POLICE COMMITTEE
April 7, 2025
Rescheduled Meeting Minutes
Police Department Training Room
1710 Plainfield Road

1. Call to Order

The meeting was called to order at 6:00 p.m. in attendance were Aldermen Ralph Stompanato and Eric Gustafson and Police Chief Greg Thomas. Alderman Kenney was absent.

2. Public Comment and Communications

There was no public comment or communication.

3. Approval of Meeting Minutes from the February 18, 2025 Meeting.

Alderman Gustafson motioned to approve the minutes seconded by Alderman Stompanato. The minutes were approved.

4. An ordinance to amend the Fire and Police Commission's Rules.

Chief Thomas explained to the committee that the commission operates under the authority of the Fire and Police Commission and must operate under the statutory requirements of the Fire and Police Commission. The City of Darien is Home Rule.

The Fire and Police Commission (FPC) is asking that City Council change the rules and regulations. One requested change involves hiring of police officers. The FPC rules state that you have to hire in order of the eligibility list. The FPC is asking to change to the Rule of Three for hiring which will speed up the hiring process. Chief briefed the committee on the steps to establish the police officer eligibility list. He also explained the hiring process.

Alderman Gustafson motioned to approve seconded by Alderman Stompanato. The motion was approved.

5. Darien Police Annual Report

Chief Thomas will present the 2024 Annual Report at the City Council meeting tonight. The committee agreed to wait until the City Council meeting to hear his report. The committee discussed some of the highlights and concerns in the report.

6. Next Meeting Date – April 21, 2025

7. Adjournment

Alderman Gustafson motioned to adjourn seconded by Alderman Stompanato. The meeting was adjourned at 6:30 p.m.

ISSUE STATEMENT

A resolution to adopt the Memorandum of Understanding (MOU) regarding social worker services between Northeast DuPage Family and Youth Services (NEDFYS) and the Darien Police Department.

BACKGROUND/HISTORY

The Darien Police Department's mission is to provide Darien's residents and visitors with the highest quality services possible and to take the steps necessary to keep Darien a safe city. Police staff would like to enter into this Memorandum of Understanding (MOU) to mutually promote the mental health and social service needs of Darien residents.

NEDFYS is a community-based organization that provides high quality, accessible mental health, and social services to underserved and diverse residents of DuPage County. NEDFYS works with children, adolescents, adults, and families from diverse backgrounds to promote physical and mental wellness, healthy relationships, and cognitive and social skill development.

NEDFYS provides social workers to police departments in order to enhance service to the community and achieve the following goals:

- Increased access to community-based behavioral health care and domestic violence services
- Reduced need for emergency room transports and hospital police presence
- Expedited response time for mental health calls and facilitate a quicker return to patrol
- Decreased arrests and jail admissions
- Decreased repeat encounters with police
- Improve community relations
- Improved officer, consumer, and community safety

STAFF/COMMITTEE RECOMMENDATION

Staff recommends approving the plan.

ALTERNATE CONSIDERATION

As recommended by the Committee.

DECISION MODE

This item will be placed on the April 21, 2025 City Council agenda for formal consideration.

Memorandum of Understanding Between Northeast DuPage Family and Youth Services (NEDFYS) and Darien Police Department

Overview

Northeast DuPage Family and Youth Services (NEDFYS) is a community-based organization that provides high quality, accessible mental health, and social services to underserved and diverse residents of DuPage County. NEDFYS works with children, adolescents, adults, and families from diverse backgrounds to promote physical and mental wellness, healthy relationships, and cognitive and social skill development.

As part of our mission, NEDFYS provides social workers to police departments in order to enhance service to the community and achieve the following goals:

- Increased access to community-based behavioral health care and domestic violence services
- Reduced need for emergency room transports and hospital police presence
- Expedited response time for mental health calls and facilitate a quicker return to patrol
- Decreased arrests and jail admissions
- Decreased repeat encounters with police
- Improve community relations
- Improved officer, consumer, and community safety

The Darien Police Department's mission is to provide Darien's residents and visitors with the highest quality services possible and to take the steps necessary to keep Darien a safe city. Together, the Parties enter into this Memorandum of Understanding (MOU) to mutually promote the mental health and social services needs of Darien residents.

Term of MOU

The term of this MOU is May 1, 2025-April 30, 2026.

Cost for Services

The total cost for services for this contract is not to exceed **\$22,500**

Staffing

NEDFYS will provide the Darien Police Department with a social worker for up to 12 hours/week for the term of the contract. Selection of the social worker will be done in collaboration with the PD to ensure the most appropriate fit.

Position requirements:

- Master's degree and partial or full licensure (LPC, LSW, LCSW, LCPC, LMFT) maintained for the duration of employment;
- 3+ years of experience working with high-risk adolescents and families
- 3+ years of experience with mental health crisis intervention
- Experience with domestic violence victims/Certified Domestic Violence Professional (CDVP) 40-hour training a plus
- Ability to partner effectively and work cooperatively with law enforcement personnel in a police setting
- Excellent oral and written communication skills
- Flexible, organized, and resourceful
- Knowledge of trauma treatment modalities

NEDFYS will provide at least one master's level intern (up to 8 hours per week) to support the social worker. Interns are supervised by fully licensed clinicians and can provide services such as short-term counseling, crisis stabilization, case management, and safety planning.

NEDFYS Roles and Responsibilities:

Under this MOU, NEDFYS agrees to provide the following:

- Follow-up on police referrals for mental health emergencies and ongoing resident needs
- On-site response to mental health crisis situations once active scene is secured
- Case management and immediate linkage to community resources
- Short-term counseling sessions to achieve crisis stabilization
- Suicide and mental health assessments
- Assistance with DCFS calls
- Assistance with issues related to homelessness, food insecurity, and other basic needs
- 24/7 on-call coverage for social service emergencies; remote and in-person responses as needed*
- “Walk in” services for community residents during designated office hours
- Domestic violence counseling, safety planning and resource linkage
- Extended case management for residents with complex and ongoing needs
- Home visits for targeted residents (accompanied by police officers)
- Outreach and training for community residents, city officials, and police department staff
- Participation in roll calls and regular ride alongs with officers
- Open communication and collaboration with referring officers
- Participation in city, department, and community meetings and events to promote the police social work program
- Must successfully pass a comprehensive criminal background check, including a fingerprint inquiry
- Take CJIS yearly test to comply with CJIS
- Must adhere to all police department policies, including but not limited to: Workplace Violence Prevention, Workplace Harassment Prevention, and the Drug and Alcohol-Free Workplace Policy

NEDFYS will provide the police social worker with a laptop computer and basic office supplies.

***24/7 On-Call System**

The 24/7 on-call system can be used, subject to the availability of the social worker, for urgent mental health or other related community emergencies that fall outside of the normal working hours of the social worker. Normal working hours for the social worker are agreed upon by NEDFYS and the police department.

These services are available, subject to the social worker’s availability, at the rate of \$50/hour and include direct services such as phone/remote consultations, on-scene response, and travel time to/from the scene. Indirect services in follow-up to a crisis response such as gathering collateral information, documentation time, and supervisor consultation are billed at the regular hourly rate for the police social worker.

PD Role and Responsibilities

Under this MOU, the Police Department agrees to provide the following:

- Office and meeting space in the police department to perform administrative and client service functions
- Police reports and other documentation needed to facilitate proper incident follow-up
- Assigned staff member to serve as the main point of contact for the social worker and serve as the liaison between the social worker, patrol, and administration
- Access to officers and staff and ensure officers are trained to work with the social worker and provide necessary support for joint interventions
- Regular and open communication for case follow-ups, community outreach, and to report on program effectiveness
- Intermittent use of office equipment as needed to perform duties (copy, scan, etc.)

Liability Insurance

NEDFYS maintains insurance which covers its personnel and liability for providing identified services. NEDFYS will provide a certificate of insurance in a form acceptable to the City.

Modification of Agreement

The terms of this agreement may be amended or modified in writing and signed by both parties.

Termination of Agreement

Either party may terminate this agreement providing 60 days' written notice to the other party.

Invoicing and Payment for Services

NEDFYS will provide the City of Darien with an invoice for allowable costs under this contract on or before the 10th of each month.

Allowable costs under this agreement include:

- Salary for assigned social worker
- Fringe benefit allocation for assigned social worker
- Indirect costs billed at 10% of monthly expenses (payroll services, liability insurance, workmen's compensation, accounting services, electronic health record, fiscal/administrative costs).

Payment to NEDFYS shall be made pursuant to the Illinois Prompt Payment Act (50 ILCS 505) either via electronic funds transfer or by check. If by check, payment should be sent to the following address:

Northeast DuPage Family and Youth Services
777 Army Trail Blvd, Flr. 2
Addison, IL 60101
Attn: Shannon Hartnett

The signing of this MOU is not a formal undertaking. It implies that the signatories will strive to reach, to the best of their ability, the objectives stated in the MOU.

To whom it may concern,

It is with great enthusiasm and confidence that I recommend Sabrina Shirley for a position within your agency. I had the distinct pleasure of working closely with Sabrina during her internship with our social work program at the Kane County Sheriff's Office, and I believe that she would be an outstanding addition to your team.

From the moment Sabrina started her internship, it was clear she was passionate about making a meaningful difference. She brought both a deep commitment to social work and an innate ability to connect with people, qualities that are so valuable in the sensitive work we do. She approached every situation with empathy, professionalism, and a deep understanding of the complexities of the justice system. Sabrina's competency in handling challenging situations with composure and insight will help her thrive in your department. She has effectively handled challenging situations with patience, tact, and a calm demeanor, excelling in conflict resolution and de-escalation, especially in tense or emotional circumstances.

Beyond her impressive skills and knowledge, Sabrina is an incredibly kind and genuine person. Her ability to make people feel heard and valued, even in difficult times, is an invaluable asset in any setting, particularly in law enforcement. Sabrina's positive attitude and enthusiasm are contagious, and she naturally builds strong, trusting relationships with both colleagues and clients.

In short, Sabrina brings a combination of skills, compassion, and professionalism that will make a meaningful impact in your department and the community. It has been a privilege to work with her, and I wholeheartedly recommend her. Please feel free to contact me if you need further information.

Sincerely,

Desi (Desiree) Avitia, LCSW, CDVP

Monthly Report

March 2025

Sexual Assault Awareness Month

Sexual Assault Awareness Month is an annual campaign to raise public awareness about sexual assault and educate communities and individuals on how to prevent sexual violence in the United States. It is observed in April. Each year during the month of April, state, territory, tribal and community-based organizations, rape crisis centers, government agencies, businesses, campuses and individuals plan events and activities to highlight sexual violence as a public health, human rights and social justice issue and reinforce the need for prevention efforts.

Prescription Drug Take Back Day

The National Prescription Drug Take Back Day is scheduled for Saturday, April 26, 2025. This event provides a safe and anonymous way to dispose of unused or expired medications at designated collection sites across the country.

The Darien Police Department allows people to drop off prescription drugs throughout the year when the lobby is open. There is a drug box. As indicated in the annual reports hundreds of pounds have been turned in.

Text-to-911

DuPage County Launches Text to 9-1-1. Our 9-1-1 Center, DuComm, is participating. The 9-1-1 centers want you to remember:

Call if you can, text if you can't.

Darien now has the ability to send a text to 9-1-1 dispatchers for emergencies, joining other helpline providers with texting services to 988 for Crisis Intervention and Suicide Support and 211 for health and social service resources.

If you have a choice between calling or texting 9-1-1 centers throughout DuPage County, please “call if you can and text if you can’t.” Calling is better than texting because emergency dispatchers can get more immediate answers to questions from callers, listen for distress in voices, and learn background information that could assist first responders in a potentially life-threatening emergency.

The Text-to-911 service will greatly assist the deaf community, in particular, as well as those who may be in a domestic violence situation, are hiding, or simply cannot make a phone call.

Text-to-911 works on cell phones, tablets and other devices with the capability of sending texts using AT&T, Verizon, and T-Mobile. Text-to-911 does not currently receive pictures or video.

Text-to-911 service is subject to cell signal availability – another reason why those attempting to contact 9-1-1 should call when they can and text when they can't. In the event a text does not go through, the person attempting to use Text-to-911 should receive an automated bounce-back message indicating the text's failure to be delivered.

For more information on DuPage County Text-to-911, please visit:

https://www.dupagecounty.gov/government/departments/etsb/text_to_911.php

Here is a few more things to keep in mind:

- Do not text and drive.
- Keep text messages short and do not use abbreviations, slang or emoji's.
- Include the location of your emergency and the type of help needed in your first text.
- Text to 911 is only for emergencies.

Frequently Asked Questions

How do I know if I'm able to text 911?

Verizon, AT&T and T-Mobile/Sprint have taken the necessary steps to allow you to text 911 from your mobile phone. Customers whose carriers utilize one of those three networks and whose calls are being routed to DuComm can use the feature.

How will I know if 911 received my text?

A 911 dispatcher will reply to your text when it is received. If Text to 911 is not available for any reason, you should receive an automatic "bounce-back" message from your wireless carrier stating that Text to 911 is not available and advising you to make a voice call to 911.

Do I need to have a texting plan to send a text message to 911?

Yes. While all wireless phones have the capability to dial 911 regardless of whether that phone is active on a network, you can only send a text to 911 if you use a cell phone that has an active texting plan. Your mobile carrier's regular texting rates will apply.

When should I text 911?

Text to 911 is intended primarily for use in three emergency scenarios:

1. An individual is deaf, hard-of-hearing, or has a speech disability.
2. Someone is in a situation where it is not safe to place a voice call to 911.
3. A medical emergency has rendered the person incapable of speech.

What are the challenges with Text to 911 services?

- As with all text messages, texts sent to 911 may take longer to receive and respond to than a voice call, do not provide the location of the texter, could be received out of order, or may not be received at all.
- Text GPS location information is not equal to current wireless location technology.
- Pictures or videos cannot be received by 911 at this time.

- If you include anyone else on your text to 911 it may not be received by the 911 call center.
- Translation services for Text to 911 are not currently available in DuComm. Please text in English only or make a voice call.

How do I text 911?

- Enter the numbers “911” in the “To” or “Recipient” field.
- The first text to 911 should include the location of the emergency and the type of help needed.
- Push the “Send” button.
- Be prepared to answer questions and follow instructions from the 911 call taker.
- Text in simple words – no abbreviations, slang or emoji’s.
- Keep text messages short.

If I send a text to 911, will the 911 center automatically know my location?

No. Texting 911 is different from making a voice call. When you call 911 from a mobile phone, the call center will usually receive your phone number and approximate location automatically. However, if you text 911, the call taker may not receive your phone number or location. So, regardless if you text or call 911, it is a best practice to provide a correct address or location as quickly as possible.

Can I send the 911 operator a photo or video?

No. At this time, DuComm is not equipped to accept photos or videos attached to a text message. In addition, you should not try to send emoji’s to 911.

Can I try to send a text to 911 to see if Text to 911 works from my phone?

No. Calling 911 when there is no emergency is against the law. The same applies to texting 911. Do not “test” to see if it works. You could tie up resources and prevent someone from receiving the help they need.

Vehicle Laws – Non-Motorized Bicycles

During the discussion of the annual report for 2024 at the April 7 City Council meeting questions arose regarding the use of bicycles, more so motorized bicycles and scooters. Here is a very trimmed down discussion on the law regarding bicycles and scooters. Additionally, some council members discussed wanting an ordinance on the use of electric bicycles and scooters.

Helmets

Because it was asked at the City Council meeting, here is the rule on helmets. Many responsible cyclists wear a protective helmet. Generally, because motor vehicle drivers are not always as attentive or respectful of the cyclists sharing the road with them. However, Illinois law does not require either a cyclist or passenger to wear a safety helmet.

Road Sharing Rules for Cyclists

A pedal-powered bicycle cannot usually match the higher speeds of a car or truck. This means that it is inevitable that some car or truck drivers will perceive a road-sharing cyclist as irritatingly in their way.

For that reason, Illinois law requires cyclists traveling at less than the normal speed of traffic at the time and place and under the conditions to ***ride as close as practicable to the right-hand curb or edge***. As designated bicycle lanes are typically on the rightmost part of a roadway, cyclists should remain within them, if such lanes are available.

Specified exceptions to riding as close to the right as practicable are:

- when overtaking and passing another bike or vehicle going the same way;
- preparing for a lawful left turn;
- necessarily avoiding a moving or nonmoving object;
- traveling on “substandard width” lanes too narrow for a car and bike to travel safely side-by-side within one lane; and
- traveling on a one-way highway with two or more marked lanes, letting the cyclist choose to ride as near the ***left***-hand edge as practicable. (625 ILCS 5/11-1505)

Motorist Safety Mandate

- A driver wishing to pass an e-bike (or pedal-powered bicycle) must do so at a safe distance, but not less than 3 feet between their vehicle and the rider.
- The motor vehicle driver must maintain the 3-foot buffer until they have safely passed the e-bike or bicycle. (625 ILCS 5/11-703(d))

Bicycle Use on Sidewalks

- Barring local ordinances to the contrary – or where a traffic-control device may forbid their use – bicycle riding is generally permitted on Illinois sidewalks. This is because bicyclists have ***all the rights and duties applicable to a pedestrian***. (625 ILCS 5/11-1512(b)(c))
- If a cyclist encounters a pedestrian on foot, that pedestrian has the right-of-way, and the cyclist must yield.
- Before passing a slower-moving pedestrian, a cyclist must give an audible signal so the pedestrian is not startled off their path. (625 ILCS 5/11-1512(a))

Penalties for Bicycle-Related Violations

Since traffic laws apply to persons riding bicycles (625 ILCS 5/11-1502), cyclists are subject to the same penalties faced by someone offending while driving a car or truck.

Vehicle Laws – Motorized Bicycles

Low-Speed Electric Bicycles

An electric bicycle is not statutorily classified as a motor vehicle. Thus, we generally consider them closer to pedal-powered bikes. The provisions of the law that apply to bicycles generally

apply to low-speed electric bicycles." (625 ILCS 5/11-1517(a)) However, local governments may opt to treat them differently.

Illinois law defines an electric bicycle as one equipped with fully operable pedals and an electric motor of less than 750 watts.

The law subdivides e-bikes into three classifications:

- Class 1 (motor assists only when pedaling, and stops at 20 mph);
- Class 2 (motor operates even when not pedaling, and stops at 20 mph); and
- Class 3 (motor assists only when pedaling, and stops at 28 mph).

Specifically excluded from the low-speed electric bicycle definition are Mopeds and Motor Driven Cycles. (625 ILCS 5/1-140.10)

Authority to Create Local Regulations

Bicycle regulations apply statewide, however, Darien may enact other laws (ordnances) that prohibit unwanted behaviors and punishments imposed for those violations. Darien has the power to regulate bicycle operations including regulating low-speed electric bicycles and low-speed gas bicycles. (625 ILCS 5/11-208(a)(8))

Permitted Riding Locations

With one exception, e-bikes can lawfully travel in the same locations as pedal-powered bicycles. This includes highways, streets and roadways. Low-speed electric bicycles are specifically authorized for traveling within bicycle lanes and bicycle paths. (625 ILCS 5/11-1517(e)(f))

Despite the broader authorization for e-bikes traveling in the same locations available to bicycles, the exception is a person may not operate a low-speed electric bicycle on a sidewalk. (625 ILCS 5/11-1517(g))

Age Restriction for Faster E-Bikes

Another legal difference between bicycles and certain types of e-bikes is that faster e-bikes have a minimum age restriction. No one younger than 16 can lawfully ride a **Class 3** electric bicycle – those that can reach 28 mph.

Driver's License & Insurance

A person may operate an electrical bike without needing to obtain or carry a driver's license or proof of insurance.

E-Bike Labeling Requirement

While an electric bicycle does not need to be registered or licensed like a motor vehicle, it does need to include a specific type of label. The specific label must include the e-bike's classification number, top assisted speed and motor wattage.

E-Bikes Enforced Like Traditional Bikes

For many traffic law purposes, an electrical bike traveling at 28 mph, and a traditional bicycle with its training wheels barely removed, are identical. Operators can ride on the very same paths,

sidewalks and streets. Someone in a car wishing to pass, must pass either type of bike at "a safe distance, but not less than 3 feet" between the vehicle and the rider. (625 ILCS 5/11-703(d)) Electric bicyclists get the best of both worlds, the freedom to travel on nearly every pathway, except sidewalks, yet the physical safety buffer devised for slower-moving traffic.

Low-Speed Gas Bicycles

Generally, like electric bicycles, the majority of Illinois laws for bicycles also apply to low-speed **gas** bicycles. (625 ILCS 5/11-1516(d)) However, gas-powered bikes have more operational limitations than e-bikes. To qualify as a low-speed gas bicycle it must:

- have either 2 or 3 wheels
- have fully operable pedals
- operated at speeds less than 20 mph
- powered by a gasoline motor of less than 1 horsepower, or 15 cc displacement. (625 ILCS 5/1-140.15)

Gas Bicycle Age Requirement

To ride any gas bicycle, a rider must be at least 16 years old. This differs from the e-bike regulation, which imposes a minimum age of 16 only for the speedier Class 3 models.

Maximum Speed Limitation

Although most gas-powered bicycles are mechanically capable of driving much faster, in Illinois, a driver must limit their speed on a low-speed gas bicycle to no greater than 20 mph when on a street. (625 ILCS 5/11-1516(b))

Same Sidewalk Prohibition as E-Bikes

While it is legal to drive a gas bicycle on most local roadways a person may not operate a low-speed gas bicycle on a sidewalk. (625 ILCS 5/11-1516(c))

Vehicle Laws – Motorized Scooters

Low-Speed Electric Scooters

To qualify as a low-speed electric scooter, a conveyance must:

- weigh less than 100 pounds
- have either 2 or 3 wheels
- have handlebars and a floorboard that can be stood upon while riding
- powered solely by an electric motor as well as by human power
- not faster than 10 miles per hour

No Title, Registration, or Driver's License Required

Any Illinois resident 18 years or older may own and operate a low-speed electric scooter without obtaining an Illinois driver's license or permit (625 ILCS 5/6-102(9)). A low-speed electric scooter is not a motor vehicle.

Local Rule-Making Authority

Illinois law authorizes several governmental entities to regulate the operation of low-speed electric scooters within their jurisdictions to include the use on sidewalks, trails and other public rights-of-way where the operation of bicycles is permitted. (625 ILCS 5/11-1518(a))

Local E-Scooter Use Must be Affirmatively Authorized

An unusual feature of Illinois' low-speed electric scooter regulations is that their use is only permitted if a municipality or other unit of local government has specifically authorized it within their jurisdiction. Local authorizations only apply to property that the rule-making authority owns, leases, or manages. For example, a park district's regulation permitting low-speed e-scooter usage would not equally apply to downtown city streets. (625 ILCS 5/11-1518(a))

Darien has the authority to pass local ordinances to regulate such devices and prohibit their use in specified locations. (625 ILCS 5/11-1005.1)

Parking Restrictions

Review into the Parking Restriction ordinance 9-3 has been undertaken. At a later time a recommended changes will be presented.
