

AGENDA
****RESCHEDULED MEETING****
Municipal Services Committee
August 21, 2023
6:15 P.M. – Council Chambers

1. **Call to Order & Roll Call**
2. **Establishment of Quorum**
3. **Old Business**
4. **New Business**
 - a. **Motion** – Recommending zoning ordinance revisions pertaining to Electric Vehicle (EV) charging stations to the City Council and to forward the draft revisions to the Planning and Zoning Commission for public hearing and commission review
 - b. **Ordinance** - Authorizing the disposal of surplus property.
 - c. **Resolution** - Accepting a proposal at the unit prices for Polyurethane sidewalk raising and curb sealing from RaiseRite Concrete Lifting IL in an amount not to exceed \$32,120.00.
 - d. **Resolution** - Authorizing the Mayor to execute an Intergovernmental Agreement with the County of DuPage for a 50/50 cost share of a right of way enhancement project at the south east corner along Plainfield Road from Cass Avenue to Linden Avenue and Cass Ave to the side yard limit of 7614 Gail Avenue.
 - e. **Resolution** – Accepting a proposal at the unit prices for LED-Illuminated Street Name Signs for the intersection at 67th Street and Clarendon Hills Road from Traffic Control Corporation in an amount not to exceed \$12,064.00
 - f. **Resolution** - Accepting a proposal for the installation of the LED-Illuminated Street Name Signs for the intersection at 67th Street and Clarendon Hills Road from H&H Electric Company in an amount not to exceed \$9,358.48.
 - g. **Resolution** – Authorizing the purchase of one (1) new 2024 Peterbilt Model 548 cab and chassis with Monroe body, to replace unit 109, from Peterbilt Illinois Joliet, Inc. dba JX Truck Center, in amount not to exceed \$27,038.34
 - h. **Resolution** - Accepting a proposal from Sutton Commercial Fleet for the purchase of a 2024 Ford F4550 Model dump body, snow plow equipment package, lighting accessories, and hydraulic controls, to replace unit 402, in an amount not to exceed \$108,041.
 - i. **Resolution** – Accepting a proposal from A-Block Marketing for premium hardwood bark mulch for the 75th Street Landscape Medians in an amount not to exceed \$3,500.
 - j. **Resolution** – Accepting a proposal from JC Landscaping and Tree Service Inc. for the installation of new hardwood mulch within the 75th Street Medians in an amount not to exceed \$4,900.
 - k. **Motion** - Authorizing a contingency in the amount of \$1,000 for a hardwood mulch balance and installation services in an amount not to exceed \$1,000.
 - l. Minutes – **June 5, 2023** Municipal Services Committee
5. **Director’s Report**
6. **Next scheduled meeting – September 25, 2023**
7. **Adjournment**

AGENDA MEMO
MUNICIPAL SERVICES COMMITTEE
****RESCHEDULED MEETING****
AUGUST 21, 2023

ISSUE STATEMENT

Motion to recommend zoning ordinance revisions pertaining to Electric Vehicle (EV) charging stations to the City Council and to forward the draft revisions to the Planning and Zoning Commission for public hearing and commission review.

BACKGROUND

In late 2022, ComEd and the Metropolitan Mayors Caucus announced an inaugural cohort of communities participating in an EV Readiness Program, a unique initiative launched to help local governments prepare to meet the growing demand for Electric Vehicles (EVs) and charging infrastructure. Funded in part with a \$225,000 commitment from ComEd, the EV Readiness Program is meant to help communities streamline policies and implement best practices for safe and effective regional transportation electrification. Through the Readiness program ComEd is working with communities across the region in preparing them to meet sustainability and EV adoption goals.

With the City being an inaugural cohort community, a focus on policy development related to EV infrastructure, permitting/zoning, safety, and community engagement is paramount. Therefore, staff has developed revisions to the zoning ordinance ([ATTACHMENT A](#)) pertaining to EV charging stations in order to streamline implementation and regulate infrastructure throughout the City. Staff researched and used other municipal ordinances ([ATTACHMENT B](#)) to formulate the proposed revisions.

COMMITTEE RECOMMENDATION

The Municipal Services Committee is to forward a recommendation to the City Council. Upon City Council approval, the item will be sent to the Planning and Zoning Commission for a public hearing.

ALTERNATE CONSIDERATION

As recommended by the Municipal Services Committee.

DECISION MODE

This item will be placed on the August 21, 2023 City Council agenda for formal consideration.

DRAFT

ELECTRIC VEHICLE CHARGING STATIONS (ZONING SECTION 5A-X-X)

Electric Vehicle Charging Stations

(A) General

1. Private (restricted-access) electric-vehicle (EV) charging stations are permitted as accessory uses to lawfully established principal uses in all zoning districts.
2. Public EV charging stations are permitted as accessory uses to lawfully established principal nonresidential uses in all zoning districts.

(B) Parking

1. Electric vehicle charging stations may be counted toward satisfying minimum off-street parking space requirements.
2. Public electric vehicle charging stations must be reserved for parking and charging electric vehicles.

(C) Equipment

1. The charging station equipment must not impede pedestrian, bicycle, or vehicular traffic, or be located within the required area of the legal parking space, vehicle overhang, or associated circulation aisles as required by this chapter.
2. Adequate protection of charging station equipment from vehicles must be provided, such as curbing, bollards, or wheel stops.

(D) Signage

Public electric vehicle charging stations must be posted with signage indicating that the space is reserved for electric vehicle charging purposes only. For purposes of this provision, "charging" means that an electric vehicle is parked at an electric vehicle charging station and is connected to the battery charging station equipment. The signage must also have a phone number or other contact information to report when the equipment is not functioning properly, and any time limits on use, tow away, or fine provisions.

6.10.7. - Electric Vehicle Charging Stations

A. General

1. Private (restricted-access) electric-vehicle (EV) charging stations are permitted as accessory uses to lawfully established principal uses in all zoning districts.
2. Public EV charging stations are permitted as accessory uses to lawfully established principal nonresidential uses in all zoning districts.

B. Parking

1. Electric vehicle charging stations may be counted toward satisfying minimum off-street parking space requirements.
2. Public electric vehicle charging stations must be reserved for parking and charging electric vehicles.

C. Equipment

Vehicle charging equipment must be designed and located so as to not impede pedestrian, bicycle or wheelchair movement or create safety hazards on sidewalks.

D. Signage

Public electric vehicle charging stations must be posted with signage indicating that the space is reserved for electric vehicle charging purposes only. For purposes of this provision, "charging" means that an electric vehicle is parked at an electric vehicle charging station and is connected to the battery charging station equipment.

Sec. 118-70. - Electric vehicle charging stations.

- (a) *Station location.* In residential districts, an electric vehicle charging station is permitted in any area where a vehicle may be parked. In all other districts, the station is permitted for use with any legal parking space that is not in a required vehicle parking space, except when that parking space is dedicated to a specific residence.
- (b) *Equipment location.* The charging station equipment must not impede pedestrian, bicycle, or vehicular traffic or be located within the required area of the legal parking space, vehicle overhang, or associated circulation aisles as required by this chapter.
- (c) *Requirements for public use.* When the station is intended to be used by the public:
 - (1) *Equipment protection.* Adequate protection of charging station equipment from vehicles must be provided, such as curbing, bollards, or wheel stops.
 - (2) *Signage.* Any charging station that is intended to be used for multiple users must have signage indicating that parking is for electric vehicle charging only, a phone number or other contact information to report when the equipment is not functioning properly, and any time limits on use, tow away, or fine provisions.
 - (3) *Parking space identification.* The parking space must be identified per the Electric Vehicle Charging Station Guidelines.
 - (4) *Principal use.* If the primary purpose of the lot is the charging of vehicles, the use is considered an automotive fuel station for zoning purposes.

(Ord. No. 19-4-C-4451, § 1, 4-15-2019)

§ 154.128 - ELECTRIC VEHICLE PARKING.

- (A) Purpose: The intent of this section is to remove barriers to the use of electric vehicles, expedite and promote the development of safe, convenient, and cost-effective electric vehicle infrastructure to support the use of electric vehicles, and protect the environment by reducing vehicle emissions.
- (B) Permitted Locations:
- (1) Retail Charging, Accessory Use:
- (a) Level 1 and Level 2 Charging Stations: Level 1 and level 2 charging stations are permitted in every zoning district, when accessory to the primary permitted use of said district. Charging stations located at single-family and multiple-family dwellings shall be designated as private use only. Installation of charging stations shall be subject to permit approval. All necessary permits must be obtained prior to the installation of any charging station.
- (b) Level 3 (DC Fast) Charging Stations: Level 3 (DC fast) charging stations are permitted only in business and manufacturing districts when accessory to the primary permitted use. All necessary building and electrical permits must be obtained prior to the installation of any charging station. Installation thereof shall be subject to permit approval.
- (2) Retail Charging Primary Use: If the primary use of a parcel is the retail charging of electric vehicle batteries, then the use shall be considered a gas station for zoning purposes.
- (C) Station Requirements and Design Criteria:
- (1) Charging Station Space Requirements:
- (a) Minimum Requirements: A charging station space may be included in the calculation for minimum parking spaces that are required pursuant to other village and state regulations; however, the designation of a parking space exclusively for use by electric vehicles shall not have a negative impact on the parking demand within the village. The director of community development or his or her designee may require the removal of this exclusive designation if, in his or her sole discretion, said designation creates any parking issues within the village.
- (b) Number: No minimum number of charging station spaces is required.
- (2) Charging Station Space Location and Design Criteria: Where provided, spaces for charging station purposes are required to include the following:
- (a) Maintenance: Charging station equipment, bollards and parking spaces shall be maintained in all respects. The property owner of the equipment shall be responsible for the maintenance of the charging station and shall provide warranty and service for the charging stations and infrastructure for the duration of their useful life. A phone number

or other contact information shall be provided on the charging station equipment for reporting purposes when the equipment is not functioning or other equipment problems are encountered.

- (b) Accessibility: Where charging station equipment is provided within a pedestrian circulation area, such as a sidewalk or other accessible route to a building entrance, the charging station equipment shall be located so as not to interfere with accessibility requirements of the Illinois Accessibility Code or other applicable accessibility standards.
 - (c) Lighting: Where charging station equipment is installed, adequate site lighting shall be provided in accordance with village ordinances and regulations.
 - (d) Charging Station Equipment: Charging station outlets and connector devices shall be no less than thirty-six inches (36") and no higher than forty-eight inches (48") from the ground or pavement surface where mounted, and shall contain a retraction device and/or a place to hang permanent cords and connectors a sufficient and safe distance above the ground or pavement surface. Equipment shall be mounted on pedestals, and located as to not impede pedestrian travel or create trip hazards on sidewalks.
 - (e) Charging Station Equipment Protection: Adequate charging station equipment protection, such as barrier curbing, concrete filled steel bollards, or similar shall be used.
 - (f) Usage Fees: An owner of a charging station is not prohibited from collecting a fee for the use of a charging station, in accordance with applicable state and federal regulations. Fees shall be prominently displayed on the charging station.
 - (g) Notification: Information on the charging station, identifying voltage and amperage levels and time of use, fees, or safety information.
 - (h) Location: Electric vehicle charging station equipment is encouraged in landscaped areas. When located within a parking lot, electric vehicle charging station equipment shall be centrally located between parking spaces to avoid vehicle conflicts.
 - (i) Pavement Marking: Any and all pavement markings shall be in compliance with section 154.122 of this Code. Any and all pavement markings shall be the color white or yellow and shall match the color used for all other parking stalls. No additional stencil will be permitted.
- (3) Data Collection: To allow for maintenance and notification, the village shall require the owners of public charging stations to provide information on the charging station's geographic location, date of installation, equipment type and model, and owner contact information to the village manager or his/her designee.
- (D) Quantity and Location Requirements:
- (1)

Residential: In order to proactively plan for and accommodate the anticipated growth in market demand for electric vehicles, it is strongly encouraged, but not required, that all new one-family and multiple-family homes with garages be constructed to provide a 220-240 volt/40-amp outlet on a dedicated circuit in close proximity to designated vehicle parking to accommodate the potential future hardwire installation of a level 2 charging station.

- (2) Nonresidential: In order to proactively plan for and accommodate the anticipated future growth in market demand for electric vehicles, it is strongly encouraged, but not required, that all new and expanded nonresidential development parking areas provide the electrical capacity necessary to accommodate the future hardwire installation of level 2 charging stations. It is recommended that a typical parking lot (e.g., one thousand (1,000) or less parking spaces) have a minimum ratio of two percent (2%) of the total parking spaces prepared for such stations.
- (3) Accessible Charging Stations: Any location where electric vehicle charging stations are installed shall be required to have at least one (1) parking space equipped with an accessible charging station. Accessible charging stations should be located in close proximity to the building or facility entrance and shall be connected to a barrier-free accessible route of travel to and from the building or facility. It is not necessary to designate the accessible charging station exclusively for the use of disabled persons. Accessible charging stations shall be maintained in compliance with the Americans with Disability Acts of 1990, 42 U.S.C. § 12101 and all applicable state and federal laws.

(E) Signage:

- (1) All electric vehicle charging stations shall comply with all village sign regulations except this provision supersedes section 119.37 of this Code with respect to electric vehicle charging station signage only.
- (2) Off-site signage and advertising are allowed on an electric vehicle charging station if it meets the definition of a public service object as permitted pursuant to subsection 155.50(E)(3).
- (3) On-site advertising is allowed on an electric vehicle charging station only when it is an integral part of the electric vehicle charging station. All advertising is limited to the promotion of goods, services and products of the owner and tenants on-site where the electric vehicle charging station is located. The on-site advertising may consist of static images that change no faster than once every ten (10) seconds or a continuous video on a LED screen. No advertisement shall play or emit any sound. Except as indicated in this section, the size of any on-site advertising signage shall not exceed four (4) square feet in gross surface area for each exposed face, nor exceed an aggregate gross surface area of six (6) square feet. On-site advertising signage on a video screen shall not exceed an aggregate gross surface area of one-fourth (0.25) square feet. If the electric vehicle charging station is located at a shopping

center greater than five hundred thousand (500,000) square feet in total size, the size of any on-site advertising signage shall not exceed eleven (11) square feet in gross surface area for each exposed face, nor exceed an aggregate gross surface area of sixteen (16) square feet.

(4) Each charging station space shall be posted with signage indicating days and hours of operation if time limits or tow away provisions are to be enforced.

(F) License Required:

(1) Any person or entity owning or operating an electric vehicle charging station within the village must obtain a vending machine license pursuant to section 119.30 et seq. of this Code.

(Ord. 19-009, passed 2-12-2019; Am. Ord. 21-004, passed 1-12-2021; Am. Ord. 21-044, passed 4-13-2021; Am. Ord. 21-082, passed 8-24-2021)

AGENDA MEMO
Municipal Services Committee
August 21, 2023

ISSUE STATEMENT

Approval of an [ordinance](#) authorizing the disposal of surplus property.

BACKGROUND/HISTORY

Staff is requesting that the following property be declared as surplus property and auctioned using an on-line auction service, GovDeals, Inc, or disposed of:

	ITEM	MODEL#	QUANTITY	EXPLANATION
1	2017 Maclean MV-2 utility machine (old 208) w/4 spare lawn tires	Serial # 0110bm-003 Hours: 1348	1	replaced
2	Trackless MT5 utility machine (Old 206) w/4 spare lawn tires	Serial # MT5T-3534 Vin # 46738027 Hours: 1404 Miles: 6952	1	replaced
3	Trackless V-Plow	Model: V3 Serial: 624	1	replaced
4	Trackless V-Plow	Model: V3 Serial: 863	1	replaced
5	Trackless Sweeper Attachment	Model: AS5 Serial: 078	1	replaced
6	Trackless Snow Blower	Model: B3 Serial: 1641	1	replaced
7	Kanlan 60" Straight Blade	Model: 1087464 Serial: MTAP60015	1	replaced
8	Rotary Mower Deck with Wings	Serial: 32548	1	replaced
9	McConnel Boom Flail	Model: 7441830 Serial: M0916688	1	replaced
10	Trackless Rotary Mower Deck	Model: M6 Serial # 332	1	replaced
11	Snap-On Tire Machine	Model: EEWH306A18H Serial: 03066025083003525	1	replaced
12	Coats 850s Tire Balancer	Model: 8112850 Serial: 0005308148	1	replaced

STAFF RECOMMENDATION

Staff recommends the above be declared surplus property and auctioned using GovDeals, Inc or disposed of.

ALTERNATE CONSIDERATION

As recommended by the Committee.

DECISION MODE

This item will be placed on the August 21, 2023 City Council agenda, under New Business for formal consideration.

CITY OF DARIEN

DU PAGE COUNTY, ILLINOIS

ORDINANCE NO. _____

**AN ORDINANCE AUTHORIZING THE SALE
OF PERSONAL PROPERTY
OWNED BY THE CITY OF DARIEN**

ADOPTED BY THE

MAYOR AND CITY COUNCIL

OF THE

CITY OF DARIEN

THIS 21st DAY OF August, 2023

**Published in pamphlet form by authority of
the Mayor and City Council of the City of
Darien, DuPage County, Illinois, and this 21st
day of August 2023.**

**AN ORDINANCE AUTHORIZING THE SALE OF PERSONAL PROPERTY
OWNED BY THE CITY OF DARIEN**

WHEREAS, in the opinion of at least three fourths of the corporate authorities of the City of Darien, it is no longer necessary or useful, or for the best interests of the City of Darien, to retain ownership of the personal property hereinafter described; and

WHEREAS, it has been determined by the Mayor and City Council of the City of Darien to sell said personal property at a Public Auction or dispose of said property.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DU PAGE COUNTY, ILLINOIS, IN THE EXERCISE OF ITS HOME RULE POWERS, as follows:

SECTION 1: The Mayor and City Council of the City of Darien find that the following described personal property, now owned by the City of Darien, is no longer necessary or useful to the City of Darien and the best interests of the City of Darien will be served by auctioning it using Gov Deals, Inc or disposing of said property.

	ITEM	MODEL#	QUANTITY	EXPLANATION
1	2017 Maclean MV-2 utility machine (old 208) w/4 spare lawn tires	Serial # 0110bm-003 Hours: 1348	1	replaced
2	Trackless MT5 utility machine (Old 206) w/4 spare lawn tires	Serial # MT5T-3534 Vin # 46738027 Hours: 1404 Miles: 6952	1	replaced
3	Trackless V-Plow	Model: V3 Serial: 624	1	replaced
4	Trackless V-Plow	Model: V3 Serial: 863	1	replaced
5	Trackless Sweeper Attachment	Model: AS5 Serial: 078	1	replaced
6	Trackless Snow Blower	Model: B3 Serial: 1641	1	replaced
7	Kanlan 60" Straight Blade	Model: 1087464 Serial: MTAP60015	1	replaced

AGENDA MEMO
Municipal Services Committee
August 21, 2023

ISSUE STATEMENT

A [resolution](#) accepting a proposal at the unit prices for Polyurethane sidewalk raising and curb sealing from RaiseRite Concrete Lifting IL in an amount not to exceed \$32,120.

BACKGROUND/HISTORY

Staff is tasked annually with identifying and marking sidewalk squares that need replacement. Typical replacement consists of replacing vertical mismatches starting at approximately ¾ of an inch. An alternative method to removing and replacing sidewalk labs is referred to Polyurethane Concrete Raising aka/mudjacking and was introduced in the 1980's.

Mudjacking involves pumping what is usually a mix of mud and dirt underneath a sunken concrete surface to lift it back up to where it's supposed to be. This approach adds additional weight to the underlying soil, which can result in the concrete resettling. Polyurethane Concrete Raising process also referred to as polyurethane slab jacking is less disruptive and involves drilling considerably smaller holes in the concrete. The polyurethane is then injected to the holes and leveled to the adjacent curb and gutter and adjacent sidewalk slab. Polyurethane concrete raising foam will not wash away from under the slab like mudjacking material. It is lightweight and is less likely to result in settling than adding heavy mud to already overburdened soil. The end result is the structural integrity of the walk is not affected by the raising.

Staff has identified an area that would benefit from this technology on Country Lane. The subdivision is constructed with concrete curb and gutter abutting the sidewalk. See [Attachment A](#). The curb and gutter remains structurally sound and the adjacent concrete sidewalk slabs within the subdivision have settled down from the curb up to approximately 1-inch and limited adjacent sidewalk slabs are mismatched. As an alternative to removing and replacing Staff is recommending to utilize the Polyurethane Concrete Raising.

The FY23/24 Budget allocated funding for a program to raise the concrete mismatches on Country Lane. Staff requested competitive quotes for the service and the results are attached as [Attachment B](#). Please note the submitted vendor pricing was not consistent with number of units and therefore resulted in various quotes. Staff had assigned total units and utilized the unit costs as provided by the responsive vendor. One vendor, Concrete Hero, did not respond to follow ups and therefore was considered to be non-responsive.

Staff is recommending the responsive quote submitted by RaiseRite Concrete Lifting. References were verified with satisfactory results. Staff had reviewed references with positive feedback.

The proposed expenditure would be expended from the following line account:

ACCOUNT NUMBER	ACCOUNT DESCRIPTION	FY 23-24 BUDGET	PROPOSED EXPENDITURE
25-35-4380	SIDEWALK RAISING	\$40,000	\$32,120

STAFF RECOMMENDATION

Staff recommends a resolution accepting a proposal at the unit prices for Polyurethane sidewalk raising and curb sealing from RaiseRite Concrete Lifting IL in an amount not to exceed \$32,120.

ALTERNATE DECISION

As recommended by the Committee.

DECISION MODE

Daytime phone number where you can be reached for any questions _____

Make sure you stated what method and a scheduling preference.

Invoices will be sent via email unless request has been made or no email has been provided

A reminder notice will be sent at 10 days past invoice date. With a letter sent at 30 days if not paid.

RAISERITE is authorized to do the work specified. A \$100 fee will be applied if a 24 hour cancellation notice is not provided or the crew is turned away.

SUMMARY OF TERMS AND CONDITIONS.

1. COMPENSATION. RaiseRite is providing an estimate. Client shall pay RaiseRite as set forth in the estimate. Price is subject to change, with customers approval, if the void under the slab is greater than anticipated.
2. INVOICING & PAYMENT. RaiseRite shall invoice Client upon completion of the Work. Client shall pay invoice within 10 days of receipt of the invoice. If client fails to pay on time and RaiseRite refers your account(s) to a third party for collection, RaiseRite will charge all costs associated with the non-payment, including but not limited to, accumulated late fees, return check fees (\$30.00), insufficient funds fees, collection agency fees, and court and attorney costs. RaiseRite will try in every attempt to collect in house, but if all attempts are failed RaiseRite will refer account to a third party collection, in this event all correspondents and/or payments must be made through the collection agency.
3. LIMITED GUARANTEE. On concrete over 10 years old, RaiseRite will re-pump once, in a two year period, if necessary, any areas that have resettled more than a 1/4", at no cost to the customer. A re-pump constitutes using the same holes. There will be a \$50.00 service fee for the truck to return for any other reason not covered under this guarantee in the two year time period. **This guarantee is void if the customer does not seal all cracks and joints on the slabs and maintain backfill along the slabs involved or if resettling occurs as a result of flooding or other acts of God.** This guarantee does not include patches or seam sealing material applied to or placed between the concrete slabs done by the customer or RaiseRite.
4. ALLOCATION OF RISK. A. IN NO EVENT SHALL RAISERITE BE LIABLE TO CLIENT OR ANY THIRD-PARTY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING, WITHOUT LIMITATION, CLAIMS FOR LOSS OF BUSINESS OR LOST PROFITS) RESULTING FROM OR ARISING OUT OF THE WORK. RAISERITE IS NOT RESPONSIBLE FOR LANDSCAPING, DAMAGE TO PLUMBING OR ELECTRICAL, CRACKS IN SLABS, FLOOR OR WALLS OR ANY DAMAGE WHICH HAS OCCURRED OR MIGHT OCCUR AS A RESULT OF THE SETTLING OR THE CONCRETE LIFTING PROCESS. IF THE CONCRETE CANNOT BE RAISED AND MUST BE REPLACED, IT IS THE HOMEOWNERS RESPONSIBILITY TO REPLACE IT AT CURRENT REPLACEMENT COST.

AGENDA MEMO
Municipal Services Committee
August 21, 2023

ISSUE STATEMENT

Approval of a [resolution](#) authorizing the Mayor to execute an Intergovernmental Agreement with the County of DuPage for a 50/50 cost share of a right of way enhancement project at the south east corner along Plainfield Road from Cass Avenue to Linden Avenue and Cass Avenue to the side yard limit of 7614 Gail Avenue.

BACKGROUND/HISTORY

The Cass Avenue corridor, within the limits of Plainfield Road and 75th Street are recognized as the Center of Town. The Comprehensive Plan also recognizes this area for beautification enhancements. Staff requested of the County for a joint coop project to beautify the south east corner of Cass Ave and Plainfield Road. The preliminary limits of the project are as follows:

Plainfield Road-Southern Right of Way

Linden Avenue to Cass Ave 350 lineal feet

Cass Avenue-Eastern Right of Way

Plainfield Road to southern side yard property line of 7614 Gail Avenue

The existing corner is constructed with modular block wall and a cyclone fence. The block is showing signs of deterioration and the cyclone fence is rusting and misaligned vertically and horizontally within the limits. The existing system is a structural design and the infrastructure is currently owned and maintained by the County. While the County will continue to maintain the existing infrastructure, they will not enhance the corridor beyond what is in place.

Staff pursued dialogue with the County of DuPage throughout the course of the last couple years. Late last year the County and the City were able to come to an agreement of coordinating efforts for a joint project. Staff engaged the services of Christopher Burke Engineering to provide a preliminary site visit with a structural engineer and concepts for the project. Attached and labeled as Attachment A is design memo prepared by Christopher B Burke Engineering.

The scope of work included two concepts:

Concept 1

Precast concrete wall and fence, a length of 300 feet and an average height of 13 feet. This includes two feet of wall buried, 5 feet to top of existing wall, and 6 feet above existing wall for visual screen. Cost estimate of \$200/SF for this type of wall for a cost of approximately \$780,000 for the wall/fence.

Concept 2

For a wall and fence design similar to what is in place at 75th Street and Plainfield Road, the wall would be constructed of large modular blocks (RediRock, or similar) and a solid six foot high wood fence would be installed on top of the wall. This type of modular block wall also gets buried approximately 2 feet into the ground, and recommended budget is \$110/SF of wall. Budget of \$231,000 for the wall, plus \$7500 for the wood fence.

Additional work required for either concepts:

- Tree and Brush Removal	\$ 7,500
- Remove cap and top course of block on existing wall	\$ 5,000
- Fill gap between existing and proposed walls	\$ 2,500
- Landscape Restoration	\$10,000

Construction budget for the above options as follows:

- Concept 1-Precast concrete fence and wall	\$800,000 - \$850,000
- Concept 2-Modular Block Wall with Wood Fence	\$265,000 - \$300,000

Engineering Design and bid specs \$75,000

The Staff and County have agreed to pursue Concept 2 in a preliminary amount of \$375,000. The cost share between the Count and the City is 50/50 or \$187,500 per agency. The attached IGA, labeled as Exhibit A and includes estimated costs and further responsibility. Upon completion of the project the City will own and maintain the wall and wood fence. Upon completion of the PROJECT, the CITY shall own and be responsible for all future maintenance of the modular block retaining wall and fence.

Please note, while this item was not budgeted for this year and pending approval Staff will be requesting funding for the engineering as the plans will take approximately 4-6 months.

STAFF RECOMMENDATION

Staff recommends approval of a resolution authorizing the Mayor to execute an Intergovernmental Agreement with the County of DuPage for a 50/50 cost share of a right of way enhancement project at the south east corner along Plainfield Road from Cass Avenue to Linden Avenue and Cass Ave to the side yard limit of 7614 Gail Avenue.

ALTERNATE CONSIDERATION

Not approving the IGA.

DECISION MODE

This item will be placed on the August 21, 2023 City Council agenda, under New Business for formal consideration

RESOLUTION NO. _____

A RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN INTERGOVERNMENTAL AGREEMENT WITH THE COUNTY OF DUPAGE FOR A 50/50 COST SHARE OF A RIGHT OF WAY ENHANCEMENT PROJECT AT THE SOUTH EAST CORNER ALONG PLAINFIELD ROAD FROM CASS AVENUE TO LINDEN AVENUE AND CASS AVENUE TO THE SIDE YARD LIMIT OF 7614 GAIL AVENUE

WHEREAS, under the Constitution and Statues of the State of Illinois, a municipality is authorized to participate in intergovernmental cooperation; and

WHEREAS, an Intergovernmental Agreement has been prepared between the City of Darien and the County of DuPage concerning said retaining wall construction along CH 31/Plainfield Road from Cass Avenue to Linden Avenue, a copy of which is attached hereto as "[Exhibit A](#)", and is incorporated herein; and

WHEREAS, The Corporate Authorities, for record keeping, desire to authorize the execution of the Intergovernmental Agreement by Resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DUPAGE COUNTY, as follows:

SECTION 1: That the Mayor and City Clerk are hereby authorized to execute an Intergovernmental Agreement with the County of DuPage for a 50/50 cost share of a right of way enhancement project at the south east corner along Plainfield Road from Cass Avenue to Linden Avenue and Cass Avenue to the side yard limit of 7614 Gail Avenue.

The obligations of the City of Darien shall be limited to those specifically stated within the terms of the Intergovernmental Agreement.

SECTION 2: This Resolution shall be in full force and effect from and after its passage and approval as provided by law.

PASSED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DUPAGE COUNTY, ILLINOIS, this 21st day of August, 2023.

CITY ATTORNEY

**INTERGOVERNMENTAL AGREEMENT
BETWEEN THE COUNTY OF DU PAGE
AND THE CITY OF DARIEN
FOR RETAINING WALL CONSTRUCTION ALONG CH 31/PLAINFIELD ROAD
FROM CASS AVENUE TO LINDEN AVENUE**

This Intergovernmental Agreement (hereinafter referred to as "AGREEMENT") is entered into this _____ day of _____, 2023, between the County of DuPage (hereinafter referred to as the "COUNTY"), a body corporate and politic, with offices at 421 North County Farm Road, Wheaton, Illinois and the City of Darien (hereinafter referred to as the "CITY"), a municipal corporation with offices at 1702 Plainfield Road, Darien Illinois 60561. The COUNTY and the CITY are hereinafter sometimes individually referred to as a "party" or together as the "parties."

RECITALS

WHEREAS, the CITY wishes to improve the existing retaining wall and fencing along the southside right-of-way of CH 31/Plainfield Road at Cass Avenue extending east to Linden Avenue (hereinafter referred to as the "PROJECT"); and

WHEREAS, the existing block retaining wall is exhibiting signs of deterioration; and

WHEREAS, the CITY has asked, and the COUNTY has agreed, to share 50% cost responsibility for construction of a modular block wall and wood fence; and

WHEREAS, a cost estimate has been prepared and the estimated construction cost of the PROJECT is approximately \$300,000.00; and

WHEREAS, this estimate is agreeable to the COUNTY and the COUNTY will reimburse the CITY 50% of the construction cost, estimated COUNTY share \$150,000.00, and 50% of design and construction engineering costs, estimated COUNTY share \$37,500.00; and

WHEREAS, the COUNTY and the CITY desire to establish the parties' cost responsibilities and future maintenance with respect to the PROJECT; and

WHEREAS, the COUNTY by virtue of its power set forth in "Counties Code" (55 ILCS 5/5-1001 *et seq.*) and "Illinois Highway Code" (605 ILCS 5/5-101 *et seq.*) and the CITY by virtue of its power set forth in the "Illinois Municipal Code" (65 ILCS 5/1-1-1 *et seq.*) are authorized to enter into this AGREEMENT; and

WHEREAS, a cooperative intergovernmental agreement is appropriate and such an agreement is authorized and encouraged by Article 7, Section 10 of the Illinois Constitution and the Intergovernmental Cooperation Act (5 ILCS 220/1 *et seq.*).

NOW, THEREFORE, in consideration of the premises, the mutual covenants, terms, and conditions herein set forth, and the understandings of each party to the other, the parties do hereby mutually covenant, promise and agree as follows:

1.0 INCORPORATION

- 1.1. All recitals set forth above are incorporated herein and made part thereof, the same constituting the factual basis for this AGREEMENT.
- 1.2. The headings of the paragraphs and subparagraphs of this AGREEMENT are inserted for convenience of reference only and shall not be deemed to constitute part of this AGREEMENT or to affect the construction hereof.

2.0 SCOPE OF PROJECT

- 2.1. The COUNTY and CITY agree to cooperate in and make every effort to cause the construction of the PROJECT.
- 2.2. The PROJECT includes construction of a modular block retaining wall and wood fencing along the southside right-of-way of CH 31/Plainfield Road at Cass Avenue and extending east to Linden Avenue and would be approximately 300 feet in length. Other related work would include, but not be limited to, partial removal of the existing retaining wall, tree and brush removal, filling gap between existing and proposed walls, and landscape restoration.

3.0 RESPONSIBILITIES OF THE CITY

- 3.1. The CITY shall act as the lead agency and be responsible for completing all preliminary and design engineering, permit processing, right-of-way acquisition, awarding of contract(s), utility coordination, construction engineering and construction for the PROJECT. The CITY shall be responsible for securing/paying for all PROJECT costs, subject to reimbursement from the COUNTY as noted in Section 4.0 herein below.

- 3.2. Both the COUNTY and CITY agree that the CITY shall manage the contract for the construction of the PROJECT. The CITY agrees to manage the PROJECT in the best interest of both parties and to consult with, and keep advised, officials of the COUNTY regarding the progress of the PROJECT and any problems encountered or changes recommended. No change order which affects COUNTY'S facilities, or COUNTY cost, except normal minor variations in quantities of pay items required to complete the PROJECT shall be authorized except with prior written approval by the COUNTY.
- 3.3. The CITY shall require the General Contractor selected for the PROJECT to name the COUNTY as an additional-insured for the Commercial General Liability in the Special Provisions section of the contract for the PROJECT.
- 3.4. The CITY shall provide plans for the PROJECT to the COUNTY for review. The CITY will address any reasonable comments or correct any errors submitted by the COUNTY after said review.

4.0 RESPONSIBILITIES OF THE COUNTY

- 4.1. The COUNTY agrees to reimburse the CITY for 50% of the actual construction cost for the PROJECT, COUNTY share estimated to be \$150,000.00 (see Exhibit A).
- 4.2. The COUNTY also agrees to reimburse the CITY for 50% of the actual design and construction engineering for the PROJECT, COUNTY share estimated to be \$37,500.00 (see Exhibit A).
- 4.3. The COUNTY agrees to pay the CITY eighty (80%) percent of its share of the PROJECT construction cost (\$120,000.00) upon award of the contract for the PROJECT based upon as-bid unit prices for the PROJECT. Upon completion of the PROJECT and based upon the documentation of final costs and quantities, submitted by the CITY and a final invoice, the COUNTY agrees to reimburse the CITY for the balance of its share of the PROJECT cost within sixty (60) days of receipt of a properly documented invoice from the CITY.
- 4.4. The COUNTY hereby grants to the CITY, its employees, contractors and agents a right-of-entry for ingress and egress onto, over, under and above the COUNTY property within the boundaries of the PROJECT for the purpose of constructing the PROJECT. The COUNTY shall retain the right of ingress and egress over said areas so long as it does not interfere with the CITY'S work. The CITY shall provide twenty-four (24) hour notice when it will be entering COUNTY property and commence work. Upon completion of the PROJECT, the right-of-entry shall terminate.

4.5. This AGREEMENT shall serve in lieu of COUNTY permit(s) for the construction of the PROJECT and upon execution of this AGREEMENT the CITY will be bound by the General Terms of Highway Permits as they exist on the date of execution of this AGREEMENT by the COUNTY.

5.0 MAINTENANCE

5.1. Upon completion of the PROJECT, the CITY shall own and be responsible for all future maintenance of the modular block retaining wall and wood fence.

6.0 INDEMNIFICATION

6.1. The COUNTY shall, indemnify, hold harmless and defend the CITY, its officials, officers, employees, and agents from and against all liability, claims, suits, demands, proceedings and action, including costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the COUNTY'S negligent or willful acts, errors or omissions in its performance under this AGREEMENT to the extent permitted by law. The COUNTY does not hereby waive any defenses or immunity available to it with respect to third parties.

6.2. The CITY shall indemnify, hold harmless and defend the COUNTY, its officials, officers, employees, and agents from and against all liability, claims, suits, demands, proceedings and action, including costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the CITY'S negligent or willful acts, errors or omissions in its performance under this AGREEMENT to the extent permitted by law. The CITY does not hereby waive any defenses or immunity available to it with respect to third parties.

6.3 The COUNTY and the CITY acknowledge that neither has made representations, assurances or guaranties regarding their or any successor's or assign's authority and legal capacity to indemnify the other as provided for in this AGREEMENT. In the event a court of competent jurisdiction holds that either, or any successor or assign, is deemed to lack the lawful authority or ability to indemnify, defend or hold harmless the other party, or any person or entity claiming a right through either, or in the event of change in the

laws of the State of Illinois governing their or any successor's or assign's indemnification authority, such

occurrence(s) shall not affect the validity and enforceability of the remainder of this AGREEMENT or the parties rights and obligations provided for therein.

6.4. Nothing contained herein shall be construed as prohibiting either the COUNTY or the CITY, its officials, directors, officers, agents and employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, proceedings and actions brought against them. Pursuant to Illinois law, 55 ILCS 5/3-9005, any attorney representing the COUNTY, who is not already an Assistant State's Attorney, is to be appointed a Special Assistant State's Attorney, as provided in 55 ILCS 5/3-9008. The COUNTY or the CITY'S participation in its defense shall not remove the others duty to indemnify, defend, and hold the COUNTY harmless, as set forth above.

6.5. Neither party waives, releases or otherwise compromises, by these indemnity provisions, any defenses or protections under the Local Governmental and Governmental Employees Tort Immunity Act (745 ILCS 10/1 et seq.) or otherwise available to it, or to the other party, under the law." There are no third-party beneficiaries of these mutual indemnifications or this AGREEMENT.

6.6. Any indemnity as provided in this AGREEMENT shall not be limited by reason of the enumeration of any insurance coverage herein provided. Except with respect to occurrences arising before the completion of the Project, the CITY'S and COUNTY'S indemnification under Section 6.0 hereof shall terminate when the PROJECT is completed and the CITY and COUNTY assume its maintenance responsibilities as set forth in Section 5.0 hereof.

7.0 GENERAL

7.1. It is understood and agreed by the parties hereto that this AGREEMENT is intended to address the PROJECT and no changes to existing roadway and appurtenance maintenance and/or jurisdiction are proposed.

7.2 Whenever in this AGREEMENT, approval or review of either the COUNTY or CITY is provided for, said approval or review shall not be unreasonably delayed or withheld.

7.3 In the event of a dispute between the COUNTY and CITY representatives in the preparation of the plans and specifications, or changes thereto, or in carrying out the

terms of this AGREEMENT, the County Engineer and the CITY Manager or their duly appointed representatives shall meet and resolve the issue.

7.4 No later than fourteen (14) days after the execution of this AGREEMENT, each party shall designate a representative to the other party who shall serve as the full-time representative of said party during the carrying out of the construction of the PROJECT. Each representative shall have authority, on behalf of such party, to receive notices and make inspections relating to the work covered in this AGREEMENT. Representatives shall be readily available to the other party.

7.5 This AGREEMENT may be executed in two or more counterparts, each of which shall be deemed an original and all of which shall be deemed one in the same instrument.

8.0 ENTIRE AGREEMENT

8.1. This AGREEMENT represents the entire AGREEMENT between the parties with respect to the PROJECT and supersedes all previous communications or understandings whether oral or written.

9.0 NOTICES

9.1. Any notice required shall be deemed properly given to the party to be notified at the time it is personally delivered or mailed by certified mail, return receipt requested, or sent by confirmed email, to the party's address. The address of each party is as specified below. Either party may change its address for receiving notices by giving notices thereof in compliance with the terms of this subsection.

10.0 AMENDMENT, MODIFICATION OR TERMINATION OF THIS AGREEMENT

10.1. No modification or amendment to this AGREEMENT shall be effective until approved by the parties in writing.

11.0 NON-ASSIGNMENT

11.1. This AGREEMENT shall not be assigned by either party without the written consent of the other party, whose consent shall not be unreasonably withheld.

12.0 AUTHORITY TO EXECUTE/RELATIONSHIP

12.1. The parties hereto have read and reviewed the terms of this AGREEMENT and by their signature as affixed below represent that the signing party has the authority to execute this AGREEMENT and that the parties intend to be bound by the terms and conditions contained herein.

12.2. This AGREEMENT shall not be deemed or construed to create an employment, joint venture, partnership or other agency relationship between the parties.

13.0 GOVERNING LAW

13.1. This AGREEMENT shall be governed by the laws of the State of Illinois as to both interpretation and performance.

13.2. The forum for resolving any disputes concerning the parties' respective performance, or failure to perform, under this AGREEMENT, shall be the Judicial Circuit Court for DuPage County.

14.0 SEVERABILITY

14.1. In the event any provision of this AGREEMENT is held to be unenforceable or invalid for any reason, the enforceability thereof shall not affect the remainder of the AGREEMENT. The remainder of this AGREEMENT shall be construed as if not containing the particular provision and shall continue in full force, effect, and enforceability, in accordance with its terms.

15.0 FORCE MAJEURE

15.1. Neither party shall be liable for any delay or nonperformance of their obligations caused by any contingency beyond their control including but not limited to Acts of God, war, civil unrest, strikes, walkouts, fires or natural disasters.

IN WITNESS whereof, the parties set their hands and seals as of the date first written above.

AGENDA MEMO
Municipal Services Committee
August 21, 2023

ISSUE STATEMENT

A [resolution](#) accepting a proposal at the unit prices for LED-Illuminated Street Name Signs for the intersection at 67th Street and Clarendon Hills Road from Traffic Control Corporation in an amount not to exceed \$12,064.00

AND

A [resolution](#) accepting a proposal for the installation of the LED-Illuminated Street Name Signs for the intersection at 67th Street and Clarendon Hills Road from H&H Electric Company in an amount not to exceed 9,358.48.

BACKGROUND/HISTORY

The following purchase is for LED-Sign Panels for the intersection of 67th Street and Clarendon Hills Road. The illuminated panels would be installed on the mast arms through suspended hardware. The lighted panels would provide an additional enhancement to motorists to identify the intersection. The panels would consist of double-sided panels with the following quantities:

- 2-67th Street Panels-east bound and west bound
- 2-Clarendon Hills Road-north bound and south bound

Please note the Traffic Signal Contract does include typical aluminum street name plates and a credit in the amount of \$1,599.27 would be applied towards the upgrade. The City would purchase the panels from Traffic Signs Corporation, sole distributor for Illinois, see attached sole source letter labeled as [Attachment A](#). Also attached are the specifications, labeled is [Attachment B](#).

The installation would be completed by H&H Electric Company, the City's awarded vendor for the traffic signal project. The scope of work includes, installation and wiring into the control panel. The total cost for the installation is \$9,358.48.

The total cost for the purchase and installation will be \$21,422.48. With the applied credit the net cost will be \$19,823.21. Please recall the Village of Willowbrook is cost sharing with the City for the traffic signals and has been requested to cost share 25% of the project, or a not to exceed \$200,000. The Village of Willowbrook will be considering the item at an upcoming Village Board meeting, pending City Council approval. Attached and labeled as [Attachment C](#) is the cost summary and projection for the project.

Please note this item was not budgeted for the FY23/24 Budget, thus will be over budget. The proposed expenditure would be expended from the following line account:

ACCOUNT NUMBER	ACCOUNT DESCRIPTION	FY 23-24 BUDGET	PROPOSED EXPENDITURE
25-35-4390	Clarendon Hills Rd and 67 th St Traffic Signal-Illuminated Panels	\$330,000	\$12,064.00
25-35-4390	Clarendon Hills Rd and 67 th St Traffic Signal-Panel Install	N/A	\$ 9,358.48
25-35-4390	Clarendon Hills Rd and 67 th St Traffic Signal-Aluminum Sign Panel Credit	N/A	(\$1,599.27)
Net Total Cost		N/A	\$19,823.21

STAFF RECOMMENDATION

Staff recommends approval of a resolution accepting a proposal at the unit prices for LED-Illuminated Street Name Signs for the intersection at 67th Street and Clarendon Hills Road from Traffic Control Corporation in an amount not to exceed \$12,064.00.

AND

A resolution accepting a proposal for the installation of the LED-Illuminated Street Name Signs for the intersection at 67th Street and Clarendon Hills Road from H&H Electric Company in an amount not to exceed 9,358.48.

ALTERNATE DECISION

As recommended by the Committee.

DECISION MODE

This item will be on the August 21, 2023, New Business, City Council agenda for formal consideration.

LED Standard Body

Illuminated Street Name Sign Specification

1.0 General

1.1 LED Internally Illuminated Street Name Signs manufactured by Traffic Signs, Inc. are designed to display the required street name clearly and legibly in the daylight hours without being energized and at night, when energized. Standard sign lengths are four, six, or eight foot (see section 2.0). Two-way signs display the street name in both directions and most commonly mount on free swinging brackets below a mast arm. Single sided signs can mount in the same fashion as a two-way sign but most commonly are rigidly mounted to the mast arm. Street names shall be displayed on a translucent sign face that shall be white or white reflective material (see Section 3.0)

2.0 Mechanical Construction

2.1 The sign shall be constructed using a weatherproof, aluminum housing consisting of an extruded aluminum top with a minimum thickness of .140" x 10 3/4" deep (including the drip edge). The extruded aluminum bottom is .094" thick x 5 7/8" deep. The ends of the housing shall be cast aluminum with a minimum thickness of .250". A six-foot sign shall be 72 5/8" long and 22 5/16" tall and weigh approximately 77 pounds. An eight-foot sign shall be 96 5/8" long and 22 5/16" tall and weigh approximately 92 pounds. All corners are continuous TIG (Tungsten Inert Gas) welded to provide a weatherproof seal around the entire housing.

2.2 The door shall be constructed of extruded aluminum. The two bottom corners are TIG welded with the top two corners screwed together to make the top section of the door removable for installation of the sign face. The door is fastened to the housing on the bottom by a full length, .040" x 1 1/8" open stainless steel hinge. The door(s) shall be held secure onto a 1" wide by 5/32" thick neoprene gasket by three (two on a four or six foot sign) stainless steel quarter-turn fasteners on the top, per door, to form a watertight seal between the door and the housing.

2.3 The sign face(s) shall be .125" clear sign grade, impact modified acrylic for reflective faces or .125" white polycarbonate for non-reflective sign faces. The letters shall be 8" Highway Series D, Clearview Highway font, or as specified.

2.4 The exterior finish of the sign shall be provided as a wet coat paint or powder coat in the desired color. A mill, natural aluminum finish will be provided if desired.

2.5 All fasteners and hardware shall be corrosion resistant stainless steel.

3.0 Sign Face

3.1 The sign face shall display the required street name. The face material used will be white, .125" thick Sign Grade Polycarbonate sheet with translucent vinyl of the required color applied as either the background color with white lettering, or if specified, the letter color with white background. If a reflective sign is required as well as illuminated, the sign face material used will be clear, Impact Modified Acrylic with 3M DG³ (#4090T) translucent, reflective sheet. Electronically cuttable film of the specified color shall be applied as per the above description for vinyl application. The completed sign face shall be housed in the hinged, extruded aluminum doorframe as described in section 2.2.

4.0 Electrical

4.1 LED Light Engines are manufactured using LED strips from J & J Electronics. SN series light engines are designed for easy installation and removal from the sign housing. This feature makes the light engine very simple to work on for future maintenance if required and also ideal for retrofitting older signs to update from fluorescent or outdated or failed LED units.

4.2 Insulated wire compression connectors shall secure all wiring splices, where necessary.

4.3 A wire entrance junction box shall be supplied as a standard with the sign assembly. The box will be mounted to the exterior of the sign and provide a weather tight seal for connection of field wires.

4.4 An optional photoelectric switch shall be mounted to the wire entrance junction box to control lighting functions for day and night display.

Note: Warranty requires control of the duty cycle limiting operation to dusk-to-dawn hours only. This function can be accomplished at the controller for all signs in the intersection.

4.5 The LED street name sign will be powered by one or more (depending on size of sign) 24VDC, Class 2 power supplies to reduce incoming 120VAC to 24VDC.

5.0 Brackets and Mounting

5.1 LED internally illuminated street name signs can be factory drilled to accommodate free swinging, mast arm two-point support assembly mounting brackets. As mentioned, one-way signs can be manufactured with internal stiffeners to support rigid mounting to a mast arm. Other mounting options are available to accommodate special requirements.

LED Light Engine Specification

1.0 PURPOSE

The purpose of this specification is to provide the minimum performance requirements for the LED Light Engine, manufactured by Traffic Signs, Inc., for illuminated street signs. This specification is not intended to impose restrictions upon specific designs and materials that conform to the purpose and intent of this specification. The LEDs utilized in this product shall be white in color and utilize InGaN or UV thermally efficient technology.

2.0 PHYSICAL AND MECHANICAL REQUIREMENTS

2.1 General

TSI, LED Light Engines are designed for use in new installations, or to retrofit standard illuminated street name signs in lieu of old fluorescent lamps and ballast or other LED engines to improve efficiency and maintenance requirements.

2.2 Environmental Requirements

The LED lamp shall be rated for use in the ambient operating temperature range of -40 to 122°F and for storage in the ambient temperature range of -40 to 158°F.

2.3 Construction

2.3.1 The LED Light Engine shall be a single, self-contained device, for installation in an existing street sign housing. The power supply shelf is designed to be mounted on the inside wall at the end of the street sign housing. The LED Light Engine shall be mounted within the inner top portion of the housing and no components of the light source shall sit between the sign faces.

2.3.2 The assembly and manufacturing processes of the LED Light Engine shall be designed to ensure that all LED and electronic components are adequately supported to withstand mechanical shocks and vibrations in compliance with the specifications of the ANSI, C136.31-2001 standards.

3.0 ELECTRICAL

3.1 Voltage Range

3.1.1 The LED Light Engine shall operate from a 60 ± 3 cycle AC line power over a voltage range of 80 to 135 Vac rms.

3.1.2 Fluctuations in line voltage over the range of 80 to 135 Vac shall not affect luminous intensity by more than ± 10 %.

3.2 Power Factor (PF) and AC Harmonics

3.2.1 The LED Light Engine shall provide a power factor of 0.90, or greater, when operated at nominal operating voltage and at a temperature of +25°C (+77°F).

3.2.2 Total harmonic distortion induced into the AC power line by the LED Light Engine, operated at a nominal operating voltage, and at a temperature of +25°C (+77°F), shall not exceed 20 %.

3.2 Duty Cycle

The LED Light Engine shall be cycled ON and OFF with a photocell, timer, or other device that would only turn the unit ON during the hours of darkness.

4.0 PHOTOMETRIC REQUIREMENTS

4.1 Luminous Intensity & Distribution

4.1.1 The entire surface of the sign panel shall be evenly illuminated. The average maintained luminous intensity measured across the letters, operating under the conditions defined in Sections 2.2 and 3.3, shall be of a minimum value of 100 cd/m².

5.0 QUALITY ASSURANCE

5.1 General

5.1.1 Quality Assurance Program

The LED Light Engine shall be manufactured in accordance with a vendor quality assurance (QA) program. The production QA shall include statistically controlled routine tests to ensure minimum performance levels of the LED Light Engine build to meet this specification.

5.1.2 Conformance

The LED Light Engine that does not satisfy the production QA testing performance requirements shall not be labeled, advertised, or sold as conforming to these specifications.

5.2 Manufacturers Serial Numbers

Each LED Light Engine shall be identified by a manufacturer's serial number for warranty purposes.

6.0 WARRANTY

Seven-year limited warranty on light engine (5 year on power supply); full statement provided separately.

RESOLUTION NO. _____

A RESOLUTION ACCEPTING A PROPOSAL AT THE UNIT PRICES FOR LED-ILLUMINATED STREET NAME SIGNS FOR THE INTERSECTION AT 67TH STREET AND CLARENDON HILLS ROAD FROM TRAFFIC CONTROL CORPORATION IN AN AMOUNT NOT TO EXCEED \$12,064.00

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DU PAGE COUNTY, ILLINOIS, as follows:

SECTION 1: The City Council of the City of Darien does hereby accepts a proposal at the unit prices for LED-Illuminated Street Name Signs for the intersection at 67th Street and Clarendon Hills Road from Traffic Control Corporation in an amount not to exceed \$12,064.00, a copy of which is attached hereto as "[Exhibit A](#)".

SECTION 2: This Resolution shall be in full force and effect from and after its passage and approval as provided by law.

PASSED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DU PAGE COUNTY, ILLINOIS, this 21st day of August 2023.

AYES: _____

NAYS: _____

ABSENT: _____

APPROVED BY THE MAYOR OF THE CITY OF DARIEN, DU PAGE COUNTY, ILLINOIS this 21st day of August 2023.

August 21, 2023

ISSUE STATEMENT

Approval of a [resolution](#), Change Order No. 1, authorizing the purchase of one (1) new 2024 Peterbilt Model 548 cab and chassis with Monroe body, to replace unit 109, from Peterbilt Illinois Joliet, Inc. dba JX Truck Center, in amount not to exceed \$27,038.34.

BACKGROUND/HISTORY

The new Peterbilt truck was approved for replacement in May of 2021, see [Attachment A](#). Truck inventory continues to be nonexistent and production has not returned to full capacity since the pandemic. Recently Peterbilt reached out their distributors and informed them that the 348 was no longer in production and being replaced with Model 548. See attached email labeled as [Attachment B](#). The end result is a net increase of \$27,038.34 While Staff has been continuing to research purchasing opportunities for these larger trucks results have been unsuccessful.

As further information only, Monroe Truck Equipment has not indicated that there will be any price increases at this time.

The FY23/24 Budget includes carryover funding for the abovementioned items from the following account:

ACCOUNT NUMBER	ACCOUNT DESCRIPTION	FY 22/23 BUDGET	EXPENDITURE	BALANCE
01-30-4815	Capital Purchases Truck Replace Unit 109 Cab & Chassis	\$ 306,000.00	\$ 98,554.65	\$207,445.35
01-30-4815	Capital Purchases Truck Replace Unit 109 Dump & Snow Plowing Equipment	N/A	\$122,373.00	\$85,072.35
01-30-4815	Capital Purchases Utility Truck Unit 109 Striping	N/A	\$ 1,107.22	\$83,965.13
Sub-Total	FY 21/22 City Council Approved	N/A	\$222,034.87	\$83,965.13
01-30-4815	Change Order No.1 JX Truck Center	N/A	\$ 27,038.34	\$56,926.79
Total	Total Expenditure	\$306,000.00	\$249,073.21	\$56,926.79

STAFF RECOMMENDATION

Staff recommends approving a resolution, Change Order No. 1, in amount not to exceed \$27,038.34 for the cost increase for the 2024 Peterbilt Model 548 cab and chassis.

ALTERNATE CONSIDERATION

As directed by the Committee.

DECISION MODE

This item will be placed on the August 21, 2023, City Council agenda, New Business for formal consideration.

AGENDA MEMO
City Council
May 3, 2021

ISSUE STATEMENT

Approval of a resolution authorizing the purchase of one (1) new 2021 Peterbilt Model 348 cab and chassis, to replace unit 109, from JX Truck Center, an amount not to exceed \$98,554.65.

AND

Approval of a resolution accepting a proposal from Monroe Truck Equipment for the purchase of a dump body, snow plow equipment package, lighting accessories, and hydraulic controls, for the 2021 Peterbilt Model 348, in an amount not to exceed \$122,373.00.

BACKGROUND/HISTORY

The vehicle up for replacement is a 2010 International MaxxForce that received a 76.29 rating with approximately 52,000 miles, and is starting to experience issues with the diesel particulate filter, EGR cooler and multiple turbo issues. The unit has served its useful life and requires replacement. See Attachment A. The department has been utilizing the Peterbilt line for the last two years and has provided very reliable performance.

The cab and chassis will be purchased from JX Truck Center, delivered to Monroe Truck Equipment for the dump body, pneumatic and hydraulic controls, snowplow equipment package and safety lighting. Both the cab & chassis as well as the body and snowplow equipment would be purchased through the Sourcewell Purchasing Cooperative, formerly National Joint Purchase Alliance Program (NJPA), under Contract No 081716-PMC. See Attachment B.

The FY21/22 Budget includes funding for the abovementioned items from the following accounts:

ACCOUNT NUMBER	ACCOUNT DESCRIPTION	FY 21/22 BUDGET	EXPENDITURE	BALANCE
01-30-4815	Capital Purchases Truck Replace Unit 109 Cab & Chassis	\$ 225,000.00	\$ 98,554.65	\$ 126,445.35
01-30-4815	Capital Purchases Truck Replace Unit 109 Dump & Snow Plowing Equipment	N/A	\$ 122,373.00	\$ 4,072.35
01-30-4815	Capital Purchases Utility Truck Unit 109 Striping	N/A	\$ 1,107.22	\$ 2,965.13

COMMITTEE RECOMMENDATION

The Municipal Services Committee recommends approval of a resolution authorizing the purchase of one (1) new 2021 Peterbilt Model 348 Cab and Chassis, to replace unit 109, from JX Truck Center in an amount not to exceed \$98,554.65

AND

Approval of a resolution accepting a proposal from Monroe Truck Equipment for the purchase of a dump body and snow plow equipment package, lighting accessories, and hydraulic controls, for the 2020 Peterbilt Model 348, in an amount not to exceed \$122,373.00.

2021 Peterbilt and Equipment

NJPA CONTRACT 081716-PMC

Date: 1/6/2021

To: CITY OF DARIEN
1041 S FRONTAGE ROAD
DARIEN, IL 60561
Kris Throm

Dear Kris,

JX Peterbilt - is pleased to present a price quotation for (1) New 2021 Peterbilt Model 348 cab and chassis with the enclosed specifications.

Peterbilt Cab & Chassis

All as per attached specifications

2020 List price-----\$146,241.00
Sourcewell Discount 35%-----\$51,184.35
JX return customer discount-----\$1500.00
Total chassis price -----\$93,556.65

<i>2021 Peterbilt 348 tandem axle with enclose specs</i>	\$95,514.65
<i>Title fees/Doc Fees/Floorplan</i>	<i>Included</i>
<i>Heated Winshield</i>	\$750.00
<i>Warranty: Engine & Aftertreatment 5 year/100k miles</i>	\$2,290.00
Total	\$98,554.65

****Quote Valid for 60 days****

Options:

-Early chassis payoff: Deduction of \$1500.00 from chassis price per unit

Sincerely,

Tor Michael William Larkin | Fleet Account Manager

Sales Code	Std/ Opt	Description	Weight
Base Model			
0003481	S	Model 348 The Model 348 was designed to exceed the rigid demands of Class 7 and Class 8 specialty application markets that require rugged durability and a wide range of optional content. The Model 348 represents a multi-dimensional performer with a GVW from 33,000 to 66,000 lbs. and optional capacity ratings to suit almost any vocation. The 348 is also available in a specifically designed all-wheel-drive configuration. From construction and crane service to utility and delivery services in both Class 7 and Class 8 markets, the 348 is in a class by itself.	10,610
0091200	S	Other Commodity	0
0093150	O	Snowplow Truck which is configured for mounting a snowplow to the front. May also have dump or other body.	0
0095170	O	End Dump	0
0098170	S	United States Registry	0
Configuration			
0200700	S	Not Applicable Secondary Manufacturer	0
Frame & Equipment			
0514000	O	10-3/4" Steel Rails To 354" 10.75x3.5x.375 Dimension, 2,136,000 RBM; Yield Strength: 120,000 psi. Section Modulus: 17.8 cubic inches. Weight: 1.74 lbs/inch pair	478
0612230	O	Custom Wheelbase or Overhang Engineering approval may be required.	0
0613090	S	Three-Piece Crossmembers	0
0620580	O	27.8in Bumper Extension without Adapter Includes Stationary Grille. Requires FEPTO Bumper.	75
0644090	S	EOF Square without Crossmember End-of-frame square without crossmember. For use with body builder installed crossmember.	0
0651090	S	Omit Rear Mudflaps and Hangers	0
Front Axle & Equipment			
1011360	O	Dana Spicer D2000F 20,000 lb, 3.5 in. Drop Factory front axle alignment to improve handling & reduce tire wear. Zerk fittings on tie rod ends, king pins, & draglink ball joints for ease of maintenance & help extend service life of components. Cognis EMGARD® FE 75W-90 synthetic axle lube provides over 1% fuel economy improvement. Reduces wear & extends maintenance intervals, resulting in increased uptime. Provides improved fluid flow to protect components in extreme cold conditions & withstand the stress from high temperatures, extending component life.	144

Price Valid: July 1, 2020

Deal: VO DARIEN

Quote Number: 000-757844-BAM/RO

Sales Code	Std/ Opt	Description	Weight
1114030	O	Taper Leaf Springs, Shocks 20,000 lb Standard with Heavy Resistance Shocks.	119
1243050	O	Power Steering Sheppard HD94 Dual For use with 16,000 to 20,000 lb. axle ratings.	80
1250250	O	Power Steering Reservoir Frame Mounted w/Cooler A power steering cooler helps reduce the heat of the power steering fluid. This is commonly used with systems that may experience more stress from towing or off-road driving.	2
1354855	O	PHP10 Iron PreSet Hubs-Air Disc	0
1380290	O	Bendix Air Disc Front Brakes Bendix air disc front brakes use a floating caliper design to provide foundation braking on all axles and complies with reduced stopping distance regulations.	30
1391480	O	Pad Dust Shields for Air Disc Brakes; Front Axle Pad dust shields for air disc brakes can increase brake life. Brake dust shields reduce the buildup of road grime, extend brake system life and prevent premature failure.	2
Rear Axle & Equipment			
1513280	S	Dana Spicer S23-172, 23,000lb	0
1616370	S	PHP10 Iron PreSet Hubs	0
1660000	O	Dust Shields For Cam Brakes, Drive Axle(s)	15
1680500	S	SBM Valve Full trucks require a spring brake modulation (SBM) system for emergency braking application. This system requires an SBM valve and a relay valve with spring brakes on the rear axles. The SBM valve allows the foot valve to operate the rear axle spring brakes if a failure exists in the rear air system.	0
1680950	S	Stability System Not Selected Or Not Available	0
1682430	S	Anti-Lock Braking System (ABS) 4S4M ABS-6. Includes air braking system.	0
1684200	S	Synthetic Axle Lubricant All Axles Peterbilt heavy duty models include Fuel Efficient Cognis EMGARD FE75W-90 which provides customers performance advantages over current synthetic lubricants with reduced gear wear and extended maintenance intervals, resulting in increased uptime. In addition, the lubricant provides improved fluid flow to protect gears in extreme cold conditions and withstand the stress from high temperatures, extending component life.	0
1686348	S	Single Drive Axle (Model 348)	0
1687080	O	Air Disc Rear Brakes, Single Drive Axle	0
1706140	O	Ratio 6.14 Rear Axle	0

Description

SOURCEWELL (NUPA) MULTI-PURPOSE DUMP BODY PATROL TRUCK PACKAGE
 SKU # 9TRR000708
 SOURCEWELL MEMBER # 110530

Amount

MONROE RADIUS DUMP SPREADER BODY

- 10' RDS COMBO BODY BUILT OF 201 STAINLESS STEEL
- DA TELESCOPIC HOIST WITH TRUNION MOUNT
- REAR DISCHARGE
- DUAL AUGER CONVEYOR SYSTEM WITH PLANETARY DRIVER GEARBOX SYSTEM
- AIR TRIP TAILGATE
- ILLINOIS DOT SS 1/2 CAB GUARD
- TAPERED FRONT TO REAR INTEGRATED SIDES MADE OF 201 STAINLESS STEEL
- SELF LEVELING STAINLESS STEEL REAR SPINNER ASSEMBLY WITH POLY SPINNER DISC
- PAIR OF STAINLESS STEEL FENDERS OVER REAR WHEELS W/ RUBBER FLAPS FRONT AND REAR
- STAINLESS STEEL 16" WIDE FOLD-UP LADDER W/ BUSTIN STEPS ON BOTH SIDES
- GREASE LINE KIT FOR AUGERS AND AIR TAILGATE LINKAGE
- STAINLESS STEEL TOP GRATES
- STAINLESS STEEL FLOOR COVER TO PROTECT AUGERS DURING SUMMFR USE
- SPRAY BAR KIT FOR PREWET IN AUGER TROUGH
- SPILL GUARD: PIN-ON SPREADER APRON, STAINLESS STEEL
- (2) SS SPRING LOADED SHOVEL HOLDERS - ONE EACH SIDE
- RED/WHITE REFLECTIVE TAPE
- BODY UP INDICATOR PROGRAMMED INTO 5100 CONTROLLER

PULLTARP BRAND TARP ASSEMBLY

- GALVANIZED STEEL HOUSING
- ASPHALT TARP WITH SIDE FLAPS
- FULLY RETRACTABLE W/O ARMS

REAR HITCH

- 1" PINTLE PLATE WITH 3/4" D-RINGS
- PINTLE HOOK W/MOUNTING, SOTON
- 6 PRONG TRAILER PLUG
- RELOCATE O.E.M. TRAILER PLUG
- BACK UP ALARM
- ELECTRIC BRAKE CONTROLLER

LIGHTS - WHELEN, JUSTICE SUPER LED ILL STROBE SYSTEMS, 72" LIGHT BAR

- 72" JUSTICE LED LIGHT BAR MOUNTED ON ROOF WITH LED SCENE LIGHTS
- LED S/T/T MOUNTED IN REAR POST, PINTLE PLATE AND ON TOP OF CAB SHIELD
- LED BACK UP LIGHT MOUNTED IN REAR CORNER POST
- 2 AMBER AND 1 CLEAR STROBE INSTALLED OUTSIDE THE CORNER POST ON EACH SIDE
- 2 LED SPREADER LIGHTS
- 2-YEAR WARRANTY

10' MONROE 4500 SERIES EXTRA HEAVY DUTY UNDERBODY SCRAPER

Description

STANDARD EQUIPMENT:

- 1" THICK X 20" HIGH MOLDBOARD
- 5" CENTER PIN WITH THREE 3/4" MOUNTING BOLTS
- 2 1/2" DIAMETER HINGE SHAFT
- (2) HEAVY DUTY SHOCK ABSORBERS
- (2) 3 1/2" ACTUATING CYLINDERS
- 400 PSI CUSHION VALVE
- 1" SOLID NOTCH-LESS REVERSING CIRCLE (CAN ROTATE A FULL 45 DEG.)
- 4" REVERSING CYLINDERS W/ 2" CYLINDER RODS
- CONTOURED HOLD-DOWN BLOCKS WITH 3/8" UHMV POLY WEAR PLATES
- 96" LONG SOLID SHAFT HINGE WITH 3 ANCHOR PLATES
- ALL HINGES ARE GUSSETED WITH 1/2" MATERIAL
- HANGER PLATES: 3/4" X 25.5W" X 22"H, 1.25 GAUGE
- GREASE LINE EXTENSION: 19-BANK (LUBRICATES THE TRUNNIONS)
- (2) CURB GUARDS: WRAP-AROUND
- POWDER COATED BLACK
- INSTALLED

PRE-WET

- (2) 120 GALLON POLY PRE-WET TANKS MOUNTED ON SIDES OF BODY
- OPEN LOOP
- HYDRAULIC DRIVEN 7 G.P.M. PUMP
- STAINLESS STEEL MOUNTING HARDWARE
- CROSSOVER KIT
- BULK FILL KIT
- SNORKEL VENTING KIT FOR TANKS
- DISCHARGED WITH SLURRY BAK IN SPREADER TROUGH

PRE-WET SYSTEM - SINGLE 120 GAL BEHIND CAB TANK

- CLOSED LOOP
- PLUMBED INTO RDS TANKS WITH DIVERTER VALVE

PLOW HITCH:

- MC7082 QUICK HITCH W/FLAT FOLD CAPABILITY
- 4" X 10" DOUBLE ACTING LIFT CYLINDER
- REINSTALL FACTORY BUMPER
- HEATED LED PLOW LIGHTS MOUNTED ON STAINLESS STEEL BRACKETS

MONROE TORSION TRIP EDGE "J" STYLE POLY REVERSIBLE PLOW

STANDARD EQUIPMENT:

- 45" HIGH X 11' LENGTH
- (10) 1/2" ONE-PIECE FLAME CUT RIBS
- 2" X 3" X 3/8" TOP ANGLE
- 4" X 4" X 3/4" BOTTOM ANGLE
- (6) ADJUSTABLE 3/4" TORSION TRIP SPRING ASSEMBLIES FOR A TWO-SECTION TRIP
- CARBIDE CUTTING EDGE W/ COVER BLADE
- 4" X 4" X 3/8" CROSS-TUBE SUPPORT
- HEAVY DUTY PUSHFRAME WITH 2" MOUNTING PLATE AND 2" BOLT HOLE
- RIGHT HAND MAILBOX TRIM PER OPTIMUM DIMENSION AT FULL REVERSE ANGLE
- (2) DOUBLE ACTING REVERSE CYLINDERS WITH CUSHION VALVE
- MOLDBOARD AND PUSHFRAME TO BE 100% CONTINUOUSLY WELDED
- MOLDBOARD POWDER COATED ORANGE
- PUSH FRAME POWDER COATED BLACK
- MTE QUICK HITCH PLOW SIDE ATTACHMENT
- RUBBER SNOW DEFLECTOR
- FLOURESCENT ORANGE MARKERS
- CURB SHOES ON BOTH SIDES

MANUAL/ELECTRIC HYDRAULICS PACKAGE

STANDARD EQUIPMENT:

- CLOSED LOOP FOR SPREADER AND PRE-WET
- HOIST: 4WAY/3POS, W/500 PSI A PORT RELIEF, 40 GPM
- MANUAL LOAD SENSE MID-INLET SECTION, 2500 PSI MAIN RELIEF
- PLOW LIFT: 4 WAY/3POS, 20 GPM, MANUAL
- PLOW ANGLE: 4 WAY/3POS, 20 GPM, MANUAL
- PRE-WET: 2 WAY, 7 GPM
- AUGER: 2 WAY, 14 GPM
- SPINNER: 2 WAY, 7 GPM
- SCRAPER: 2 WAY CURL
- SCRAPER: 2 WAY ANGLE
- 40 GALLON CAPACITY FILTER STAINLESS HYDRAULIC RESERVOIR WITH INTERNAL FILTER MOUNTED IN CRADLE BEHIND CAB ABOVE FRAME

Description

- FILLER/BREATHING CAP, LEVEL/TEMP SIGHT GLASS, 3/4" MAGNETIC PLUG,
- 60 P.S.I. CONDITION INDICATOR
- VALVE ENCLOSURE MOUNTED IN CRADLE BEHIND CAB
- STAINLESS STEEL LINES TO REAR
- STAINLESS ENCLOSURE WITH WEATHER TIGHT COVER
- MANUAL LEVER CONTROLS
- LUCHBOX SYTLE CONTROL STAND
- FORCE 5100EX-3F GROUND BASED SPREADER CONTROL
- SWITCH PANEL
- ROAD WATCH PAVEMENT MONITOR WITH LCD DISPLAY
- BLAST/PASS BUTTON MOUNTED ON PLOW LEVFR
- INSTALLED

Amount

BRIGADE DASH-MOUNTED BACKUP CAMERA SYSTEM

- (2) LOW-LIGHT CAMERAS W/ INTEGRAL SUNSHIELD & BUILT-IN MICROPHONE
- SPLIT SCREEN MONITOR W/ 7" ANTI-GLARE, COLOR SCREEN, BUILT-IN SPEAKER, CLIP-IN SUNSHIELD
- WASH/DRY FOR BOTH CAMERAS

Quote Total: \$122,373.00

Additional Options:

Description

UPGRADE 5100 CONTROLLER TO 6100 (ADD)

Amount
\$6,839.00

Terms & Conditions

- Terms are Due Upon Receipt unless prior credit arrangements are made at the time of order.
- Please note if chassis is furnished, it is as a convenience and terms are Net Due on Receipt of Chassis.
- State and Federal taxes will be added where applicable. **Out-of-state municipal entities may be subject to Wisconsin sales tax.**
- Restocking fees may be applicable for cancelled orders.
- MTE is not responsible or liable for equipment that does not meet local/state regulations if those laws are not made known at time of order.

By signing and accepting this quote, the customer agrees to the terms listed above and has confirmed that all chassis information listed above is accurate to chassis specs.

RE: 2021 dump body, snow plow equipment package, lighting accessories & hydraulic controls for 2021 Peterbilt model 348

Dear Mr. Markel:

Enclosed please find a certified copy of *Resolution No. R-34-21 – “A RESOLUTION ACCEPTING A PROPOSAL FROM MONROE TRUCK EQUIPMENT FOR THE PURCHASE OF A DUMP BODY, SNOW PLOW EQUIPMENT PACKAGE, LIGHTING ACCESSORIES AND HYDRAULIC CONTROLS, FOR THE 2021 PETERBILT MODEL 348, IN THE AMOUNT OF \$122,373.00,”* passed by the City Council at its regular meeting on May 3, 2021. Should you have any questions or concerns, please give me a call at (630) 353-8106.

Sincerely,
CITY OF DARIEN

A handwritten signature in black ink, appearing to read "Daniel Gombac", is positioned above the printed name and title.

Subject: update on truck pricing
Date: Monday, July 24, 2023 1:19:43 PM

Kris,

The truck I can build you this year would be an order for a previous PO you have. As of pricing it out quickly (before reviewing the spec with you), the sourcewell price is coming out around \$125,000.00 (single axle chassis). I will have a full quote for you once my boss approves everything.

Below is a timeline of Peterbilt increases on pricing. Please feel free to ask any questions and I will gladly come sit with you to review everything as well:

- Mid- 2021 - Supply chain disruptions impact production capacity & component costs leading to the first of several surcharges which apply to existing production orders. (approx \$1500 increase)
- October 2021 - Letter from Peterbilt is distributed to explain continued disruptions, force majeure events, and increases which continues through today.
- Fall 2021 -
 - Peterbilt announces transition of medium-duty chassis lineup to 5-series (new medium duty). Some 348 orders are converted to the new 548.
 - Peterbilt implements additional surcharges on existing production orders. (approx \$2K increase)
 - Sourcewell/Peterbilt publish contract revision with language addressing inclusion of commodity surcharges
- December 2021 - 548 supply chain ramp-up is slower than anticipated -- Peterbilt extends production of 348 chassis on a limited basis to continue to satisfy as much demand as possible.
- January 2022 -
 - Some orders are converted back to 348, the rest become order reservations (waiting list).
 - Surcharges become part of the next model-year price increase. (approx 10K increase)
- Mid-2022 - Peterbilt releases revised/increased pricing for 2nd half 2022 builds (approx \$10K increase)
- September 2022 - Sourcewell & Peterbilt publish contract revision to encompass the new prevailing price levels for municipal/gov't use.
- Late 2022 - Peterbilt releases revised/increased pricing for 1st half 2023 builds (approx \$10K increase)
- Mid 2023 - Peterbilt releases revised/increased pricing for 2nd half of 2023 builds (approx \$5K increase)
-

A look ahead:

- As of 7/2023, medium duty chassis lead time is likely into 2026.
- Late 2023 (upcoming) - expect pricing for 1st half 2024 builds to be released.
- Mid 2024 (upcoming) - expect pricing for 2nd half 2024 builds to be released.

-and onward - new pricing for model-year (yearly at minimum)
- 2027 - significant emissions changes - EPA mandated. Early estimates are \$15K-\$20K add'l. Significantly more if IL adopts CARB emissions.

The belt-driven fully variable speed fan drives communicate directly with the PX9 ECM through the included electronic controller, managing the fan speed to match the exact amount of cooling required. The optimized setup creates smoother engagements, reduces noise and frees up available horsepower. These fan drives are also maintenance-free. A belt, additional pulleys, idlers, tensioners, and a drive hub are included to drive the fan.	724	0

AGENDA MEMO
Municipal Services Committee
August 21, 2023

ISSUE STATEMENT

Approval of a [resolution](#) accepting a proposal from Sutton Commercial Fleet for the purchase of a 2024 Ford F4550 Model dump body, snow plow equipment package, lighting accessories, and hydraulic controls, to replace unit 402, in an amount not to exceed \$108,041.

BACKGROUND/HISTORY

The FY-23 Budget calls for the replacement of Unit 402, a 2009 Chevy/Isuzu W-4500, with 77,926 miles and 84.58 rating, which is utilized within the Water Department. See [Attachment A](#). This vehicle has an extreme idle time as it is utilized as a safety vehicle during water main breaks with emergency lighting to further warn motorists of a traffic lane disruption. The vehicle also has additional idle time due to the electric crane that is utilized for loading and unloading. It is estimated that the idle time to date for the vehicle is approximately 2600 hours which converts to approximately 78,000 additional miles. This truck also houses specialized water tools such as valve keys, fire hydrant stem and seat removal tools, equipment for shoring, fire hydrant, mainline valve and water service repair parts. As stated, the vehicle has a crane for loading/unloading fire hydrants, valves and water main piping. The vehicle further tows the Water Department's Main Break trailer which houses essential equipment and parts to conduct field preventative maintenance and emergency repairs.

Staff has been attempting to order this vehicle for almost a year and there was either no current production, pricing or ability to order a vehicle of this type. The attempt to place this vehicle earlier was not successful as the dealer sold the unit before it could be taken before the City Council for approval. See [Attachment B](#).

The proposed request is for the purchase of a new unit and the up fitting of the vehicle which includes the truck bed, crane, snow and deicing equipment and emergency lighting. The City has partnered with Monroe Trucking for the uplifting and they are part of the Northwest Municipal Conference Suburban Purchasing Cooperative, under Contract No.226.

The FY23/24 Budget does include funds for the purchase and would be charged from the following account and due to unforeseen manufacturing costs this item will be over budget.

Account Number	Account Description	FY 23/24 Budget	Expenditures to Date & Proposed to Date	Proposed Balance
01-50-4815	Water-Capital Purchases Utility Truck Unit 402 - Cab & Chassis	\$125,000	\$ 57,749	\$67,251
01-50-4815	Water-Capital Purchases Utility Truck Unit 402 – Upfitting		\$ 50,292	\$16,959
01-50-4815	Water-Capital Purchases Utility Truck Unit 402 - Striping		\$ 2,000	\$14,959
TOTAL		\$125,000	\$110,041	\$14,959

STAFF RECOMMENDATION

Staff recommends accepting a proposal from Sutton Commercial Fleet for the purchase of a 2024 Ford F4550 Model dump body, snow plow equipment package, lighting accessories, and hydraulic controls, to replace unit 402, in an amount not to exceed \$108,041.

ALTERNATE CONSIDERATION

As directed by Committee.

DECISION MODE

This item will be placed on the August 21, 2023 City Council agenda, under New Business for formal consideration.

10-31-97

Subject: FW: F-450 purchase

Dan,

Please see attached quote for F-450 truck, service box and upfit. This is to replace truck #402. We had been working on this a few months back with a truck that a dealer had on the lot but it was sold before we could take it to Council. Per our conversations I have told Brian that I would like to place the order and provide a Signed resolution in under 30 days (he needs that in order for Ford to process the order). I don't know when it would be built but would like to get in the cue. I would also like to take the \$10K option for adding the plow (it is highlighted on the Excel sheet so that would put vehicle at \$108,041 and then striping which should be under \$2k. Let me know your thoughts.

Thanks,

Kris Throm

Kris, attached are the invoice with the price for the chassis and upfit and I also attached the spec

sheets of the chassis. Let me know if you have any questions. I copied Tom from Monroe on this as well. Tom, this unit does have the rear camera prep kit on it. Thanks again.

Importance: High

Brian,

The City of Darien would like place this truck on order with an official resolution approval to follow within 30 days. Realistically we are looking at taking this to our City Council meeting on August 21st. Monroe is going to be forwarding price for service box and additional accessories within the next few days. Please review truck specifications selected for any recommended changes and forward me updated/completed pricing ASAP. I need everything back mid next week to make it onto that Agenda for that Aug 21st meeting. If I miss that meeting then our next City Council Meeting isn't until mid-September as I am guessing they will cancel the meeting on Labor Day (September 4th). Let me know what you need from me.

Thanks,

Kris Throm

Brian & Tom,

Here is my thinking for an order on a F-450 for service box. Tom is working on getting you a quote for that portion Brian. Let me know if you think I need something that I didn't pick or picked too much of something.

I came up with \$58,729 for cab and chassis

Thanks,

Kris Throm

AGENDA MEMO
Municipal Services Committee
August 21, 2023

ISSUE STATEMENT

Approval of a [resolution](#), Change Order No 1, accepting a proposal from A-Block Marketing for premium hardwood bark mulch for the 75th Street Landscape Medians in an amount not to exceed \$3,500

AND

Approval of a [resolution](#), Change Order No 2, accepting a proposal from JC Landscaping and Tree Service for the installation of new hardwood mulch within the 75th Street Medians in an amount not to exceed \$4,900

AND

A motion authorizing a contingency in the amount of \$1,000 for a hardwood mulch balance and installation services in an amount not to exceed \$1,000.

BACKGROUND

75TH Street Landscape Medians

On June 19, 2023 the City Council approved resolutions for the 75th Street Landscape Medians in an amount not to exceed \$109,498.37. See [Attachment A](#).

The project is approximately 90 % completed and due to field conditions, it was identified that the existing mulch has decomposed and is of very low value. The City arborists recommend utilizing processed hardwood mulch versus the mulch that the City produces. The hardwood mulch consists of all hardwood material and is treated for any type of infestation and undesirable seedlings. The City's mulch while double ground, contains more softwood with very limited hardwoods, is not treated and contains many sticks/twigs and decomposes relatively faster than hardwood mulch.

Staff requested quotes for the mulch and received two. A-Block Marketing provide the lowest competitive quote at \$50 per yard for a total of 70 square yards at a cost not to exceed \$3,500.

JC Landscaping is the awarded vendor for the project and has forwarded a proposal in an amount of \$4,900 to install 70 yards of the hardwood mulch.

Attached is a revised cost summary of the proposed cost expenditure and would be expended from the line account 01-30-4350. See [Attachment B](#).

STAFF RECOMMENDATION

Staff recommends approval of a resolution, Change Order No 1, accepting a proposal from A-Block Marketing for premium hardwood bark mulch for the 75th Street Landscape Medians in an amount not to exceed \$3,500.

AND

Approval of a resolution, Change Order No 2, accepting a proposal from JC Landscaping and Tree Service for the installation of new hardwood mulch within the 75th Street Medians in an amount not to exceed \$4,900.

AND

A motion authorizing a contingency in the amount of \$1,000 for a hardwood mulch balance and installation services in an amount not to exceed \$1,000.

ALTERNATE CONSIDERATION

As directed by the Committee.

DECISION MODE

This item will be placed on the August 21, 2023 City Council, New Business agenda, for formal approval.

AGENDA MEMO
City Council
June 19, 2023

ISSUE STATEMENT

A **resolution** accepting specified unit pricing from Hinsdale Nurseries for the plantings in an amount not to exceed \$39,336.37 for the 75th Street Landscape Medians

AND

A **resolution** accepting specified unit pricing from Illinois Landscape Supply for outcropping in an amount not to exceed \$11,580 for the 75th Street Landscape Medians

AND

A **resolution** accepting a proposal from JC Landscaping and Tree Services in an amount not to exceed \$27,000 for the planting and placement of the outcropping stone for the 75th Street Landscape Medians

AND

A **motion** for a contingency in the amount of \$1,000 for compost, topsoil, additional plantings and labor costs as they would relate to the enhancements for the 75th Street Landscape Medians

BACKGROUND

The F23/24 Budget funding included for the enhancement of the landscaping and hardscaping of the 75th Street Medians. Various plants throughout the years have perished prior to the irrigation system installation in 2021. While staff made every effort to water the plantings in-house the task was very difficult due to the numerous restoration sites and projects that required watering. Since the irrigation system has been installed the existing plantings have flourished and are thriving.

City Arborist, Paul Devine, was tasked with the replacement and enhancement project. Paul worked with a landscape consultant to review the existing planters and provide an inventory to replace plants within the barren areas and further enhance the sites with additional colors through a variety of plantings.

Attachment A is a project cost summary for various plantings, hardscaping, consisting of outcropping rock and for the labor to install the specified items.

Competitive quotes were received for the various plantings. Hinsdale Nurseries was the overall lowest competitive price. See **Attachment A**. Additional competitive quotes were requested for outcropping (stone) and JC Landscaping agreed to extend the unit pricing from the gateway planting schedule.

Earlier this month a resolution to enhance the gateway signs to the City were approved by the City Council for \$30,582. The proposed expenditure would be expended from the remaining funds available for the FY23/24 Budget.

ABSENT: None

Establish Quorum

Chairperson Thomas Belczak called the meeting to order at 6:30 p.m. at the City of Darien City Hall, 1702 Plainfield Road, Darien, Illinois. Chairperson Belczak declared a quorum present.

Old Business

There was no old business.

New Business

- a. Resolution – Accepting a proposal from Apex Industrial Automation, LLC, for the removal, rebuilding, and installation of four pumps at Plants #2 and 75th Street in an amount of \$15,287.00**

Mr. Dan Gombac, Director reported that as part of ongoing preventative maintenance that staff is requesting to overhaul four centrifugal pumps at Water Plants #2 and 75th Street. He reported that the scope of work includes disassembly and replacement of critical components such as bearings and seal. He reported that the pumps are 10-16 years old.

There was no one in the audience wishing to present public comment.

Alderman Stompanato made a motion, and it was seconded by Alderman Schauer approving a Resolution accepting a proposal from Apex Industrial Automation, LLC, for the removal, rebuilding, and installation of four pumps at Plants #2 and 75th Street in an amount of \$15,287.00

Upon voice vote, the MOTION CARRIED UNANIMOUSLY 3-0.

- b. Motion - Approving a contingency in the amount of \$14,000 due to unforeseen deficiencies or casing damages that may be discovered during the overhauling of the pumps.**

Mr. Dan Gombac, Director reported that staff is requesting a contingency in the amount of \$14,000 due to additional work such as additional machining for the casing(s) and motor windings.

There was no one in the audience wishing to present public comment.

Alderman Schauer made a motion, and it was seconded by Alderman Stompanato approving a contingency in the amount of \$14,000 due to unforeseen deficiencies or casing damages that may be discovered during the overhauling of the pumps.

Upon voice vote, the MOTION CARRIED UNANIMOUSLY 3-0.

- c. Resolution - Authorizing the purchase of the Phase 2-Leak Logger Program, consisting of 146 leak logger units from Gutermann Inc., in an amount not to exceed \$219,191.70.**

Mr. Dan Gombac, Director reported that the proposed leak detection system is utilized by the Water Division to proactively locate and pinpoint small leaks. He reported that the detectors, (loggers) are placed in water vaults and/or hydrant auxiliary valves where the loggers detect leaks through sound waves. He reported that this program is considered Phase 2 of 4 and is budgeted over a three-year program, pending budget considerations.

There was no one in the audience wishing to present public comment.

Alderman Schauer made a motion, and it was seconded by Alderman Stompanato approval of a Resolution authorizing the purchase of the Phase 2-Leak Logger Program, consisting of 146 leak logger units from Gutermann Inc., in an amount not to exceed \$219,191.70.

Upon voice vote, the MOTION CARRIED UNANIMOUSLY 3-0.

- d. Resolution – Authorizing for a Memorandum of Understanding Agreement of the Route 66 Community Monument Sign for the location at 1000 N. Frontage Road.**

Mr. Dan Gombac, Director reported that Mayor Marchese has directed Staff to prepare for the installation of the Route 66 Monument Sign as a part of the 100th anniversary of Route 66. He reported that the sign is paid for by a grant from the Illinois Office of Tourism and the location of the install will occur within the frontage of 1000 N Frontage Road. Mr. Gombac reported that the owner of the property has granted the City permission to install and remove the structure in the fall of 2026.

There was no one in the audience wishing to present public comment.

Alderman Belczak made a motion, and it was seconded by Alderman Stompanato approving a Resolution authorizing for a Memorandum of Understanding Agreement of the Route 66 Community Monument Sign for the location at 1000 N. Frontage Road. Upon voice vote, the MOTION CARRIED UNANIMOUSLY 3-0.

e. Motion - Authorizing Staff to install the Route 66 Monument in an amount not to exceed \$2,300.

Mr. Dan Gombac, Director reported that the costs associated with the Route 66 Monument will require a concrete base and estimated at \$2,300 and restoration will cost approximately \$1,500. He reported that the work will be completed in house with limited outsourcing.

Chairperson Belczak stated that the Darien signs are bleached out and if they would be repainted.

Mr. Gombac reported that staff is going to paint the lettering to see how it holds up before painting the entire slab.

There was no one in the audience wishing to present public comment.

Alderman Belczak made a motion, and it was seconded by Alderman Stompanato authorizing staff to install the Route 66 Monument in an amount not to exceed \$2,300.

Upon voice vote, the MOTION CARRIED UNANIMOUSLY 3-0.

f. Resolution – Accepting a proposal from The Hidden Gardens in an amount not to exceed \$10,100 for replacement plants at City’s entrance way signs.

Mr. Dan Gombac, Director reported that the F23/24 Budget funding includes the enhancement of the landscaping and hardscaping of the eight gateway signs for the City. He reported that many of the plants throughout the years have perished. He further reported that staff met with a landscape designer to improve the aesthetics of the entranceways.

There was no one in the audience wishing to present public comment.

Alderman Schauer made a motion, and it was seconded by Alderman Stompanato approval of a Resolution accepting a proposal from The Hidden Gardens in an amount not to exceed \$10,100 for replacement plants at City's entrance way signs.

Upon voice vote, the MOTION CARRIED UNANIMOUSLY 3-0.

g. Resolution - Accepting a proposal from Fox Landscape Supply in an amount not to exceed \$5,500 for out cropping stone for the City's entrance way signs.

There was no one in the audience wishing to present public comment.

Alderman Schauer made a motion, and it was seconded by Alderman Stompanato approval of a Resolution accepting a proposal from Fox Landscape Supply in an amount not to exceed \$5,500 for out cropping stone for the City's entrance way signs.

Upon voice vote, the MOTION CARRIED UNANIMOUSLY 3-0.

h. Resolution - Accepting a proposal from JC Landscaping and Tree Services in an amount not to exceed \$11,400 for the planting and placement of the outcropping stone.

There was no one in the audience wishing to present public comment.

Alderman Schauer made a motion, and it was seconded by Alderman Stompanato approval of a Resolution accepting a proposal from JC Landscaping and Tree Services in an amount not to exceed \$11,400 for the planting and placement of the outcropping stone.

Upon voice vote, the MOTION CARRIED UNANIMOUSLY 3-0.

- i. Motion - Approving a contingency in the amount of \$4,000 for compost, topsoil, additional plantings, and labor costs as they would relate to the enhancements for the Project.**

There was no one in the audience wishing to present public comment.

Alderman Schauer made a motion, and it was seconded by Alderman Stompanato approving a contingency in the amount of \$4,000 for compost, topsoil, additional plantings, and labor costs as they would relate to the enhancements for the Project.

Upon voice vote, the MOTION CARRIED UNANIMOUSLY 3-0.

- j. Resolution – Accepting a proposal from Monroe Truck Equipment for the purchase of a dump body, snowplow equipment package, lighting accessories, and hydraulic controls, for the 2022 Ford F-450 Model, in an amount not to exceed \$26,793.**

Mr. Dan Gombac, Director reported that the proposed request is for the upfitting of the vehicle which includes the truck bed, crane, snow and deicing equipment and emergency lighting. He reported that the City has partnered with Monroe Trucking for the uplifting and they are part of the National Joint Purchase Alliance Program. He further reported that the FY23/24 Budget does include funds for the purchase.

There was no one in the audience wishing to present public comment.

Alderman Stompanato made a motion, and it was seconded by Alderman Schauer approval of a Resolution accepting a proposal from Monroe Truck Equipment for the purchase of a dump body, snowplow equipment package, lighting accessories, and hydraulic controls, for the 2022 Ford F-450 Model, in an amount not to exceed \$26,793.

Upon voice vote, the MOTION CARRIED UNANIMOUSLY 3-0.

- k. Minutes – May 22, 2023, Municipal Services Committee**

Alderman Schauer made a motion, and it was seconded by Alderman Stompanato approval of the May 22, 2023, Municipal Services Committee Meeting Minutes.

Upon voice vote, the MOTION CARRIED UNANIMOUSLY 3-0.

DIRECTOR'S REPORT

Mr. Dan Gombac, Director has no report.

NEXT SCHEDULED MEETING

Chairperson Tom Belczak announced that the next meeting is scheduled for Monday, July 24, 2023.

ADJOURNMENT

With no further business before the Committee, Alderman Stompanato made a motion, and it was seconded by Alderman Schauer to adjourn. Upon voice vote, THE MOTION CARRIED unanimously, and the meeting adjourned at 6:47 p.m.
