19. Adjournment

A WORK SESSION WAS CALLED TO ORDER AT 7:00 P.M. BY MAYOR WEAVER FOR THE PURPOSE OF REVIEWING ITEMS ON THE MAY 19, 2014 AGENDA WITH THE CITY COUNCIL. THE WORK SESSION ADJOURNED AT 7:27 P.M.

Minutes of the Regular Meeting

of the City Council of the

CITY OF DARIEN

MAY 19, 2014

1. **CALL TO ORDER**

The regular meeting of the City Council of the City of Darien was called to order at 7:32 P.M. by Mayor Weaver.

2. **PLEDGE OF ALLEGIANCE**

Mayor Weaver led the Council and audience in the Pledge of Allegiance.

3. **ROLL CALL** — The Roll Call of Aldermen by Deputy Clerk Dubman was as follows:

Present:	Tina Beilke	Sylvia McIvor
	Thomas J. Belczak	Ted V. Schauer
	Joseph A. Kenny	Joerg Seifert
	Joseph A. Marchese	

Absent: None

Also in Attendance: Kathleen Moesle Weaver, Mayor
Lynn Dubman, Deputy Clerk
Michael J. Coren, City Treasurer
John B. Murphey, City Attorney
Bryon D. Vana, City Administrator
Scott Coren, Assistant City Administrator
Daniel Gombac, Director of Municipal Service
Ernest Brown, Police Chief
Gregory Cheaure, Police Sergeant

4. **DECLARATION OF A QUORUM** — There being seven aldermen present, Mayor Weaver declared a quorum.

5. **QUESTIONS, COMMENTS AND ANNOUNCEMENTS - GENERAL**

There were none.

6. **APPROVAL OF MINUTES** - May 5, 2014 City Council Meeting

It was moved by Alderman Beilke and seconded by Alderman Marchese to approve the minutes of the City Council Meeting of May 5, 2014 as presented.

Roll Call:	Ayes:	Beilke, Belczak, Kenny, Marchese, Schauer, Seifert
	Abstain:	McIvor
	Nays:	None
	Absent:	None

Results: Ayes 7, Nays 0, Absent 0

MOTION DULY CARRIED

7. **RECEIVING OF COMMUNICATIONS**

Alderman Schauer...

...received a telephone call from Mike Magee of 1302 Iroquois regarding coyotes living under the deck of a nearby home. Mayor Weaver recommended residents watch the educational coyote video on the City's website. Alderman McIvor reminded residents that coyotes are scavengers and stressed the importance of not feeding wildlife, and to keep trash contained. She suggested residents contact Willowbrook Wildlife Center for suggestions on dealing with coyotes. Assistant Administrator Coren noted that small pets are in danger due to territorial issues, but there have been no documented attacks on humans.

Alderman Beilke...

...received a call from Jerry Haley of 516 Easy Street requesting the City expedite dealing with an unsightly, dying parkway ash tree that is infected with the Emerald Ash Borer. Director Gombac will review.

...received communication from David Siebold of 7317 Sunrise regarding an overgrowth of dandelions on City property located adjacent to his home near the High School ball field on Sunrise and Elm. Director Gombac advised that there is no budgeted line item

for treatment of this and nine other City owned detention basins and large parkways. Alderman Marchese noted that many residents take care of cul de sacs and parkways with their own lawns. Alderman Beilke requested Director Gombac determine the cost of treating those properties. Administrator Vana recommended treatment pricing for the ten properties be obtained and submitted to Municipal Services Committee for review. Mayor Weaver concurred.

...received a call from a resident on Sunrise regarding a parking issue. Alderman Beilke suggested Director Gombac monitor the parking on Brookbank, Evans, and Elm prior to addressing other parking issues in town.

Alderman McIvor...

...requested Director Gombac contact the Park District to follow-up on the algae overgrowth in the Farmingdale Village ponds.

Mayor Weaver...

...thanked the Darien Chamber of Commerce, and the many volunteers for their hard work on the Darien Dash. She noted there were 442 participants, and that the event was very well organized.

Alderman Kenny...

...received communication from Joan Kielbasa of 7210 Richards, whose property backs up to Fairview in Downers Grove, regarding a problem with dandelions. Director Gombac advised that he has contacted Downers Grove regarding this problem and has not received a response.

...received communication from the resident at 7113 Summit regarding smoke from a neighbor's fire pit which is infiltrating her home. Alderman Kenny advised that there is nothing the City can do, and requested that residents be respectful of their neighbors when using fire pits.

Alderman McIvor thanked the Darien Park District for the 40th Anniversary celebration.

8. **MAYOR'S REPORT**

A. DARIEN CHAMBER OF COMMERCE UPDATE

Clare Bongiovanni provided an update as follows:

- Welcomed new Chamber Member DiAnna McCarter of HR Concierge of Illinois.
- Announced the 14th Darien Dash was a great success, and extended gratitude to: the sponsors, volunteers, supporters of the event, Race Director Ted Schauer, the Darien Dash Committee, Steve Hiatt and the Darien Lions Club, Kris Sant, Darien VFW Post 2838, Mayor Weaver, former Citizen of the Year, Cathy Marchese. and Clare Wagner.
- Congratulated Lace School on their \$1,000 Darien Dash award for having the highest student participation.
- Congratulated the Darien Park District on their 40th Anniversary.
- Announced the Darien Park District will be hosting a Farmer's Market every Wednesday from June 11 through October 8, 2014.
- Announced the Darien Chamber is excited to sponsor the first concert of the summer on June 11, 2014 featuring Heartache Tonight at Darien Community Park.

Clare Bongiovanni welcomed and introduced Pat Hirshman, Debbie Sherwood, Bill Bowman, Deb Coulman, Jolene Bazon, and Comfort Dog Shami of St. John's Lutheran Church.

Pat Hirshman of the Communication Team spoke of St. John's annual events, participation in community events, and the sharing of the church with various organizations. Debbie Sherwood, Vacation Bible School Coordinator, explained the program's curriculum, activities, events, and pricing. Bill Baumann, Chairman of Elders spoke of the Early Learning Center and Safe Haven Program. Jolene Bazon spoke of the interaction between Comfort Dog Shami and the people at churches, schools, nursing homes, hospitals, special events and in disaster response situations.

Clare Bongiovanni welcomed and introduced DiAnna McCarter of HR Concierge of Illinois.

DiAnna McCarter provided her business and educational qualifications, and enumerated the services of her human resource business. She announced that, in addition to her company being the newest member of the Darien Chamber of Commerce, she has been appointed to their Board of Directors.

Alderman Kenny congratulated Clare Bongiovanni on her performance at Dancing with the Starz.

9. **CITY CLERK'S REPORT**

Deputy Clerk Dubman announced that Darien City Offices will be closed on Monday, May 26, 2014 in observance of the Memorial Day holiday.

10. **CITY ADMINISTRATOR'S REPORT**

Administrator Vana introduced Mark Morrissey and Edward F. Paliatka of Darien Pointe, LLC, the proposed purchaser and developer of Heritage Center. Mr. Paliatka spoke of the proposed development which he feels will greatly improve the appearance and aesthetics of the area, provide a nice shopping area, and improve parking for the apartments and the center.

Assistant Administrator Coren provided an update on the City's Electric Aggregation Program, and the one year, accepted bid. He advised that the market has changed significantly, and the City was unable to get the low rate from two years ago. He noted that, as in the past, residents will have the ability to opt out at any time. The new rate will go into effect with the July, 2014 billing.

11. **DEPARTMENT HEAD INFORMATION/QUESTIONS**

Director Gombac...

...announced that the City secured a \$1,600 grant towards the four LED fixtures which have been installed at the intersections of 79th and Farmingdale Drive; Gigi Road and Richards Road; Beller Drive and Ailsworth; and Bailey Road and Greenbriar Lane. He advised that the cost savings will be monitored with the goal of street light replacement throughout the city.

Alderman McIvor requested an update on the redevelopment construction of the Ide Christmas Tree Farm.

Director Gombac reported...

...a time table has not been received to date. Engineering has recently reviewed the storm water calculations. The City is waiting for A Letter of Credit for the 83rd Street storm sewer. Alderman McIvor requested any information on the development be communicated to the residents through Direct Connect.

12. **TREASURER'S REPORT**

A. WARRANT NUMBER 13-14-25

It was moved by Alderman Schauer and seconded by Alderman Seifert to approve payment of Warrant Number 13-14-25 in the amount of \$424,360.94 from the enumerated funds.

Roll Call: Ayes: Beilke, Belczak, Kenny, McIvor, Marchese,
Schauer, Seifert
Nays: None
Absent: None

Results: Ayes 7, Nays 0, Absent 0

MOTION DULY CARRIED

B. WARRANT NUMBER 14-15-01

It was moved by Alderman Beilke and seconded by Alderman Kenny to approve payment of Warrant Number 14-15-01 in the amount of \$278,509.67 from the enumerated funds; and \$247,379.76 from payroll funds for the period ending 05/01/14; for a total to be approved of \$525,889.43.

Roll Call: Ayes: Beilke, Belczak, Kenny, Marchese, McIvor,
Schauer, Seifert
Nays: None
Absent: None

Results: Ayes 7, Nays 0, Absent 0

MOTION DULY CARRIED

13. **STANDING COMMITTEE REPORTS**

Municipal Services Committee — Chairman Marchese announced the next meeting of the Municipal Services Committee is scheduled for Tuesday, May 27, 2014 at 6:30 P.M. in the Council Chambers.

Police Committee – Chairman McIvor announced the next meeting of the Police Committee is scheduled for June 16, 2014 at 6:00 P.M. in the Police Department Training Room.

Administrative/Finance Committee – Chairman Schauer announced that the next meeting of the Administrative/Finance Committee is scheduled for June 2, 2014 at 6:00 P.M. in the upstairs conference room.

14. **QUESTIONS AND COMMENTS – AGENDA RELATED**

There were none.

15. **OLD BUSINESS**

A. CONSIDERATION OF A MOTION TO RESCIND ORDINANCE O-15-14 AMENDING SECTION 9-3-2 (PROHIBITED PARKING) OF CHAPTER 3 (PARKING RESTRICTIONS) TITLE 9 (TRAFFIC REGULATIONS), OF THE DARIEN CITY CODE.

It was moved by Alderman Belczak and seconded by Alderman Schauer to rescind Ordinance O-15-14 Amending Section 9-3-2 (Prohibited Parking) of Chapter 3 (Parking Restrictions) Title 9 (Traffic Regulations), of the Darien City Code.

Administrator Vana clarified that this item was carried over from the last City Council meeting to clarify the ordinance.

Roll Call: Ayes: Beilke, Belczak, Kenny, McIvor, Marchese, Schauer, Seifert

Nays: None

Absent: None

Results: Ayes 7, Nays 0, Absent 0

MOTION DULY CARRIED

B. CONSIDERATION OF A MOTION TO APPROVE AN ORDINANCE AMENDING SECTION 9-3-2 (PROHIBITED PARKING) OF CHAPTER 3 (PARKING RESTRICTIONS) TITLE 9 (TRAFFIC REGULATIONS), OF THE DARIEN CITY CODE.

It was moved by Alderman Seifert and seconded by Alderman Kenny to approve the ordinance as presented.

Administrator Vana advised that the ordinance clarifies that there is no high school or event parking any time.

Nays: Kenny

Absent: None

Results: Ayes 6, Nays 1, Absent 0

MOTION DULY CARRIED

18. **QUESTIONS, COMMENTS AND ANNOUNCEMENTS – GENERAL**

A. DARIEN HISTORICAL SOCIETY REQUEST

Alice Brennan provided a brief history of Old Lace School and the Darien Historical Society. Debbie Kieras spoke of artifacts, archives, and programs to raise awareness. Warren Anderson spoke of the desire to remain a 501C3 organization, manage and collect artifacts, maintain Old Lace School, sponsor two annual fundraising events, budget a predictable amount of investment from the City, work with City staff on an annual budget, and allow for an annual audit of funds by the City. Dean Rodkin spoke of the benefits to the community to maintain and invest in the Darien Historical Society. Alice Brennan announced the names of the Darien Historical Society Board Members. Ms. Brennan advised that the lease arrangement between District 61 and the City is on the May 27, 2014 District 61 School Board Meeting agenda for review and discussion. Mayor Weaver stated that the City would be reluctant to invest without ownership of the property. Mayor Weaver requested Administrator Vana contact Superintendent Carlo to notify him of the City's desires. Alderman Seifert commented that he would be more inclined to invest if the City owned the property. Alice Brennan was unaware the City wanted ownership of the property and thought a 100 year lease would suffice. She clarified that the Historical Society is not asking the City to finance the \$42,000 for capital needs but is seeking an agreement for a steady revenue stream. A lengthy discussion took place on the Historical Society's need to prioritize projects, budget accordingly, set long term goals, and increase fund raising efforts. A brief discussion took place on providing an annual stipend for a specified use. Mayor Weaver suggested further discussion and review be placed on hold until District 61 makes a decision on the property. Administrator Vana

advised that he will contract District 61 to learn the topic of discussion at their meeting on May 27, 2014.

Matt Goodwin, Commander of the VFW Post 2838 announced the following events:

- Culver's will be participating in a Day of Giving fundraising effort on May 20 for the Honor Flight Chicago.
- Invited all to attend a Memorial Day remembrance ceremony at Clarendon Hills Cemetery on May 26, 2014 at 9:00 A.M.
- Invited all to attend a Memorial Day remembrance ceremony at Darien Community Park on May 26, 2014 at 11:00 A.M.

Commander Goodwin acknowledged that the VFW will be moving out of Heritage Center within the next 30 days, and thanked the City Council, Director Gombac, Administrator Vana, Assistant Administrator Coren, and City Staff for providing a home for VFW Post #2838 and for all their help and guidance.

19. **ADJOURNMENT**

There being no further business to come before the City Council, it was moved by Alderman McIvor and seconded by Alderman Beilke to adjourn the City Council meeting.

VIA VOICE VOTE – MOTION DULY CARRIED

The City Council meeting adjourned at 9:17 P.M.

Mayor

Deputy Clerk

Mayoral Proclamation

Whereas, the Eisenhower Junior High Symphonic Band participated in the Heritage World Strides National Music Festival on April 26, 2014; and

Whereas, the Eisenhower Junior High Symphonic Band performed in four categories: Symphonic Band, Jazz Band, Color Guard, and Marching Band; and

Whereas, all four ensembles received first division, gold ratings, out of five possible ratings; and

Whereas, the Eisenhower Junior High Symphonic Band earned the sweepstakes trophy for the top school with more than one performing ensemble; and

Whereas, Shannon Ferguson, Amber Kulpinski, and Nicholas Beronio earned the Maestro Award; an award which recognizes outstanding individual achievement in an ensemble setting; and

Whereas, only six students earned the Maestro Award at the festival, making it an even greater honor that three of those awards were given to Eisenhower students.

NOW, THEREFORE, I, Kathleen Moesle Weaver, Mayor of the City of Darien, do hereby proclaim the 2nd day of June 2014, as

Eisenhower Junior High Symphonic Band Day

Mayoral Proclamation

Page 2

In the City of Darien and urge all resident to congratulate the talented members of the Eisenhower Junior High Symphonic Band.

In Witness Whereof, I Have Hereunto Set My Hand And Caused To Be Affixed The Seal Of The City Of Darien.

DONE, this second day of June Two-Thousand Fourteen.

Kathleen Moesle Weaver, Mayor

Attest:

JoAnne E. Ragona, City Clerk

CITY OF DARIEN

MEMO

TO: City Council

FROM: Mayor Kathleen Moesle Weaver

DATE: May 29, 2014

SUBJECT: REAPPOINTMENT TO BOARD OF FIRE AND POLICE COMMISSIONERS

This is written to request your advice and consent to the reappointment of Wayne Scharnak to the Board of Fire and Police Commissioners. He has expressed an interest in continuing to serve the City in this capacity.

Again, should you have any questions, please do not hesitate to contact me.

DEPARTMENT HIGHLIGHTS

April 2014

CRIME ANALYST

Our crime analyst completed an analysis of thefts at Hinsdale South High School. She is working with school officials and the Student Resource Officer (SRO) to tighten controls over unsecured items.

She also completed an analysis of retail theft incidents at local retail establishments and is working with the Darien Chamber of Commerce to develop a more comprehensive loss prevention strategy.

She is in the process of completing analysis of a developing robbery pattern in neighboring jurisdictions.

TASK FORCE OFFICER

Based upon the efforts of the task force officer and team to which he is assigned, the Department of Justice has awarded the city of Darien nearly \$100,000.00 in forfeited funds. The TFO has been in place just slightly over one year.

TECHNOLOGY

Our firearms simulator is fully operational at this time and is being utilized by personnel. The Police Committee and City Administrator witnessed a demonstration and actually participated in several scenarios.

We recently implemented employee based software that will expand on our ability to recognize positive attributes of our officers and establish early identification of any negative traits.

In conjunction with the City Administrator, we will shortly be initiating an internet or technology campaign. The goal of the campaign is to sign up and/or identify a social media or e-mail contact for every Darien resident in order to facilitate the dissemination of pertinent information. We are currently limited in our ability to do so resulting in information that may have become stale by the time it is received by the public. We believe having the public receive information at a keystroke is far more timely and efficient, and certainly more accurate.

DETECTIVE UNIT

The detective unit is currently investigating 51 open criminal investigations. This includes follow-up on a domestic battery where the victim was hit by a car.

The detective unit also coordinates many of the crime prevention strategies implemented by the Patrol Unit, such as red hang on tags for burglary to motor vehicle prevention.

PERSONNEL

A new promotional exam for sergeants to fill the single vacancy created by the retirement of Sergeant David Stock will be administered on August 1st.

A new test for entry patrol positions will be administered on August 23rd. The test fulfills a statutory requirement and allows us to establish a contemporary list of eligible candidates.

Two of our three newly hired officers are currently on the street. Officer Carol Camacho has completed her field training status and is working alone. Officer Jennifer Dollins has graduated from the academy and is currently in her field training status. Our newest officer, Joe Pastick, is in his sixth week of training at SLEA. All candidates have been drawn from the list developed two years ago.

HUMAN TRAFFICKING

Congressman Peter J. Roskam recently hosted a human trafficking forum on the campus of Benedictine University. Chief Brown, along with other local chiefs, attended the forum. Human trafficking is a serious problem and takes on many faces. Many of us mistake alien smuggling and forced sexual exploitation. This is something that all of us should have a stake in.

NOISE ORDINANCE

Along with warm weather, come the loud music complaints to the police department. Please remember that the City of Darien does have an ordinance pertaining to offensive noise. Here is the City Code regarding noise:

7-3-1: DEFINITION; NUISANCES PROHIBITED:

The following acts, conduct and conditions are hereby declared and defined to be nuisances, and when committed, performed or permitted to exist by any person within the territorial limits of the City, are hereby declared to be unlawful and prohibited:

(M) To produce or permit to be produced, whether on public or private property, any offensive noise to the disturbance of the peace or quiet of any person residing in the vicinity. (Ord. 0-07-77, 2-7-1977)

If you have a complaint regarding loud noise in your neighborhood, please call 9-1-1. The Darien Police Department will be issuing ordinance complaints if we are able to verify a violation of the City Code.

CITIZEN TIPS

Burglary to Motor Vehicle

1. Lock your cars
2. Don't leave valuables in plain view
3. Check your surroundings
4. Secure your valuables prior to arriving at your destination
5. IF YOU SEE SOMETHING SUSPICIOUS - CALL 911

Residential Burglary

1. Lock all doors and windows, especially at night and when you are away from home.
2. If you have sliding glass doors, ensure a safety bar is installed.
3. Get an alarm system - if you have one, arm it every time.
4. Close your overhead garage door – don't leave it open.
5. Don't leave your garage remote inside of an unlocked car in your driveway.
6. Don't invite strangers, or people claiming to be workers that you did not contact, on to your property.
7. BE AWARE! Gypsy burglary teams have already begun operating in some of our neighboring communities. They will often use a ruse, posing as installers or other contractors.

Robbery

1. Maintain situational awareness - know your surroundings and know who is near you.
2. If the hairs on the back of your neck stand up, pay attention.
3. If you encounter a robber, do give the robber what he/she wants.
4. DON'T allow yourself to be taken somewhere else.
5. Your memory is your best tool.

Child Safety

1. In light of recent developments in the news lately, we should remind ourselves of the ever-present danger to our children.
2. When in crowded locations, keep children as close as possible - certainly not out of your sight.
3. Don't encourage children's interaction with strangers - it will lower their defenses and negate other lessons that you may have taught them.
4. Don't allow children to enter public restrooms alone.

<i>Total</i>	167	52	71	579	118	250	8.9

Note: The shift breakdown here differs from the table on Page 8, because officers worked on different shifts than the one to which they were actually assigned.

COMMUNITY ENGAGEMENT

4th Period 2014
April 7, 2014 thru May 4, 2014

VEHICLE BURGLARY PREVENTION HANG ONS - ELDERLY SERVICES - TOURS OF PD - TALKS WITH YOUTH GROUPS - ETC.

Number of Engagements	16
Contact Time in Min	966.39

LOCATION	1019 Concord	1410 75th	Police Dept	2201 75th	709 Plainfield	7100 Clarendon Hills Rd	7301 Fairview	7335 Cass	7502 Cass	7511 Lemont
TIME IN MINUTES	4.33	46.67	181.84	28.73	32.38	192.69	18.69	29.67	21.15	53.93

LOCATION	7516 Cass	7616 BrookHvn	7710 Stratford	8226 Cass	8301 Lemont	Seminol & Richmond
TIME IN MINUTES	140.6	49.55	49.45	17.2	11.83	87.68

<u>Schools Visits</u>		<i>Cass</i>	<i>Concord</i>	<i>Eisenhower</i>	<i>Eliz-Idé</i>	<i>Lace</i>	<i>Lakeview</i>	<i>Mark Delay</i>	<i>OLOP</i>	<i>Prarieview</i>
Number of Visits	49	6	5	7	5	5	4	5	3	9
Total Time In Minutes	1207.09	181.07	266.55	118.57	88.21	129.16	201.94	76.22	82.44	258

Most schools have advised they are comfortable with a maximum of two visits by officers per week. They find more visits than this can be disruptive because the students have their attention drawn to the officers and the questions it creates for the teachers. Shifts will keep visits to this amount in general unless there is a need to change to a different visitation schedule.

CITY OF DARIEN

**EXPENDITURE APPROVAL LIST
FOR CITY COUNCIL MEETING ON
June 2, 2014**

Approval is hereby given to have the City Treasurer of Darien, Illinois pay to the officers, employees, independent contractors, vendors, and other providers of goods and services in the indicated amounts as set forth.

AGENDA MEMO
CITY COUNCIL
MEETING DATE: June 2, 2014

Issue Statement

PZC 2014-02:

Chuck's Southern Comforts Café and Banquets, 8025 Cass Avenue:
Petitioner seeks approval of a variation from the Sign Code to permit the following regarding an existing ground sign:

1. Permit an electronic message board to be added to the sign.
2. Increase the permitted sign area from 60 to 81 square feet (single face).
3. Reduce the required setback from the street right-of-way for ground signs from 4 feet to zero feet (existing condition).

ORDINANCE

Discussion/Overview

Both the Planning and Zoning Commission and Municipal Services Committee have considered this matter. Both bodies recommend approval, subject to the following conditions:

1. **Messages will be held for at least 60 seconds.**
2. **Messages will change all at once.**
3. **Messages may display multiple colors.**
4. **Illumination will maintain a constant light intensity or brightness.**
5. **Illumination brightness will comply with the Sign Code.**

Full discussion follows as "Additional Information".

Decision Mode

Planning and Zoning Commission: May 7, 2014.
Municipal Services Committee: May 27, 2014.
City Council: June, 2, 2014.

Additional Information

Issue Statement

PZC 2014-02:

Chuck's Southern Comforts Café and Banquets, 8025 Cass Avenue:
Petitioner seeks approval of a variation from the Sign Code to permit the following regarding an existing ground sign:

1. Permit an electronic message board to be added to the sign.

2. Increase the permitted sign area from 60 to 81 square feet (single face).
3. Reduce the required setback from the street right-of-way for ground signs from 4 feet to zero feet (existing condition).

Applicable Regulations: Sign Code: Section 4-3-10(B)(3): Permitted Signs in Zoning District, Signs in the Business Districts.
Sign Code: Section 4-3-18(B): Administrative Determinations, Permits, Variances and Appeals, Variation of Regulations.

General Information

Petitioner: Jim Pine
Chuck's Southern Comforts Café and Banquets
8025 Cass Avenue
Darien, IL 60561

Property Owner: Jim Pine
8720 S. 55th Avenue
Oak Lawn, IL 60453

Property Location: 8025 Cass Avenue

PIN: 09-34-102-009; 09-34-102-010

Existing Zoning: B-1 Neighborhood Convenience Shopping District

Existing Land Use: Restaurant, banquet facility

Comprehensive Plan Update: Commercial
Surrounding Zoning and Land Use:

North: B-1 Neighborhood Convenience Shopping District – bank
South: B-1 Neighborhood Convenience Shopping District – retail shopping center
East: R-3 Multi-Family Residence – public elementary school
West: R-2 Single-Family Residence – single-family homes

Size of Property: 10,050 square feet

Floodplain: None.

Natural Features: None.

Transportation: Frontage and access off of Cass Avenue.

History: In 2012, the City Council granted a special use for an eating and banquet establishment.

Documents Submitted

This report is based on the following information submitted to the Community Development Department by the Petitioner:

1. [Sign drawing](#), 1 sheet, prepared by Parvin-Clause Sign Company, dated December 12, 2013.
2. ALTA/ACSM Land Title [Survey](#), 1 sheet, prepared by Streamline Survey, Inc., dated October 2, 2012.

Planning Overview/Discussion

The petitioner proposes to alter their existing ground sign by adding an electronic message board below the portion of the sign that reads “Chateau Orleans Banquets.” The electronic message board will be approximately 2.6 feet x 10 feet. The information provided by the petitioner provides the following details:

1. The electronic message board illumination will not exceed 30 foot-lamberts, consistent with Sign Code standards.
2. Messages will be held between 3-10 seconds.
3. Messages will change all at once.
4. Messages will display multiple colors.

The petitioner should explain how the electronic message board will be controlled.

The Sign Code permits manual changeable copy signs, but does not permit electronic message board signs. Furthermore, also not permitted: blinking, flashing or fluttering lights or other illuminating device which has a changing light intensity, brightness or color.

If approved, staff recommends adding a condition to clarify the illumination is not permitted to blink, flash, flutter or change light intensity.

Ground signs are limited to 60 square feet (single-face). Adding the extra signage increases the sign area from 60 to 81 square feet.

The existing ground sign does not meet the required 4-foot setback from the street right-of-way (property line along Cass Avenue). The west edge of the sign is located at the property according to the survey. The current layout of the property does not provide enough space to meet the setback, given the current location of the parking area in front of the restaurant. This situation has existed for many years and has not presented a problem. It is not clear if a variation has ever been approved. Staff added this variation request to recognize the current condition.

Per the Sign Code, a sign variation does not require a public hearing. A sign variation may be granted by the City Council, after a hearing has been held and a recommendation filed by the Planning and Zoning Commission.

Per Section 4-3-18(B) of the Sign Code, when considering a sign variation, the Commission shall consider the following:

1. The available locations for adequate signage on the property.
2. The effect of the proposed sign on pedestrian and motor traffic.
3. The cost to the applicant in complying with the Sign Code as opposed to the detriment, if any, to the public from granting of the variance.

4. If undue hardships and practical difficulties result in complying with the Sign Code and if these hardships are a result of previous actions of the applicant.
5. The general intent of the Sign Code.

Per Section 4-3-2 of the Sign Code, the general intent of the Sign Code:

1. To promote and protect the public health, safety, comfort, morals, convenience and general welfare of the residents of the City.
2. To enhance the physical appearance of the City by preserving the scenic and natural beauty of the area.
3. To promote the safety and recreational value of public travel.
4. To protect the public investment in streets and highways by reducing sign or advertising distractions that may increase traffic accidents.
5. To ensure compatibility of signs with surrounding land uses.
6. To enhance the economy of the City by promoting the reasonable, orderly and effective display of outdoor advertising.
7. To protect the pedestrians and motorists within the City from damage or injury caused by distractions, obstructions and hazards created by a proliferation of off-site advertising signs.
8. To prevent the proliferation of off-site advertising signs which distract from the development of the City in an aesthetically pleasing manner.
9. To preserve the character of the City which is a single-family residential community by assuring the compatibility of signs with the surrounding land uses.

Staff Findings/Recommendations

With today's technology, electronic message board signs can be controlled to maintain certain conditions, such as those outlined in this memo. The City has approved similar signage for two banks, First American and Republic Bank, both on 75th Street. In those cases, messages are required to be held for a certain amount of time, messages must change all at once and maintain constant brightness. There have not been issues with those signs.

Staff recommends the Planning and Zoning Commission make the following motion recommending approval of the petition subject to conditions:

Based upon the submitted petition and the information presented, the request associated with PZC 2014-02 is in conformance with the standards of the Darien City Code and, therefore, I move the Planning and Zoning Commission recommend approval of the petition subject to the following conditions:

1. **Messages will be held for 3-10 seconds.**
2. **Messages will change all at once.**
3. **Messages may display multiple colors.**
4. **Illumination will maintain a constant light intensity or brightness.**
5. **Illumination brightness will comply with the Sign Code.**

Planning and Zoning Commission Review – May 7, 2014

The Planning and Zoning Commission considered this matter on May 7, 2014. The following members were present: Beverly Meyer – Chairperson, Donald Hickok, John Lind, Raymond Mielkus, Pauline Oberland, Michael Griffith – Senior Planner.

Absent: Ronald Kiefer, Louis Mallers, Kenneth Ritzert, Susan Vonder Heide, Elizabeth Lahey – Secretary.

Lisa Cortez, General Manager, Chuck’s Southern Comforts and Café, the petitioner, was present.

Michael Griffith, Senior Planner, reviewed the staff agenda memo. He noted the variations under consideration. He stated the setback matter is an existing condition, it has not been a problem, but staff thought it should be noted.

He noted the conditions of approval related to the electronic message board. He provided the Commission with a memo listing the conditions of approval for two other similar variations, for First American Bank and Republic bank, noting the time messages are to be held. He stated First American Bank messages are to be held for at least one hour, Republic Bank messages are to be held for at least 60 seconds.

Commissioner Hickok asked why the reduced set back was being considered.

Commissioner Lind said he did not have a problem with the proposed sign.

Commissioner Oberland said the current sign has not caused a problem.

Commissioner Lind asked what type of messages would be displayed.

Ms. Cortez stated they would display messages related to specials, bands and special events. She said the illumination can be controlled, as well as holding the messages longer. She said they will do whatever the City approves.

Commissioner Oberland stated the brightness of the sign may be a problem to residents across the street. She stated the messages should be held longer than proposed, and suggesting 60 seconds consistent with Republic Bank.

Chairperson Meyer stated the proposed time for holding messages was a concern.

Commissioner Hickok questioned how many lines would be included on the message board and the size of the wording. He suggested there be a minimum size for letters so messages would be readable to motorists.

Commissioner Oberland stated that was going too far. She stated good marketing dictates Chuck’s

would not squeeze too much onto the message board. She stated most people while driving down the road would not look at the sign and read every line, top to bottom, stating one's eye will catch a word or phrase instead.

Commissioner's Meyer, Oberland and Lind suggested holding the messages for at least 60 seconds.

The Commission agreed messages with multiple colors and graphics would be acceptable. The Commission agreed the messages should change all at once.

There was not anyone from the public to offer comments.

Without further discussion, Commissioner Lind made the following motion, seconded by Commissioner Mielkus:

Based upon the submitted petition and the information presented, the request associated with PZC 2014-02 is in conformance with the standards of the Darien City Code and, therefore, I move the Planning and Zoning Commission recommend approval of the petition subject to the following conditions:

- 1. Messages will be held for at least 60 seconds.**
- 2. Messages will change all at once.**
- 3. Messages may display multiple colors.**
- 4. Illumination will maintain a constant light intensity or brightness.**
- 5. Illumination brightness will comply with the Sign Code.**

Upon a roll call vote, THE MOTION CARRIED by a vote of 4-0.

Commissioner Hickok abstained.

Commissioners Kiefer, Mallers, Ritzert and Vonder Heide were absent.

Municipal Services Committee Review – May 27, 2014

The City Council approved variations for electronic message board signs for First American Bank and Republic Bank, both on 75th Street. The conditions of approval for these signs are:

First American Bank, 2013 75th Street

Ordinance O-34-05:

- 1. Lighting to remain constant.**
- 2. No moving graphics or animation.**
- 3. No blinking, flashing or fluttering lights or other illuminating devices.**
- 4. No change in light intensity, brightness or color within and between messages.**
- 5. The message will change not more often than once every hour.**
- 6. Signs can be in color or monochromatic.**

Republic Bank, 1510 75th Street

Ordinance O-37-08

- 1. Lighting to remain constant.**
- 2. No moving graphics or animation.**
- 3. No blinking, flashing or fluttering lights or other illuminating devices.**
- 4. No change in light intensity, brightness or color within and between messages.**

5. **Message must be displayed for at least 60 seconds.**
6. Illumination shall be monochromatic.

Based on the Planning and Zoning Commission's recommendation, staff recommends the Committee make the following motion recommending approval of the sign variation with conditions:

Based upon the submitted petition and the information presented, the request associated with PZC 2014-02 is in conformance with the standards of the Darien City Code and, therefore, I move the Municipal Services Committee recommend approval of the petition subject to the following conditions:

1. **Messages will be held for at least 60 seconds.**
2. **Messages will change all at once.**
3. **Messages may display multiple colors.**
4. **Illumination will maintain a constant light intensity or brightness.**
5. **Illumination brightness will comply with the Sign Code.**

Municipal Services Committee Review – May 27, 2014

The Municipal Services Committee considered this matter at its meeting on May 27, 2014. The following members were present: Alderman Joseph Marchese – Chairman, Alderman Tina Beilke, Alderman Joerg Seifert, Dan Gombac – Director, Michael Griffith – Senior Planner and Elizabeth Lahey – Secretary.

Michael Griffith, Senior Planner, reviewed the agenda memo, noting the Commission's recommendation and conditions of approval.

Dan Gombac, Director, reminded the Committee the discussion held a while ago concerning electronic message board signs and the decision to keep the Sign Code as is and require a variation so the Council could consider each request.

Chairman Marchese said he was fine with the proposed sign.

Alderman Beilke stated she agreed with the Commission that the message should be held longer than originally proposed. She questioned the sign brightness.

Dan Gombac, Director, stated the Sign Code regulates sign brightness and they will be required to submit the details to confirm. He stated the brightness of LED illumination is measured differently than typical lights but that the comparison can be done.

Chairman Marchese asked if the electronic message board will eliminate the banners.

Jim Pine, Chuck's Southern Comforts Café and Banquets, said hopefully it will.

Alderman Seifert said he was okay with the sign.

Both Alderman Beilke and Seifert stated they were surprised notice was not required, but the sign should not be an issue for residents across the street given the sign is perpendicular to the street.

There was not anyone from the public to comment.

Without further discussion, Alderman Seifert made a motion to recommend approval as

presented, seconded by Alderman Beilke.

Upon a voice vote, the MOTION CARRIED by a vote of 3-0.

CITY OF DARIEN
DU PAGE COUNTY, ILLINOIS

ORDINANCE NO. _____

**AN ORDINANCE APPROVING A VARIATION
TO THE DARIEN SIGN CODE**

(PZC 2014-02: Chuck's Southern Comforts Café and Banquets, 8025 Cass Avenue)

**ADOPTED BY THE
MAYOR AND CITY COUNCIL
OF THE
CITY OF DARIEN
THIS 2nd DAY OF JUNE, 2014**

**Published in pamphlet form by authority of the
Mayor and City Council of the City of Darien,
DuPage County, Illinois, this __ day of June, 2014.**

**AN ORDINANCE APPROVING A VARIATION
TO THE DARIEN SIGN CODE**

(PZC 2014-02: Chuck's Southern Comforts Café and Banquets, 8025 Cass Avenue)

WHEREAS, the City of Darien is a home rule unit of local government pursuant to the provisions of Article VII, Section 6 of the Illinois Constitution of 1970; and

WHEREAS, as a home rule unit of local government, the City may exercise any power and perform any function pertaining to its government except as limited by Article VII, Section 6;

WHEREAS, the property legally described in Section 1 (the “Subject Property”), is zoned B-1 Neighborhood Shopping District pursuant to the Darien Zoning Ordinance; and

WHEREAS, the petitioner has requested approval of a variation from the terms of the Darien Sign Code to allow the installation of a LED illuminated electronic message board sign; and

WHEREAS, a hearing was held before the Planning and Zoning Commission on May 7, 2014, regarding this matter; and

WHEREAS, the Planning and Zoning Commission at its regular meeting of May 7, 2014, has forwarded its findings recommending approval of this petition to the City Council; and

WHEREAS, on May 27, 2014, the Municipal Services Committee of the City Council reviewed the petition and has forwarded its recommendation of approval of this petition to the City Council; and

WHEREAS, the City Council has reviewed the findings and recommendations described above and now determines to grant the petition subject to the terms, conditions and limitations described below.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DU PAGE COUNTY, ILLINOIS, IN THE EXERCISE OF ITS HOME RULE POWERS, as follows:

SECTION 1: Subject Property. This Ordinance is limited and restricted to the property generally located at 8025 Cass Avenue, Darien, Illinois, and legally described as follows:

PARCEL 1: THE WEST 566.81 FEET OF THE FOLLOWING DESCRIBED PROPERTY: THAT PART OF THE NORTHWEST ¼ OF SECTION 34, TOWNSHIP 38 NORTH, RANGE 11, EAST OF THE THIRD PRINCIPAL MERIDIAN, DESCRIBED AS FOLLOWS: BEGINNING AT A POINT 50.00 FEET EAST OF THE WEST LINE OF SAID NORTHWEST ¼ AND 1044.28 FEET SOUTH OF THE NORTH LINE OF SAID NORTHWEST ¼; THENCE SOUTH 09 MINUTES 59 SECONDS WEST ALONG A LINE PARALLEL WITH THE WEST LINE OF SAID SOUTHWEST ¼, 200.00 FEET; THENCE EAST, 678.10 FEET; THENCE NORTH, 200.00 FEET; THENCE WEST, 677.52 FEET TO THE POINT OF BEGINNING, IN DUPAGE COUNTY, ILLINOIS.

PARCEL 2: THAT PART OF THE NORTHWEST ¼ OF SECTION 34, TOWNSHIP 38 NORTH, RANGE 11, EAST OF THE THIRD PRINCIPAL MERIDIAN, DESCRIBED AS FOLLOWS: BEGINNING AT A POINT 50.00 FEET EAST OF THE WEST LINE OF SAID NORTHWEST ¼ AND 1044.28 FEET SOUTH OF THE NORTH LINE OF SAID NORTHWEST ¼; THENCE SOUTH 09 MINUTES 59 SECONDS WEST ALONG A LINE PARALLEL WITH THE WEST LINE OF SAID NORTHWEST ¼, 200.00 FEET; THENCE EAST, 678.10 FEET; THENCE NORTH, 200.00 FEET; THENCE WEST 677.52 FEET TO THE

POINT OF BEGINNING (EXCEPTING THEREFROM THE WEST 566.81 FEET THEREOF) IN DUPAGE COUNTY, ILLINOIS.

PIN: 09-34-102-009; 09-34-102-010

SECTION 2: Variation from Sign Code Granted with Conditions. A variation from the Sign Code Section 4-3-7(B): Signs Prohibited, Section 4-3-7(C): Illumination of Signs and Section 4-3-7(B): Permitted Signs, Business District, to allow the installation of a LED illuminated electronic message board, is hereby granted.

SECTION 3: Conditions. The variation is subject to the following conditions:

1. Messages will be held for at least 60 seconds.
2. Messages will change all at once.
3. Messages may display multiple colors.
4. Illumination will maintain a constant light intensity or brightness.
5. Illumination brightness will comply with the Sign Code.

SECTION 4: Home Rule. This ordinance and each of its terms shall be the effective legislative act of a home rule municipality without regard to whether such ordinance should (a) contain terms contrary to the provisions of current or subsequent non-preemptive state law, or (b) legislate in a manner or regarding a matter not delegated to municipalities by state law. It is the intent of the corporate authorities of the City of Darien that to the extent of the terms of this ordinance should be inconsistent with any non-preemptive state law, that this ordinance shall supercede state law in that regard within its jurisdiction.

SECTION 5: Effective Date. This Ordinance shall be in full force and effect from and after its passage and approval as provided by law.

PASSED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DU PAGE COUNTY, ILLINOIS, this 2nd day of June, 2014.

AGENDA MEMO

City Council

June 2, 2014

Issue Statement

Approval of a [Resolution](#) accepting a Storm Sewer Easement from the following properties:

7302 Capitol Drive PIN 09-26-112-020

7306 Capitol Drive PIN 09-26-112-021

Approval of a [Resolution](#) accepting a Storm Sewer Easement from the following properties:

7318 Capitol Drive PIN 09-26-112-024

7317 Sunrise Avenue PIN 09-26-112-014

Background/History

The residents at 7302 Capitol Drive and 7306 Capitol Drive have requested the City staff to review the ongoing drainage concern between the side yards of their properties. Currently the storm water is directed from the right of way of Capitol Drive and flows through their side yards and ponds within the back yards. The storm water does not have the opportunity to exit from the side yard or rear yards. The residents have agreed to grant a 10-foot storm sewer easement, (5 feet from 7302 and 5-feet from 7306 Capital Drive) to the City in anticipation of the upcoming ditch maintenance program on Capital Drive, see attached Plat of Easement labeled as [Exhibit A](#). The scope of work includes installing a storm sewer pipe within the proposed side yard easement of the participating properties and connecting to a storm sewer structure on Capitol Drive. The storm water would flow from the storm sewer structures with the proposed side yard easement to Capitol Drive. The residents of 7302 and 7306 Capitol Drive are responsible for the Plat of Easement preparation costs in an amount not to exceed \$750.00. The City will be responsible for all costs associated with the proposed storm sewer. The funding for the scope of work will cost approximately \$5,000.00 and would be expensed from the Capital Drive Ditch Project line item.

During our layout process with the vendor for the Capital Drive Drainage Project, it was identified that there is an existing utility conflict and the right of way on Elm Street is off center from the middle of the road, thus requiring a front yard easement from 7318 Capitol Drive and 7317 Sunrise Avenue. The residents of the abovementioned addresses have agreed to grant a 5-foot easement fronting the City's right of way, see attached Plat of easement labeled as [Exhibit 1](#). The City will be responsible for costs for the Plat of Easement preparation at an amount not to exceed \$750.00 and would be expended from the Capital Drive Ditch Project line item. Please note the work was completed within the abovementioned easement due to the urgency of the starting point. In addition, the existing water main would have been in conflict due to depth.

The plat requires City Council approval and will be recorded by DuPage County. The following residents have agreed to dedicate a storm sewer easement as per the attached Plat of Easement labeled as follows:

Exhibit A:

7302 Capitol Drive PIN 09-26-112-020

5-foot Side Yard Storm Water Easement

7306 Capitol Drive PIN 09-26-112-021
5-foot Side Yard Storm Water Easement

Exhibit 1:

7318 Capitol Drive PIN 09-26-112-024
5-foot Front Yard Storm Water Easement

7317 Sunrise Avenue PIN 09-26-112-014
5-foot Front Yard Storm Water Easement

Committee Recommendation

The Municipal Services Committee recommends acceptance of a Storm Sewer Easement from the properties listed above.

Alternate Consideration

Not approving the resolution at this time.

Decision Mode

This item will be placed on the June 2, 2014 City Council agenda for formal consideration.

**A RESOLUTION APPROVING THE PLAT OF DRAINAGE EASEMENT FOR THE
INSTALLATION OF A STORM SEWER AT 7302 AND 7306 CAPITOL DRIVE**

WHEREAS, the CITY OF DARIEN is a home rule unit of local government pursuant to the provisions of Article VII, Section 6, of the Illinois Constitution of 1970; and

WHEREAS, as a home rule unit of local government, the City may exercise any power and perform any function pertaining to its government except as limited by Article VII, Section 6; and

WHEREAS, the City will require a 5-foot storm sewer easement for the City to install a storm sewer line serving the properties at 7302 Capitol Drive and 7306 Captiol Drive, Darien, Illinois 60561; and

WHEREAS, the owners have offered to grant the City easements for providing storm water conveyance; and

WHEREAS, the easements will be located as further described as:

A. 7302 Capitol Drive, Darien, Illinois 60561, 5-foot easement along south property line:

5-FOOT STORM SEWER EASEMENT, LYING 5 FEET NORTH OF THE SOUTH PROPERTY LINE OF LOT 10 IN BLOCK 56 IN TRI-STATE VILLAGE UNIT NUMBER 6, BEING A SUBDIVISION OF PART OF THE SOUTHWEST ¼ OF SECTION 23, AND PART OF THE NORTHWEST ¼ OF SECTION 26, TOWNSHIP 38 NORTH, RANGE 11, EAST OF THE THIRD PRINCIPAL MERIDIAN, ACCORDING TO THE PLAT THEREOF RECORDED JUNE 10, 1946 AS DOCUMENT NO. 499725, IN DUPAGE COUNTY, ILLINOIS

Property Identification Number 09-26-112-020

B. 7306 Capitol Drive, Darien, Illinois 60561, 5-foot easement along north property line:

5-FOOT STORM SEWER EASEMENT, LYING 5 FEET SOUTH OF THE NORTH PROPERTY LINE OF LOT 11 IN BLOCK 56 IN TRI-STATE VILLAGE UNIT NUMBER 6, BEING A SUBDIVISION OF PART OF THE SOUTHWEST ¼ SECTION 23, AND PART OF THE NORTHWEST ¼ SECTION 26, TOWNSHIP 38 NORTH, RANGE 11, EAST OF THE THIRD PRINCIPAL MERIDAN, ACCORDING TO THE PLAT THEREOF RECORDED JUNE 10, 1946 AS DOCUMENT NO. 499725, IN DU PAGE COUNTY, ILLINOIS

Property Identification Number 09-26-112-021

WHEREAS, a proposed plat of easement is attached hereto as [Exhibit A](#) and made a part hereof; and

WHEREAS, the City has determined that it is in its best interest to permanently utilize the property as described above for a storm sewer easement as granted by property owners of 7302 and 7306 Capitol Drive Darien, Illinois 60561, to the City;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DU PAGE COUNTY, ILLINOIS, as follows:

SECTION 1: Authorization. The Mayor is hereby authorized and directed to execute a storm sewer easement attached hereto as "**Exhibit A**" and made a part hereof. The City Council approves of and accepts this easement.

SECTION 2: Recordation. The City Clerk is hereby directed to record a certified copy of the Deed Restriction/Covenant with the Office of the DuPage Recorder of Deeds.

SECTION 3: Effective Date. This Resolution shall be in full force and effect immediately upon its passage.

PASSED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DU PAGE COUNTY, ILLINOIS, this 2nd day of June, 2014.

AYES: _____

City Council

June 2, 2014

Issue Statement

Approval of a resolution to enter into an engineering agreement with Christopher B. Burke Engineering, Ltd. for professional services related to the Kentwood Court Bridge Repairs in an amount not to exceed \$19,900.00.

RESOLUTION

Background/History

Attached is an engineering agreement from Christopher B. Burke Engineering, Ltd. for the preparation of construction plans as they relate to the removal and replacement of the Kentwood Court bridge repair. During our 2014 review of the roads, the existing road and concrete culvert was inspected on Kentwood Court and identified that significant cracks were developing within the culvert and adjoining structural walls, see attached Technical Memo dated October 16, 2013 labeled as [Attachment A](#).

The Scope of Services includes the following:

Task 1 - CBBEL will complete a topographic survey of the area. A topographic survey forms the basis from which design plans can be produced. There are no existing plans for the culvert so a survey will be especially important to define the geometry of the existing structure and know what size members to use for replacement. Task 1-\$3,500

Task 2 - Concept Study: CBBEL will interpret the survey results and investigate different replacement alternatives. These may include precast panels with a concrete topping vs. a cast-in place slab. Task 2- \$1,300

Task 3 - Plan Preparation: Bid documents will be produced which include design plans, cost estimate and specifications. An anticipated sheet list includes:

1. Cover Sheet
2. General Notes & Summary of Quantities
3. Existing Conditions & Removal Plan
4. Erosion and Sediment Control
5. Proposed Roadway Plan
6. Proposed Structural Plan
7. Sections & Details

Task 3-\$11,300

Task 4 -Construction Support: CBBEL will assist in the construction of the road by reviewing submittals, answering RFI's and conducting two site visits. Task 4-\$3,300

Direct Costs \$500

Funding for the Professional Services would be expended from the following line item of the FY 14-15 Budget:

ACCOUNT NUMBER	PROJECT CODE	ACCOUNT DESCRIPTION	FY 14-15 BUDGET	PROPOSED EXPENDITURE
25-35-4376	FYE155011	KENTWOOD COURT BRIDGE REPAIR	\$ 165,000	\$ 19,900.00

Committee Recommendation

The Municipal Services Committee recommends approval of a resolution to enter into an engineering agreement with Christopher B. Burke Engineering, Ltd. for professional services related to the Kentwood Court Bridge Repairs in an amount not to exceed \$19,900.00.

Alternate Consideration

Not approving this proposal.

Decision Mode

This item will be placed on the June 2, 2014 City Council agenda for formal consideration.

RESOLUTION NO. _____

**A RESOLUTION TO ENTER INTO AN ENGINEERING AGREEMENT WITH
CHRISTOPHER B. BURKE ENGINEERING,
LTD. FOR PROFESSIONAL SERVICES RELATED TO THE KENTWOOD COURT BRIDGE
REPAIRS IN AN AMOUNT NOT TO EXCEED \$19,900.00**

**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DU PAGE
COUNTY, ILLINOIS, as follows:**

SECTION 1: The City Council of the City of Darien hereby authorizes the Mayor to enter into an Engineering Agreement with Christopher B. Burke Engineering, Ltd. for professional services related to the Kentwood Court Bridge repairs in an amount not to exceed \$19,900.00, a copy of which is attached hereto as "**Exhibit A**" and is by this reference expressly incorporated herein.

SECTION 2: This Resolution shall be in full force and effect from and after its passage and approval as provided by law.

**PASSED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DU PAGE COUNTY,
ILLINOIS, this 2nd day of June, 2014.**

AYES: _____

NAYS: _____

ABSENT: _____

**APPROVED BY THE MAYOR OF THE CITY OF DARIEN, DU PAGE COUNTY,
ILLINOIS, this 2nd day of June, 2014.**

KATHLEEN MOESLE WEAVER, MAYOR

Attention: Dan Gombac, Director of Municipal Services

Subject: Kentwood Court Culvert Repairs - Engineering Proposal

Dear Mr. Gombac:

Christopher B. Burke Engineering, Ltd. (CBBEL) is pleased to submit this proposal for professional engineering services for the above referenced subject. This proposal includes our Understanding of the Assignment, Scope of Services, and Estimate of Fee.

UNDERSTANDING OF THE ASSIGNMENT

CBBEL understands that the City of Darien is in need of repair/replacement of an existing culvert at Kentwood Court. The existing top slab of the culvert is in poor condition and there is concern of its remaining capacity. CBBEL visited the site on October 10, 2013 to investigate its condition and produced a Technical Memorandum dated October 16, 2013 summarizing our findings.

At the request of the City, CBBEL is preparing this proposal for the preparation of contract documents for the repair of the Kentwood Culvert. The side walls and bottom slab are in good condition. This proposal follows the recommendation of the Technical Memo which is to replace the top slab only as well as approach pavement work.

SCOPE OF SERVICES

Task 1 – Survey: CBBEL will complete a topographic survey of the area. A topographic survey forms the basis from which design plans can be produced. There are no existing plans for the culvert so a survey will be especially important to define the geometry of the existing structure and know what size members to use for replacement.

Task 2 – Concept Study: CBBEL will interpret the survey results and investigate different replacement alternatives. These may include precast panels with a concrete topping vs. a cast-in-place slab.

Task 3 – Plan Preparation: Bid documents will be produced which include design plans, cost estimate and specifications. An anticipated sheet list includes:

1. Cover Sheet
2. General Notes & Summary of Quantities
3. Existing Conditions & Removal Plan
4. Erosion and Sediment Control
5. Proposed Roadway Plan
6. Proposed Structural Plan
7. Sections & Details

Task 4 – Construction Support: CBBEL will assist in the construction of the road by reviewing submittals, answering RFI's and conducting two site visits.

ESTIMATE OF FEE

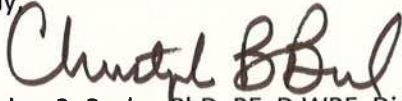

CBBEL estimates the following fees for each of the tasks described above:

Task 1 – Survey	\$ 3,500
Task 2 – Concept Study	\$ 1,300
Task 3 – Plan Preparation	\$ 11,300
Task 4 – Construction Support	\$ 3,300
Direct Cost Allowance	\$ 500
TOTAL	\$ 19,900

We will bill you at the hourly rates specified on the attached Schedule of Charges and establish our contract in accordance with the attached General Terms and Conditions. An Allowance for Direct costs for printing, mailing, travel, securing any permits, etc. is included in the Fee Estimate. The actual charges will be billed as required. These General Terms and Conditions are expressly incorporated into and are an integral part of this contract for professional services. Any Supplemental Services will be performed as requested and billed on a time and materials basis.

Please sign and return one copy of this agreement as an indication of acceptance and notice to proceed. Please feel free to contact us anytime.

Sincerely,

Christopher B. Burke, PhD, PE, D.WRE, Dist.M. ASCE
President

TECHNICAL MEMORANDUM

City of Darien

Culvert Inspection and Assessment

October 16, 2013

Village of Darien
Public Works Department
1041 S. Frontage Road
Darien, IL 60561

Attention: Dan Gombac, Director of Municipal Services

Project: Kimberly Court, Kentwood Court and Carlisle Court
Culvert Inspection
Technical Memorandum

Dear Mr. Gombac:

Christopher B. Burke Engineering, Ltd. (CBBEL) is pleased to submit this Technical Memorandum which summarizes the field inspection conducted on October 10, 2013 of the three subject culverts, provides a structural assessment of their condition and gives recommendations on what course of action, if any, should be taken to extend their life.

The scope of the inspection was to assess the immediate condition of the culverts to ensure that there was no immediate concern to the traveling public given the longitudinal cracks that can be seen on the roadway surface. No detailed measurements were taken to document inventory items such as span, rise, thickness, etc. at this time. The City was unsure if they had existing plans.

KIMBERLY COURT OVER CREEK:

This single box culvert is in good condition. The culvert is a traditional cast-in-place four-sided box with concrete wingwalls and brick headwalls behind a curb and gutter bituminous roadway.

Using the Federal coding guidelines, this culvert would be rated a 7 (very good). This is based on a scale of 0-9 with 9 being brand new and 0 a collapsed structure.

No repair work is required at this time. It was mentioned that the road may be resurfaced at some point in the future. One can see there is some settlement of the roadway either side of the culvert. There is a slight bump as you drive over the rigid culvert and the bituminous roadway exhibits some transverse cracking. When it comes time for roadway repairs, CBBEL would recommend removal of the roadway surface adjacent to the culvert and recompaction of the material behind the culvert to reduce future settlement.

CHRISTOPHER B. BURKE ENGINEERING, LTD.

9575 W Higgins Road, Suite 600 Rosemont, Illinois 60018-4920 Tel (847) 823-0500 Fax (847) 823-0520

TECHNICAL MEMORANDUM

KENTWOOD COURT OVER CREEK:

This single box “culvert” is not a conventional structure type. There is a base slab and cast-in-place walls but the top slab consists of precast panels set on top of the walls with a concrete wearing surface/deck on top of the panels. A bituminous roadway leads up to the hybrid structure on each approach.

The panels would be rated a 4 (poor condition). There are spalls, delaminated areas and exposed reinforcing on the deck soffit. The reinforcement exhibits some section loss but they appear to be conventional reinforcement and not prestressing strands. There are keyways between the panels which have separated. There is no grout remaining and the panels are acting independently. There are full depth cracks in the wearing surface that extend down to the voided keyways. The panels have some life left in them but should be replaced in the near future.

The walls are in good condition and can be reused in a repair/replacement scenario. There are cracks in the joints at the wingwalls that should be repaired when the deck is replaced. The bituminous approaches have settled at the edge of the culvert. The existing roadway should be removed at the area behind the walls recompacted to help with future settlement concerns.

CBBEL would recommend the City program for the repairs to be made within the next year. Several deck replacement options can be considered. CBBEL can further investigate different alternatives in the next phase of the project.

CARLISLE COURT OVER CREEK:

The Carlisle structure is the same hybrid type as the Kentwood structure. It exhibits the same problems as Kentwood however the panels are not as deteriorated yet. There are only minor areas of spalling and exposed reinforcement. The bottoms of the panels and walls show significant staining indicating leakage does occur though the open joints. This structure will continue to deteriorate and will eventually reach the level as Kentwood. It would currently be rated a 5 or fair condition.

The walls are in good condition and can be reused in a repair/replacement scenario. There are cracks in the joints at the wingwalls that should be repaired when the deck is replaced. The bituminous approaches have settled at the edge of the culvert. The existing roadway should be removed at the area behind the walls recompacted to help with future settlement concerns.

CBBEL would recommend the City program for the repair/replacement of this structure in the next 1-3 years.

TECHNICAL MEMORANDUM

SUMMARY:

The condition of the three culverts inspected range from poor to very good. CBBEL would recommend a tiered approach to fixing the problems over the next few years.

- Kimberly Court – No maintenance required
- Kentwood Court – Deck replacement 2014
- Carlisle Court – Deck replacement 2015

Please feel free to contact us to discuss the finding of this Technical Memorandum. We are in position to prepare an estimate for engineering fees and proceed with repair/replacement alternatives if the City wishes to proceed further.

Very truly yours,

Jeffrey C. Ehrhart, PE
Senior Structural Engineer

CHRISTOPHER B. BURKE ENGINEERING, LTD.
GENERAL TERMS AND CONDITIONS

1. Relationship Between Engineer and Client: Christopher B. Burke Engineering, Ltd. (Engineer) shall serve as Client's professional engineer consultant in those phases of the Project to which this Agreement applies. This relationship is that of a buyer and seller of professional services and as such the Engineer is an independent contractor in the performance of this Agreement and it is understood that the parties have not entered into any joint venture or partnership with the other. The Engineer shall not be considered to be the agent of the Client. Nothing contained in this Agreement shall create a contractual relationship with a cause of action in favor of a third party against either the Client or Engineer.

Furthermore, causes of action between the parties to this Agreement pertaining to acts of failures to act shall be deemed to have accrued and the applicable statute of limitations shall commence to run not later than the date of substantial completion.

2. Responsibility of the Engineer: Engineer will strive to perform services under this Agreement in accordance with generally accepted and currently recognized engineering practices and principles, and in a manner consistent with that level of care and skill ordinarily exercised by members of the profession currently practicing in the same locality under similar conditions. No other representation, express or implied, and no warranty or guarantee is included or intended in this Agreement, or in any report, opinion, document, or otherwise.

Notwithstanding anything to the contrary which may be contained in this Agreement or any other material incorporated herein by reference, or in any Agreement between the Client and any other party concerning the Project, the Engineer shall not have control or be in charge of and shall not be responsible for the means, methods, techniques, sequences or procedures of construction, or the safety, safety precautions or programs of the Client, the construction contractor, other contractors or subcontractors performing any of the work or providing any of the services on the Project. Nor shall the Engineer be responsible for the acts or omissions of the Client, or for the failure of the Client, any architect, engineer, consultant, contractor or subcontractor to carry out their respective responsibilities in accordance with the Project documents, this Agreement or any other agreement concerning the Project. Any provision which purports to amend this provision shall be without effect unless it contains a reference that the content of this condition is expressly amended for the purposes described in such amendment and is signed by the Engineer.

3. Changes: Client reserves the right by written change order or amendment to make changes in requirements, amount of work, or engineering time schedule adjustments, and Engineer and Client shall negotiate appropriate adjustments acceptable to both parties to accommodate any changes, if commercially possible.
4. Suspension of Services: Client may, at any time, by written order to Engineer (Suspension of Services Order) require Engineer to stop all, or any part, of the services required by this Agreement. Upon receipt of such an order, Engineer shall immediately comply with its terms and take all reasonable steps to minimize the costs associated with the services affected by such order. Client, however, shall pay all costs incurred by the suspension, including all costs necessary to maintain continuity and for the

resumptions of the services upon expiration of the Suspension of Services Order. Engineer will not be obligated to provide the same personnel employed prior to suspension, when the services are resumed, in the event that the period of suspension is greater than thirty (30) days.

5. Termination: This Agreement may be terminated by either party upon thirty (30) days written notice in the event of substantial failure by the other party to perform in accordance with the terms hereof through no fault of the terminating party. This Agreement may be terminated by Client, under the same terms, whenever Client shall determine that termination is in its best interests. Cost of termination, including salaries, overhead and fee, incurred by Engineer either before or after the termination date shall be reimbursed by Client.

6. Documents Delivered to Client: Drawings, specifications, reports, and any other Project Documents prepared by Engineer in connection with any or all of the services furnished hereunder shall be delivered to the Client for the use of the Client. Engineer shall have the right to retain originals of all Project Documents and drawings for its files. Furthermore, it is understood and agreed that the Project Documents such as, but not limited to reports, calculations, drawings, and specifications prepared for the Project, whether in hard copy or machine readable form, are instruments of professional service intended for one-time use in the construction of this Project. These Project Documents are and shall remain the property of the Engineer. The Client may retain copies, including copies stored on magnetic tape or disk, for information and reference in connection with the occupancy and use of the Project.

When and if record drawings are to be provided by the Engineer, Client understands that information used in the preparation of record drawings is provided by others and Engineer is not responsible for accuracy, completeness, nor sufficiency of such information. Client also understands that the level of detail illustrated by record drawings will generally be the same as the level of detail illustrated by the design drawing used for project construction. If additional detail is requested by the Client to be included on the record drawings, then the Client understands and agrees that the Engineer will be due additional compensation for additional services.

It is also understood and agreed that because of the possibility that information and data delivered in machine readable form may be altered, whether inadvertently or otherwise, the Engineer reserves the right to retain the original tapes/disks and to remove from copies provided to the Client all identification reflecting the involvement of the Engineer in their preparation. The Engineer also reserves the right to retain hard copy originals of all Project Documentation delivered to the Client in machine readable form, which originals shall be referred to and shall govern in the event of any inconsistency between the two.

The Client understands that the automated conversion of information and data from the system and format used by the Engineer to an alternate system or format cannot be accomplished without the introduction of inexactitudes, anomalies, and errors. In the event Project Documentation provided to the Client in machine readable form is so converted, the Client agrees to assume all risks associated therewith and, to the fullest

extent permitted by law, to hold harmless and indemnify the Engineer from and against all claims, liabilities, losses, damages, and costs, including but not limited to attorney's fees, arising therefrom or in connection therewith.

The Client recognizes that changes or modifications to the Engineer's instruments of professional service introduced by anyone other than the Engineer may result in adverse consequences which the Engineer can neither predict nor control. Therefore, and in consideration of the Engineer's agreement to deliver its instruments of professional service in machine readable form, the Client agrees, to the fullest extent permitted by law, to hold harmless and indemnify the Engineer from and against all claims, liabilities, losses, damages, and costs, including but not limited to attorney's fees, arising out of or in any way connected with the modification, misinterpretation, misuse, or reuse by others of the machine readable information and data provided by the Engineer under this Agreement. The foregoing indemnification applies, without limitation, to any use of the Project Documentation on other projects, for additions to this Project, or for completion of this Project by others, excepting only such use as may be authorized, in writing, by the Engineer.

7. Reuse of Documents: All Project Documents including but not limited to reports, opinions of probable costs, drawings and specifications furnished by Engineer pursuant to this Agreement are intended for use on the Project only. They cannot be used by Client or others on extensions of the Project or any other project. Any reuse, without specific written verification or adaptation by Engineer, shall be at Client's sole risk, and Client shall indemnify and hold harmless Engineer from all claims, damages, losses, and expenses including attorney's fees arising out of or resulting therefrom.

The Engineer shall have the right to include representations of the design of the Project, including photographs of the exterior and interior, among the Engineer's promotional and professional materials. The Engineer's materials shall not include the Client's confidential and proprietary information if the Client has previously advised the Engineer in writing of the specific information considered by the Client to be confidential and proprietary.

8. Standard of Practice: The Engineer will strive to conduct services under this agreement in a manner consistent with that level of care and skill ordinarily exercised by members of the profession currently practicing in the same locality under similar conditions as of the date of this Agreement.
9. Compliance With Laws: The Engineer will strive to exercise usual and customary professional care in his/her efforts to comply with those laws, codes, ordinance and regulations which are in effect as of the date of this Agreement.

With specific respect to prescribed requirements of the Americans with Disabilities Act of 1990 or certified state or local accessibility regulations (ADA), Client understands ADA is a civil rights legislation and that interpretation of ADA is a legal issue and not a design issue and, accordingly, retention of legal counsel (by Client) for purposes of interpretation is advisable. As such and with respect to ADA, Client agrees to waive any action against Engineer, and to indemnify and defend Engineer against any claim arising from Engineer's alleged failure to meet ADA requirements prescribed.

Further to the law and code compliance, the Client understands that the Engineer will strive to provide designs in accordance with the prevailing Standards of Practice as previously set forth, but that the Engineer does not warrant that any reviewing agency having jurisdiction will not for its own purposes comment, request changes and/or additions to such designs. In the event such design requests are made by a reviewing agency, but which do not exist in the form of a written regulation, ordinance or other similar document as published by the reviewing agency, then such design changes (at substantial variance from the intended design developed by the Engineer), if effected and incorporated into the project documents by the Engineer, shall be considered as Supplementary Task(s) to the Engineer's Scope of Service and compensated for accordingly.

10. Indemnification: Engineer shall indemnify and hold harmless Client up to the amount of this contract fee (for services) from loss or expense, including reasonable attorney's fees for claims for personal injury (including death) or property damage to the extent caused by the sole negligent act, error or omission of Engineer.

Client shall indemnify and hold harmless Engineer under this Agreement, from loss or expense, including reasonable attorney's fees, for claims for personal injuries (including death) or property damage arising out of the sole negligent act, error omission of Client.

In the event of joint or concurrent negligence of Engineer and Client, each shall bear that portion of the loss or expense that its share of the joint or concurrent negligence bears to the total negligence (including that of third parties), which caused the personal injury or property damage.

Engineer shall not be liable for special, incidental or consequential damages, including, but not limited to loss of profits, revenue, use of capital, claims of customers, cost of purchased or replacement power, or for any other loss of any nature, whether based on contract, tort, negligence, strict liability or otherwise, by reasons of the services rendered under this Agreement.

11. Opinions of Probable Cost: Since Engineer has no control over the cost of labor, materials or equipment, or over the Contractor(s) method of determining process, or over competitive bidding or market conditions, his/her opinions of probable Project Construction Cost provided for herein are to be made on the basis of his/her experience and qualifications and represent his/her judgement as a design professional familiar with the construction industry, but Engineer cannot and does not guarantee that proposal, bids or the Construction Cost will not vary from opinions of probable construction cost prepared by him/her. If prior to the Bidding or Negotiating Phase, Client wishes greater accuracy as to the Construction Cost, the Client shall employ an independent cost estimator Consultant for the purpose of obtaining a second construction cost opinion independent from Engineer.
12. Governing Law & Dispute Resolutions: This Agreement shall be governed by and construed in accordance with Articles previously set forth by (Item 9 of) this Agreement, together with the laws of the **State of Illinois**.

Any claim, dispute or other matter in question arising out of or related to this Agreement, which can not be mutually resolved by the parties of this Agreement, shall be subject to mediation as a condition precedent to arbitration (if arbitration is agreed upon by the parties of this Agreement) or the institution of legal or equitable proceedings by either party. If such matter relates to or is the subject of a lien arising out of the Engineer's services, the Engineer may proceed in accordance with applicable law to comply with the lien notice or filing deadlines prior to resolution of the matter by mediation or by arbitration.

The Client and Engineer shall endeavor to resolve claims, disputes and other matters in question between them by mediation which, unless the parties mutually agree otherwise, shall be in accordance with the Construction Industry Mediation Rules of the American Arbitration Association currently in effect. Requests for mediation shall be filed in writing with the other party to this Agreement and with the American Arbitration Association. The request may be made concurrently with the filing of a demand for arbitration but, in such event, mediation shall proceed in advance of arbitration or legal or equitable proceedings, which shall be stayed pending mediation for a period of 60 days from the date of filing, unless stayed for a longer period by agreement of the parties or court order.

The parties shall share the mediator's fee and any filing fees equally. The mediation shall be held in the place where the Project is located, unless another location is mutually agreed upon. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.

13. Successors and Assigns: The terms of this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns: provided, however, that neither party shall assign this Agreement in whole or in part without the prior written approval of the other.
14. Waiver of Contract Breach: The waiver of one party of any breach of this Agreement or the failure of one party to enforce at any time, or for any period of time, any of the provisions hereof, shall be limited to the particular instance, shall not operate or be deemed to waive any future breaches of this Agreement and shall not be construed to be a waiver of any provision, except for the particular instance.
15. Entire Understanding of Agreement: This Agreement represents and incorporates the entire understanding of the parties hereto, and each party acknowledges that there are no warranties, representations, covenants or understandings of any kind, matter or description whatsoever, made by either party to the other except as expressly set forth herein. Client and the Engineer hereby agree that any purchase orders, invoices, confirmations, acknowledgments or other similar documents executed or delivered with respect to the subject matter hereof that conflict with the terms of the Agreement shall be null, void & without effect to the extent they conflict with the terms of this Agreement.
16. Amendment: This Agreement shall not be subject to amendment unless another instrument is duly executed by duly authorized representatives of each of the parties and entitled "Amendment of Agreement".

17. Severability of Invalid Provisions: If any provision of the Agreement shall be held to contravene or to be invalid under the laws of any particular state, county or jurisdiction where used, such contravention shall not invalidate the entire Agreement, but it shall be construed as if not containing the particular provisions held to be invalid in the particular state, country or jurisdiction and the rights or obligations of the parties hereto shall be construed and enforced accordingly.
18. Force Majeure: Neither Client nor Engineer shall be liable for any fault or delay caused by any contingency beyond their control including but not limited to acts of God, wars, strikes, walkouts, fires, natural calamities, or demands or requirements of governmental agencies.
19. Subcontracts: Engineer may subcontract portions of the work, but each subcontractor must be approved by Client in writing.
20. Access and Permits: Client shall arrange for Engineer to enter upon public and private property and obtain all necessary approvals and permits required from all governmental authorities having jurisdiction over the Project. Client shall pay costs (including Engineer's employee salaries, overhead and fee) incident to any effort by Engineer toward assisting Client in such access, permits or approvals, if Engineer perform such services.
21. Designation of Authorized Representative: Each party (to this Agreement) shall designate one or more persons to act with authority in its behalf in respect to appropriate aspects of the Project. The persons designated shall review and respond promptly to all communications received from the other party.
22. Notices: Any notice or designation required to be given to either party hereto shall be in writing, and unless receipt of such notice is expressly required by the terms hereof shall be deemed to be effectively served when deposited in the mail with sufficient first class postage affixed, and addressed to the party to whom such notice is directed at such party's place of business or such other address as either party shall hereafter furnish to the other party by written notice as herein provided.
23. Limit of Liability: The Client and the Engineer have discussed the risks, rewards, and benefits of the project and the Engineer's total fee for services. In recognition of the relative risks and benefits of the Project to both the Client and the Engineer, the risks have been allocated such that the Client agrees that to the fullest extent permitted by law, the Engineer's total aggregate liability to the Client for any and all injuries, claims, costs, losses, expenses, damages of any nature whatsoever or claim expenses arising out of this Agreement from any cause or causes, including attorney's fees and costs, and expert witness fees and costs, shall not exceed the total Engineer's fee for professional engineering services rendered on this project as made part of this Agreement. Such causes included but are not limited to the Engineer's negligence, errors, omissions, strict liability or breach of contract. It is intended that this limitation apply to any and all liability or cause of action however alleged or arising, unless otherwise prohibited by law.

24. Client's Responsibilities: The Client agrees to provide full information regarding requirements for and about the Project, including a program which shall set forth the Client's objectives, schedule, constraints, criteria, special equipment, systems and site requirements.

The Client agrees to furnish and pay for all legal, accounting and insurance counseling services as may be necessary at any time for the Project, including auditing services which the Client may require to verify the Contractor's Application for Payment or to ascertain how or for what purpose the Contractor has used the money paid by or on behalf of the Client.

The Client agrees to require the Contractor, to the fullest extent permitted by law, to indemnify, hold harmless, and defend the Engineer, its consultants, and the employees and agents of any of them from and against any and all claims, suits, demands, liabilities, losses, damages, and costs ("Losses"), including but not limited to costs of defense, arising in whole or in part out of the negligence of the Contractor, its subcontractors, the officers, employees, agents, and subcontractors of any of them, or anyone for whose acts any of them may be liable, regardless of whether or not such Losses are caused in part by a party indemnified hereunder. Specifically excluded from the foregoing are Losses arising out of the preparation or approval of maps, drawings, opinions, reports, surveys, change orders, designs, or specifications, and the giving of or failure to give directions by the Engineer, its consultants, and the agents and employees of any of them, provided such giving or failure to give is the primary cause of Loss. The Client also agrees to require the Contractor to provide to the Engineer the required certificate of insurance.

The Client further agrees to require the Contractor to name the Engineer, its agents and consultants as additional insureds on the Contractor's policy or policies of comprehensive or commercial general liability insurance. Such insurance shall include products and completed operations and contractual liability coverages, shall be primary and noncontributing with any insurance maintained by the Engineer or its agents and consultants, and shall provide that the Engineer be given thirty days, unqualified written notice prior to any cancellation thereof.

In the event the foregoing requirements, or any of them, are not established by the Client and met by the Contractor, the Client agrees to indemnify and hold harmless the Engineer, its employees, agents, and consultants from and against any and all Losses which would have been indemnified and insured against by the Contractor, but were not.

When Contract Documents prepared under the Scope of Services of this contract require insurance(s) to be provided, obtained and/or otherwise maintained by the Contractor, the Client agrees to be wholly responsible for setting forth any and all such insurance requirements. Furthermore, any document provided for Client review by the Engineer under this Contract related to such insurance(s) shall be considered as sample insurance requirements and not the recommendation of the Engineer. Client agrees to have their own risk management department review any and all insurance requirements for adequacy and to determine specific types of insurance(s) required for the project. Client further agrees that decisions concerning types and amounts of insurance are

specific to the project and shall be the product of the Client. As such, any and all insurance requirements made part of Contract Documents prepared by the Engineer are not to be considered the Engineer's recommendation, and the Client shall make the final decision regarding insurance requirements.

25. Information Provided by Others: The Engineer shall indicate to the Client the information needed for rendering of the services of this Agreement. The Client shall provide to the Engineer such information as is available to the Client and the Client's consultants and contractors, and the Engineer shall be entitled to rely upon the accuracy and completeness thereof. The Client recognizes that it is impossible for the Engineer to assure the accuracy, completeness and sufficiency of such information, either because it is impossible to verify, or because of errors or omissions which may have occurred in assembling the information the Client is providing. Accordingly, the Client agrees, to the fullest extent permitted by law, to indemnify and hold the Engineer and the Engineer's subconsultants harmless from any claim, liability or cost (including reasonable attorneys' fees and cost of defense) for injury or loss arising or allegedly arising from errors, omissions or inaccuracies in documents or other information provided by the Client to the Engineer.

26. Payment: Client shall be invoiced once each month for work performed during the preceding period. Client agrees to pay each invoice within thirty (30) days of its receipt. The client further agrees to pay interest on all amounts invoiced and not paid or objected to for valid cause within said thirty (30) day period at the rate of eighteen (18) percent per annum (or the maximum interest rate permitted under applicable law, whichever is the lesser) until paid. Client further agrees to pay Engineer's cost of collection of all amounts due and unpaid after sixty (60) days, including court costs and reasonable attorney's fees, as well as costs attributed to suspension of services accordingly and as follows:

Collection Costs. In the event legal action is necessary to enforce the payment provisions of this Agreement, the Engineer shall be entitled to collect from the Client any judgement or settlement sums due, reasonable attorneys' fees, court costs and expenses incurred by the Engineer in connection therewith and, in addition, the reasonable value of the Engineer's time and expenses spent in connection with such collection action, computed at the Engineer's prevailing fee schedule and expense policies.

Suspension of Services. If the Client fails to make payments when due or otherwise is in breach of this Agreement, the Engineer may suspend performance of services upon five (5) calendar days' notice to the Client. The Engineer shall have no liability whatsoever to the Client for any costs or damages as a result of such suspension caused by any breach of this Agreement by the Client. Client will reimburse Engineer for all associated costs as previously set forth in (Item 4 of) this Agreement.

27. When construction observation tasks are part of the service to be performed by the Engineer under this Agreement, the Client will include the following clause in the construction contract documents and Client agrees not to modify or delete it:

Kotecki Waiver. Contractor (and any subcontractor into whose subcontract this clause is incorporated) agrees to assume the entire liability for all personal injury claims suffered by its own employees, including without limitation claims under the **Illinois** Structural Work Act, asserted by persons allegedly injured on the Project; waives any limitation of liability defense based upon the Worker's Compensation Act, court interpretations of said Act or otherwise; and to the fullest extent permitted by law, agrees to indemnify and hold harmless and defend Owner and Engineer and their agents, employees and consultants (the "Indemnitees") from and against all such loss, expense, damage or injury, including reasonable attorneys' fees, that the Indemnitees may sustain as a result of such claims, except to the extent that **Illinois** law prohibits indemnity for the Indemnitees' own negligence. The Owner and Engineer are designated and recognized as explicit third party beneficiaries of the Kotecki Waiver within the general contract and all subcontracts entered into in furtherance of the general contract.

28. Job Site Safety/Supervision & Construction Observation: The Engineer shall neither have control over or charge of, nor be responsible for, the construction means, methods, techniques, sequences of procedures, or for safety precautions and programs in connection with the Work since they are solely the Contractor's rights and responsibilities. The Client agrees that the Contractor shall supervise and direct the work efficiently with his/her best skill and attention; and that the Contractor shall be solely responsible for the means, methods, techniques, sequences and procedures of construction and safety at the job site. The Client agrees and warrants that this intent shall be carried out in the Client's contract with the Contractor. The Client further agrees that the Contractor shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the work; and that the Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury or loss to all employees on the subject site and all other persons who may be affected thereby. The Engineer shall have no authority to stop the work of the Contractor or the work of any subcontractor on the project.

When construction observation services are included in the Scope of Services, the Engineer shall visit the site at intervals appropriate to the stage of the Contractor's operation, or as otherwise agreed to by the Client and the Engineer to: 1) become generally familiar with and to keep the Client informed about the progress and quality of the Work; 2) to strive to bring to the Client's attention defects and deficiencies in the Work and; 3) to determine in general if the Work is being performed in a manner indicating that the Work, when fully completed, will be in accordance with the Contract Documents. However, the Engineer shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. If the Client desires more extensive project observation, the Client shall request that such services be provided by the Engineer as Additional and Supplemental Construction Observation Services in accordance with the terms of this Agreement.

The Engineer shall not be responsible for any acts or omissions of the Contractor, subcontractor, any entity performing any portions of the Work, or any agents or employees of any of them. The Engineer does not guarantee the performance of the

Contractor and shall not be responsible for the Contractor's failure to perform its Work in accordance with the Contract Documents or any applicable laws, codes, rules or regulations.

When municipal review services are included in the Scope of Services, the Engineer (acting on behalf of the municipality), when acting in good faith in the discharge of its duties, shall not thereby render itself liable personally and is, to the maximum extent permitted by law, relieved from all liability for any damage that may accrue to persons or property by reason of any act or omission in the discharge of its duties. Any suit brought against the Engineer which involve the acts or omissions performed by it in the enforcement of any provisions of the Client's rules, regulation and/or ordinance shall be defended by the Client until final termination of the proceedings. The Engineer shall be entitled to all defenses and municipal immunities that are, or would be, available to the Client.

29. Insurance and Indemnification: The Engineer and the Client understand and agree that the Client will contractually require the Contractor to defend and indemnify the Engineer and/or any subconsultants from any claims arising from the Work. The Engineer and the Client further understand and agree that the Client will contractually require the Contractor to procure commercial general liability insurance naming the Engineer as an additional named insured with respect to the work. The Contractor shall provide to the Client certificates of insurance evidencing that the contractually required insurance coverage has been procured. However, the Contractor's failure to provide the Client with the requisite certificates of insurance shall not constitute a waiver of this provision by the Engineer.

The Client and Engineer waive all rights against each other and against the Contractor and consultants, agents and employees of each of them for damages to the extent covered by property insurance during construction. The Client and Engineer each shall require similar waivers from the Contractor, consultants, agents and persons or entities awarded separate contracts administered under the Client's own forces.

30. Hazardous Materials/Pollutants: Unless otherwise provided by this Agreement, the Engineer and Engineer's consultants shall have no responsibility for the discovery, presence, handling, removal or disposal of or exposure of persons to hazardous materials/pollutants in any form at the Project site, including but not limited to mold/mildew, asbestos, asbestos products, polychlorinated biphenyl (PCB) or other toxic/hazardous/pollutant type substances.

Furthermore, Client understands that the presence of mold/mildew and the like are results of prolonged or repeated exposure to moisture and the lack of corrective action. Client also understands that corrective action is a operation, maintenance and repair activity for which the Engineer is not responsible.

AGENDA MEMO

City Council

June 2, 2014

ISSUE STATEMENT

Approval of a Resolution to enter into a contract agreement with Morton Salt for the purchase of rock salt in an amount not to exceed \$241,821.32.

RESOLUTION

BACKGROUND/HISTORY

The rock salt is utilized by the Municipal Services Department for street de-icing operations during the snow season. The City utilized approximately 4000 tons of salt this past season and has approximately 125 tons remaining within the salt storage building.

The City had partnered with the County of DuPage for the purchase of rock salt for the 2014/15 season. The County of DuPage opened four (4) sealed bids on April 17, 2014. See attached bid tally labeled as [Attachment A](#). The lowest competitive price was Morton Salt in the amount of \$70.44 per ton, an increase of \$1.84 per ton from the last year's contract price.

As part of the joint contract the City will be required to take up to 3,433 tons of sodium chloride salt. The Darien Park District and Center Cass School District #66 will be purchasing up to 245 and 8 tons respectively of rock salt not to exceed \$17,821.32. Forthcoming agenda memos will cover the Intergovernmental Agreements between the City and the Darien Park District and Center Cass School District #66. The City will have an opportunity to purchase approximately an additional 1000 tons due to extreme conditions such as this past season. Staff will request City Council approval should conditions warrant the emergency expense. See attached letter labeled as [Attachment B](#) dated May 20, 2014.

The proposed expenditure would be expended from the following account:

ACCOUNT NUMBER	ACCOUNT DESCRIPTION	FY 14-15 BUDGET	PROPOSED EXPENDITURE	PROPOSED BALANCE
03-60-4249	CITY OF DARIEN 3,180 Tons	\$224,400	\$ 224,000.00	\$0
01-30-4249	DARIEN PARK DISTRICT-REIMBURSABLE 245 Tons	N/A	\$ 17,257.80	N/A
01-30-4249	DISTRICT 66-REIMBURSABLE 8 Tons	N/A	\$ 563.52	N/A
TOTAL COSTS			\$ 241,821.32	

COMMITTEE RECOMMENDATION

The Municipal Services Committee recommends approval of this resolution with Morton Salt for the annual purchase of rock salt in an amount not to exceed \$241,821.32.

ALTERNATE CONSIDERATION

Not approving the contract.

DECISION MODE

This item will be placed on the June 2, 2014 City Council agenda for formal approval.

CITY OF DARIEN

In the County of DuPage and the State of Illinois
Incorporated 1969

May 20, 2014

Mr. Patton
Ice Control Department
Morton Salt
123 North Wacker Drive, 25th Floor
Chicago, Illinois 60606

Re: Salt Contract 2014/15 Season

Dear Mr. Patton:

This letter is regarding my ongoing conversations with Ms. Deborah Jones, for the purchase of rock salt this year. The City of Darien's initial salt request was for 4500 tons. Our intention is to purchase the Summer Load of 2500 tons by August, 2014. We had also requested an additional 2000 tons to be purchased in January through April of 2015. The City's Budget will not allow for us to take the entire additional tonnage. The Salt line item is capped \$241,821.32 allowing for a total of 3,433 tons, (2500 tons Summer Load and 933 tons January-April loads). We are requesting consideration of the above at your earliest convenience.

We thank Morton Salt in advance for the consideration and should you have any additional questions please feel free to contact me at (630) 353-8106 or via e-mail at dgombac@darienil.gov.

Sincerely,
CITY OF DARIEN

Daniel Gombac
Director of Municipal Services

TO: The DuPage County Procurement Services Division

The undersigned certifies that he is:

- the Owner/Sole Proprietor
 a Member of the Partnership
 an Officer of the Corporation
 a Member of the Joint Venture

herein after called the Bidder and that the members of the Partnership or Officers of the Corporation are as follows:

See Attached Corporate Resolution

 (President or Partner)

 (Vice-President or Partner)

 (Secretary or Partner)

 (Treasurer or Partner)

Further, the undersigned declares that the only person or parties interested in this bid as principals are those named herein; that this bid is made without collusion with any other person, firm or corporation; that he has fully examined the proposed forms of agreement and the contract specifications for the above designated purchase, all of which are on file in the office of the Procurement Manager, DuPage Center, 421 North County Farm Road, Wheaton, Illinois 60187, and all other documents referred to or mentioned in the contract documents, specifications and attached exhibits, including Addenda No. _____, _____, and _____ issued thereto;

Further, the undersigned proposes and agrees, if this bid is accepted, to provide all necessary machinery, tools, apparatus and other means of construction, including transportation services necessary to furnish all the materials and equipment specified or referred to in the contract documents in the manner and time therein prescribed.

Further, the undersigned certifies and warrants that he is duly authorized to execute this certification/affidavit on behalf of the Bidder and in accordance with the Partnership Agreement or by-laws of the Corporation, and the laws of the State of Illinois and that this Certification is binding upon the Bidder and is true and accurate.

Further, the undersigned certifies that the Bidder is not barred from bidding on this contract as a result of a violation of either 720 Illinois Compiled Statutes 5/33 E-3 or 5/33E-4, bid rigging or bid-rotating or as a result of a violation of 820 ILCS 130/1 et seq., the Illinois Prevailing Wage Act.

The undersigned certifies that he has examined and carefully prepared this bid and has checked the same in detail before submitting this bid, and that the statements contained herein are true and correct.

If a Corporation, the undersigned further certifies that the recitals and resolutions attached hereto and made a part hereof were properly adopted by the Board of Directors of the Corporation at a meeting of said Board of

COUNTY OF DU PAGE, ILLINOIS

Directors duly called and held and have not been repealed, nor modified and that the same remain in full force and effect. (Bidder may be requested to provide a copy of the corporate resolution granting the individual executing the contract documents authority to do so.)

Further, the bidder certifies that he has provided equipment, supplies or services comparable to the items specified in this contract to the parties listed in the reference section below and authorizes the County to verify references of business and credit at its option.

Finally, the Bidder, if awarded the contract, agrees to do all other things required by the contract documents, and that he will take in full payment therefore the sums set forth in the bidding schedule.

BID AWARD CRITERIA:

DuPage County reserves the right to award a contract(s) to the lowest responsive, responsible bidder(s) by lump sum bid, by group 1A and/or 1B, whichever is in the best interest of DuPage County. DuPage County will only consider unit pricing in the 130%-150% range, in the event of a tie. Group 2 will be awarded by each individual township/municipality.

DELIVERY: REQUIREMENTS AS LISTED IN SPECIFICATIONS

GROUP 1-A:

TOTAL LUMP SUM BID: \$845,280.00
Total (in figures)

Eight hundred forty-five thousand two hundred eighty Dollars and zero Cents.
(Print or Type)

GROUP 1-B:

TOTAL LUMP SUM BID: \$1,549,680.00
Total (in figures)

One million five hundred forty-nine thousand six hundred eighty Dollars and zero Cents.
(Print or Type)

The Contractor agrees to provide the equipment, service and/or supplies as described in this solicitation and subject, without limitation, to all specifications, terms, and conditions herein contained. Bidder shall acknowledge receipt of each addendum issued in the space provided on the bid form.

May 20, 2014

Mr. Patton
Ice Control Department
Morton Salt
123 North Wacker Drive, 25th Floor
Chicago, Illinois 60606

Re: Salt Contract 2014/15 Season

Dear Mr. Patton:

This letter is regarding my ongoing conversations with Ms. Deborah Jones, for the purchase of rock salt this year. The City of Darien's initial salt request was for 4500 tons. Our intention is to purchase the Summer Load of 2500 tons by August, 2014. We had also requested an additional 2000 tons to be purchased in January through April of 2015. The City's Budget will not allow for us to take the entire additional tonnage. The Salt line item is capped \$241,821.32 allowing for a total of 3,433 tons, (2500 tons Summer Load and 933 tons January-April loads). We are requesting consideration of the above at your earliest convenience.

We thank Morton Salt in advance for the consideration and should you have any additional questions please feel free to contact me at (630) 353-8106 or via e-mail at dgombac@darienil.gov.

Sincerely,
CITY OF DARIEN

Daniel Gombac
Director of Municipal Services

cc: Ms. Deborah Jones, Morton Salt

AGENDA MEMO

City Council

June 2, 2014

Issue Statement

Approval of a Resolution authorizing the Mayor to execute an Intergovernmental Agreement with the Darien Park District for the reimbursement of Rock Salt through the City's 2014 Rock Salt Agreement.

RESOLUTION

Background/History

The Intergovernmental Agreement with the Darien Park District authorizes the City of Darien to provide rock salt to the Darien Park District for their deicing operations. The Park District does not have facilities to accommodate rock salt in bulk and will realize a savings by utilizing the City's bulk pricing and storage facility.

The Park District has estimated that they will require approximately 245 tons for the winter season. The City of Darien would be reimbursed by the Park District at a unit cost of \$70.44 per ton for a total amount of approximately \$17,257.80 pending final quantities.

Committee Recommendation

The Municipal Services Committee recommends signing the Intergovernmental Agreement.

Alternate Consideration

Not approving the Resolution.

Decision Mode

This item will be placed on the June 2, 2014 City Council agenda for formal consideration.

**A RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN
INTERGOVERNMENTAL AGREEMENT
BETWEEN THE CITY OF DARIEN AND THE DARIEN PARK DISTRICT
FOR ROCK SALT**

WHEREAS, under the Constitution and Statues of the State of Illinois, a municipality is authorized to participate in intergovernmental cooperation; and

WHEREAS, an Intergovernmental Agreement has been prepared between the City of Darien and the Darien Park District concerning the purchase of rock salt, a copy of which is attached hereto as “[Exhibit A](#),” and is incorporated herein; and

WHEREAS, The Corporate Authorities, for record keeping, desire to authorize the execution of the Intergovernmental Agreement by Resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DUPAGE COUNTY, as follows:

SECTION 1: That the Mayor is hereby authorized to execute an Intergovernmental Agreement for the purchase of rock salt, subject to the Darien Park District Intergovernmental Agreement paying for the final quantities.

The obligations of the City of Darien shall be limited to those specifically stated within the terms of the Intergovernmental Agreement.

SECTION 2: This Resolution shall be in full force and effect from and after its passage and approval as provided by law.

**PASSED BY THE CITY COUNCIL OF THE CITY OF DARIEN, DUPAGE COUNTY,
ILLINOIS**, this 2nd day of June, 2014.

**INTERGOVERNMENTAL AGREEMENT
BETWEEN THE CITY OF DARIEN AND THE DARIEN PARK DISTRICT
FOR THE PURCHASE OF ROAD SALT**

This agreement is made and entered into this _____ day of _____, 2014, by and between the City of Darien, an Illinois municipal corporation (hereinafter the “City”), and the Darien Park District, an Illinois municipal corporation, (hereinafter the “District”) (collectively “the parties”).

WHEREAS, the corporate authorities of the parties possess authority to enter into this intergovernmental agreement pursuant to Article VII, Section 10 of the 1970 Constitution of the State of Illinois and pursuant to the provisions of the Illinois Intergovernmental Cooperation Act, 5 ILCS 220/1, *et seq.*;

WHEREAS, the City desires to assist the District by allowing the District to purchase rock salt from the Public Works facility for an estimated cost of \$17,257.80 pending final quantities;

WHEREAS, the parties desire to commit their agreements and understandings to writing;

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, the parties hereto agree, as follows:

1. The recitals set forth above are hereby incorporated into and made a part of this Agreement.
2. The District authorizes the City to provide rock salt to the District for de-icing operations.
3. The District shall reimburse the City for the rock salt charges by April 30, 2015 as invoiced by the City.

4. All notices, requests and other communications under this Agreement shall be in writing and shall be deemed properly served upon delivery by hand to the party to whom it is addressed, or upon receipt, if sent, postage pre-paid by United States registered or certified mail, return receipt requested, as follows:

AGENDA MEMO

City Council

June 2, 2014

Issue Statement

Approval of a Resolution authorizing the Mayor to execute an Intergovernmental Agreement with Center Cass School District #66 for the reimbursement of Rock Salt through the City's 2014 Rock Salt Agreement.

RESOLUTION

Background/History

The Intergovernmental Agreement with Center Cass School District #66 authorizes the City of Darien to provide rock salt to Center Cass School District #66 for their deicing operations. The School District does not have facilities to accommodate rock salt in bulk and will realize a savings by utilizing the City's bulk pricing and storage facility.

The School District has estimated that they will require approximately 8 tons for the winter season. The City of Darien would be reimbursed by the School District at a unit cost of \$70.44 per ton for a total amount of approximately \$563.52 pending final quantities. The proposed salt quantities will not have any impact to the City's contract with the supplier.

Committee Recommendation

The Municipal Services Committee recommends signing the Intergovernmental Agreement.

Alternate Consideration

Not approving the Resolution.

Decision Mode

This item will be placed on the June 2, 2014 City Council agenda for formal consideration.

AGENDA MEMO

City Council

June 2, 2014

ISSUE STATEMENT

Approval of a resolution accepting a proposal from Auto Truck Group for the purchase of a service body equipment package, lighting accessories, and hydraulic controls, for the 2014 International 7400 SFA 4x2 cab and chassis, Unit 103 in the amount of \$64,288.

RESOLUTION

BACKGROUND/HISTORY

The proposed equipment package would be installed on the 2014 International 7400 SFA 4x2 cab and chassis, Unit 103. Please note the cab and chassis was approved at the May 5, 2014 City Council Meeting. The vehicle would be utilized by the Street Division for material hauling, snow plowing and de-icing operations.

The City staff had opened four responsive sealed bids on May 14, 2014 for the Equipment Package. The equipment package consists of a dump body, hoist, lighting accessories, hydraulics, controls, snow and de-icing equipment. [Attachment A](#) is the bid tally.

The proposed expenditure would be expended from the following line account:

ACCOUNT NUMBER	PROJECT CODE	ACCOUNT DESCRIPTION	FY 14/15 BUDGET	PROPOSED EXPENDITURE	PROPOSED BALANCE
01-30-4815	FYE152030	CAPITAL PURCHASES TRUCK REPL UNIT 103- CAB AND CHASSIS CITY COUNCIL APPROVED MAY 5, 2014	\$145,300.00	\$ 73,642.00	\$ 71,658.00
01-30-4815	FYE152030	CAPITAL PURCHASES TRUCK REPL UNIT 103- TRUCK BODY	\$ 71,658.00	\$ 64,288.00	\$ 7,370.00
01-30-4815	FYE152030	CAPITAL PURCHASES TRUCK REPL UNIT 103- DECALS	\$7,370.00	\$ 750.00	\$ 6,620.00

COMMITTEE RECOMMENDATION

The Municipal Services Committee recommends approval of the resolution accepting the proposal from Auto Truck Group for the purchase of a service body equipment package, lighting accessories, and hydraulic controls, for the 2014 International 7400 SFA 4x2 cab and chassis, Unit 103 in the amount of \$64,288.

ALTERNATE CONSIDERATION

Not approving this item at this time.

DECISION MODE

This item will be placed on the June 2, 2014 City Council agenda for formal consideration
