MUNICIPAL SERVICES COMMITTEE

ISSUE STATEMENT

Consideration to approve an ordinance amending the liquor code to expand the number of Class P liquor licenses from one (1) to two (2) for a sale at retail liquor license at Fry the Coop.

ORDINANCE

BACKGROUND

In 2016 the City Council passed ordinance O-12-16 amending the liquor code by periodically auditing the number of licenses in several classes so that there are no (open) licenses available that are not assigned to a particular business. The liquor licenses are updated as new requests are generated from businesses.

Mayor Marchese received a request from Fry the Coop restaurant owner, Joe Fontana, for a sale at retail liquor license for on-site consumption and sale at retail of beer and wine in original package for off-site consumption. The license required for the request is a P License and would increase the number of P licenses from one (1) to two (2). Mayor Marchese as Liquor Commissioner has indicated he supports the request. Mr. Fontana has also agreed to the non-video gaming waiver.

RE:

To whom it may concern,

We are applying for a liquor license with the City of Darien for Fry the Coop, Nashville Hot Chicken restaurant at 2019 75th Street Darien, IL 60561. We would like to request a Beer and Wine license for "on-premise" at the counter and at tables but also to have the ability for sale at retail of beer and wine in original package but not for consumption on the premises of sale, provided such sale and serving is accessory to the main purpose of the sale of food on a carryout basis.

The best example of this would be a Class P license, however we would not need a full liquor license, just beer and wine.

To explain, we sell beer in 16oz cans and beer on draft. Beer sales only make up about 0.5% of sales. It is very minimal, but we feel its a great value add. Since we are over the counter service, customers usually only purchase one beer with a meal, but never get more than one. Also, we have partnered a local Chicago brewery called Pipeworks and they now make our own exclusive beer called "Chicken vs. Unicorn." We sell this beer "togo" at our other locations in a 4 pack.

Please let us know what class licenses is best for us to apply.

Thank you in advance and please feel free to reach out with any questions.

Cordially,
Joseph Fontana

ISSUE STATEMENT

A [resolution](#) accepting a proposal for the purchase of one new Radiodetection RX 8200 Receiver Utility Line Locator from Subsurface Solutions, in an amount not to exceed \$8,829.

BACKGROUND/HISTORY

The proposed utility line locator is an additional piece of equipment to be utilized by the water division. The staff uses line locators on a daily basis to respond to JULIE calls as well as in-house main and service line surveys as required. The department consistently strives to locate our water mains, service lines and streetlights with the utmost accuracy without interference from other utilities that are typically adjacent to the City's water system. The equipment is a tool that is utilized as an industry standard for utility locators. This locator provides the crew with a tool for safe excavation and determining where water lines are located. This piece of equipment will also allow us to have another locator in the fleet to ensure timely locates and multi-functionality amongst the crews. The RX 8200 model would be an updated version of equipment that staff is already utilizing, therefore providing uniformity and familiarity.

Subsurface Solutions is the only authorized distributor for Radiodetection for the state of Illinois, Iowa, Kansas, Nebraska, Missouri, Minnesota, North Dakota, South Dakota, Wisconsin, and Upper Michigan, of this equipment. See [Attachment A](#).

The FY22/23 Budget includes funding for the vehicle through the following account:

ISSUE STATEMENT

Approval of a [resolution](#) to enter into a contract agreement with Morton Salt, Inc. for the purchase of rock salt in an amount not to exceed \$207,759.

AND

Approval of a [resolution](#) for the required balance purchase of the 21/22 rock salt contract agreement with Compass Minerals in an amount not to exceed \$51,924.

BACKGROUND/HISTORY

The rock salt is utilized by the Municipal Services Department for street de-icing operations during the snow season. The City continues to partner with the County of DuPage for the purchase of rock salt. Recently, the County has opened sealed bids and the lowest competitive unit price was Morton Salt, Inc. for the amount of \$75.88 per ton. See [Attachment A](#). The price per ton last year was \$81.13 is approximately 7% less than last year’s cost per ton.

As part of the joint contract, the City committed to receive up to 2,200 tons of salt and is obligated to take 1,760 tons. Pending winter conditions the department has the ability to take an additional 660 tons (2,860 tons total) of sodium chloride salt. The Darien Park District and Center Cass School District #66 will be purchasing up to 40 and 8 tons respectively of rock salt not to exceed \$3,035.20 and \$607.04 through the respective Intergovernmental Agreements.

Please note last year’s salt contract called for the City to accept 3,000 tons. Due to the mild weather conditions and additional de-icing enhancements the City did not meet the minimal delivery for salt. The City is required to purchase an additional 640 tons at \$81.13 per ton for a total cost not to exceed \$51,924, see [Attachment B](#). Currently the salt bin is full and the remainder will be taken by January 1, 2023.

The proposed expenditure would be expended from the following account:

Adobe Acrobat Reader is required to view electronic documents on-line. If you do not have Adobe Acrobat Reader, you may download it for free from Adobe at www.adobe.com/products/acrobat/readstep.html.

Businesses without Internet access may contact the Procurement Services Division of the County at (630) 407-6210 for these documents.

Companies interested in doing business with the County can register and maintain their registration via the Internet at www.DemandStar.com. Registration is not required but if you choose to register you will receive automatic initial notification from DemandStar of relevant opportunities with the County of DuPage.

The County is not responsible for errors and omissions occurring in the transmission or downloading of any specifications from this website. In the event of any discrepancy between information on this website and the hard copy specifications, the terms of the hard copy specification will control.

2) **ON-LINE PROVIDER DISCLAIMER:** DemandStar.com has no affiliation with the County of DuPage other than as a service that facilitates communication between the County and its vendors. DemandStar.com is an independent entity and is not an agent or representative of the County. Communications to DemandStar.com do not constitute communications to the County.

3) **COMMUNICATIONS:** To create a more competitive and unbiased procurement process, the County desires to establish a single point of contact throughout the procurement process. From the issue date of this Bid, until a Successful Bidder is selected, all requests for clarification or additional information regarding this BID, or contacts with the County personnel concerning this BID or the evaluation process must be solely to the contact person listed on the cover page of this BID.

A violation of this provision is cause for the County to reject the Bidder's Bid. If it is later discovered that a violation has occurred, the County may reject any Bid or terminate any contract awarded pursuant to this BID. No contact regarding this document with other County employees is permitted.

4) **BID INFORMATION AND QUESTIONS:** Each Bid that is timely received will be evaluated on its merit and completeness of all requested information. In preparing Bids, Bidders are advised to rely only upon the contents of this Bid and accompanying documents and any written clarifications or addenda issued by the County. If a Bidder finds a discrepancy, error, or omission in the Bid package, or requires any written addendum thereto, the Bidder is requested to notify the Purchasing Contact noted on the cover of this Bid, so that written clarification may be sent to all prospective Bidders. The County is not responsible for oral representations. All questions must be submitted in writing to the Procurement Services Contact only before the Question Deadline indicated on the front of this document. All answers will be issued in the form of a written addendum.

5) **BID SUBMISSION:** To be considered, the Bid must be prepared in the manner and detail specified in this Bid. Bids must be submitted before the date and time indicated as the deadline. It is each Bidder's responsibility to ensure that the submittal is received and time-stamped prior to the deadline. This responsibility rests entirely with the Bidder, regardless of delays resulting from postal handling or for any other reasons. Bids will be accepted at any time during the normal course of business only, said hours being 8:00 a.m. to 4:00 p.m. local time, Monday through Friday, except for legal holidays to DuPage County Procurement Services Division 421 North County Farm Road, Room 3-400 Wheaton, IL 60187.

Bids received after the above deadline may not be accepted and may be returned to the Bidder unopened. The Procurement Services Division's timestamp shall be the official time.

The opening of a Bid does not constitute the County's acceptance of the Bidder as a responsive and responsible Bidder.

Bidders must sign, in ink, the Bid form where indicated. Unsigned Bids will not be considered. An authorized official must sign the Bid. Each signature represents binding commitment upon the Bidder to provide the goods and/or services offered to the County if the Bidder is determined to be the most responsive and responsible Bidder.

Bids must be enclosed in a sealed envelope, box, or package, and clearly marked on the outside with the attached label secured to the lower left-hand corner.

- a) Submission of a Bid establishes a conclusive presumption that the Bidder is thoroughly familiar with the BID and specifications and terms of the Form of Contract, and the County's Procurement Ordinance and that the Bidder understands and agrees to propose by each, and all of the stipulations and requirements contained therein.
- b) All prices and notations must be typed or printed in ink. No erasures are permitted. Mistakes may be crossed out and the person(s) signing the Bid must initial corrections in ink.
- c) All costs incurred in the preparation and presentations of the Bid, as well as, any resulting contract, are the Bidder's sole responsibility; no such costs will be reimbursed to any Bidder. All documentation submitted with the Bid will become the property of the County.
- d) Bids are subject to public disclosure after the deadline for opening in accordance with state law under the Freedom of Information Act (FOIA).

6) **CONTRACT AWARD:** The County reserves the right to withdraw the Bid, to award to one Bidder, to any combination of Bidders, by item, group of items, or total Bid. The County may waive informalities if it is in the County's interest. The Bidder(s) to whom the award is made will be notified as soon as possible. Tentative acceptance of the Bid, intent to recommend award of a contract and actual award of the contract will be provided by written notice sent to the Bidder at the address designated in the Bid. All Bids must be for a firm fixed price unless modified. If, for any reason, a contract is not executed with the selected Bidder within 14 days after notice of recommended award, then the County may recommend the next most responsive and responsible Bidder. Award of this Bid is contingent upon the availability of funds for this project, within the sole discretion of the County. Acceptance of the Bidder's Bid does not constitute a binding contract. There is no contract until the County's policies have been fulfilled. The County is not liable for performance costs until the successful Bidder has been given a fully executed contract. Failure to accept the terms and conditions of the County's Standard Contract may deem the Bidder non-responsive.

The successful Bidder will be asked to sign a contract agreement (sample attached).

7) **WITHDRAWAL:** Bids may only be withdrawn by written notice prior to the deadline date set for the opening of Bid. No Bid may be withdrawn after the deadline for submission.

8) **ALTERNATE/EQUAL BIDS:** The specifications cannot cover precisely, all minute details of the equipment required. Therefore, for purposes of establishing a standard of quality, the items listed in the specification may state brand names, manufacturer's models, numbers, et cetera. The County of DuPage, for cost effective measures, standardizes on specific items; those bids will contain the language "No Substitutions," and any alternative will not be considered. A generic or alternate brand product of equal specifications may be proposed as an alternative for the item identified unless "No Substitutions" is indicated. However, in bidding the alternate item, the bidder must also attach manufacturer's printed specifications and literature.

Bidders are encouraged to submit cost-saving/value-added alternate bid pricing suggestions, such as rebates, creative lease agreements, extended warranty periods, trade-in allowances, or the availability of discounts for floor model or demonstrator units at significant savings. Any alternate pricing should be noted as a separate line that may be subtracted from the bid pricing as specified, allowing for clear evaluation and value-analysis by the County.

The County recognizes the expertise provided by many bidders and encourages creativity in bidding. Alternates may be considered if the bid submitted clearly indicates what will be furnished and how it will benefit the County. Alternates will be compared to the lowest responsive, responsible bid as specified.

9) **DEVIATIONS:** The County of DuPage reserves the right to approve any material the Bidder proposes to furnish which contains deviations from specification requirements, but which may substantially comply. If there is any deviation in the pack, source, quality, etc., of any item id, from that prescribed in the specifications, Bidder must rule out the appropriate line in the specifications and clearly indicate the correction. Prices will be converted by the County to accommodate accepted deviations.

10) **REJECTION:** The County reserves the right to reject any or all Bids, or to accept or reject any Bid in part, and to waive any minor informality or irregularity in Bids received, if it is determined by the Procurement Officer or designee that the best interest of the County will be served by doing so. The County may reject any Bid from any person, firm or corporation

in arrears or in default to the County on any contract, debt, or other obligation, or if the Bidder is debarred by the County from consideration for a contract award, or if Bidder has committed a violation of the ethics or anti-kickback provisions of the County's Procurement Ordinance which resulted in a termination of a contract or other material sanction within the two (2) years immediately preceding the date of issuance of this document.

11) **PROCUREMENT POLICY:** Procurement for the County will be handled in a manner providing fair opportunity to all businesses. This will be accomplished without abrogation or sacrifice of quality and as determined to be in the best interest of the County. The Procurement Officer has the vested authority to execute all County contracts, subject to Committee and County Board approval where required.

12) **PROPRIETARY INFORMATION:** Under the Illinois Freedom of Information Act, all records in the possession of DuPage County are presumed to be open to inspection or copying, unless a specific exception applies. 5 ILCS 140/1.2 One exemption is "trade secrets and commercial or financial information obtained from a person or business where the trade secrets or commercial or financial information are furnished under a claim that they are proprietary, privileged or confidential, and that disclosure of the trade secrets or commercial or financial information would cause competitive harm to the person or business, and only insofar as the claim directly applies to the records requested." 5 ILCS 140/7(1)(g). The county will assume that all information provided to us in a bid or proposal is open to inspection or copying by the public unless clearly marked with the appropriate exception that applies under the Freedom of Information Act. Additionally, if providing documents that you believe fall under an exception to the Freedom of Information Act, please submit both an unredacted copy along with a redacted copy which has all portions redacted that you deem to fall under a Freedom of Information Act exception

13) **NON-DISCRIMINATION:** DuPage County will not contract with any person or firm that discriminates against employees or applicants for employment because of any factor not related to job performance. The Bidder must comply with all federal, state and local laws and policies that prohibit discrimination in employment contracts.

14) **CONTRACT NEGOTIATION:** All Bids must be firm for at least 120 calendar days from the due date of the Bid. If, for any reason, a contract is not executed with the selected Bidder within 14 days after notice of recommended award, then the County may recommend the next most responsive and responsible Bidder. There is no contract until the County's policies have been fulfilled.

15) **DISQUALIFICATION OF RESPONDENTS:** Any one or more of the following causes may be considered sufficient for the disqualification of a Bidder and the rejection of the Bid:

1. Evidence of collusion among Bidders.
2. Lack of competency as revealed by either financial, experience, or equipment statements.
3. Lack of responsibility as shown by past work.
4. Uncompleted work under other contracts which, in the judgment of the County, might hinder or prevent the prompt completion of additional work if awarded.

16) **BIDDER RESPONSIBILITIES:** The Bidder must be capable, either as a firm or a team, of providing all services as described under Specifications and/or Scope of Work Section and to maintain those capabilities until notification of the fact that their Bid was unsuccessful.

The selected Bidder must remain capable of providing all services proposed as described under Specifications and/or Scope of Work Section and must maintain those capabilities until the agreement is successfully finished. The successful Bidder will be responsible for all Services in this Bid as they are provided or performed by the Successful Bidder.

Further, the County will consider the Successful Bidder(s) to be the sole point of contact with regard to contractual matters, including payment of any and all charges resulting from the cost of any contract.

17) **DISCLOSURE OF CONTENTS:** All information provided in the Bid shall be held in confidence and shall not be revealed or discussed with competitors, until after award of the contract except as provided by law or court decision. All material submitted with the Bid becomes the property of the County and may be returned only at the County's option.

Bidders must make no other distribution of their Bids other than authorized by this BID. A Bidder who shares cost information contained in its Bid with other County personnel or competing Bidder personnel shall be subject to disqualification.

Bidders shall not be provided any information about other Bids or prices or where the Bidder stands in relation to others at any time during the evaluation process. Any request for such information by a Bidder, or an affiliated party may be viewed as a compromise to the evaluation process and the requesting Bidder may be eliminated from further consideration.

18) **COMPLIANCE WITH ILLINOIS STATE LAW:** By submitting a response, Bidder [Proposer] certifies that it has obtained all required authorizations, certifications, and/or licenses required by law to perform the work described herein and transact business within the State of Illinois. This may include but is not limited to, in the case of a foreign business corporation, limited liability company, limited partnership, or limited liability partnership, authorization from the Illinois Secretary of State to transact business within the State of Illinois.

Illinois law requires that changes more than \$10,000 or extensions greater than thirty (30) days must comply with the Criminal Code. 5) **COMMENCEMENT OF WORK:** The successful Contractor must not commence any billable work prior to the County issuing a Notice to Proceed. Work done prior to these circumstances shall be at the Contractor's risk.

6) **COMMUNICATIONS:** To create a more competitive and unbiased procurement process, the County desires to establish a single point of contact throughout the procurement process. From the issue date of this solicitation, until a contract has been awarded, all requests for clarification or additional information regarding this solicitation, or contact with the County personnel concerning this solicitation or the evaluation process, must be solely to the contact person listed on the cover page of this solicitation.

No contact regarding this document with other County employees or officers is permitted. A violation of this provision may be grounds for the County to reject the Bidder's proposal. 25) **PATENTS:** Contractor undertakes and agrees to defend at Contractor's own expense all suits, actions, or proceedings in which the County of DuPage, its Officers, agents or employees are made defendants for actual or alleged infringement of any U.S. or foreign letters patent resulting from the use or sale of the items purchased hereunder. Contractor shall inform the County of DuPage whenever infringement will result from Contractor's adherence to specifications supplied by the County of DuPage or by an authorized County representative. Contractor further agrees to pay and discharge all judgments or decrees, which may be rendered in any such suit, action or proceedings against the County of DuPage, its Officers, agents or employees therein. Should Contractor or his agents be enjoined from furnishing or using any invention, article, material, or appliance required to be supplied under this contract, Contractor shall promptly offer other articles, materials, or appliances in lieu thereof, of equal quality suitability for review by County. If the County should disapprove of the offered substitutes and should elect in lieu of substitution, to have supplied, and to retain and use, any such invention, article, material or appliance as may be required by this Contract to be supplied, then Contractor shall pay such royalties and secure such valid licenses as may be necessary for the County. If the contractor does not make any approved substitution promptly, or does not pay such royalties to secure the licenses as may be necessary, then the Engineer shall have the right to make such substitution, or change the cost thereof against any money due Contractor from Owner, or recover the amount thereof from him and his sureties notwithstanding that final payment under this Contract may have been made.
