#### **BACKGROUND**

Throughout the year, the City receives complaints regarding drainage issues within the rear lot lines/easements. The complaints are due to standing water that stems from active sump pumps, grading issues and mature landscaping. The areas further stay saturated throughout the season, thereby making it difficult to mow and maintain these areas and further creates conditions for mosquito breeding. The City's Private Property-Rear Yard Storm Water Management Assistance Policy or further referred to as the *Rear Yard Drainage Program* allows residents, multifamily, commercial property owners and the City to work together in resolving these nuisance ponding

Private Property-Rear Yard Storm Water Management Assistance February 1, 2021 Page 2

and drainage issues. The projects would rid the area of the nuisance ponding, and allow for positive storm water conveyance within the rear yard easement.

The scope of the projects consist of the following work:

- City Staff Field Layout
- Purchase of infrastructure materials
- Outsource of Installation of Infrastructure and Restoration City Council awarded vendor JC Landscaping and Tree Services.

The proposed expenditure would be expended from the following line account:

ACCOUNT NUMBER	ACCOUNT DESCRIPTION	FY 21/22 BUDGET	PROPOSED EXPENDITURE	RESIDENT REIMBURSEMENT	CITY COST

01-30-4374	PROJECTS	\$ 108,513	\$ 108,513	\$ 36,626	\$ 72,637

#### **COMMITTEE RECOMMENDATION**

The Municipal Services Committee recommends approval of a resolution authorizing Rear Yard Storm Water Management Assistance Projects. Please note, at the upcoming budget meeting Staff will request an additional \$160,000.00 under discretionary expenditures.

#### **ALTERNATE CONSIDERATION**

As directed by the City Council.

#### **DECISION MODE**

This item will be placed on the February 1, 2021, City Council for formal approval. Pending budget consideration, this item will be completed upon available funding.

FW:

#### Good morning All

As an update regarding the deteriorating right of way fronting the Carmelites, the City has completed a survey and determined that the maintenance falls wholly to the City. We will budget for a project for May 2021.

The project will consist of the following; 1. Removal of the existing railroad ties 2. Landscape retaining wall-40 inch height 3. Tree removal 4. Grading to accommodate a 4 to 1 slope 5. Restoration-sod and trees

#### Regina:

Pls file to budget for 21

Tickler for Sept 21- cost estimates to Kris

Sounds good. I cant guarantee the Carmelites will do any cost sharing on this. They are pretty adamant beacuase its city property.
