**POLICE COMMITTEE  
MEETING MINUTES  
April 15, 2019**

**Call to Order**

The meeting was called to order at 6:00 p.m. in the police department training room. In attendance: Alderman McIvor, Alderman Vaughn and Chief Thomas.

**Public Comment and Communications**

No public Comment and Communication.

**Minutes**

The minutes of the January 21, 2019, Police Committee meeting were unanimously approved.

**Agenda Memo** – A resolution authorizing the purchase of a Security Information and Event Management System from All Information Services, Inc. (AIS) for \$6,390. Chief Thomas explained to the committee that the Criminal Justice Information Services policy requires that all police departments that connect to Criminal Justice Systems are secure. They issued mandates for the participating agencies to purchase this security software. AIS came in as the lowest qualified bidder by a quite a bit. Staff recommends that we purchase from AIS. The Committee unanimously approved the resolution.

**Chief's Monthly Report**

Chief Thomas reviewed the highlights of his monthly report.

**Adjournment**

The Committee Meeting adjourned at 6:10 p.m.

**ISSUE STATEMENT**

A resolution authorizing the purchase of five (5) Motorola APX 6000 portable radios from the Emergency Telephone System Board (ETSB) of DuPage County using Department of Justice award money in the amount of \$20,979.65

**BACKGROUND/HISTORY**

In early March 2019 we were given first notice that some 300 portable police radios in the ETSB network needed to be replaced since it was found that they would no longer work with upcoming system changes in the radio network due to changes in technology. The Darien Police Department needs to replace five (5) Motorola XTS2500 radios with five (5) Motorola APX 6000 model radios. The radios will then require additional programming and enhancements to make it fully functional on the Starcom21 radio network.

This is a sole source request due to Motorola Solutions, Inc. owns and operates the STARCOM21 network. It is a statewide, 700/800 MHz, project 25 compliant, digital, trunked voice radio network that is open to all public safety and public service agencies in the state of Illinois. We are able to purchase the replacement Motorola radios from the ETSB at a discounted price negotiated by the ETSB.

The Darien Police Department is a proud participant in the United States Department of Justice and the United States Department of Treasury Equitable Sharing Program for State and Local Law Enforcement Agencies. For the last two years, the Darien Police Department participated in federal task forces whose goal is to stem the flow of illegal narcotics into the Chicago metropolitan area, which is one of the major hubs for illegal narcotics coming into the United States. It is the goal of this program to not only cut off the flow of illegal narcotics into the area, but to take away and use the tools, proceeds and property derived from any criminal activity against the offenders. These seized tools, proceeds and property are ultimately a deterrent to criminal activity and an enhancement to law enforcement. Agencies cannot use the funds received under the guidelines of the Equitable Sharing Program to replace or supplant the police department's regularly budgeted monies but augment the police budget. The police department may only use these seized monies in order to augment the police budget. This purchase meets the Guidelines of the Equitable Sharing Program and will provide an important tool for the police department that otherwise would not be available without participation in the Equitable Sharing Program.

**Subject:** Radio pricing and End of Life Radios on DEDIRS  
**Attachments:** APX6000 Quote.pdf; APX8000 Quote.pdf; Motorola APX8500 Dual Band Quote 3 3 2019.pdf

Good Afternoon

As you may be aware, the following subscriber units/radios have been or will be end of life:

XTL/XTS 5000 radios is 12/31/2018  
XTL1500 & XTL 2500 12/31/2019

DuPage ETSB estimates that there are approximately 300 radios that fit into this category on the system. The units listed are not TDMA and GPS capable. This means that when the new CAD system goes live, these end of life radios will impact the DEDIRS transition to TDMA on any police or System-wide talk group on which they operate.

In addition, several fire agencies have indicated the desire to replace mobiles with dual band units.

A draft policy is being considered by the PAC tomorrow. This will be a first look at the policy and it will be distributed after the PAC's first look. This policy recommends the following radio units as replacements:

Single Band: APX6000 series  
Dual Band: APX8000 series including ruggedized

Police agencies will not need dual band radios as going forward, their back up systems will be 800.

Accordingly, attached to this email is pricing for APX6000, APX8000 (ruggedized pricing to follow if there is an interest) and an APX mobile. It does not include mics, chargers and batteries. This pricing is based on 300 units. However, based on the commitment level, ETSB will work with Motorola for accessories and any other costs.

**Please let ETSB know by March 18 if you are interested in purchasing radios. You should submit the type and quantity.** You should respond to this email.

Thank you

**AGENDA MEMO**  
**Police Committee**  
**Rescheduled Meeting**  
**May 28, 2019**

**ISSUE STATEMENT**

A motion approving the payment of annual dues for the Darien Police Department participation with the DuPage Metropolitan Enforcement Group (DUMEG) using State Drug Forfeiture funds in the amount of \$17,680.

**BACKGROUND/HISTORY**

This item is included in the FYE19 budget for the amount of \$17,680 and will be taken from State Drug Forfeiture funds. The City, through its police department, participates in a county-wide drug enforcement task force managed by the Illinois State Police. The DuPage Metropolitan Enforcement Group (DUMEG) is staffed and funded by its member agencies within the county. The Darien Police Department is not a manpower contributor to DUMEG, but rather a fair share contributor. The fair share calculation is \$520 per authorized officer (34) for a total financial contribution of \$17,680.

**STAFF/COMMITTEE RECOMMENDATION**

Based upon the above information, staff recommends that the City approve the annual dues payment for DUMEG in the amount of \$17,680.

**ALTERNATE CONSIDERATION**

The alternate consideration would be to not participate in the county-wide drug enforcement task force.

**DECISION MODE**

This item will be placed on the June 3, 2019, City Council Agenda for formal Council approval.

Chief Greg Thomas  
Darien Police Department  
1710 Plainfield Road  
Darien, IL 60561

Dear Chief Thomas:

As approved by the DuPage MEG Policy Board your "Fair Share" contributions for FY20 to DuPage MEG is \$17,680.00.

This figure is based upon \$520 per authorized officer, as approved by the DuPage MEG Policy Board.

Please send your contribution directly to DUMEG by July 31, 2019 so that proper budgeting for FY20 may be implemented.

If you have any questions regarding your contribution, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Bradley Bloom".
