

**AGENDA**  
**\*\*RESCHEDULED MEETING\*\***  
**Municipal Services Committee**  
**January 4, 2016**  
**6:30 P.M. – Council Chambers**

- 1. Call to Order & Roll Call**
- 2. Establishment of Quorum**
- 3. New Business**
  - a. Resolution – Accepting a proposal from Elmhurst Chicago Stone for the Purchase and Delivery of stone for Public Works Projects for a period of May 1, 2016 through April 30, 2017**
  - b. Resolution – Accepting a proposal from Elmhurst Chicago Stone to Purchase and Pick Up stone for Public Works Projects for a period of May 1, 2016 through April 30, 2017**
  - c. Resolution – Accepting a proposal from DAS Enterprises Inc. to Provide Trucking Services at a rate of \$82.49 per hour for Services Relating to Hauling Waste generated from excavations for a period of May 1, 2016 through April 30, 2017**
  - d. Resolution – Accepting a proposal from Norwalk Tank Company for Storm Sewer Structures, Iron Sewer Grates, and Concrete Adjusting Rings as required for various Public Works Projects for a period of May 1, 2016 through April 30, 2017**
  - e. Resolution – Accepting a proposal from DuPage Topsoil at the proposed schedule of prices for Topsoil for various Public Works Projects for a period of May 1, 2016 through April 30, 2017**
  - f. Resolution – Accepting a proposal from Cicero Landscaping, at the proposed schedule of prices for the Placement of Topsoil and for Purchase and Placement of Fertilizer and Sod for Landscape Restoration Services for the period of May 1, 2016 through April 30, 2017**
  - g. Resolution – Accepting the Unit Price Proposal for Tipping and Transfer Fees from E.F. Heil, LLC and KLF Enterprises at the proposed unit prices for certain waste for period of May 1, 2016 through April 30, 2017**
  - h. Resolution – Accepting the Unit Price Proposal for Bituminous Products from K-Five Construction for Public Works Projects for a Period of May 1, 2016 through April 30, 2017**
  - i. Resolution – Accepting a Proposal from Pavement Systems and Scorpio Construction for the removal and replacement of bituminous aprons and road**

patches at the proposed unit pricing as required for various Public Works Projects for a period of May 1, 2016 through April 30, 2017

- j. **Resolution** – Accepting a Proposal from Norwalk Tank Company for Culvert Metal Pipes, Metal Bands and Metal Flared End Sections and fittings as required for various Public Works Projects for a period of May 1, 2016 through April 30, 2017
- k. **Resolution** – Accepting a Proposal from Norwalk Tank Company for High Density Polyethylene Pipes, Bands, Flared End Sections, and Fittings as required for various Public Works Projects for a period of May 1, 2016 through April 30, 2017
- l. **Resolution** – Accepting a Proposal from HD Supply Waterworks for Pressure Pipe as required for various Public Works Projects for a period of May 1, 2016 through April 30, 2017
- m. **Resolution** – Accepting a Proposal from Ziebell Water Service Products for Smith and Blair Stainless Steel Water Main Repair Clamps Style 226 with stainless steel bolts for the maintenance of water system for a period of May 1, 2016 through April 30, 2017
- n. **Resolution** – Accepting a Proposal from HD Supply Waterworks for Smith and Blair Stainless Steel Water Main Repair Clamps Style 238 in various sizes for the maintenance of the water system for a period of May 1, 2016 through April 30, 2017
- o. **Resolution** – Accepting a proposal from HD Supply Waterworks for Type K Copper Pipe for the maintenance of the water system for a period of May 1, 2016 through April 30, 2017
- p. **Resolution** – Accepting a proposal from HD Supply Waterworks for Mueller Brand brass fittings for the maintenance of the water system for a period of May 1, 2016 through April 30, 2017
- q. **Resolution** – Accepting a proposal from HD Supply Waterworks for General Water Utility Tools and Marking Supplies for the maintenance of the water system for a period of May 1, 2016 through April 30, 2017
- r. **Resolution** – Accepting a proposal from HD Supply Waterworks for General Water Utility Fixtures for the maintenance of the water system for a period of May 1, 2016 through April 30, 2017
- s. **Resolution** – Accepting a proposal from East Jordan Iron Works for East Jordan fire hydrants, valves and accessories as required for a period of May 1, 2016 through April 30, 2017

- t. **Resolution** – Accepting a proposal from HD Supply Waterworks for Mueller Super Centurion fire hydrants, valves and accessories as required for a period of May 1, 2016 through April 30, 2017
- u. **Resolution** – Accepting a proposal from Mid American Water Inc. for Waterous Pacer fire hydrant and auxiliary valves as required for a period of May 1, 2016 through April 30, 2017
- v. **Resolution** – Accepting a proposal from Underground Pipe and Valve Inc. for the Clow Eddy fire hydrant repair parts as required for a period of May 1, 2016 through April 30, 2017
- w. **Resolution** – Accepting a proposal from Underground Pipe and Valve Inc. for the Clow Medallion fire hydrant repair parts as required for a period of May 1, 2016 through April 30, 2017
- x. **Resolution** – Accepting a proposal from Underground Pipe and Valve Inc. for the Clow F2500 fire hydrant repair parts as required for a period of May 1, 2016 through April 30, 2017
- y. **Resolution** – Accepting a proposal from Ziebell Water Service Products for the Traverse City fire hydrant repair parts as required for a period of May 1, 2016 through April 30, 2017
- z. **Resolution** – Accepting a proposal from East Jordan USA Inc. for the East Jordan WaterMaster 5CD250 and WaterMaster 5BR250 fire hydrant repair parts as required for a period of May 1, 2016 through April 30, 2017
- aa. **Resolution** – Accepting a proposal from HD Supply Waterworks for Waterous Pacer fire hydrant repair parts as required for a period of May 1, 2016 through April 30, 2017
- bb. **Resolution** – Accepting a proposal from Ziebell Water Service Products for the Mueller Super Centurion fire hydrant repair parts as required for a period of May 1, 2016 through April 30, 2017
- cc. **Resolution** – Accepting a proposal from Ziebell Water Service Products for the US Pipe Metropolitan fire hydrant repair parts as required for a period of May 1, 2016 through April 30, 2017
- dd. **Resolution** – Preliminary Approval for the 2016 Sidewalk, Apron and Curb and Gutter Removal and Replacement Program Contract with Mondy Construction, Inc. in an Amount Not to exceed \$552,026.00 and to Waive the Residential \$75.00 Permit Fee Application for Concrete Work
- ee. **PZC 2015-16: 125 68<sup>th</sup> Street**: Petitioner seeks approval of a variation to reduce the required front yard setback from 35 to 25 feet for a covered front porch and to reduce the required side yard setback from 10 feet to 5 feet for an addition to the residence

**ff. PZC 2015-17: 8408 Wilmette Avenue, Units B & C:** Petitioner seeks approval of the following:

1. A Text Amendment to section 5A-9-3-4 of the Darien Zoning Ordinance listing ‘garages for storage, repair, and servicing of motor vehicles, including body repair, painting, and engine rebuilding’ as a special use within the OR&I Office, Research and Light Industry zoning district; and
2. Special use approval for a garage for storage, repair and servicing of motor vehicles, including body repair, painting, engine rebuilding within the OR&I zoning district

**gg. PZC 2015-18: 1530 Sequoia Lane:** Petitioner seeks approval of a variation to reduce the required setback from an interior side lot line for a driveway from 5 feet to 3 feet

**hh. Minutes – November 23, 2015** Municipal Services Committee

4. **Director’s Report**
5. **Next scheduled meeting – January 25, 2016**
6. **Adjournment**

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting a proposal from Elmhurst Chicago Stone for the purchase of stone and delivery for Public Works projects for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year the department requires stone to be used for various Public Works projects, such as water main breaks, valve and hydrant replacements, road shouldering, storm sewer and ditching projects. The proposed resolution would allow the proposed vendor to provide the City of Darien semi-loads directly from the quarry when required.

Staff had received three (3) competitive quote for the stone and delivery. The lowest competitive quote based on a total cost was Elmhurst Chicago Stone, see **Attachment A**. The department primarily uses CA6 and CA7, and the PGE is a heavier stone utilized for bank stabilization. The request for quotes stipulated that pricing be held in place from May 1, 2016 through April 30, 2017.

The expenditure would come from the Street, Water and Capital accounts, depending on the specific project requiring semis of stone. The total estimated costs for all maintenance and budgetary programs requiring stone are estimated to be approximately \$75,000 pending Capital Project budget approval.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with Elmhurst Chicago Stone.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**  
**5:00 P.M. – Council Chambers**

**ISSUE STATEMENT**

A **resolution** accepting a proposal from Elmhurst Chicago Stone to purchase and pick up stone for Public Works projects for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year the department requires stone to be used for various Public Works projects, such as water main breaks, valve and hydrant replacements, road shouldering, storm sewer and drainage projects. The proposed resolution would allow the City to pick up stone from the quarry.

Staff had received two (2) responsive competitive quote for the pickup of stone at a per unit cost. See **Attachment A**. The request for quotes stipulated that pricing be held in place from May 1, 2016 through April 30, 2017.

The expenditure would come from the Street Water and Capital accounts, depending on the specific project requiring the stone. The total estimated costs for all maintenance and budgetary programs requiring stone are estimated to be approximately \$75,000.00.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with Elmhurst Chicago Stone.

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting a proposal from DAS Enterprises Inc to provide trucking services at a rate of \$82.49 per hour for services relating to hauling waste generated from excavations for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year the department generates waste from various Public Works projects, such as water main breaks, valve and hydrant replacements, landscape restorations and ditching projects. The waste is temporarily stored at the Public Works facility and requires removal. The trucks are then scheduled, filled by City loaders and the waste is hauled to a local landfill.

Competitive quotes were requested for hauling services and staff received five (5) competitive quotes. See **Attachment A**. The lowest competitive quote was DAS Enterprises Inc. The request for quotes stipulated that pricing be held in place from May 1, 2016 through April 30, 2017.

The expenditure would come from the Water, Street and Capital accounts, depending on the specific project generating the waste. The total estimated costs for all maintenance and budgetary programs for hauling are estimated to be approximately \$150,000.00 pending Capital Project budget approval.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with DAS Enterprises Inc.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

**ISSUE STATEMENT**

A **resolution** accepting a proposal from Norwalk Tank Company for storm sewer structures, iron sewer grates, concrete adjusting rings as required for various Public Works projects for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year the department requires the use of storm sewer structures to be used for various Public Works projects, such as storm sewer replacements, and ditching projects.

Competitive quotes were requested for the storm sewer material, and staff received two (2) competitive quotes. See **Attachment A**. The lowest overall competitive quote was Norwalk Tank Company. The request for quotes stipulated that pricing be held in place from May 1, 2016 through April 30, 2017.

The expenditure would come from the Street and Capital accounts, depending on the specific project requiring the storm structure material. The total estimated costs for all maintenance and budgetary programs for this item have been approximated to \$90,000.00 pending Capital Project budget approval.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with Norwalk Tank Company.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting a proposal from DuPage Topsoil Inc. at the proposed schedule of prices for topsoil for various Public Works projects for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year the department requires the use of topsoil for landscape restoration for various Public Works projects, such as water main breaks, storm sewer replacements and ditching projects.

Competitive quotes were requested for the topsoil, and staff received three (3) competitive quotes. See **Attachment A**. The lowest competitive total cost quote was DuPage Topsoil. The proposed resolution would allow the City to pick up topsoil from the dirt fields and allow delivery of the product for larger projects. The request for quotes stipulated that pricing be held in place from May 1, 2016 through April 30, 2017.

The expenditure would come from the Street and Capital accounts, depending on the specific project requiring the restoration. The total estimated costs for all maintenance and budgetary programs for the topsoil are estimated at approximately \$50,000.00.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with DuPage Topsoil Inc.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting a proposal from Cicero Landscaping, at the proposed schedule of prices for the placement of topsoil and for the purchase and placement of fertilizer and sod for landscape restoration services for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year the department requires the services of a landscaper to complete larger restoration projects from various Public Works projects, such as water main breaks, storm sewer and ditching projects. The City would provide topsoil to the proposed vendor, and the vendor would be required to grade the topsoil based on the cubic yards provided and would be required to purchase the sod, fertilizer and placement of the sod.

Competitive quotes were requested for the landscaping services, and staff received six (6) competitive quotes. See **Attachment A**. The lowest competitive quote is Cicero Landscaping. The request for quotes stipulated that pricing be held in place from May 1, 2016 through April 30, 2017.

The expenditure would come from the Water, Street and Capital accounts, depending on the specific project requiring landscape services. The total estimated costs for all maintenance and budgetary programs for landscaping are estimated at approximately \$155,000.00 pending Capital Project budget approval.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution Cicero Landscaping.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting the unit price proposal for tipping and transfer fees from E. F. Heil, LLC and KLF Enterprise at the proposed unit prices for certain generated waste from various Public Works Projects for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year the department generates waste from various Public Works projects, such as water main breaks, valve and hydrant replacements, landscape restorations and ditching projects. Staff requested competitive quotes for the services and received three (3) competitive quotes, see **Attachment A**. The lowest competitive total cost quote was provided by E. F. Heil, LLC. for tipping/transferring of clay, mixed rock/clay and aggregate while KLF Enterprise was the only bid received for tipping/transferring of sod. The request for proposals requested pricing to be from May 1, 2016 to April 30, 2017.

The expenditure would come from the Water, Street and Capital accounts, depending on the specific project generating the waste. The total estimated costs for all maintenance and budgetary programs for this item are \$65,000.00 pending Capital Project budget approval.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with E. F. Heil, LLC and KLF Enterprise.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting the unit price proposal for bituminous products from K-Five Construction for Public Works projects for a period from May 1, 2016 to April 30, 2017.

**BACKGROUND**

During the year the department removes and replaces various storm sewers and culvert pipes across driveway aprons and roadways for various Public Works projects. Restoration includes establishing uniform cuts, and the placement of binder and surface bituminous products.

Competitive quotes were requested for unit prices for binder and surface asphalt, and staff received two (2) competitive quotes. See **Attachment A**. The request for quotes stipulated that pricing be held in place from May 1, 2016 to April 30, 2017.

The expenditure would come from the Water, Street and Capital accounts, depending on the specific project. The total estimated costs for all maintenance and budgetary programs for the bituminous products are estimated at approximately \$45,000.00.

**STAFF RECOMMENDATION**

Staff recommends approval of the proposed resolution K-Five Construction.

**Alternate Consideration**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

**AGENDA MEMO**  
**Municipal Services Committee**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting a proposal from Pavement Systems and Scorpio Construction for the removal and replacement of bituminous aprons and road patches at the proposed unit pricing as required for various Public Works projects for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year the department removes and replaces various storm sewers, culvert pipes and water main break repairs across driveway aprons and roadways for various Public Works projects. Restoration for the driveways includes establishing uniform cuts, asphalt removal and replacement.

Competitive quotes were requested for the removal and replacement of bituminous aprons and road patches, and staff received two (2) competitive quotes. See **Attachment A**. The lowest overall competitive quote is \$30,000.00. Upon review of the unit prices and based on a quantity multiplier of the specified work, both vendors could be considered to provide the lowest competitive quote.

Staff had contacted both vendors and both agreed to match the pricing of the lowest quote submitted, see **Attachment B**, Renegotiated column. Staff would award each vendor a 50/50 split for the upcoming work. The request for quotes stipulated that pricing be held in place from May 1, 2016 through April 30, 2017. Please note that similar negotiations had occurred in 2014 and 2015 with both vendors.

The expenditure would come from the Water, Street and Capital accounts, depending on the specific project. The total estimated costs for all maintenance and budgetary programs for the bituminous products are estimated at approximately \$176,000.00 pending Capital Project budget approval. Scorpio Construction and Pavement Systems have provided services for the City in the past with very satisfactory results.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with Scorpio Construction Corporation and Pavement Systems Inc.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

**Subject:** 2016 Request for Re-negotiated Pricing-Asphalt Drvwy Aprons

Good morning Gentlemen:

City Staff has been requested to review the recent competitive quotes for the 2016 Bituminous Surface Driveway Aprons and Streets Quote.

Upon review of the asphalt pricing schedule the figures become skewed as the quantities are adjusted. Both companies have agreed to renegotiate and split the quantities in the last several years.

The City staff is requesting that Pavement System and Scorpio Construction agree to renegotiate for the 2016 as per the attached 2016 revised pricing.

Each vendor would take half of each proposed project or alternate as agreed upon prior to commencement of the work. Please note this item will be forwarded for discussion to the Municipal Services Committee scheduled for January 4, 2016.

Upon receipt of this e-mail please confirm the above understanding and thank you for your consideration.

Sincerely,

Daniel Gombac  
Director of Municipal Services  
630-353-8106

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting a proposal from Norwalk Tank Company for Culvert Metal Pipes, Metal Bands and Metal Flared End Sections and fittings as required for various Public Works projects for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year the department requires the use of culvert metal pipes and connectors to be used for various Public Works projects, such as driveway culvert replacements, storm sewer replacements and ditching projects.

Competitive quotes were requested, and staff received four (4) competitive quotes, attached as **Attachment A**. The lowest competitive total cost quote was provided by Norwalk Tank Company. The request for proposals requested pricing to be from May 1, 2016 to April 30, 2017.

The expenditure would come from the Street and Capital accounts, depending on the specific project requiring the pipe material. The total estimated costs for all maintenance and budgetary programs utilizing the proposed material are approximately \$75,000.00 pending Capital Project budget approval.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with Norwalk Tank Company.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting a proposal from Norwalk Tank Company for High Density Polyethylene Pipes, bands, flared end sections and fittings as required for various Public Works projects for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year the department requires the use of High Density Polyethylene Pipes (HDPE) and connectors to be used for various Public Works projects, such as storm sewer replacements and ditching projects.

Competitive quotes were requested for the various HDPE products and staff received one (1) competitive quote. See **Attachment A**. Please note that Norwalk Tank Company continued to maintain competitive pricing from the previous year.

The request for quotes stipulated that pricing be held in place from May 1, 2016 to April 30, 2017.

The expenditure would come from the Street and Capital accounts, depending on the specific project requiring the pipe material. The total estimated costs for all maintenance and budgetary programs for the material have been estimated at approximately \$65,000.00 pending Capital Project budget approval.

**STAFF RECOMMENDATION**

The staff recommends approval of this resolution with Norwalk Tank Company for High Density Polyethylene Pipes, bands, flared end sections and fittings as required for various Public Works projects for a period of May 1, 2016 through April 30, 2017.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting a proposal from HD Supply Waterworks for Pressure Pipe, as required for various Public Works projects for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year the department requires the use of Pressure Pipe to be used for various Public Works projects, such as storm sewer replacements and ditching projects. The pressure pipe is further required to meet the EPA requirements when a water main is adjacent to a storm water main.

Competitive quotes were requested for the pipes and staff received three (3) competitive quotes. See **Attachment A**. The lowest competitive total quote was provided by HD Supply Waterworks. The request for quotes stipulated that pricing be held in place from May 1, 2016 to April 30, 2017.

The expenditure would come from the Street and Capital accounts, depending on the specific project requiring the pipe material. The total estimated costs for all maintenance and budgetary programs for the material have been estimated at approximately \$75,000.00 pending Capital Project budget approval.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with HD Supply Waterworks for Pressure Pipe.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
January 4, 2016

**ISSUE STATEMENT**

A **resolution** accepting a proposal from Ziebell Water Service Products for Smith and Blair Stainless Steel Water Main Repair Clamps Style 226 with stainless steel bolts for the maintenance of the water system for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year, the department requires the use of water main repair clamps to repair water main breaks throughout the City.

Competitive quotes were requested for the various repair items, and staff received two (2) quotes. See **Attachment A**. While Ziebell Water Service Products was the lowest overall cost, staff negotiated with Ziebell Water Service Products to lower the unit cost of a number of items to the competitor's unit cost. See **Attachment B**. Ziebell Water Service Products agreed to negotiate all of the items and meet the competitor's pricing. The request for quotes stipulated that pricing be held in place through April 30, 2017.

The expenditure would come from the water system maintenance account. The total estimated costs for the water main repair clamps would not exceed \$15,000.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with Ziebell Water Service Products.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

Dan Gombac  
 Good morning  
 We at Ziebell Water Service Products would accept the renegotiated pricing as shown on the spread sheet below.  
 Please send us a revised price sheet showing all the changes.  
 This would be used for the next coming years purchase of repair clamps.  
 We will keep the revised copy in our files for future invoicing.  
 Thanks,  
 Bob Mroz

**Subject:** Smith & Blair Stainless Steel Repair Clamp with Stainless Steel Bolts solid Sleeve

Good morning Bob:

Upon review of the competitive quotes Ziebell is the lowest overall responsive quote for the specification with the exception of the items highlighted below. Please review the pricing and let us know if HD Supply would honor the renegotiated pricing in the last column?

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting a proposal from HD Supply Waterworks for Smith and Blair Stainless Steel Water Main Repair Clamps Style 238 in various sizes for the maintenance of the water system for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year, the department requires the use of water main repair clamps to repair water main breaks throughout the City.

Competitive quotes were requested for the various repair items, and staff received two (2) quotes. See **Attachment A**. While HD Supply Waterworks provided the lowest overall cost, staff negotiated with HD Supply Waterworks to lower the unit cost of a number of the items to the competitor's unit cost. See **Attachment B**. HD Supply Waterworks agreed to negotiate all of the items and meet the competitor's pricing. The request for quotes stipulated that pricing be held in place through April 30, 2017.

The expenditure would come from the water system maintenance account. The total estimated costs for the water main repair clamps would not exceed \$15,000.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with HD Supply Waterworks.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

**From:** Dan Gombac  
**Sent:** Tuesday, December 01, 2015 10:31 AM  
**To:** mark.hannon@hdsupply.com  
**Cc:** Lisa Klemm  
**Subject:** 238 Style (with 2" Corp hole)

Good morning Mark:

Upon review of the competitive quotes HD supply is the lowest overall responsive quote with the exception of the items highlighted below. Please review the pricing and let us know if HD Supply would honor the renegotiated pricing in the last column?

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting a proposal from HD Supply Waterworks for Type K Copper Pipe for the maintenance of the water system for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year, the department requires the use of copper pipe to repair water main breaks throughout the City.

Competitive quotes were requested for the aforementioned copper pipe, and staff received three (3) quotes. See **Attachment A**. HD Supply Waterworks provided the lowest overall cost. The request for quotes stipulated that pricing be held in place through April 30, 2017.

The expenditure would come from the water system maintenance account. The total estimated costs for the water main repair clamps would not exceed \$15,000.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with HD Supply Waterworks.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting a proposal from HD Supply Waterworks for Mueller Brand brass fittings for the maintenance of the water system for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year, the department requires the use of water main brass fittings to repair water-system related items throughout the City.

Competitive quotes were requested for the various repair items, and staff received two (2) quotes. See **Attachment A**. The lowest competitive overall quote was provided by HD Supply Waterworks, with the exception of seven items. The staff had requested HD Supply Waterworks to review their pricing for the abovementioned items and match their pricing to the competitor's lowest unit cost. HD Supply Waterworks did agree to negotiate the items and meet the competitor's pricing. See **Attachment B**. The request for quotes stipulated that pricing be held in place through April 30, 2017.

The expenditure would come from the water system maintenance account. The total estimated costs for the water main brass fittings would not exceed \$8,000.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with HD Supply Waterworks for Mueller Brand brass fittings.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting a proposal from HD Supply Waterworks for general water department utility tools and marking supplies for the maintenance of the water system for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year, the department requires the use of various utility tools and marking supplies to repair water-system related items throughout the City.

Competitive quotes were requested for the various tools and marking supplies, and staff received three (3) quotes. See **Attachment A**. Staff negotiated with HD Supply Waterworks to review the most competitive quote, agreeing to meet the competitor's pricing. See **Attachment B**. The request for quotes stipulated that pricing be held in place through April 30, 2017.

The expenditure would come from the water system maintenance account. The total estimated costs for the water main repair clamps would not exceed \$15,000.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with HD Supply Waterworks.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting a proposal from HD Supply Waterworks for general water department utility fixtures for the maintenance of the water system for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year, the department requires the use of various utility fixtures to repair water-system related items throughout the City.

Competitive quotes were requested for the various repair items, and staff received three (3) quotes. See **Attachment A**. While HD Supply Waterworks provided the lowest overall cost, staff negotiated with HD Supply Waterworks to lower the unit cost of a number of the items to the competitor's unit cost. See **Attachment B**. HD Supply Waterworks agreed to negotiate all of the items and meet the competitor's pricing. The request for quotes stipulated that pricing be held in place through April 30, 2017.

The expenditure would come from the water system maintenance account. The total estimated costs for the water main repair clamps would not exceed \$15,000.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with HD Supply Waterworks.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

**Subject:** General Water Department Utility Fixtures

Good morning Mark:

Upon review of the competitive quotes HD supply is the lowest overall responsive quote with the exception of the items highlighted below. Please review the pricing and let us know if HD Supply would honor the renegotiated pricing in the last column?

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting a proposal from East Jordan Iron Works for East Jordan fire hydrants, valves and accessories as required for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year, the department is required to replace fire hydrants due to accidents or due to the repair parts exceeding the cost of a new fire hydrant.

Competitive quotes were requested for the various items and staff received one (1) competitive quote. See **Attachment A**. The manufacturer, East Jordan, distributes their products exclusively and therefore staff was unable to secure additional competitive quotes. The request for quotes stipulated that pricing be held in place through April 30, 2017.

The expenditure would come from the Water System Maintenance Account. The total estimated costs for the specified East Jordan fire hydrant would not exceed \$6,500.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with East Jordan Iron Works for the East Jordan Fire Hydrants, valves and accessories.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

**New Fire Hydrant & Auxiliary Valve w/Mechanical Joint End  
(6.0' Bury w/ 5-1/4" Valve Opening) w/Megalug Accessory**

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A resolution accepting a proposal from Underground Pipe and Valve Inc. for the Clow Medallion fire hydrant repair parts as required for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year, the department requires the use of manufacturer-specified fire hydrant repair parts for fire hydrant repairs.

Competitive quotes were requested for the various repair items, and staff received two (2) competitive quotes. See Attachment A. The lowest overall quote was provided by Underground Pipe and Valve Inc. Staff will seek competitive quoting for the items that are not available if required. The request for quotes stipulated that pricing be held in place through April 30, 2017.

The expenditure would come from the Water System Maintenance Account. The total estimated costs for the specified Clow Medallion fire hydrant repair parts would not exceed \$6,000.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with Underground Pipe and Valve Inc. for Clow Medallion fire hydrant repair parts.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting a proposal from Ziebell Water Service Products for the Traverse City fire hydrant repair parts as required for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year, the department requires the use of manufacturer-specified fire hydrant repair parts for fire hydrant repairs. While the Traverse City fire hydrants are no longer manufactured, many of the parts are currently available.

Competitive quotes were requested for the various repair items, and staff received four (4) competitive quotes. See **Attachment A**. The lowest overall quote was provided by Ziebell Water Service Products, with the exception of eighteen various line items and seven items as not available. The staff had requested Ziebell Water Service Products to review their pricing for the abovementioned items and match their pricing to the competitor's lowest unit cost. See **Attachment B**. Ziebell Water Service Products did agree to negotiate the eighteen items and meet the competitor's pricing. Staff will seek competitive quoting for the items that are not available if required. The request for quotes stipulated that pricing be held in place through April 30, 2017.

The expenditure would come from the Water System Maintenance Account. The total estimated costs for the specified Traverse City fire hydrant repair parts would not exceed \$8,000.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with Ziebell Water Service Products for the Traverse City fire hydrant repair parts as required for a period of May 1, 2016 through April 30, 2017.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

Dan  
Good afternoon  
We at Ziebell Water Service Products are willing to honor the renegotiated pricing per the last column of price's as shown below.  
Please send us a final draft of this quotation for our records.  
We will use these prices for the next contract year.  
Thank you,  
Bob Mroz

**Subject:** Traverse City

Good afternoon Bob:

Upon review of the competitive quotes Ziebell is the lowest overall responsive quote for the specification with the exception of the items highlighted below. Please review the pricing and let us know if HD Supply would honor the renegotiated pricing in the last column?

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting a proposal from East Jordan Iron Works for East Jordan WaterMaster 5BR250 and WaterMaster 5CD250 fire hydrants repair parts as required for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year, the department requires the use of manufacturer-specified fire hydrant repair parts for fire hydrant repairs.

Competitive quotes were requested for and staff received one (1) competitive quote. See **Attachment A**. The manufacturer, East Jordan, distributes their products exclusively and therefore staff was unable to secure additional competitive quotes. The request for quotes stipulated that pricing be held in place through April 30, 2017.

The expenditure would come from the Water System Maintenance Account. The total estimated costs for the specified East Jordan fire hydrant repair parts would not exceed \$6,500.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with East Jordan Iron Works for the East Jordan WaterMaster 2BR250 and WaterMaster 5CD250 fire hydrants repair parts.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting a proposal from HD Supply Waterworks for Waterous Pacer fire hydrant repair parts as required for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year, the department requires the use of manufacturer-specified fire hydrant repair parts for fire hydrant repairs.

Competitive quotes were requested for the various repair items, and staff received four (4) competitive quotes. See **Attachment A**. The lowest overall quote was provided by HD Supply with the exception of twenty one items which staff had requested HD Supply Waterworks to review their pricing for the above mentioned items and match their competitor's lowest unit cost. See **Attachment B**. HD Supply Waterworks did agree to negotiate the twenty one items and meet the competitor's pricing. Staff will seek competitive quoting for the items that are not available if required. The request for quotes stipulated that pricing be held in place through April 30, 2017.

The expenditure would come from the Water System Maintenance Account. The total estimated costs for the specified Waterous Pacer fire hydrant repair parts would not exceed \$8,000.

**STAFF RECOMMENDATION**

Staff recommends approval of a resolution with HD Supply Waterworks for the Waterous Pacer fire hydrant repair parts as required for a period of May 1, 2016 through April 30, 2017.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting a proposal from Ziebell Water Service Products for the Mueller Super Centurion fire hydrant repair parts as required for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year, the department requires the use of manufacturer-specified fire hydrant repair parts for fire hydrant repairs.

Competitive quotes were requested for the various items, and staff received two (2) competitive quotes. See **Attachment A**. The lowest competitive overall quote was provided by Ziebell Water Service Products, with the exception of twenty three various line items. The staff had requested Ziebell Water Service Products to review their pricing for the abovementioned items and match their pricing to the competitor's lowest unit cost. See **Attachment B**. Ziebell Water Service Products did agree to negotiate the items and meet the competitor's pricing. The request for quotes stipulated that pricing be held in place through April 30, 2017.

The expenditure would come from the Water System Maintenance Account. The total estimated costs for the specified Mueller Super Centurion fire hydrant repair parts would not exceed \$5,000.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with Ziebell Water Service Products for Mueller Super Centurion fire hydrant repair parts.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

Dan  
Good afternoon  
We at Ziebell Water Service Products are willing to accept the renegotiated pricing as shown in the last column below.  
Please send us a final draft of this contract for our records.  
We will use these prices for next years purchase's.  
Thank you,  
Bob Mroz

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

A **resolution** accepting a proposal from Ziebell Water Service Products for the U.S. Pipe fire hydrant repair parts as required for a period of May 1, 2016 through April 30, 2017.

**BACKGROUND**

During the year, the department requires the use of manufacturer-specified fire hydrant repair parts for fire hydrant repairs.

Competitive quotes were requested for the various repair items, and staff received two (2) competitive quotes. See **Attachment A**. The lowest overall quote was provided by Ziebell Water Service Products, with the exception of twenty eight various line items. The staff had requested Ziebell Water Service Products to review their pricing for the abovementioned items and match their pricing to the competitor's lowest unit cost. See **Attachment B**. Ziebell Water Service Products did agree to negotiate all of the items and meet the competitor's pricing. The request for quotes stipulated that pricing be held in place through April 30, 2017.

The expenditure would come from the Water System Maintenance Account. The total estimated costs for the specified US Pipe fire hydrant repair parts would not exceed \$8,000.

**STAFF RECOMMENDATION**

Staff recommends approval of this resolution with Ziebell Water Service Products for U.S. Pipe fire hydrant repair parts.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on the January 18, 2016 City Council agenda for formal approval.

Dan  
Good afternoon  
We at Ziebell Water Service Products are willing to accept the renegotiated prices as shown in the last column below.  
Please send us a copy of the final quote for our records.  
We will use these prices for the next years purchase's.  
Thank you,  
Bob Mroz

**Subject:** US Pipe Metropolitan

Good afternoon Bob:

Upon review of the competitive quotes Ziebell is the lowest overall responsive quote for the specification with the exception of the items highlighted below. Please review the pricing and let us know if Ziebell would honor the renegotiated pricing in the last column?

**AGENDA MEMO**  
**Municipal Services Committee Meeting**  
**January 4, 2016**

**ISSUE STATEMENT**

Preliminary approval of a **resolution** for the 2016 Sidewalk, Apron and Curb and Gutter Removal and Replacement Program Contract with Mondri Construction, Inc. in an amount not to exceed \$552,026.00 and to waive the residential \$75.00 permit fee application for concrete work.

**BACKGROUND/HISTORY**

The Sidewalk and Curb and Gutter Removal and Replacement Program calls for the removal and replacement of deficient rated sidewalk and curb and gutter. The rating system assigns to sidewalks a numerical rating of 1-5, with 5 being defined as an extreme hazard. The FY 16-17 Budget allocates for the removal and replacement of all the identified sidewalks with current ratings of 4 and 5, deficient curb and gutter as it relates to the proposed road resurfacing project and quantities for the repair of concrete following main break restoration and street department repairs. The program also allows for resident call-ins when deficient sidewalks and curb and gutter are identified. See attached Program Quantities labeled as **Attachment A**.

The contract also offers residents at a pass through cost the opportunity to remove and replace their deficient concrete driveways, aprons, and the curb and gutter fronting their apron. This will allow the City to remove and replace deficient sidewalk slabs fronting a deficient apron and would allow a resident to participate in the concrete replacement program to correct the apron deficiency. Staff is further requesting that the \$75.00 permit fee application be waived to residents that participate in the concrete program with the proposed vendor since the staff will be on site and inspecting the work.

Attached and labeled as **Attachment B**, please find the prices received at the bid opening held on December 2, 2015. Staff received eight (8) bids with the lowest bidder being Mondri Construction, Inc.

**STAFF RECOMMENDATION**

Pending final funding for the program, staff recommends approval of the contract from Mondri Construction, Inc. in an amount not to exceed \$552,026.00 for the 2016 Sidewalk, Apron and Curb and Gutter Removal Replacement Program and Curb and Gutter Placement and to waive the residential \$75.00 permit fee application for concrete work.

Pending the FY16-17 Budget approval, the proposed contract will be forwarded to an upcoming February City Council Meeting for formal approval.

**ALTERNATE CONSIDERATION**

As directed by the Municipal Services Committee.

**DECISION MODE**

This item will be placed on an upcoming January 18, 2016 City Council Meeting for formal consideration and subject to the FY16-17 Budget approval.

Below, please find an item description of the abovementioned:

- 1 - This item will include the following:
  - Removal of existing concrete sidewalk with a GRAD ALL
  - Placement of forms shall consist of slip-forms
  - Placement and finishing of the concrete sidewalk
  - Unit of measurement for pay item is per square foot
  - Sidewalk thickness shall be at 4-inches, except through the driveway which shall be at 5-inches.
  
- 2 - This item will include the following:
  - Removal of existing concrete sidewalk with a GRAD ALL
  - Placement and finishing of the concrete sidewalk to comply with the American with Disabilities Act for depressing sidewalk at intersections as requested. The concrete will consist of a Red concrete produced at the concrete plant, and the insertion of the truncated dome as specified per the attached.
  - Unit of measurement for pay item is per square foot.

This Contract is made this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_ by and between the City of Darien (hereinafter referred to as the "CITY") and \_\_\_\_\_ (hereinafter referred to as the "CONTRACTOR").

**WITNESSETH**

In consideration of the promises and covenants made herein by the CITY and the CONTRACTOR (hereinafter referred to collectively as the "PARTIES"), the PARTIES agree as follows:

**SECTION 1: THE CONTRACT DOCUMENTS:** This Contract shall include the following documents (hereinafter referred to as the "CONTRACT DOCUMENTS") however this Contract takes precedence and controls over any contrary provision in any of the CONTRACT DOCUMENTS. The Contract, including the CONTRACT DOCUMENTS, expresses the entire agreement between the PARTIES and where it modifies, adds to or deletes provisions in other CONTRACT DOCUMENTS; the Contract's provisions shall prevail. Provisions in the CONTRACT DOCUMENTS unmodified by this Contract shall be in full force and effect in their unaltered condition.

- The Invitation to Bid
- The Instructions to the Bidders
- This Contract
- The Terms and Conditions
- The Bid as it is responsive to the CITY'S bid requirements
- All Certifications required by the City
- Certificates of insurance
- Performance and Payment Bonds as may be required by the CITY

**SECTION 2: SCOPE OF THE WORK AND PAYMENT:** The CONTRACTOR agrees to provide labor, equipment and materials necessary to provide the services as described in the CONTRACT DOCUMENTS and further described below:

**Unit Pricing for the 2016 Sidewalk/Driveway/Apron and Curb and Gutter Concrete Replacement Program**

(Hereinafter referred to as the "WORK") and the CITY agrees to pay the CONTRACTOR pursuant to the provisions of the Local Government Prompt Payment Act (50 ILCS 505/1 *et seq.*) the following amount for performance of the described unit prices.

**SECTION 3: ASSIGNMENT:** CONTRACTOR shall not assign the duties and obligations involved in the performance of the WORK which is the subject matter of this Contract without the written consent of the CITY.

**SECTION 4: TERM OF THE CONTRACT:** This Contract shall commence on the date of its execution. The WORK shall commence upon receipt of a Notice to Proceed and continue for the period specified. This Contract shall terminate upon completion of the WORK, but may be terminated by either of the PARTIES for default upon failure to cure after ten (10) days prior written notice of said default from the aggrieved PARTY. The CITY, for its convenience, may terminate this Contract with thirty (30) days prior written notice.

**SECTION 5: INDEMNIFICATION AND INSURANCE:** The CONTRACTOR shall indemnify and hold harmless the CITY, its officials, officers, directors, agents, employees and representatives and assigns, from lawsuits, actions, costs (including attorneys' fees), claims or liability of any character, incurred due to the alleged negligence of the CONTRACTOR, brought because of any injuries or damages received or sustained by any person, persons or property on account of any act or omission, neglect or misconduct of said CONTRACTOR, its officers, agents and/or employees arising out of, or in performance of any of the provisions of the

CONTRACT DOCUMENTS, including any claims or amounts recovered for any infringements of patent, trademark or copyright; or from any claims or amounts arising or recovered under the "Worker's Compensation Act" or any other law, ordinance, order or decree. In connection with any such claims, lawsuits, actions or liabilities, the CITY, its officials, officers, directors, agents, employees, representatives and their assigns shall have the right to defense counsel of their choice. The CONTRACTOR shall be solely liable for all costs of such defense and for all expenses, fees, judgments, settlements and all other costs arising out of such claims, lawsuits, actions or liabilities. The Contractor shall not make any settlement or compromise of a lawsuit or claim, or fail to pursue any available avenue of appeal of any adverse judgment, without the approval of the City and any other indemnified party. The City or any other indemnified party, in its or their sole discretion, shall have the option of being represented by its or their own counsel. If this option is exercised, then the Contractor shall promptly reimburse the City or other indemnified party, upon written demand, for any expenses, including but not limited to court costs, reasonable attorneys' and witnesses' fees and other expenses of litigation incurred by the City or other indemnified party in connection therewith. Execution of this Contract by the CITY is contingent upon receipt of Insurance Certificates provided by the CONTRACTOR in compliance with the CONTRACT DOCUMENTS.

**SECTION 6: COMPLIANCE WITH LAWS:** The bidder shall at all times observe and comply with all laws, ordinances and regulations of the federal, state, local and City governments, which may in any manner affect the preparation of bids or the performance of the Contract. Bidder hereby agrees that it will comply with all requirements of the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq., including the provision dealing with sexual harassment and that if awarded the Contract will not engage in any prohibited form of discrimination in employment as defined in that Act and will require that its subcontractors agree to the same restrictions. The contractor shall maintain, and require that its subcontractors maintain, policies of equal employment opportunity which shall prohibit discrimination against any employee or applicant for employment on the basis of race, religion, color, sex, national origin, ancestry, citizenship status, age, marital status, physical or mental disability unrelated to the individual's ability to perform the essential functions of the job, association with a person with a disability, or unfavorable discharge from military service. Contractors and all subcontractors shall comply with all requirements of the Act and of the Rules of the Illinois Department of Human Rights with regard to posting information on employees' rights under the Act. Contractors and all subcontractors shall place appropriate statements identifying their companies as equal opportunity employers in all advertisements for workers to be employed in work to be performed. Not less than the Prevailing Rate of Wages as found by the City of Darien or the Department of Labor shall be paid to laborers, workmen, and mechanics performing work under the Contract. If awarded the Contract, contractor must comply with all provisions of the Illinois Prevailing Wage Act, including, but not limited to, providing certified payroll records to the Municipal Services Department. Contractor and subcontractors shall be required to comply with all applicable federal laws, state laws and regulations regarding minimum wages, limit on payment to minors, minimum fair wage standards for minors, payment of wage due employees, and health and safety of employees. Contractor and subcontractor are required to pay employees all rightful salaries, medical benefits, pension and social security benefits pursuant to applicable labor agreements and federal and state statutes and to further require withholdings and deposits therefore. The CONTRACTOR shall obtain all necessary local and state licenses and/or permits that may be required for performance of the WORK and provide those licenses to the CITY prior to commencement of the WORK if applicable.

**SECTION 7: NOTICE:** Where notice is required by the CONTRACT DOCUMENTS

it shall be considered received if it is delivered in person, sent by registered United States mail, return receipt requested, delivered by messenger or mail service with a signed receipt, sent by facsimile or e-mail with an acknowledgment of receipt, to the following:

City of Darien  
1702 Plainfield Road  
Darien, IL 60561  
Attn: Director of Municipal Services

**SECTION 8: STANDARD OF SERVICE:** Services shall be rendered to the highest professional standards to meet or exceed those standards met by others providing the same or similar services in the Chicagoland area. Sufficient competent personnel shall be provided who with supervision shall complete the services required within the time allowed for performance. The CONTRACTOR'S personnel shall, at all times present a neat appearance and shall be trained to handle all contact with City residents or City employees in a respectful manner. At the request of the Director of Municipal Services or a designee, the CONTRACTOR shall replace any incompetent, abusive or disorderly person in its employ.

**SECTION 9: PAYMENTS TO OTHER PARTIES:** The CONTRACTOR shall not obligate the CITY to make payments to third parties or make promises or representations to third parties on behalf of the CITY without prior written approval of the City Administrator or a designee.

**SECTION 10: COMPLIANCE:** CONTRACTOR shall comply with all of the requirements of the Contract Documents, including, but not limited to, the Illinois Prevailing Wage Act where applicable and all other applicable local, state and federal statutes, ordinances, codes, rules and regulations.

**SECTION 11: LAW AND VENUE:** The laws of the State of Illinois shall govern this Contract and venue for legal disputes shall be DuPage County, Illinois.

**SECTION 12: MODIFICATION:** This Contract may be modified only by a written amendment signed by both PARTIES.

**AGENDA MEMO**  
**MUNICIPAL SERVICES COMMITTEE**  
**MEETING DATE: January 4, 2016**

**Issue Statement**

**PZC 2015-16: 125 68<sup>th</sup> Street:** Petitioner seeks approval of a variation to reduce the required front yard setback from 35 feet to 25 feet for a covered front porch and to reduce the required side yard setback from 10 feet to 5 feet for an addition to the residence.

**General Information**

Petitioner/

Property owner: Ryan and Christine Bazon  
125 68<sup>th</sup> Street  
Darien, IL 60561

Property Location: 125 68<sup>th</sup> Street

PIN: 09-23-306-013

Existing Zoning: R-2 Single-Family Residence

Existing Land Use: Single-Family Residence

Comprehensive Plan Update: Low-Density Residential

Surrounding Zoning and Land Use:

North: R-2 Single-Family Residence: single-family homes

East: R-2 Single-Family Residence: single-family homes

South: R-2 Single-Family Residence: single-family homes

West: R-2 Single-Family Residence: single-family homes

Size of Property: 13,800 square feet

Floodplain: None

Natural Features: None

Transportation: Property has frontage on 68<sup>th</sup> Street

History: None

**Documents Submitted**

This report is based on the following information submitted to the Community Development Department by the Petitioner:

1. Plat of Survey, Building Elevation and Floor Plans, 5 sheets.

### **Planning Overview/Discussion**

The subject property is located on the south side of 68<sup>th</sup> Street.

The petitioner plans to renovate the existing home to include demolishing the existing detached garage, constructing an addition to the home, which includes an attached garage on the side of the home, and a covered front porch.

The following minimum building setbacks apply within the R-2 zoning district:

1. Front yard setback: 35 feet.
2. Interior side yard setback: 10 feet.
3. Detached accessory structures are required to be at least 5 feet from an interior side lot line.

Currently, the home is 30 feet from the front lot line with an open, not covered, porch extending 5 feet further towards the front lot line. The detached garage is approximately 3 feet from the side lot line.

Covered front porches are required to meet the front yard setback, Section 5A-5-7-3 of the Zoning Ordinance. The proposed front porch, extending 5 feet from the front of the home, maintains the existing setback from the front lot line.

The proposed addition, essentially an attached garage on the side of the home, will be located 5 feet from the side lot line, will be further from the lot line than the existing detached garage. Attached garages, part of the principal structure, are required to meet the same front, side and rear yard setbacks applied to the rest of the residence.

The variation request must address the following criteria for approval:

1. Whether the general character of the property will be adversely altered.
2. Whether the overall value of the property will be improved and there will not be any potential adverse effects on the neighboring properties.
3. Whether the alleged need for the variation has been created by any person presently having a proprietary interest in the premises.
4. Whether the proposed variation will impair an adequate supply of light and air in adjacent property, substantially increase congestion in the public streets, increase the danger of fire or endanger the public safety.
5. Whether the proposed variation will adversely alter the essential character of the neighborhood.

### **Staff Findings/Recommendations**

Staff does not object to the proposed variations requested.

The proposed covered front porch maintains the existing setback from the front lot line while allowing the resident a covered entry into the home.

The attached garage addition triggers a greater setback than a detached garage. The petitioner could choose to tear down the detached garage and build a new detached garage, 5 feet from the side lot line, which would create essentially the same condition as is proposed.

Staff finds the proposed variations will not adversely alter the essential character of the property, nor will they adversely alter the essential character of the neighborhood, nor will they impair the adequate supply of light and air in adjacent properties or substantially increase congestion in the public streets.

Therefore, staff recommends the Commission make the following recommendation granting the variations as presented:

**Based upon the submitted petition and the information presented, the request associated with PZC 2015-16 is in conformance with the standards of the Darien City Code and, therefore, I move the Planning and Zoning Commission approve the petition as presented.**

### Planning and Zoning Commission Review – December 2, 2015

The Planning and Zoning Commission considered this matter at their December 2, 2015, meeting. The following members were present: Beverly Meyer – Chairperson, Ronald Kiefer, John Laratta, Louis Mallers, Raymond Mielkus, Pauline Oberland, Kenneth Ritzert and Michael Griffith – Senior Planner.

Absent: Andrew Kelly

Michael Griffith, Senior Planner, reviewed the agenda memo. He described the proposed variations. He noted the distance the current detached garage is from the side lot line, that the proposed attached garage will be 2 feet further away from the lot line.

Ryan and Christine Bazon, the petitioners, were present. Michael Meissner, their architect, was also present.

Mr. Meissner noted the covered front porch extends further across the front the home but does not extend further towards the street than the current situation. He noted the more significant issue is the proposed side yard setback.

Commissioner Mallers asked when the home was built.

Mr. Bazon stated 1959. He stated they are outgrowing the current home, noting they have small children, the need for additional bathrooms and closet space. He stated they like the lot, the area, the schools and would like to stay at their current location and renovate the home rather than move.

The Commission discussed the exterior architectural changes to the home. Mr. Meissner noted the plan includes a 2<sup>nd</sup> story to the home.

Commissioners Kiefer and Maller stated the plans looked nice.

Adam Kash, 129 68<sup>th</sup> Street, stated he is the neighbor to the west and objects to the proposed 5-foot setback for the addition. He stated the garage is being moved approximately 24 feet forward, will be 2 stories, and will block the view from his kitchen window located on the east side of the home. He stated the addition at 5 feet from the lot line will impair adequate air and

light onto his property, would decrease the value of his property. He stated a 10-foot side yard setback should be maintained. He provided photos to illustrate his objection.

Commissioner Oberland noted the proposed 5-foot setback along the side, noting the current garage is 3 feet from the side lot line. She sought clarification on Mr. Kash's objection.

Mr. Kash stated the garage will not be in the same location, stating the garage is being moved approximately 24 feet forward towards the front which will block the view from his window on the side of his home.

The Commission reviewed and discussed the photos provided by Mr. Kash.

Mr. Meissner stated the garage will not be a full two stories; there are dormers at this location. He stated attached garages are more valuable than detached garages, which increases the value of the property. He stated they took into consideration the neighbor's property. He stated the prevailing winds are from the northwest and southwest which will not be impacted by the proposed addition.

Commissioner Mallers stated older homes being improved helps to improve the value of the neighborhood.

Commissioner Laratta stated the proposed variation diminishes the neighbor's quality of life, which needs to be considered.

Commissioner Kiefer stated the Commission has always considered impacts to neighbors.

**Commissioner Laratta made a motion to recommend denial of the variation petition. There was not a second. THE MOTION FAILED.**

**Commissioner Mallers made a motion to recommend approval of the variation petition, seconded by Commissioner Mielkus.**

**Commissioner Ritzert stated he was not convinced there is a negative impact to the neighboring property.**

**Upon a roll call vote, THE MOTION CARRIED by a vote of 6-1.**

**AYES: Meyer, Kiefer, Mallers, Mielkus, Oberland, Ritzert**

**NAYS: Laratta**

**ABSENT: Kelly**

### **Municipal Services Committee – January 4, 2016**

Based on the Planning and Zoning Commission's recommendation, staff recommends the Committee make the following recommendation approving the variation petition:

**Based upon the submitted petition and the information presented, the request associated with PZC 2015-16 is in conformance with the standards of the Darien City Code and, therefore, I move the Planning and Zoning Commission approve the petition as presented.**

**Decision Mode**

**AGENDA MEMO**  
**MUNICIPAL SERVICES COMMITTEE**  
**MEETING DATE: January 4, 2016**

**Issue Statement**

**PZC 2015-17: 8408 Wilmette Avenue, Units B & C:** Petitioner seeks approval of the following:

1. A Text Amendment to Section 5A-9-3-4 of the Darien Zoning Ordinance listing “garages for storage, repair and servicing of motor vehicles, including body repair, painting and engine rebuilding” as a special use within the OR&I Office, Research and Light Industry zoning district; and
2. Special use approval for a garage for storage, repair and servicing of motor vehicles, including body repair, painting and engine rebuilding within the OR&I zoning district.

**General Information**

**Petitioner:** Joshua Wyett  
2742 Borkshire Lane  
Aurora, IL 60502

**Property owner:** GJSK Enterprises  
8408 Wilmette Avenue  
Darien, IL 60561

**Property Location:** 8408 Wilmette Avenue, Units B & C

**PIN:** 09-34-300-020

**Existing Zoning:** OR&I Office, Research and Light Industry

**Existing Land Use:** Light industry

**Comprehensive Plan Update:** Office

**Surrounding Zoning and Land Use:**  
North: OR&I Office, Research and Light Industry: light industry  
East: R-3 Multi-Family Residential: townhomes  
South: OR&I Office, Research and Light Industry: light industry  
West: OR&I Office, Research and Light Industry: dog kennel

**Size of Property:** 41,072 square feet

**Floodplain:** None.

**Natural Features:** None.

**Transportation:** Property has frontage onto Wilmette Avenue

History: None.

### **Documents Submitted**

This report is based on the following information submitted to the Community Development Department by the Petitioner:

1. Written description of use, 1 sheet.
2. Exhibit A, 1 sheet, tenant space drawing.

### **Planning Overview/Discussion**

The subject property is located on the west side of Wilmette Avenue north of N. Frontage Road.

The petitioner proposes establishing an auto repair facility, occupying 4,000 square feet of the existing building. The petitioner provided a written description of the use which accompanies this memo. In the memo, the petitioner states immobile vehicles will be stored inside the building and all repairs will be done inside the building. The use also include a paint booth.

#### *Text Amendment*

Auto repair is neither a permitted nor a special use within the OR&I zoning district. Therefore, a text amendment to the Zoning Ordinance is required to allow the proposed use at this location. The specific language used in the Zoning Ordinance is “garages for storage, repair and servicing of motor vehicles, including body repair, painting and engine rebuilding.” The proposed text amendment lists auto repair as a special use within the OR&I zoning district. Special uses require approval by the City Council via a public hearing and recommendation by the Planning and Zoning Commission.

If the proposed text amendment is approved, it would apply to all properties zoned OR&I.

#### *Special Use*

Staff does not object to the proposed use as long as all activity and storage of immobile vehicles, parts and equipment occurs inside the building.

The special use request is to address the following criteria for approval:

1. That the special use is deemed necessary for the public convenience at the location specified.
2. That the establishment, maintenance, or operation of the special use will not be detrimental to, or endanger the public health, safety, or general welfare.
3. That the special use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood.
4. That the establishment of the special use will not impede the normal and orderly development and improvement of the surrounding property for uses permitted in the district.
5. That the exterior architectural design, landscape treatment, and functional plan of any proposed structure will not be a variation with either the exterior architectural design, landscape treatment, and functional plan of the structures already constructed or in the

course of construction in the immediate neighborhood or the character of the applicable district, as to cause a substantial depreciation in the property values within the neighborhood.

6. That adequate utilities, access roads, drainage, and/or necessary facilities have been or are being provided.
7. That adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets.
8. That the special use shall, in all other respects, conform to the applicable regulations of the district in which it is located, except as such regulations may, in each instance, be modified by the City Council pursuant to the recommendations of the planning and Zoning Commission and the Planning and Development Committee.

### **Staff Findings/Recommendations**

Staff does not object to the proposed use, subject to conditions noted below.

**Based upon the submitted petition and the information presented, the request associated with PZC 2015-17 is in conformance with the standards of the Darien City Code and, therefore, I move the Planning and Zoning Commission approve the petition as presented, subject to:**

1. **All auto repair activity shall be restricted to inside the building.**
2. **All parts and equipment shall be stored inside the building.**

### **Planning and Zoning Commission Review – December 2, 2015**

The Planning and Zoning Commission considered this matter at their December 2, 2015, meeting. The following members were present: Beverly Meyer – Chairperson, Ronald Kiefer, John Laratta, Louis Mallers, Raymond Mielkus, Pauline Oberland, Kenneth Ritzert and Michael Griffith – Senior Planner.

Absent: Andrew Kelly

Michael Griffith, Senior Planner, reviewed the agenda memo. He noted the proposed use is neither a permitted nor a special use at this location, that the Zoning Ordinance needs to be amended for the use to be approved at this location, that if the Commission finds the proposed use acceptable at this location then the use should be a special use, noting that special uses always trigger a public hearing and approval of the use by the City Council.

Mr. Griffith noted the letter provided by the petitioner describing the proposed use.

Joshua and Marsha Wyett, petitioners, were present. Joshua Wyett stated he currently does auto repair at dealerships but is looking to establish his own location. He stated they do small, light auto body repair, such as scratches and dings. He stated the space was previously a woodshop.

Chairperson Meyer asked about parking and the number of vehicles serviced at any given time.

Mr. Wyett stated vehicles coming for repair will be driven to the location and brought inside. He

stated vehicles may be parked outside when they do the work write up. He stated all vehicles will be drivable, that vehicles and repairs will occur inside.

Commissioner Laratta asked how long they've been in business, number of employees.

Mr. Wyett stated since 2006. He stated they do work for several area dealerships, including Pugi and Continental. He stated they have 4 employees.

Barbara Jo Miller, stated she owners commercial condo units in the building to the north. She stated her concern with an auto repair facility in the area, that the use did not fit with the other businesses in the area, such as offices, cleaning companies. She asked the Commission to reject the proposed use.

Commissioner Kiefer asked Ms. Miller if her objection would remain if all activity took place inside the building.

Ms. Miller stated yes.

The Commission discussed the proposed use, noting that if all activity and vehicles are inside there should not be an issue. The Commission noted that if those conditions were imposed and the petitioner did not comply, the special use could be revoked.

**Without further discussion, Commissioner Mallers made the following motion seconded by Commissioner Oberland:**

**Based upon the submitted petition and the information presented, the request associated with PZC 2015-17 is in conformance with the standards of the Darien City Code and, therefore, I move the Planning and Zoning Commission approve the petition as presented, subject to:**

- 1. All auto repair activity shall be restricted to inside the building.**
- 2. All parts and equipment shall be stored inside the building.**

**Upon a roll call vote, THE MOTION CARRIED by a vote of 7-0.  
Commissioner Kelly was absent.**

### **Municipal Services Committee – January 4, 2016**

Based on the Planning and Zoning Commission's recommendation, staff recommends the Committee make the following motion recommending approval of the variation petition:

**Based upon the submitted petition and the information presented, the request associated with PZC 2015-17 is in conformance with the standards of the Darien City Code and, therefore, I move the Municipal Services Committee approve the petition as presented, subject to:**

- 1. All auto repair activity shall be restricted to inside the building.**

- 2. All parts and equipment shall be stored inside the building.**

Re: Spectro Auto Body & Paint, Inc. – Text Amendment Zoning Request

To whom it may concern:

In regards to the operational processes for Spectro Auto Body & Paint, Inc.: We fully understand the role and responsibility our business has within the community it serves. Being that the nature of our business involves performing some type of “vehicle appearance repair” or “accident restoration”, we will at any given time have on premises “damaged” or “imperfect” vehicles. However, it is our utmost commitment and responsibility to maintain a clean, organized, and community friendly place of business. This is not only important to the City of Darien, but it is also necessary for our own longevity and success. In order to sustain long lasting business relationships, we believe it is imperative for our business to present a certain appeal to our prospective customers. Our shop will be open to the public between the hours of 7:00 a.m. and 5:00 p.m. Monday – Friday. Saturday we will be open by appointment only between 8:00 a.m. and 12:00 p.m. Our operational hours will be limited to Monday – Saturday 7:00 a.m. – 6:00 p.m. Our business has traditionally served commercial clients, mainly car dealerships. Those relationships are still intact and will continue in our new place of business. Their vehicles are generally either brand new with minimal damage, or late model pre-owned vehicles. These vehicles will be transported to our location for repair, and will be transported back to the dealership upon completion. Repairs will typically be completed within a day or two. The retail customers we will provide services to will be those having been involved in a car accident or someone in need of some type of auto body or paint service. In most cases, the cars are drivable. Repairs for these vehicles will be scheduled once the necessary replacement parts have arrived to ensure the most time efficient repair. If the car is not drivable, we will have a designated area inside the shop to hold these vehicles awaiting repairs. We will not park immobile vehicles outside overnight, nor will there ever be any work performed on any vehicle outside. Any irreparable parts that are removed from a vehicle will then either be discarded into our trash container, or set aside in an indoor holding bin for a scrap company to come and retrieve. In the event that any fluids are drained, this will always be done properly and lawfully. Because part of our business involves the spraying of paints, our shop is equipped with a fully enclosed commercial paint booth. This will ensure that any remaining paint overspray has been properly filtered and the contaminants have been removed. Safe and responsible practices will always be used during the paint process. Any materials or chemicals used for the repair process will be properly stored and maintained in a safe manner. Furthermore, the shop space we have chosen is equipped with triple basin drains and a sprinkler system. It also has two large overhead doors which will improve cars flowing into and out of the building. For our customers, we have a clean, safe and comfortable, waiting room/office that is separated from the shop area. Within the office is also a private customer bathroom. It is our absolute intention to be an asset to the Darien community, and to always offer a pleasurable and professional experience to our customers. We are excited about becoming a growing part of your city for many years to come. Thank you kindly for your consideration!

Sincerely,

Joshua Smith Wyett  
President

Spectro Auto Body & Paint, Inc. 2742 Berkshire Ln, Aurora, IL (630) 870-0964  
SpectroAutobody@sbcglobal.net

1. Plat of Survey, 1 sheet, prepared by Abraham & Associates, dated May 5, 1989

### **Planning Overview/Discussion**

Subject property is located on the north side of Sequoia Lane, east of Williams Street.

Currently, there is a detached garage in the rear yard with a driveway through the side yard to the garage. The petitioner proposes widening the driveway by 2 feet to allow better access through the side yard to the garage, a 9-foot driveway through the side yard. The resulting driveway setback will be 3 feet. The side yard is 12 feet wide.

There are several lots within this neighborhood, along Sequoia Lane and 77<sup>th</sup> Street, with a similar setup.

The variation request must address the following criteria for approval:

1. Whether the general character of the property will be adversely altered.
2. Whether the overall value of the property will be improved and there will not be any potential adverse effects on the neighboring properties.
3. Whether the alleged need for the variation has been created by any person presently having a proprietary interest in the premises.
4. Whether the proposed variation will impair an adequate supply of light and air in adjacent property, substantially increase congestion in the public streets, increase the danger of fire or endanger the public safety.
5. Whether the proposed variation will adversely alter the essential character of the neighborhood.

### **Staff Findings/Recommendations**

Staff does not object to the requested variation.

Staff finds the proposed variation does not adversely alter the general character of the property, nor will it impair an adequate supply of light and air in adjacent properties, nor will it substantially increase congestion in the public streets, increase the danger of fire or endanger public safety. Therefore, staff recommends the Commission make the following recommendation granting the variation petition:

**Based upon the submitted petition and the information presented, the request associated with PZC 2015-18 is in conformance with the standards of the Darien City Code and, therefore, I move the Planning and Zoning Commission approve the petition as presented.**

### **Planning and Zoning Commission Review – December 2, 2015**

The Planning and Zoning Commission considered this matter at their December 2, 2015, meeting. The following members were present: Beverly Meyer – Chairperson, Ronald Kiefer, John Laratta, Louis Mallers, Raymond Mielkus, Pauline Oberland, Kenneth Ritzert and Michael Griffith – Senior Planner.

Absent: Andrew Kelly

Michael Griffith, Senior Planner, reviewed the agenda memo. He noted there is a detached garage in the rear yard with a driveway through the side yard. He stated the petitioner is seeking to widen the driveway to provide better access to the garage.

The petitioner's son was present to answer questions. He stated backing down the driveway is difficult with the vehicle being maneuvered into the grass through the side yard to avoid the house. He stated their neighbor has a 6-foot privacy fence along the side lot line.

No one was present to offer comments. The Commission did not have any objections.

**Without further discussion, Commissioner Kiefer made the following motion seconded by Commissioner Laratta:**

**Based upon the submitted petition and the information presented, the request associated with PZC 2015-18 is in conformance with the standards of the Darien City Code and, therefore, I move the Planning and Zoning Commission approve the petition as presented.**

**Upon a roll call vote, THE MOTION CARRIED by a vote of 7-0.  
Commissioner Kelly was absent.**

**Municipal Services Committee – January 4, 2016**

Based on the Planning and Zoning Commission's recommendation, staff recommends the Committee make the following motion recommending approval of the variation petition:

**Based upon the submitted petition and the information presented, the request associated with PZC 2015-18 is in conformance with the standards of the Darien City Code and, therefore, I move the Municipal Services Committee approve the petition as presented.**

**MINUTES  
CITY OF DARIEN  
MUNICIPAL SERVICES COMMITTEE MEETING  
November 23, 2015**

**PRESENT:** Alderman Joseph Marchese - Chairman, Alderman Thomas Belczak, Alderman Thomas Chlystek, Dan Gombac-Director, Elizabeth Lahey, Secretary

**ABSENT:** None

Chairperson Marchese called the Municipal Services Committee Meeting to order at 6:30 p.m. at City Hall – City Council Chambers, Darien, Illinois and declared a quorum present.

**NEW BUSINESS:**

- A. PZC 2015-14: 6901 Clarendon Hills Road: Petitioner seeks approval of a variation to reduce the required comer side yard setback from 15 feet to 9 feet for a shed.**

Mr. Dan Gombac, Director reported that that the petitioner is proposing to construct a 12' x 17' shed on the north side of existing detached garage, next to the garage. He stated that the shed is in the flood plain and that the petitioner is aware.

Alderman Chlystek questioned if there were any concerns from the neighbors.

The petitioner, Mr. Matthew Goodwin stated that there is only one neighbor to the north and that he had no problem with the shed.

There was no one in the audience wishing to present public comment.

**Alderman Belczak made a motion and it was seconded by Alderman Chlystek that based upon the submitted petition and the information presented, the request associated with PZC 2015-14 is in conformance with the standards of the Darien City Code and move that the Municipal Services Committee recommend to the City Council approval of the request as presented subject to:**

- 1. Floodplain review by the City Engineer.**

**Upon voice vote, THE MOTION CARRIED unanimously.**

- B. PZC 2015-15: Marion Hills Bible Church, 142 Plainfield Road: Petitioner seeks approval of a sign variation to permit an electronic message board sign.**

Mr. Dan Gombac, Director reported that the petitioner recently replaced their free-standing sign with a new sign. He reported that upon the sign's installation, staff noticed that the sign was an

electronic message board. Mr. Gombac reported that the Sign Code prohibits electronic message board signs.

Mr. Gombac reported that the City Council has granted variations to permit electronic message board signs for several institutions in Darien, including: First American Bank on 75th Street, Republic Bank on 75th Street, Chuck's Southern Comforts Cafe on Cass Avenue and most recently Our Lady of Peace Church on Plainfield Road.

Mr. Gombac stated that the petitioner is asking for the scrolling message to be shorter than 60 seconds. He reported that 60 seconds is the norm. He further reported that the schools with electronic message boards have an Intergovernmental Agreement with the City.

There was no one in the audience wishing to present public comment

**Alderman Chlystek made a motion and it was seconded by Alderman Belczak that based upon the submitted petition and the information presented, the request associated with PZC 2015-15 is in conformance with the standards of the Darien City Code and move that the Municipal Services Committee recommend to the City Council approval of the request as presented subject to the following conditions:**

- 1. Messages will be held for 60 seconds.**
- 2. Messages will change all at once.**
- 3. Messages may display multiple colors.**
- 4. Illumination will maintain a constant light intensity or brightness.**

**Upon voice vote, THE MOTION CARRIED unanimously.**

**C. Minutes - October 26, 2015 Municipal Services Committee**

**Alderman Chlystek made a motion and it was seconded by Alderman Belczak to approve the October 26, 2015 Municipal Services Committee Meeting Minutes.**

**Upon voice vote, THE MOTION CARRIED. Alderman Belczak abstained.**

**DIRECTOR'S REPORT**

Mr. Dan Gombac, Director reported on the lighting which will begin in March and also reported on the tenants at Darien Pointe. He also stated that the first snow storm went extremely well.

**NEXT MEETING**

Chairperson Marchese announced that the next Municipal Services Committee meeting is scheduled for Monday, December 28, 2015 at 6:30 p.m.

**ADJOURNMENT**

**With no further business before the Committee, Alderman Chlystek made a motion and it was seconded by Alderman Marchese to adjourn. Upon voice vote, THE MOTION CARRIED unanimously and the meeting adjourned at 6:51 p.m.**

**RESPECTFULLY SUBMITTED:**

**APPROVED:**
