him/her/it unless a third-party lender accepts the assignment of the retail installment contract signed by the Buyer. The Order and retail installment contract may be cancelled at any time by Dealer, if Dealer determines in its sole discretion that it cannot obtain third party lender approval and may be cancelled by either party within twenty-one (21) days hereafter if such approval is not obtained on the agreed terms within such time. Additional terms may apply as set out in the retail installment contract and/or a finance rider. Buyer agrees to provide Dealer with a true, correct and complete credit application and cooperates fully in obtaining financing, including providing supporting documentation and Buyer acknowledges that Dealer is solely relying on the accuracy of such information. In the event the Order is terminated as provided herein, Dealer shall return any monetary deposit made by Buyer to Dealer and Buyer agrees to return the Vehicle(s) to Dealer upon demand. In the event that Buyer does not return the Vehicle(s) as required herein, the Dealer may repossess the Vehicle(s) and Buyer shall be liable for all costs, expenses and reasonable attorneys' fees incurred by Dealer related to such repossession and any damages to the Vehicle(s).

20. FAILURE TO DELIVER TRADE-IN VEHICLE OR TITLE. If Buyer fails to deliver any trade-in or good title to such Vehicle(s) on or before the time of delivery of the Vehicle(s) to Buyer, this Order shall remain in full force and effect unless cancelled by the Dealer, except that at the election of the Dealer, there shall be immediately due and payable from the Buyer to Dealer the amount of the gross-trade in allowance plus all applicable taxes.

21. SECURITY INTEREST IN TRADE-IN. By signing this Order, Buyer grants to Dealer a security interest in the trade-in Vehicle(s) to secure Buyer's obligations under this Order and the other documents executed herewith. In the event of a breach of the Order by the Buyer, Dealer may exercise all rights of a secured party under the Uniform Commercial Code with respect to the trade-in. Buyer agrees to execute any and all documents reasonably required by Dealer to perfect Dealer's security interest granted herein.

22. PROMISSORY NOTE/ADDITIONAL CHARGES. Any additional sums due pursuant to the terms of this transaction may be evidenced by a promissory note executed by Buyer in favor of Dealer. In the event any payment made by Buyer to Dealer is in the form of a check which is dishonored for any reason, Buyer shall pay a service charge to Dealer in the amount of \$100.00 plus any and all other compensatory and any other credit related costs under applicable law.

23. SUCCESSION. This Order is binding and shall inure to the benefit of the parties hereto and their respective heirs, executors, personal representatives, successors, and assigns, except that Buyer may not assign this Order or any interest therein, in whole or in part, without the prior written consent of Dealer.

24. REBATE. If a rebate from the Manufacturer is reflected on the reverse side of this Order, Buyer understands that such rebate is being subtracted from the total amount due as a courtesy to the Buyer. If Buyer does not qualify for the Manufacturer's rebate indicated on this Order, Buyer agrees to pay the amount of the rebate plus applicable taxes to Dealer within three (3) days after demand by Dealer.

25. OTHER DOCUMENTS; CORRECTION. The Buyer shall at any time upon demand by Dealer, even if such demand is after the date of this Order, execute such forms, agreements, or other documents as may be reasonably required to complete the transaction contemplated by this Order, or to evidence correction of mathematical or scrivener's errors.

26. REPOSSESSION. In addition to any other remedies that may be available to Dealer, in the event Buyer is unable to secure financing to purchase the Vehicle(s), Buyer's down payment check(s) do not clear or are not honored, or Buyer is otherwise in default of this Order or other written agreement related hereto, prior to full payment to Dealer, and Buyer refuses to return the Vehicle(s) as required herein, Buyer authorizes Dealer to repossess the Vehicle(s) with or without legal process pursuant to applicable law.

27. **RIGHT TO INSPECT-FINAL ACCEPTANCE OF VEHICLE.** The Buyer acknowledges that he/she/it has been given an opportunity to thoroughly inspect the Vehicle(s) prior to taking delivery and that by taking delivery the Buyer accepts the Vehicle(s) in the condition on the date of this Order with all defects or non-conformities. For pre-owned Vehicle(s), except as otherwise required by law, Buyer accepts the Vehicle(s) in an "AS IS" condition. Receipt of delivery of the Vehicle(s) hereunder constitutes the Buyer's acknowledgment that the Vehicle(s) conforms to this Order and constitutes the Buyer's unqualified acceptance of the Vehicle(s), including pursuant to Section 2-806 of the Uniform Commercial Code.

28. **LIMITATIONS ON TIME PERIOD IN WHICH BUYER CAN FILE A LAWSUIT OR ARBITRATION CLAIM (AS APPLICABLE) AGAINST THE DEALER:** Buyer agrees that any arbitration claim (if applicable) or lawsuit arising out of or related to the purchase or lease of the Vehicle(s) described herein against the Dealer must be filed no more than 365 days after the date of the delivery of the Vehicle. While Buyer understands that the statute of limitations for claims arising out of the purchase of the Vehicle(s) may be longer than 365 days, Buyer agrees to be bound by the 365 day period of limitations as set forth herein, and **BUYER WAIVES ANY STATUTE OF LIMITATIONS TO THE CONTRARY.** This provision shall not apply to any action to enforce any retail installment contract, if any, executed in connection herewith.

29. **NOTICE TO DEALER OF DEFECTS OR CLAIM.** Buyer agrees to give Dealer prompt written notice, but in no event more than twenty-one (21) days after discovery, of any alleged defect or nonconformity related to the Vehicle(s) and afford Dealer, in its sole discretion, the reasonable opportunity to correct or repair such defect or nonconformity.

30. **TITLE.** The parties hereto agree that the title to the Vehicle(s) shall not pass to the Buyer until such time as Buyer has fully performed all of his/hers/its obligations contained herein.

31. **VEHICLE EMISSION LAW.** Dealer makes no representations or warranty that the Vehicle(s) sold hereunder passed, or will pass, any inspection required by any state vehicle emission inspection law. Compliance is the responsibility of the Buyer.

32. **CONSEQUENTIAL DAMAGES.** Buyer shall not be entitled to recover from Dealer any consequential or incidental damages for loss of use, loss of time, loss of profit or income, or any other incidental damages including, without limitations, any damages arising from liability on breach of warranty, contract, tort, strict liability or any other statutory or common law theory of liability or punitive damages.

33. **ATTORNEYS FEES.** In the event of any breach of this Order or default by Buyer, Dealer shall be entitled to collect all costs and expenses incurred by Dealer, including, but not limited to, reasonable attorneys' fees from Buyer, in addition to any other damages permitted by law, related to the enforcement of this Order.

34. **SEVERABILITY.** Buyer and Dealer agree that if any portion of this Order is deemed unenforceable or contrary to the law, only that portion of the Order shall fail, the remainder of the Order shall remain in force.

35. **WAIVER OF CLASS ACTION. TO THE EXTENT PERMITTED BY LAW, BUYER AGREES NOT TO BRING, JOIN, OR PARTICIPATE IN ANY CLASS ACTION AS TO ANY CLAIM, DISPUTE, OR CONTROVERSY AGAINST DEALER, ITS EMPLOYEES, OFFICERS, DIRECTORS, AND ASSIGNS. BUYER AGREES TO THE ENTRY OF INJUNCTIVE RELIEF BARRING ANY SUCH ACTION AND TO PAY ALL OF DEALER'S ATTORNEYS' FEES AND COURT COSTS INCURRED IN SEEKING SUCH RELIEF. THIS PROVISION DOES NOT CONSTITUTE A WAIVER OF BUYER'S RIGHTS AND REMEDIES TO PURSUE A CLAIM INDIVIDUALLY AS OTHERWISE AGREED TO BETWEEN THE PARTIES.**

36. **WAIVER OF JURY TRIAL. THE PARTIES WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS UNDER THIS ORDER OR RELATED, DIRECTLY OR INDIRECTLY, TRANSACTION HEREUNDER AND AGREES THAT ANY ACTION OR PROCEEDING SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.**
