# AGENDA MEMO Municipal Services Committee March 27, 2017

#### **ISSUE STATEMENT**

A <u>resolution</u> accepting the unit price proposal for analytical soil testing fees from Testing Services Corporation at the proposed unit prices for certain waste for a period of May 1, 2017 through April 30, 2018

#### **BACKGROUND**

During the year the department generates excavated materials from various Public Works projects, such as water main breaks, valve and hydrant replacements, landscape restorations and ditching projects. On July 30, 2011, Public Act 96-1416 Clean Construction or Demolition Debris (CCDD), became law. The law required the Illinois EPA to propose rules to establish technical requirements for CCDD facilities; set operating standards for uncontaminated soil fill operations; and develop standards for the maximum allowable concentrations of chemical constituents in uncontaminated soil generated during construction or demolition activities and used as fill material.

The law affects owners and operators of CCDD facilities and uncontaminated soil fill operations as well as governmental entities, road builders, landscapers, and other contractors and excavators that deliver CCDD or uncontaminated soil generated from construction or demolition activities to CCDD facilities and uncontaminated soil fill operations.

Staff requested competitive quotes for the required analytical testing services and received one competitive quote (see <u>Attachment A</u>) which was provided by Testing Services Incorporated. The pricing is to be held in place from May 1, 2017 to April 30, 2018.

The expenditure would come from the Water, Street and Capital accounts, depending on the specific project generating the waste. The total estimated costs for all maintenance and budgetary programs for this item are \$26,000.00.

#### STAFF RECOMMENDATION

Staff recommends accepting the unit price proposal for analytical soil testing fees from Testing Services Corporation at the proposed unit prices. *Pending Budget Approval FYE 2017-2018* 

#### ALTERNATE CONSIDERATION

#### **Issue Statement**

Approval of a <u>resolution</u> authorizing the Mayor to execute a two year Intergovernmental Agreement with the County of DuPage for mowing along County roads and rights of way.

#### **Background/History**

The Intergovernmental Agreement with the County of DuPage authorizes the City of Darien to perform the mowing of certain DuPage County rights of way and along certain DuPage County roads. The City of Darien is compensated by DuPage County for performing this mowing along specified DuPage County maintenance jurisdictions. The contract reimbursable amount increased from \$28,742 to \$41,060. The Agreement provides for five (5) cycles of mowing and up to an additional five (5) in the DuPage County maintenance jurisdictions. The proposed agreement is a two year agreement expiring November 15, 2018. The Village of Willowbrook is entering into an agreement with the County to maintain the turf area within their corporate limits on 75<sup>th</sup> Street between Sheridan Drive and Route 83 and will relieve the City from further maintenance on the abovementioned section. The County has also revisited the existing areas the City maintains and recalculated the acreage. The total acreage has been reduced from 93 acres to 41.06 acres. The staff has reviewed the measurements and is in agreement. The City of Darien furnishes all equipment, materials, labor and transportation necessary to perform the required mowing. The locations where the mowing is required are as follows and is included within the attached Intergovernmental Agreement:

# AGENDA MEMO MUNICIPAL SERVICES COMMITTEE March 27, 2017

#### **Issue Statement**

**Class A Liquor License** Approval of an Ordinance Amending Section 3-3-7-1 (B) liquor code to allow Sunday sales to start at 7:00 A.M. instead of 9:00 A.M.

#### **Overview/Discussion**

Brookhaven Marketplace, 7516 Cass Avenue, is requesting the City to amend their existing Class A liquor license. Attached\_and labeled as <u>Attachment A</u> is a letter from the Brookhaven Marketplace representatives requesting to amend the retail sales of liquor from 9:00 a.m. to 7:00 a.m. The representatives stated the request is in consideration of lost sales due to existing and potential retail competition from neighboring communities.

Attached and labeled as <u>Attachment B</u>, is a summary of comparable Class A liquor sales hours for surrounding municipalities.

In summary, Darien and Downers Grove allow a 9:00 start on Sundays, Woodridge a 6:00 start, Westmont a 7:00 start, and Willowbrook a 10:00 start. None of the other 9 stores in Darien with Class A liquor license have requested an earlier start time on Sundays.

Staff has requested consideration that all Class A liquor license holders have the opportunity to amend the star time to 7:00 a.m. on Sundays. Mayor Weaver does support the request. Attached is an ordinance that would change the starting time for all Class A liquor licenses on Sundays to 7:00 A.M. instead of 9:00 A.M.

#### **Recommendation**

Mayor Weaver is in support of the ordinance.

Attached is an <u>ordinance</u> that would allow the starting time for all Class A liquor licenses on Sundays to 7:00 A.M.

**Alternate Consideration** 

Not approving the ordinance

Dear Mr. Manning,

We would like to respectfully request to amend the current Sunday restriction on the sale of alcoholic beverages at our grocery store. Over the years, this restriction has been revised or removed in many neighboring communities and we would like to keep our Darien location current and competitive. Last year we were awarded this exact request at our Burr Ridge/Willowbrook location for the same reason. Our business opens at 7am on Sunday and we ask that the restriction aligns with our opening hours. I have also provided a separate spreadsheet that highlights some of the regional restrictions in the area. Feel free to reach out to me with any questions or comments.

Sincerely,

John Peter Bertakis & John G. Manos

# AGENDA MEMO Municipal Services Committee Meeting Date: March 27, 2017

# **ISSUE STATEMENT**

A <u>resolution</u> amending the Darien Pointe Plaza, Prohibited Use Agreement, to allow a Dentist Office.

# BACKGROUND/HISTORY

At the May 19, 2014, the City approved a Post-Closing Agreement between the Darien Pointe Developer and the City. The agreement contains a list of prohibited uses and is attached as <u>Attachment A</u>. Recently, the developer forwarded a request to amend the list of prohibited uses and to allow a Dentist Office. See attached developer correspondence, labeled as <u>Attachment B</u>.

The developer is requesting approval of the dentist office due to the concerns of parking congestion. This usage would soften future parking congestion. The traffic and sales for Starbucks and Nothing Bundt Cakes has exceeded the corporate and the developer's projections. Recently, Chiba Japanese Restaurant signed a lease agreement and will be occupying two spaces within the south building on the north end. The developer is concerned that the traffic and parking will be negatively impacted if any additional retailers locate in the plaza. The developer believes the use of a service oriented business would have minimal impact to the traffic and parking since dentist appointments are scheduled and have limited hours.

In order to approve this amendment the City Council would be required to amend the agreement. The Zoning Ordinance does allow the use of Dentist Office within a B-2 district, and would not require any additional approvals.

# **MAYOR/STAFF COMMENT**

The Mayor does not support the proposed Dentist Office. Further, should the Committee and City Council consider approval of the use the following conditions are recommended:

- 1. One Dentist Office shall be limited to 7533 Units D and E and per the attached Exhibit 1
- 2. Upon discontinued use of the Dentist Office the use shall be prohibited

# ALTERNATE CONSIDERATION

As directed by the Municipal Services Committee

# **DECISION MODE**

This item will be placed on the April 3, 2017, City Council meeting for formal consideration.

Upon completion of an Event such that work may be resumed, Developer shall provide the City with a revised completion schedule, the approval of which shall not be unreasonably denied or disputed by the City.

3.4 In order to secure this obligation, Developer shall post a bank Letter of Credit from an institution and in a form reasonably acceptable to the City guaranteeing such construction. Developer, from time to time, may request, and the City will approve, partial draw downs on the Letter of Credit provided that the Letter of Credit shall not be reduced to less than TWENTY-FIVE (25%) PERCENT of Developer's construction costs. The Letter of Credit shall be in an amount equal to ONE HUNDRED TEN (110%) PERCENT of Developer's engineer's estimate of the cost of construction of the Project. The sales for Starbucks and Nothing Bundt Cakes has been outperforming projections and on February 28, 2016, Darien Pointe LLC signed a lease with Chiba Japanese Restaurant . The concern is due to the overwhelming use of the development, the traffic generated is limited parking. Please recall, the parking calculation was in accordance with the zoning at the time of development plans. Viewing the site today, the generated traffic from the users is congested.

Darien Pointe LLC is asking City Council to waive the use of a Dental office from the Prohibited Use List. The traffic/parking impact would be softened by such a use.

### A RESOLUTION APPROVING A SPECIFIC LAND USE <u>AT THE DARIEN POINTE DEVELOPMENT</u>

#### RECITALS

A. On August 29, 2014, the City of Darien and the developer of what is now known as the Darien Pointe Center at Plainfield and Cass entered into a Post-Closing Development Agreement ("Agreement").

B. Section 5.5.1 of the Agreement enumerated certain prohibited land uses (the "Prohibited Uses"), and provided that notwithstanding anything to the contrary appearing in the City's Zoning Ordinance, no part of the Subject Property may be used for a Prohibited Use unless such use is specifically approved by the City's corporate authorities.

C. Among the Prohibited Uses are business and professional offices. Dental offices fall within this category.

D. The developer of Darien Pointe has requested that in accordance with the Agreement, the City approve the location of a dentist office for the property with a common address of 7517 South Cass Avenue, Units D and E.

E. The City Council has determined that allowing this specific use is consistent with the overall development plan for Darien Pointe.

F. Because the Subject Property is zoned B-2 and because dental offices are allowable uses in the B-2 District, no additional Council approvals are required.

## NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DUPAGE COUNTY, as follows:

**SECTION 1: Approval.** In accordance with Section 5.1 of the Agreement, the City Council hereby approves of the location of a dental office for that portion of Darien Pointe with a common address of 7517 South Cass Avenue, Units D and E.

#### SECTION 2: Conditions.

A. The improvement of the dental office shall be substantially in accordance with **Exhibit 1** attached to this Resolution.

B. The approval set forth in this Resolution is limited to this specific dental office currently being proposed. In the event of a discontinuation of the dental office at this property, any future such use shall require the specific approval of the Darien City Council in accordance with the Agreement.

**SECTION 3:** Full Force and Effect. This Resolution shall be in full force and effect from and after its passage and approval as provided by law.

#### **Issue Statement**

**AMVETS Collection Center annual review:** Approval of an ordinance granting a one year extension to the minor amendment to an approved PUD for Darien Towne Center.

#### Ordinance – attached

#### **Overview/Discussion**

In 2005, the City Council granted a minor amendment to the Darien Towne Centre PUD via Ordinance O-4-05 to allow an Illinois AMVETS Collection Center in the Walmart parking lot on the west edge subject to a review by the City Council on an annual basis as to the location and to address any operational issues. In 2015, the City Council approved a location change for the collection center to the northwest corner of the Walmart parking lot via Ordinance O-22-15. Since then, the City has granted one-year extensions.

Tim Foley, the local Illinois AMVETS representative, says this collection center has been very productive for them and they would like to continue operation including onsite staffing 10:00 A.M. to 6:00 P.M. during daylight savings time and 10:00 A.M. to 4:00 P.M. during winter. AMVETS staff also is instructed to keep site cleaned up. City staff has not observed any problems at this site.
