Citizen Tips

Handicap parking restrictions are a serious matter. The Illinois Secretary of State's Office receives complaints concerning the misuse of disability parking spaces and parking placards. In an effort to combat the problem, Mr. White's office has made available a link that enables residents to report a problem in the community. The following link: www.cyberdriveillinois.com can be accessed and at the bottom of the home page, a second link entitled "Persons with Disabilities Parking Complaint Form" can be used to report the problem. The complaint can be made anonymously or you can provide a name and an e-mail.

We want to continually admonish the public about the on-going rise in the number of telephone scams. The scams are continuously being updated or modified to match a new set of circumstances. Last month we published a fairly exhaustive list of the scams taking place. Many of the scams are being attempted by telephone where a caller on the phone gives the potential victim a story about an investigation by the IRS, a loved one in jail, easy ways to secure money, and the list goes on and on. The primary similarity is that each of these callers is requesting money. Often the money is asked to be placed on a green dot card or some other form of untraceable document used to move money. The best remedy for these scams is to HANG UP your telephone and dial 911. Do not communicate with these offenders.

These new scams were reported in January/February

- **Make Money With Apple** - resident received e-mail for opportunity to make money advertising Apple product on their personal car. Subject told resident he would be paid \$500. Resident received check for \$2520 with instructions to mail the remainder \$1,970 to an address in California. The check is not legitimate. If the resident cashed the check, he would be responsible for full repayment to the bank. Do not deposit or cash any check received that is for an amount greater than originally stated. Contact the bank listed on the check to verify the check is legitimate. Do not respond to unsolicited offers on phone, Internet, or through mail.
- **Free Walmart Gas Card** - resident received a phone call from subject claiming she won a Walmart gas card and would need to provide a credit card number for shipping charges. This is a scam. Once the caller has a credit card number, fraudulent charges will appear.

Crime Update

The Darien murder case that shocked us all involved a local man; Joseph Spitalli, 36, was sentenced to 65 years in prison in the murder of a Skokie man and the abduction of his ex-girlfriend. The murder was domestic in nature and underscores another joint effort by Darien Police officers and detectives working in tandem with members of our sister agencies to resolve a terrible crime.

Community Engagement

As the Darien Police Department seeks to expand on our community partnerships we are currently seeking to utilize those partnerships to continue our efforts at crime reduction and to make Darien safer as a community. We are actively engaged with the following efforts:

1. Evaluating a plan to reduce the number of thefts from lockers at Hinsdale South High School (HSHS). We will collaborate with school officials (Mrs. Palmer, Mr. Bitto and of course our School Resource Officer (SRO), Rich Stutte) to achieve our crime reduction goals in this area.
2. We will work with the park district in order to see how best to enhance safety at our parks. The parks are safe now, but from time to time we have problems related to vandalism where property is damaged or defaced and burglaries to motor vehicles.
3. We are also seeking ways to introduce our citizens to some of the new technology being used by the Darien police department, such as our firearms simulator
4. Last, but certainly not least, we discussed in our recent Police Committee the possibility of a protocol to more effectively engage the community with a program that is known nationwide as Coffee with a Cop. The program involves a scheduled meeting between citizens and police officers hosted by a local establishment. In this case the establishment simply provides the location and it presents itself as an opportunity to sit down and have informal discussion with your officers about a wide array of topics. Alderman McIvor of the Police Committee introduced the idea and we determined that it is a worthwhile effort.

All of these ideas are in the early stages. For example, the initiative at HSHS is in the analytical stage now, where by the crime analyst is examining factors associates with the data, time of day, day of week, location and we will be seeking proactive and collaborative ways of elimination or reduction of incidents.

Burglaries in Darien

We continue to be hyper-vigilant related to residential burglaries in Darien. Within the Investigative Services section of the Department we are continuing to collaborate with other agencies to compare notes and identify potential offenders. It is our desire to grow on many of the strategies as a community that we developed late last year:

- a. Residents continuing to report suspicious activity.
- b. Continuing to request house watches
- c. Writing down license plates and descriptions when people or vehicles seem out of place
- d. Registering your private video surveillance systems with the City of Darien
- e. Installing alarms and turning them on

- f. Avoiding patterns that are easily detectible.

We are also contemplating a burglary seminar for the early or mid-spring. The seminar would involve a panel presentation consisting of experts in a variety of disciplines and even individuals who had been convicted of burglaries in the past, followed by a question and answer session from the audience. It is my belief that as the weather warms and in spite of our best efforts at patrol, we must take more steps in order to prevent what we can predict. Please feel free to send me an e-mail or to stop me on the street to offer your thoughts on any of the ideas or even new ideas that you may have. I am always seeking new opportunities to meet with the community and community groups.

Police Department People and Places

We want to congratulate Detective Bill foster on his retirement from the Darien Police Department. Bill's last day was January 27th 2015. There was a cake and coffee celebration to celebrate his retirement on that day. Bill will be missed.

Review

As one year closes and another begins, we review our agency; we examine our efficiency as a police department in three ways:

1. Numerically, based upon crime statistics that compare increases or reductions in crime as compared to a prior time frame.
2. A determination of whether or not we have implemented those practices and protocols that are construed to be "best practices" throughout the industry and prevent or diminish the potential federal oversight and protect us in the event of litigation.
3. Equally important, is the perception of safety held by our residents. The public's perception of the effectiveness of their police department is a rule generally linked to the public's perception of its safety.

In terms of statistical analysis we conducted a three year comparison. The three year comparison does two things for the examination:

1. Identifies the crime trend.
2. Creates a comparison for two particular points in time.

Our comparison involves the three year period prior to my tenure (2009 - 2011) compared to the three years (2012 - 2014) of my tenure. In that regard here is how we stand:

- Armed robbery 83% reduction or five (5) fewer incidents.
- Burglary to Motor Vehicle 40% reduction or one hundred (100) fewer incidents
- Residential Burglary 20% reduction or seventeen (17) fewer incidents
- Motor Vehicle Theft 46% reduction or twenty two (22) fewer incidents

- Domestic battery +35% increase or forty (40) more incidents
- Retail Theft +71% increase or thirty eight (38) more incidents

What is clear is that in many critical areas we are trending in the right direction, downward. What is equally clear is that we have some work to do, and that the statistical success means little unless our residents believe that Darien is a safe place. Certainly as the Chief of Police, that is not something that can be measured with data, but only by your satisfaction with what we are doing, and I would hope and pray that you feel that you are safe. The Darien Police Department continues to pursue every effort to ensure and certify your safety. Working together and collaboratively will guarantee the achievement of that goal.

The other metric for effectiveness as a law enforcement agency is how well are we doing with management practices that ultimately protect the tax dollars of the residents against federal oversight and litigation. That protection comes in the form of engaging in management practices that are recognized as best practices throughout the industry. It also comes in the form of implementing policies that are sound and designed to provide the highest level of protection for the public the officers and ultimately precious tax dollars.

Hillard-Heintz is one of the leading business/law enforcement consulting firms conducting business today. They have done work for any number of law enforcement agencies. They are also directly connected to the leading law enforcement, business and corporate think tanks and organizations. As such, they are as likely as most, if not more so, to have their fingers on the pulse of the law enforcement community and what is important and where the dangers may be. They are currently performing services for the city of Schaumburg, Baltimore and other jurisdictions that are reeling from departments in scandal or faced with poor management practices.

The information below is taken from their blog. It is accompanied with our monthly newsletter in order to underscore the efforts Darien Police Department and how the Command Staff is addressing and has addressed the concerns and issues that are at the forefront of the nightly news as it pertains to public safety. Please review this information with the understanding that many of the changes you have heard about in Darien over the past three years were implemented in an effort to preempt the potential for danger and protect the human resources of our personnel , their economic and emotional resources, along with the tax dollars of Darien residents. A breach in any of the areas outlined, can be catastrophic to the integrity and reputation of a police department as well as the economy of the city. The problems created by failing to adopt and implement sound management principles frequently results in federal oversight of the core practices of the city, and accompanied by ancillary results that require the implementation of unfunded mandates that are paid for by unbudgeted tax dollars.

The federal oversight often results in a federal consent decree. The decree is the result of a Department of Justice finding that the municipality (Police Department) has failed to function in the best interest of the public, because it engages in practices or fails to implement practices that constitutionally serve the public. A consent decree in larger cities like New Orleans and Los Angeles have cost those cities 55 million and 25 million respectively, in dollars that were not previously earmarked or budgeted for. In smaller cities like East Haven, Ct. the cost has been

estimated at around 3-5 million, but these costs are not budgeted for, and come directly from city tax dollars.

Trend #1: Community-Oriented Policing Is Now a Strategic Priority for Every Single State and Local Law Enforcement Agency

This is a strong statement – but we think community-oriented policing will command greater prioritization and resources in 2015 than in any prior year. Public scrutiny of police behavior is at an all-time high. Comments by President Obama on Tuesday and by the U.S. Attorney General last week indicated that reforming policing and rebuilding trust in law enforcement across minority communities will be a high priority for the current administration and a “legacy item” for President Obama

<http://www.washingtonpost.com/blogs/post-politics/wp/2015/01/15/holder-improving-community-police-relations-will-be-legacy-item-of-obama-administration/>.

As the U.S. Department of Justice’s Community Oriented Policing Services (COPS) has championed <http://www.cops.usdoj.gov/Publications/e030917193-CP-Defined.pdf> in a range of reports, this will require – in 2015 and beyond – a consistent focus on aligning organizational management, structure, personnel, and information systems to support community partnerships and proactive problem-solving. We anticipate that law enforcement agencies – particularly at the state and local level – will bring much greater resources and attention to priorities such as the following:

- Creation of greater openness and transparency for communities served
- Organizational transformation from a protective or closed culture to one driven by accountability
- Integration of opportunities for community outreach and partnership into police operations
- Identification and implementation of problem-solving strategies
- Commissioning of organizational evaluations that inform police leaders of critical issues

What Darien Police Department is Doing - Trend #1:

1. As we move toward a department rooted in a Community Oriented Policing Model, we expanded community engagement to all officers rather than just one single point of contact, as we continue we will seek to interweave the philosophy into every aspect of the department. Even though the President’s and Attorney General’s remarks were focused largely on minority communities, we believe that these concerns are equally important for all departments whether the community is a minority community or serves members of the minority community.

Pursuing the crime free housing ordinance is an example of community based policing and collaborative efforts

- a) Immediate reporting of a developing burglary pattern to media and other informational outlets, and engaging the community to help resolve the problem is another example community oriented policing.

- b) Use of data, analysis and the problem solving model in developing long term solutions to crime and disorder problems
 - c) Spending time at local schools and providing presentations based upon identified requests and needs of the school administrators.
2. Greater transparency; by publishing data, we have made more information available to the public than at any other time;
- a) The monthly newsletter from the Chief
 - b) Crime mapping available to public with crime mapping software
 - c) Publish crime alerts and emerging crime trends
 - d) Town hall meetings to discuss hot topics
 - e) Presentations to senior citizens and other community groups
 - f) We began gradually moving from a protective culture to one driven by accountability:
 1. Rather than pre-set maximum or minimum staffing we provided the supervising sergeants to define their own needs based upon historical data, linked to emerging trends, pre-planned events and contemporaneous shifts in crime.
 2. We have used data and the problem solving model and community/business collaborations to reduce crime.

Trend #2: Federal Oversight of Police Accountability Will Increase Dramatically

We expect to see a substantial increase in federal oversight of policing operations in 2015. Much of this scrutiny will focus on appropriate use of force, procedural justice and police patterns and practices that infringe on constitutional rights. Other high-priority areas of review will include crisis intervention, management and supervision of officers, and preventing biased-based policing. Given media pressure and both the DOJ threat of, and public outcry for, federal investigations designed to lead to a consent decree, government leaders from aldermen and city managers to police chiefs will place a much higher premium on funding and fast-tracking strategies such as:

- Early intervention systems that identify officers with a pattern of problematic performance
- Improved and expanded training for police
- Transparency in accountability and enforcement
- Policies and procedures that are comprehensive and up-to-date
- De-escalation of officer-citizen encounters
- And most importantly, a greater emphasis on the sanctity of life

What Darien Police Department is Doing-Trend #2:

In the area of the second trend, this is a serious issue and a cost prohibitive sanction if it results in a consent decree. Cities across the country, such as, Cleveland, Pittsburg, New Orleans, Los Angeles and locally Schaumburg along with more than 20 other jurisdictions have found themselves either under a federal consent decree or attempting to re-image their department in

order to prevent such a decree. The cost of such federal oversight has ranged from 5 million to 55 million to manage organizational changes mandated by the decrees.

1. Amended the complaint and disciplinary policy to log all complaints
2. Purchased Guardian Tracking subscription in order to track officer behavior and identify problem employees.
3. Developed a per diem policy for expenditure reimbursements
4. Changed the policy on accepting gratuities
5. In process of a policy review to ensure policies match procedures
6. Amended the policy on tracking the use of force
7. Developing a use of force model and training to work in tandem with defensive tactics
8. Met with local NAACP President to discuss our policies and protections against inappropriate behavior
9. Changed the weapons policy
10. Changed the suspension policy
11. Acquired a firearms simulator to ensure quality judgment based training and post incident response to officer involved shootings.

Trend #3: Pressure on Agencies to Use On-Body Cameras Will Increase

One of the many outcomes of Trends #1 and #2 will be an increase in the rate of police agency implementation of on-body cameras. Evidence indicates that these cameras dramatically reduce use of force complaints. Police behave better and citizens are less likely to lie.

We anticipate, however, an even more vigorous debate this year on the need to balance the benefits for law enforcement agencies using these cameras to gather evidence on both behavior and criminal activity and privacy rights. This national discussion will range across the following issues:

- Development of best-in-class standards
- Limits on dissemination
- Defining discretion to record
- Protection of privacy for both citizen and officer
- A common national legal authority for police to record both audio and video
- Constitutional authority to record in a private residence
- Cost implications for law enforcement departmental budgets already under duress

What Darien Police Department is Doing -Trend #3:

1. In August of 2014, well before the furor over body cameras began to expand, I inquired of the DuPage County State's Attorney about the acquisition of body worn cameras.

2. The Command Staff has evaluated through demonstration of their capacity, several companies that supply body worn cameras.
3. We have made a decision to acquire body worn cameras, but have opted to await the release of the camera that will interface with our existing “in-car” camera system and download features available.
4. We continue in discussions with the State’s Attorney and DuPage Chiefs as to impediments locally, such as the statutes pertaining to consensual and non-consensual overhear requirements.
5. We are also in the discussion phase of what our requirements will be on server space and retention of data.
6. We have begun early discussion with members of the rank and file.
7. We currently have sufficient seized monies to equip all of our officers and purchase a system.

Trend #4: Social Media Will Play an Even Stronger Role in More Law Enforcement Investigations

Social media is arguably the single most important new tool for investigators over the last five years or more. As innovation in technology and across the Internet evolves, police and law enforcement investigators will continue to discover new ways and means to incorporate social media in criminal investigations. The extent of information that can now be gathered from postings – not just by criminals or witnesses but by subjects of almost any investigation – is prompting investigators in the public sector to increase their application and knowledge of social media to disseminate information and gather intelligence.

According to the IACP Center for Social Media, more than [8 of every 10 agencies in the country](#) are leveraging social media to fight crime.

- Agencies are gathering information for investigations into issues ranging from missing persons, sex offenders and other individuals subject to arrest to conspiracies, gang participation and recruitment, and online crimes such as identity theft, Internet scams and cyberbullying.
- For example, the FBI is currently helping a Connecticut municipality investigate a [shooting threat on the social media app Yik Yak](#). The agency is also [teaming with the Center for Missing and Exploited Children, Facebook and AMBER Alerts](#) to help protect children at risk.

We expect to see this trend accelerate in 2015. [As the courts continue to clarify how social media can be used](#), law enforcement agencies will refine their approaches to engaging social media. We’ll see innovation in new areas and also greater adoption rates for emerging best practices in law enforcement social media use. Police will use social media more often, for example, to [engage with communities](#), [expand the distribution of crime alerts](#) to smart phones and mobile-broadband devices, and strengthen prosecution cases by demonstrating that [police notified the suspect via social media](#), among other tactics.

What Darien Police Department is Doing – Trend #4:

Inasmuch as young people and criminals alike find a certain amount of perceived anonymity in cyber-space in general, but on social media in particular, social media becomes a virtual gold mine of information about on-going criminal investigations.

1. Early in 2014 we tasked our detectives and SRO with evaluating some products that will enhance our ability to conduct investigations via social media.
2. Education must also be a component of the effort to prevent social media from being used inappropriately, so we have been and will continue to do presentations on how to protect yourself when using social media.
3. We are seeking to acquire a product that our detectives and SRO will be able to utilize in their investigation, we hope to have this tool in place before the end of the current school year.

As you can see, the Darien Police Department is proactively at the cutting edge of technology in an effort to continue providing the best police service possible and ensuring that Darien is the safest place to live in the Midwest initially, but ultimately in the entire United States

ISSUE STATEMENT

Approval of an Ordinance Authorizing the Sale of Personal Property Owned by the City of Darien.

ORDINANCE

BACKGROUND/HISTORY

Staff is requesting that the following property be declared as surplus property and auctioned using an on-line auction service, Public Surplus, or disposed of:

ITEM	EXPLANATION
1 Traffic Vests - 75	We just replaced all the officers' traffic vests with the new ANSI spec vests that have break away points so officers will not get hooked or dragged. The old vests cannot be sold or reused since they are not a breakaway design. They will be destroyed.
2 Samsonite Plastic Briefcase	Old Evidence Tech supply case that is no longer used. Will be auctioned.
3 Plastic CD Disc Racks - 2	Small plastic CD racks that were made for old large plastic CD cases that are not used anymore. Will be auctioned.

STAFF/COMMITTEE RECOMMENDATION

At their February 17, 2015 meeting, the Police Committee unanimously approved of the listed items above to be declared surplus property and be auctioned using Public Surplus or be disposed of.

ALTERNATE CONSIDERATION

Not approving this ordinance at this time would be an alternate consideration.

DECISION MODE

This item will be placed on the March 2, 2015, City Council Agenda for formal approval.

THIS 2nd DAY OF MARCH, 2015

**Published in pamphlet form by authority
of the Mayor and City Council of the City
of Darien, DuPage County, Illinois, this __
_____ day of March, 2015.**

ORDINANCE NO. _____

**AN ORDINANCE AUTHORIZING THE SALE
OF PERSONAL PROPERTY
OWNED BY THE CITY OF DARIEN**

WHEREAS, in the opinion of at least three fourths of the corporate authorities of the City of Darien, it is no longer necessary or useful, or for the best interests of the City of Darien, to retain ownership of the personal property hereinafter described; and

WHEREAS, it has been determined by the Mayor and City Council of the City of Darien to sell said personal property at a Public Auction or dispose of said property.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DU PAGE COUNTY, ILLINOIS, IN THE EXERCISE OF ITS HOME RULE POWERS, as follows:

SECTION 1: The Mayor and City Council of the City of Darien find that the following described personal property, now owned by the City of Darien, is no longer necessary or useful to the City of Darien and the best interests of the City of Darien will be served by auctioning it using Public Surplus or disposing of said property.

ITEM	EXPLANATION
1 Traffic Vests - 75	We just replaced all the officers' traffic vests with the new ANSI spec vests that have break away points so officers will not get hooked or dragged. The old vests cannot be sold or reused since they are not a breakaway design. They will be destroyed.

ISSUE STATEMENT

Motion to approve the purchase of a recording system for digital telephones using Department of Justice award money in the amount of \$4771.00 from Versadial Solutions.

BACKUP

BACKGROUND/HISTORY

For the past three years the management model of the Darien Police Department has been one based upon accountability. That accountability must be ingrained in every aspect of the operation whether for field or administrative operations. In recent months, we have received complaints regarding telephone etiquette and customer service. These complaints have not been able to be attributed to any single individual. In an effort to refine our operation and provide the highest level of customer service possible, staff is seeking to acquire technology that will allow us to record, play-back and listen to live telephone calls. We believe that like body worn cameras for police officers, the recorded calls will increase the accountability of the records section personnel and as such, change the behavior of those receiving calls from our public. The solution we have identified provides this level of managerial oversight and accountability for the records section personnel. Staff has also received quotes from two vendors for this service and would like to proceed to the acquisition and implementation phase.

The Darien Police Department is a proud participant in the United States Department of Justice and the United States Department of Treasury Equitable Sharing Program for State and Local Law Enforcement Agencies. For the last two years the Darien Police Department has participated in federal task forces whose goal is to stem the flow of illegal narcotics into the Chicago metropolitan area which is one of the major hubs for illegal narcotics coming into the United States. It is the goal of this program to not only cut off the flow of illegal narcotics into the area, but to take away and use the tools, proceeds and property derived from any criminal activity against the offenders. These seized tools, proceeds and property are ultimately a deterrent to criminal activity and an enhancement to law enforcement. Under the *Guidelines of the Equitable Sharing Program*, the funds received cannot be used to replace or supplant the police department's regularly budgeted monies but augment the police budget. These seized monies may only be used by the police department in order to augment the police budget. This purchase meets the *Guidelines of the Equitable Sharing Program* and will provide an important tool for the police department that otherwise would not be available without participation in the Equitable Sharing Program.

COMPANY PROPOSAL

We Versadial Solutions, propose the above solution in the amount of: \$4771

Installation: Versadial's time for installation of our products can vary based on the current telecom infrastructure and the amount of system configuration needed. The estimated time for install is dependent on a variety of factors; as there may be additional technical requirements (SMDR, SIP, G.729 codec, quantity of remote users, custom permissions, etc.) or unforeseen circumstances. Please take these factors into account when calculating for installation "billable hours" with an outside installer or when providing quotes to an end-user.

V-Portal : Browser-based user & administration interface application. Provides centralized access to all applications in the Empower suite (recording retrieval and replay, on-line evaluation form completion, data visualization and administration).

Media Management Service : Receives and stores recorded media from all Capture Nodes. Uses business rules to automatically retain or purge recorded media per defined retention requirements. Processes user playback requests through V-Portal.

Capture Service: Records audio interactions using a variety of voice acquisition methods (traditional and VoIP audio). Also used to record workstation video activity (both "thick" and "thin" client video). Capture Nodes can be distributed through the enterprise as required, or centralized when possible. Capture nodes are also used for the collection of metadata associated to recorded interactions.

Client Applications : If desired, customers can deploy a variety of client applications for workstation screen recording, appending metadata to recordings, and automatically pulling information from agent workstations. These applications are optional and can be deployed per customer requirements.

Services are designed to operate on standard Microsoft Windows operating systems.

For smaller-scale implementations, services can be combined onto a single server as required.

BACKGROUND/HISTORY

Active Shooter Response Kits include an over the uniform carrier with a front and back rifle rated ballistic plates and a ballistic helmet. These kits enhance the ballistic protection of officers during active shooting situations – especially involving rifle rounds. Each patrol vehicle and detective vehicle would be equipped with a kit. These would be deployed based on the type of call.

Active Shooter kits were researched by Sergeant Liss who is a former SWAT officer and firearms instructor. Based on what was offered in each kit – he recommended the purchase of KDH kits from Police 1 Equipment Company out of South Elgin, Illinois.

The Darien Police Department is a proud participant in the United States Department of Justice and the United States Department of Treasury Equitable Sharing Program for State and Local Law Enforcement Agencies. For the last two years the Darien Police Department has participated in federal task forces whose goal is to stem the flow of illegal narcotics into the Chicago metropolitan area which is one of the major hubs for illegal narcotics coming into the United States. It is the goal of this program to not only cut off the flow of illegal narcotics into the area, but to take away and use the tools, proceeds and property derived from any criminal activity against the offenders. These seized tools, proceeds and property are ultimately a deterrent to criminal activity and an enhancement to law enforcement. Under the *Guidelines of the Equitable Sharing Program*, the funds received cannot be used to replace or supplant the police department's regularly budgeted monies but augment the police budget. These seized monies may only be used by the police department in order to augment the police budget. This purchase meets the *Guidelines of the Equitable Sharing Program* and will provide an important tool for the police department that otherwise would not be available without participation in the Equitable Sharing Program.

AGENDA MEMO
CITY COUNCIL
MEETING DATE: March 2, 2015

Issue Statement

Zoning Map: Approval of the updated City of Darien Official Zoning Map for 2015.

RESOLUTION

Discussion/Overview

The Municipal Services Committee considered this matter at their meeting on February 23, 2015. The Committee recommends approval of the updated Darien Zoning Map.

The discussion summary follows as “Additional Information”.

Resolution is attached.

Decision Mode

The Municipal Services Committee	February 23, 2015
The City Council:	March 2, 2015

Additional Information

Issue Statement

Zoning Map: Approval of the updated City of Darien Official Zoning Map for 2015.

Discussion

Illinois State Statute requires that each municipality publish a current Zoning Map by March 31st of each year. The Zoning Map must reflect all annexations and zoning changes approved during the previous calendar year.

The updated map includes all approved annexations, plats of subdivisions and zoning activity that occurred in 2014, including ordinance references related to special use, variation, PUD amendments and rezoning approvals, such as: a second ground sign for the Marketplace at Darien shopping center, Darien Point shopping center approval, an athletic club in Brookhaven Plaza, patio for outdoor dining for Café Smilga at Crossroads of Darien, a brewery and tap room at 1000 N. Frontage Road and preliminary approval for Manning Woods Subdivision.

The updated Zoning Map accompanies this memo.

Recommendation

Staff recommends the Municipal Services Committee make a motion recommending approval of the updated Zoning Map.

Municipal Services Committee Review – February 23, 2015

The Municipal Services Committee considered this matter at its meeting on February 23, 2015. The following members were present: Alderman Joseph Marchese – Chairperson, Alderman Tina Beilke, Alderman Joerg Seifert, Dan Gombac – Director.

Absent: Michael Griffith – Senior Planner, Elizabeth Lahey – Secretary.

Dan Gombac, Director, summarized the changes to the Zoning Map.

Without further discussion, Alderman Seifert made a motion to recommend approval, seconded by Alderman Beilke.

Upon a voice vote, THE MOTION CARRIED by a vote of 3-0.

RESOLUTION NO. _____

A RESOLUTION APPROVING AND PUBLISHING THE UPDATED CITY OF DARIEN OFFICIAL ZONING MAP

WHEREAS, pursuant to the Illinois Municipal Code, 65 ILCS 5/11-13-19, a municipality is required to publish a zoning map no later than March 31st of each year; and

WHEREAS, the zoning map attached hereto as "[Exhibit A](#)" and made a part thereof, is a current zoning map showing zoning uses, divisions, restrictions, regulations, and classifications within the City; and

WHEREAS, the Corporate Authorities find the zoning map, attached hereto as Exhibit "A," correctly reflects zoning actions approved by the Corporate Authorities within the last calendar year.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DUPAGE COUNTY, as follows:

SECTION 1: That the City hereby approves the zoning map, attached as "[Exhibit A](#)".

SECTION 2: This Resolution shall be in full force and effect from and after its passage and approval as provided by law.

PASSED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DUPAGE COUNTY, ILLINOIS, this 2nd day of March, 2015.

Issue Statement

Minor PUD Amendment for the Darien Towne Centre PUD: Amvets Collection Center, Walmart, 2189 75th Street: Annual review, approval.

Discussion

The City Council granted a minor amendment to the Darien Towne Centre PUD, Ordinance No. O-04-05, March 7, 2005, to allow an Illinois Amvets Collection Center in the Walmart parking lot. A copy of the ordinance is attached.

The approval was for 1 year. Since then, the City has granted 1-year extensions. The current approval expires on March 7, 2015. Over the year, staff has not observed any problems with the collection center. Amvets is seeking approval to continue operating the donation center.

The approvals thus far have been in 1 year increments.

Staff Findings/Recommendations

Staff recommends that the Municipal Services Committee make the following motion recommending approval of the extension of the approval originally granted in 2005:

Based on the submitted petition, the proposed amendment to the Darien Towne Centre PUD meets the standards of the Darien Zoning Ordinance and, therefore, I move that the Municipal Services Committee recommend to the City Council approval of the request associated with this petition, subject to:

- 1. Approval extended for a period of 1 year.**

Municipal Services Review – February 23, 2015

The Municipal Services Committee considered this matter at its meeting on February 23, 2015. The following members were present: Alderman Joseph Marchese – Chairperson, Alderman Tina Beilke, Alderman Joerg Seifert, Dan Gombac – Director.

Absent: Michael Griffith – Senior Planner, Elizabeth Lahey – Secretary.

The Committee did not have an objection extending approval for the donation center.

Without further discussion, Alderman Seifert made a motion to recommend approval, seconded by Alderman Beilke.

Upon a voice vote, THE MOTION CARRIED by a vote of 3-0.

WHEREAS, the City of Darien is a home rule unit of local government pursuant to the provisions of Article VII, Section 6, of the Illinois Constitution of 1970; and

WHEREAS, as a home rule unit of local government, the City may exercise any power and perform any function pertaining to its government except as limited by Article VII, Section 6; and

WHEREAS, heretofore, pursuant to Ordinance No. O-18-93, the City granted a special use for a Planned Unit Development (PUD) for certain property described therein and commonly referred to as the “Darien Towne Centre”; and

WHEREAS, heretofore, pursuant to Ordinance No. O-4-05, the City granted a minor amendment to the Darien Towne Centre PUD for an Illinois Amvets Collection Center in the Wal-Mart parking lot, for an initial period of one (1) year, which was to be reviewed by the City Council on an annual basis as to the location and to address any operational issues; and

WHEREAS, heretofore, pursuant to Ordinance No. O-4-05, the City granted one (1) year extensions on February 6, 2006, April 2, 2007, March 3, 2008, March 2, 2009, February 1, 2010, February 7, 2011, March 5, 2012, March 4, 2013 and March 3, 2014; and

WHEREAS, staff has reviewed the collection center location and has not found any operational issues; and

WHEREAS, on February 23, 2015, the Municipal Services Committee of the City Council reviewed the petition and forwarded its recommendation of approval of this petition to the City Council; and

WHEREAS, the City Council has reviewed the findings and recommendations described above and now determines to grant a one (1) year extension subject to the terms, conditions and limitations described below.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DU PAGE COUNTY, ILLINOIS, IN THE EXERCISE OF ITS HOME RULE POWERS, as follows:

SECTION 1: Extension of the Previously Approved Minor Amendment to PUD Granted. The previously granted minor amendment to the approved PUD for the Darien Towne Centre by Ordinance No. O-4-05 is hereby extended for a one (1) year period, at which time the City Council shall review the location and address any operational issues.

SECTION 2: Home Rule. This ordinance and each of its terms shall be the effective legislative act of a home rule municipality without regard to whether such ordinance should (a) contain terms contrary to the provisions of current or subsequent non-preemptive state law, or (b) legislate in a manner or regarding a matter not delegated to municipalities by state law. It is the intent of the corporate authorities of the City of Darien that to the extent of the terms of this ordinance should be inconsistent with any non-preemptive state law, that this ordinance shall supercede state law in that regard within its jurisdiction.

SECTION 3: Effective Date. This Ordinance shall be in full force and effect from and after its passage and approval as provided by law.

PZC 2015-01:

Old Fashioned Sweets, Chestnut Court Shopping Center, 7511 Lemont Road, petitioner seeks approval of a variation from the Sign Code to permit a 39 square foot sign when 28 square feet is permitted.

General Information

Petitioner: Theresa Kerstein, Old Fashioned Sweets

Property Owner: Inland Real Estate

Property Location: Chestnut Court Shopping Center, 7511 Lemont Road

PIN: 09-29-300-008

Existing Zoning: B-3 General Business District

Existing Land Use: Shopping center

Comprehensive Plan Update: Commercial

Surrounding Zoning and Land Use:
North: B2 General Retail Business District (Downers Grove): retail shopping center.
South: OR&I Office, Research and Light Industrial: Forest Preserve.
East: B-2 Community Shopping Center Business District and R-2 Single-Family Residence: Retail, restaurant and single-family homes.
West: OSB Office and Service Business District (Woodridge) and B-2 Community Shopping District (Woodridge): Bank, retail shopping center.

Size of Property: 18.3 acres (shopping center)

Floodplain: None.

Natural Features: None.

Transportation: Shopping center has frontage and access from Lemont Road and 75th Street.

History: Property annexed in 1986. In 2011 and 2012, the City Council granted variations to permit additional wall signage on the 75th Street facing end wall of the shopping center for Oakridge Hobby and Ross Dress for Less.

Documents Submitted

This report is based on the following information submitted to the Community Development Department by the Petitioner:

1. Sign Drawing, 2 sheets, prepared by Ed Signs, received on January 28, 2015.

Planning Overview/Discussion

Old Fashioned Sweets is planning to open a store in the Chestnut Court Shopping Center.

The Sign Code regulates the type, size and location of signs within Darien. Wall signs are those attached directly to a building wall. Within business zoning districts, wall signs are limited to 2 square feet per linear foot of building or tenant frontage. The petitioner's tenant space is 14 feet wide, thus, a 28 square foot sign is permitted. The petitioner is proposing a 39 square foot sign.

Per the Section 4-3-18(B)(1) of the Sign Code, the following shall be considered regarding a sign variation:

1. The available locations for adequate signage on the property.
2. The effect of the proposed sign on pedestrian and motor traffic.
3. The cost to the applicant in complying with the Sign Code as opposed to the detriment, if any, to the public from granting of the variation.
4. If undue hardships and practical difficulties result in complying with the Sign Code and if these hardships are a result of previous actions of the applicant.
5. The general intent of the Sign Code.

Staff Findings/Recommendations

Staff does not object to the proposed sign.

Staff finds the proposed sign variation does not impact pedestrian and motor traffic as the sign faces in towards the parking lot and not a public road.

Based upon the submitted petition and the information presented, the request associated with PZC 2015-01 is in conformance with the standards of the Darien City Code and, therefore, I move the Planning and Zoning Commission recommend

approval of the petition as presented.

Planning and Zoning Commission Review – February 4, 2015

The Planning and Zoning Commission considered this matter at its meeting on February 4, 2015. The following members were present: Beverly Meyer – Chairperson, Ronald Kiefer, John Lind, Raymond Mielkus, Pauline Oberland, Kenneth Ritzert, Michael Griffith – Senior Planner and Elizabeth Lahey – Secretary.

Members absent: John Laratta, Louis Mallers, Susan Vonder Heide.

Michael Griffith, Senior Planner, reviewed the agenda memo. He stated the landlord and staff does not object to the proposed sign. He stated Commissioner Mallers contacted him and stated he did not object to the proposed sign.

Theresa Kerstein, Old Fashioned Sweets, the petitioner, stated they are using a sign from another location in order to save money and not have a new sign made. She stated a smaller sign would not be effective in identifying the business. She stated the store will be located next to Frugal Muse bookstore.

Commissioners Kiefer, Lind, Oberland and Ritzert stated they thought the sign was okay.

Commissioner Ritzert stated his concern for setting a precedent for other businesses wanting larger signs.

Mr. Griffith stated setting a precedent is always a concern, but that each case should be considered on its own merit.

No one from the public was at the meeting to offer comments.

Without further discussion, Commissioner Kiefer made the following motion seconded by Commissioner Ritzert:

Based upon the submitted petition and the information presented, the request associated with PZC 2015-01 is in conformance with the standards of the Darien City Code and, therefore, I move the Planning and Zoning Commission recommend approval of the petition as presented.

**Upon a roll call vote, THE MOTION CARRIED by a vote of 6-0.
(Commissioners Laratta, Malleres and Vonder Heide were absent.)**

Municipal Services Committee – February 23, 2015

Based on the Planning and Zoning Commission's recommendation, staff recommends the Committee make the following recommendation to approve the variation petition:

Based upon the submitted petition and the information presented, the request associated with PZC 2015-01 is in conformance with the standards of the Darien City Code and, therefore, I move the Municipal Services Committee recommend approval of the petition as presented.

Municipal Services Committee Review – February 23, 2015

The Municipal Services Committee considered this matter at its meeting on February 23, 2015. The following members were present: Alderman Joseph Marchese – Chairperson, Alderman Tina Beilke, Alderman Joerg Seifert, Dan Gombac – Director.

Absent: Michael Griffith – Senior Planner, Elizabeth Lahey – Secretary.

The Committee did not have an objection to the proposed sign variation.

Without further discussion, Alderman Seifert made a motion to recommend approval, seconded by Alderman Beilke.

Upon a voice vote, THE MOTION CARRIED by a vote of 3-0.

CITY COUNCIL
MEETING DATE: March 2, 2015

Issue Statement

South Grove Park Detention Facility: Approval of a Resolution Authorizing Participation in the 2015 ComEd Green Region Program.

RESOLUTION

Background

Staff is working on a project to address deficiencies within the South Grove Detention Facility, located adjacent to Parkview Drive, Beller Road and Grandview Lane/Place. The project is dependent on a \$10,000 grant to help off-set the cost of the project and referred to as the ComEd Green Region Program Grant. The deficiencies identified are non-draining areas, storm sewer structures and piping that requires replacement, and addressing washouts adjacent to storm inlets and larger drainage structures. The proposed grant is a matching grant and the Darien Park District and the City of Darien would be contributing \$5,000 each to match the \$10,000 grant. The proposed work would consist of the following:

1. Planting of native plants in selective areas to mitigate nuisance ponding and bird baths within the park. The wetland will provide additional benefits as well, such as reducing maintenance costs long term, improve water quality downstream and provide wildlife habitat.
2. Removal and Replacement of Deteriorated Storm Sewer Structures
3. Placement of Rip Rap Stone
4. Landscape Restoration

Recently the City engineer and Darien Park District along with the City conducted a conceptual plan and cost estimate to address the ongoing drainage concerns and aesthetics of the park. The estimated cost is \$345,000. The Staff had met with the Park District and Alderman Mcivor regarding options. Upon further discussion it was determined that the cost was not beneficial and the Park District and the City will work together in mitigating certain deficiencies at the revised cost of \$20,000. The City is required to approve the attached Resolution to apply for the grant.

Committee Recommendation

The Municipal Services Committee recommends approval of a Resolution Authorizing Participation in the 2015 ComEd Green Region Program.

Alternate Consideration

Not approving the resolution.

Decision Mode

This item will be placed on the March 2, 2015 City Council agenda for formal consideration.

RESOLUTION NO. _____

**A RESOLUTION AUTHORIZING PARTICIPATION
IN THE 2015 COMED GREEN REGION PROGRAM
FOR THE SOUTH GROVE PARK DETENTION FACILITY PROJECT**

WHEREAS, the City of Darien (“Applicant”) desires to undertake the South Grove Park Detention Facility Project; and

WHEREAS, the Applicant desires to apply to the ComEd Green Region Program for a grant for the purpose of carrying out this project; and

WHEREAS, the Applicant has received and understands the 2015 ComEd Green Region Program Guidelines.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DUPAGE COUNTY, as follows:

SECTION 1: The City Council of the City of Darien hereby approves this project and authorizes application to the ComEd Region Program in the amount of \$10,000, and

SECTION 2: The Applicant commits to the expenditure of matching funds in the approximate amount of \$10,000-City portion \$5,000, Darien Park District \$5,000- necessary for the project’s success.

AGENDA MEMO
City Council Meeting
March 2, 2015

ISSUE STATEMENT

A resolution accepting a proposal from Underground Pipe and Valve Inc. for the Clow Eddy fire hydrant repair parts as required for a period of May 1, 2015 through April 30, 2016.

RESOLUTION

BACKGROUND

During the year, the department requires the use of manufacturer-specified fire hydrant repair parts for fire hydrant repairs.

Competitive quotes were requested for the various repair items, and staff received two (2) competitive quotes. See [Attachment A](#). The lowest overall quote was provided by Underground Pipe and Valve Inc., with the exception of four various line items and one item as not available. The staff had requested Underground Pipe and Valve Inc. to review their pricing for the abovementioned items and match their pricing to the competitor's lowest unit cost. See [Attachment B](#). Underground Pipe and Valve Inc. did agree to negotiate one of the items and meet the competitor's pricing. Staff will seek competitive quoting for the one item that is not available if required. The request for quotes stipulated that pricing be held in place through April 30, 2016.

The expenditure would come from the Water System Maintenance Account. The total estimated costs for the specified Clow Eddy fire hydrant repair parts would not exceed \$6,000.

COMMITTEE RECOMMENDATION

The Municipal Services Committee recommends approval of this resolution with Underground Pipe and Valve Inc. for Clow Eddy fire hydrant repair parts.

ALTERNATE CONSIDERATION

As directed by the Municipal Services Committee.

DECISION MODE

This item will be placed on the March 2, 2015 City Council agenda for formal approval.

AGENDA MEMO
City Council Meeting
March 2, 2015

ISSUE STATEMENT

A resolution accepting a proposal from Underground Pipe and Valve Inc. for the Clow Medallion fire hydrant repair parts as required for a period of May 1, 2015 through April 30, 2016.

RESOLUTION

BACKGROUND

During the year, the department requires the use of manufacturer-specified fire hydrant repair parts for fire hydrant repairs.

Competitive quotes were requested for the various repair items, and staff received two (2) competitive quotes. See [Attachment A](#). The lowest overall quote was provided by Underground Pipe and Valve Inc., with the exception of twelve various line items, two items as not available, and one item not available by the competitor. The staff had requested Underground Pipe and Valve Inc. to review their pricing for the abovementioned items and match their pricing to the competitor's lowest unit cost. See [Attachment B](#). Underground Pipe and Valve Inc. did agree to negotiate eight of the items and meet the competitor's pricing. Staff will seek competitive quoting for the items that are not available if required. The request for quotes stipulated that pricing be held in place through April 30, 2016.

The expenditure would come from the Water System Maintenance Account. The total estimated costs for the specified Clow Medallion fire hydrant repair parts would not exceed \$6,000.

COMMITTEE RECOMMENDATION

The Municipal Services Committee recommends approval of this resolution with Underground Pipe and Valve Inc. for Clow Medallion fire hydrant repair parts.

ALTERNATE CONSIDERATION

As directed by the Municipal Services Committee.

DECISION MODE

This item will be placed on the March 2, 2015 City Council agenda for formal approval.

AGENDA MEMO
City Council Meeting
March 2, 2015

ISSUE STATEMENT

A resolution accepting a proposal from Underground Pipe and Valve Inc. for the Clow Eddy F2500 fire hydrant repair parts as required for a period of May 1, 2015 through April 30, 2016.

RESOLUTION

BACKGROUND

During the year, the department requires the use of manufacturer-specified fire hydrant repair parts for fire hydrant repairs.

Competitive quotes were requested for the various repair items, and staff received two (2) competitive quotes. See [Attachment A](#). The lowest overall quote was provided by Underground Pipe and Valve Inc., with the exception of four various line items, three items as not available, and one item not available by the competitor. The staff had requested Underground Pipe and Valve Inc. to review their pricing for the abovementioned items and match their pricing to the competitor's lowest unit cost. See [Attachment B](#). Underground Pipe and Valve Inc. did agree to negotiate three of the items and meet the competitor's pricing. Staff will seek competitive quoting for the items that are not available if required. The request for quotes stipulated that pricing be held in place through April 30, 2016.

The expenditure would come from the Water System Maintenance Account. The total estimated costs for the specified Clow Eddy F2500 fire hydrant repair parts would not exceed \$6,000.

COMMITTEE RECOMMENDATION

The Municipal Services Committee recommends approval of this resolution with Underground Pipe and Valve Inc. for Clow Eddy F2500 fire hydrant repair parts.

ALTERNATE CONSIDERATION

As directed by the Municipal Services Committee.

DECISION MODE

This item will be placed on the March 2, 2015 City Council agenda for formal approval.

AGENDA MEMO
City Council Meeting
March 2, 2015

ISSUE STATEMENT

A resolution accepting a proposal from Ziebell Water Service Products for the Traverse City fire hydrant repair parts as required for a period of May 1, 2015 through April 30, 2016.

RESOLUTION

BACKGROUND

During the year, the department requires the use of manufacturer-specified fire hydrant repair parts for fire hydrant repairs. While the Traverse City fire hydrants are no longer manufactured, many of the parts are currently available.

Competitive quotes were requested for the various repair items, and staff received three (3) competitive quotes. See [Attachment A](#). The lowest overall quote was provided by Ziebell Water Service Products, with the exception of five various line items and seven items as not available. The staff had requested Ziebell Water Service Products to review their pricing for the abovementioned items and match their pricing to the competitor's lowest unit cost. See [Attachment B](#). Ziebell Water Service Products did agree to negotiate the five items and meet the competitor's pricing. Staff will seek competitive quoting for the items that are not available if required. The request for quotes stipulated that pricing be held in place through April 30, 2016.

The expenditure would come from the Water System Maintenance Account. The total estimated costs for the specified Traverse City fire hydrant repair parts would not exceed \$8,000.

COMMITTEE RECOMMENDATION

The Municipal Services Committee recommends approval of this resolution with Ziebell Water Service Products for the Traverse City fire hydrant repair parts as required for a period of May 1, 2015 through April 30, 2016.

ALTERNATE CONSIDERATION

As directed by the Municipal Services Committee.

DECISION MODE

This item will be placed on the March 2, 2015 City Council agenda for formal approval.

AGENDA MEMO
City Council Meeting
March 2, 2015

ISSUE STATEMENT

A resolution accepting a proposal from Ziebell Water Service Products for Waterous Pacer fire hydrant repair parts as required for a period of May 1, 2015 through April 30, 2016.

RESOLUTION

BACKGROUND

During the year, the department requires the use of manufacturer-specified fire hydrant repair parts for fire hydrant repairs.

Competitive quotes were requested for the various repair items, and staff received three (3) competitive quotes. See [Attachment A](#) and [Attachment B](#). The request for quotes stipulated that pricing be held in place through April 30, 2016.

The expenditure would come from the Water System Maintenance Account. The total estimated costs for the specified Waterous Pacer fire hydrant repair parts would not exceed \$8,000.

COMMITTEE RECOMMENDATION

The Municipal Services Committee recommends approval of a resolution with Ziebell Water Service Products Inc. for the Waterous Pacer fire hydrant repair parts as required for a period of May 1, 2015 through April 30, 2016.

ALTERNATE CONSIDERATION

As directed by the Municipal Services Committee.

DECISION MODE

This item will be placed on the March 2, 2015 City Council agenda for formal approval.

AGENDA MEMO
City Council Meeting
March 2, 2015

ISSUE STATEMENT

A resolution accepting a proposal from HD Supply Waterworks for the Mueller Super Centurion fire hydrant repair parts as required for a period of May 1, 2015 through April 30, 2016.

RESOLUTION

BACKGROUND

During the year, the department requires the use of manufacturer-specified fire hydrant repair parts for fire hydrant repairs.

Competitive quotes were requested for the various items, and staff received two (2) competitive quotes. See [Attachment A](#). The lowest competitive overall quote was provided by HD Supply Waterworks, with the exception of twenty various line items. The staff had requested HD Supply Waterworks to review their pricing for the abovementioned items and match their pricing to the competitor's lowest unit cost. See [Attachment B](#). HD Supply Waterworks did agree to negotiate the items and meet the competitor's pricing. The request for quotes stipulated that pricing be held in place through April 30, 2016.

The expenditure would come from the Water System Maintenance Account. The total estimated costs for the specified Mueller Super Centurion fire hydrant repair parts would not exceed \$5,000.

COMMITTEE RECOMMENDATION

The Municipal Services Committee recommends approval of this resolution with HD Supply Waterworks for Mueller Super Centurion fire hydrant repair parts.

ALTERNATE CONSIDERATION

As directed by the Municipal Services Committee.

DECISION MODE

This item will be placed on the March 2, 2015 City Council agenda for formal approval.

ISSUE STATEMENT

A resolution accepting a proposal from Ziebell Water Service Products for the U.S. Pipe fire hydrant repair parts as required for a period of May 1, 2015 through April 30, 2016.

RESOLUTION

BACKGROUND

During the year, the department requires the use of manufacturer-specified fire hydrant repair parts for fire hydrant repairs.

Competitive quotes were requested for the various repair items, and staff received two (2) competitive quotes. See [Attachment A](#). The lowest overall quote was provided by Ziebell Water Service Products, with the exception of eight various line items. The staff had requested Ziebell Water Service Products to review their pricing for the abovementioned items and match their pricing to the competitor's lowest unit cost. See [Attachment B](#). Ziebell Water Service Products did agree to negotiate all of the items and meet the competitor's pricing. The request for quotes stipulated that pricing be held in place through April 30, 2016.

The expenditure would come from the Water System Maintenance Account. The total estimated costs for the specified US Pipe fire hydrant repair parts would not exceed \$8,000.

COMMITTEE RECOMMENDATION

The Municipal Services Committee recommends approval of this resolution with Ziebell Water Service Products for U.S. Pipe fire hydrant repair parts.

ALTERNATE CONSIDERATION

As directed by the Municipal Services Committee.

DECISION MODE

ISSUE STATEMENT

A resolution accepting a proposal from HD Supply Waterworks for Smith and Blair Stainless Steel Water Main Repair Clamps Style 226 with stainless steel bolts for the maintenance of the water system for a period of May 1, 2015 through April 30, 2016.

RESOLUTION

BACKGROUND

During the year, the department requires the use of water main repair clamps to repair water main breaks throughout the City.

Competitive quotes were requested for the various repair items, and staff received two competitive quotes. See [Attachment A](#). The pricing between the two vendors was very competitive on a line-by-line comparison, whereas on the total price HD Supply was the lowest competitive price. The request for quotes stipulated that pricing be held in place through April 30, 2016.

The expenditure would come from the water system maintenance account. The total estimated costs for the water main repair clamps would not exceed \$15,000.

COMMITTEE RECOMMENDATION

The Municipal Services Committee recommends approval of this resolution with HD Supply Waterworks.

ALTERNATE CONSIDERATION

As directed by the Municipal Services Committee.

DECISION MODE

This item will be placed on the March 2, 2015 City Council agenda for formal approval.

AGENDA MEMO
City Council Meeting
March 2, 2015

ISSUE STATEMENT

A resolution accepting a proposal from HD Supply Waterworks for Smith and Blair Stainless Steel Water Main Repair Clamps Style 238 in various sizes for the maintenance of the water system for a period of May 1, 2015 through April 30, 2016.

RESOLUTION

BACKGROUND

During the year, the department requires the use of water main repair clamps to repair water main breaks throughout the City.

Competitive quotes were requested for the various repair items, and staff received two (2) quotes. See [Attachment A](#). While HD Supply Waterworks provided the lowest overall cost, staff negotiated with HD Supply Waterworks to lower the unit cost of a number of the items to the competitor's unit cost. See [Attachment B](#). HD Supply Waterworks agreed to negotiate all of the items and meet the competitor's pricing. The request for quotes stipulated that pricing be held in place through April 30, 2016.

The expenditure would come from the water system maintenance account. The total estimated costs for the water main repair clamps would not exceed \$15,000.

COMMITTEE RECOMMENDATION

The Municipal Services Committee recommends approval of this resolution with HD Supply Waterworks.

ALTERNATE CONSIDERATION

As directed by the Municipal Services Committee.

DECISION MODE

This item will be placed on the March 2, 2015 City Council agenda for formal approval.

AGENDA MEMO
City Council Meeting
March 2, 2015

ISSUE STATEMENT

A resolution accepting a proposal from HD Supply Waterworks for Type K Copper Pipe for the maintenance of the water system for a period of May 1, 2015 through April 30, 2016.

RESOLUTION

BACKGROUND

During the year, the department requires the use of copper pipe to repair water main breaks throughout the City.

Competitive quotes were requested for the aforementioned copper pipe, and staff received four (4) quotes. See [Attachment A](#). While Underground Pipe & Valve Company provided the lowest overall cost, their pricing is valid for 90 days only. Staff negotiated with HD Supply Waterworks to lower their unit cost to that of Underground Pipe & Valve. See [Attachment B](#). HD Supply Waterworks agreed to negotiate and meet the competitor's pricing. The request for quotes stipulated that pricing be held in place through April 30, 2016.

The expenditure would come from the water system maintenance account. The total estimated costs for the water main repair clamps would not exceed \$15,000.

COMMITTEE RECOMMENDATION

The Municipal Services Committee recommends approval of this resolution with HD Supply Waterworks.

ALTERNATE CONSIDERATION

As directed by the Municipal Services Committee.

DECISION MODE

This item will be placed on the March 2, 2015 City Council agenda for formal approval.

AGENDA MEMO
City Council Meeting
March 2, 2015

ISSUE STATEMENT

A resolution accepting a proposal from HD Supply Waterworks for Mueller Brand brass fittings for the maintenance of the water system for a period of May 1, 2015 through April 30, 2016.

RESOLUTION

BACKGROUND

During the year, the department requires the use of water main brass fittings to repair water-system related items throughout the City.

Competitive quotes were requested for the various repair items, and staff received two (2) competitive quotes. See [Attachment A](#). The lowest competitive overall quote was provided by HD Supply Waterworks, with the exception of eight items. The staff had requested HD Supply Waterworks to review their pricing for the abovementioned items and match their pricing to the competitor's lowest unit cost. HD Supply Waterworks did agree to negotiate the items and meet the competitor's pricing. The request for quotes stipulated that pricing be held in place through April 30, 2016.

The expenditure would come from the water system maintenance account. The total estimated costs for the water main brass fittings would not exceed \$8,000.

COMMITTEE RECOMMENDATION

The Municipal Services Committee recommends approval of this resolution with HD Supply Waterworks for Mueller Brand brass fittings.

ALTERNATE CONSIDERATION

As directed by the Municipal Services Committee.

DECISION MODE

This item will be placed on the March 2, 2015 City Council agenda for formal approval.

AGENDA MEMO
City Council Meeting
March 2, 2015

ISSUE STATEMENT

A resolution accepting a proposal from HD Supply Waterworks for general water department utility tools and marking supplies for the maintenance of the water system for a period of May 1, 2015 through April 30, 2016.

RESOLUTION

BACKGROUND

During the year, the department requires the use of various utility tools and marking supplies to repair water-system related items throughout the City.

Competitive quotes were requested for the various tools and marking supplies, and staff received four (4) quotes. See [Attachment A](#). Staff negotiated with three of the four suppliers in order to elicit the most competitive pricing. Following several rounds of negotiation, HD Supply Waterworks emerged as the most competitive quote, agreeing to meet the competitor's pricing. See [Attachment B](#). The request for quotes stipulated that pricing be held in place through April 30, 2016.

The expenditure would come from the water system maintenance account. The total estimated costs for the water main repair clamps would not exceed \$15,000.

COMMITTEE RECOMMENDATION

The Municipal Services Committee recommends approval of this resolution with HD Supply Waterworks.

ALTERNATE CONSIDERATION

As directed by the Municipal Services Committee.

DECISION MODE

This item will be placed on the March 2, 2015 City Council agenda for formal approval.

AGENDA MEMO
City Council Meeting
March 2, 2015

ISSUE STATEMENT

A resolution accepting a proposal from HD Supply Waterworks for general water department utility fixtures for the maintenance of the water system for a period of May 1, 2015 through April 30, 2016.

RESOLUTION

BACKGROUND

During the year, the department requires the use of various utility fixtures to repair water-system related items throughout the City.

Competitive quotes were requested for the various repair items, and staff received four (4) quotes. See [Attachment A](#). While HD Supply Waterworks provided the lowest overall cost, staff negotiated with HD Supply Waterworks to lower the unit cost of a number of the items to the competitor's unit cost. See [Attachment B](#). HD Supply Waterworks agreed to negotiate all but 11 of the items and meet the competitor's pricing. The request for quotes stipulated that pricing be held in place through April 30, 2016.

The expenditure would come from the water system maintenance account. The total estimated costs for the water main repair clamps would not exceed \$15,000.

COMMITTEE RECOMMENDATION

The Municipal Services Committee recommends approval of this resolution with HD Supply Waterworks.

ALTERNATE CONSIDERATION

As directed by the Municipal Services Committee.

DECISION MODE

This item will be placed on the March 2, 2015 City Council agenda for formal approval.

AGENDA MEMO
City Council Meeting
March 2, 2015

ISSUE STATEMENT

A resolution accepting a proposal from East Jordan Iron Works for East Jordan fire hydrants, valves and accessories as required for a period of May 1, 2015 through April 30, 2016.

RESOLUTION

BACKGROUND

During the year, the department is required to replace fire hydrants due to accidents or due to the repair parts exceeding the cost of a new fire hydrant.

Competitive quotes were requested for and staff received one (1) competitive quote. See [Attachment A](#). The manufacturer, East Jordan, distributes their products exclusively and therefore staff was unable to secure additional competitive quotes. The request for quotes stipulated that pricing be held in place through April 30, 2016.

The expenditure would come from the Water System Maintenance Account. The total estimated costs for the specified East Jordan fire hydrant would not exceed \$6,500.

COMMITTEE RECOMMENDATION

The Municipal Services Committee recommends approval of this resolution with East Jordan Iron Works for the East Jordan Fire Hydrants, valves and accessories.

ALTERNATE CONSIDERATION

As directed by the Municipal Services Committee.

DECISION MODE

This item will be placed on the March 2, 2015 City Council agenda for formal approval.
